

MEASURE M

Streets and Watershed Improvements

Get Involved!

Attend an Information Session on Measure M

In November you voted; now planning for streets and related watershed improvements is underway.

Community Information Session

Date: **Thursday, May 2, 2013**

Time: **5:30 to 8:00 pm**

Place: **North Berkeley Senior Center
1901 Hearst Avenue**

Mark your calendars for two additional community meetings:

Saturday, June 8, 10am: Provide input on a range of scenarios for street and related watershed investments.

Thursday, July 18, 5:30pm: Provide input on the preferred scenario.

The Berkeley Public Works Commission, in partnership with the Community Environmental Advisory Commission, the Transportation Commission, and the League of Women Voters, invites you to a community information session on the implementation of Measure M. Please attend the May 2nd meeting and learn about the background, process to develop scenarios, schedule, and how you can provide input.
