Contractor shall be liable for its acts and omissions, and those of its employees and its agents. Nothing contained herein shall be construed as creating an employment, agency or partnership relationship between City and Contractor.

b. Direction from City regarding the subject of this Contract shall be construed as providing for direction as to policy and the result of Contractor's Work only and not as to the means or methods by which such a result is obtained.

Chapter 13.27 in subsequent contracts.

b. If Contractor is currently subject to the Berkeley Living Wage Ordinance, Contractor shall be required to maintain monthly records of those employees providing service under the Contract. These records shall include the total number of hours worked, the number of hours spent providing service under this Contract, the hourly rate paid, and the amount paid by Contractor for health benefits, if

These records are expressly subject to the auditing terms described in Section 17 of this contract.

c. If Contractor fails to comply with the requirements of this Section, City shall have the rights and remedies described in this Section, in addition to any rights and remedies provided by law or equity.

more than five (5) years from the date this Contract is terminated.

In addition, at City's sole discretion, Contractor may be responsible for liquidated damages in the amount of \$50.00 per employee per day for each and every instance of violation of this Section. It is mutually understood and agreed that Contractor's failure to provide its employees with equal benefits will result in damages being sustained by City; that the nature and amount of these damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein is the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damage amount is not intended as a penalty or forfeiture for Contractor's breach. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent consultant would use to protect its own proprietary data.

22. **ENTIRE CONTRACT**

a. The terms and conditions of this Contract, all exhibits attached and any documents expressly incorporated by reference represent the entire Contract between the parties with respect to the subject matter of this Contract. This Contract shall supersede any and all prior contracts, oral or written, regarding the subject matter between City and Contractor. 24. **WAIVER**

Failure of City to insist on strict performance shall not constitute a waiver of any of the provisions of this Contract or a waiver of any other default of Contractor.

25. **ASSIGNMENT**

Contractor may not assign this Contract without the prior written consent of the City, except that Contractor may assign its right to any money due or to become due hereunder.
