From: Rico Rolleri, Professional Standards Division Captain
Subject: Use of Force Review Board – Officer Involved Shooting – 2021-00000223

This Use of Force Board of Review was convened at your request pursuant to Berkeley Police Department General Order P-12 and Lexipol Policies 347 and 1035. The purpose of this Board of Review is to review the facts of this incident gleaned from the concurrent criminal and administrative investigations in order to determine if the use of force during this incident was within the scope of, or in violation of Berkeley Police Department policy. The Board may also identify potential training issues related to this incident to be considered in future training plans. This Board of Review is not an investigation into the actual incident. The Board was provided access to all reports and evidence that included all videos, photos and statements obtained.

Composition of the Board:
Captain Rico Rolleri – Professional Standards Division (OIS Board Chairperson)
Provisional Captain Joseph Okies – Operations Division (Firearms and Tactics Unit Coordinator)
Lieutenant Jennifer Tate – Investigations Division, Traffic Bureau (Defensive Tactics Unit Coordinator)

Summary of the Incident:
On January 2, 2021 at 2222 hours, the Berkeley Police Department Communications Center received a 9-1-1 call from an employee of Walgreens, 2190 Shattuck Avenue. The employee reported that a black male in his 50’s. 6’, 195 lbs., wearing a grey sweat top, black pants and a white “Gilligan’s Island” fishing hat had threatened the employee with a 6’ chain while stealing about 15 items from the store. The employee described the suspect as walking towards Kittredge Street then towards the UC Berkeley campus. Within two minutes of the Communications Center radio broadcast of a robbery occurring at the Walgreens store at 2190 Shattuck, along with the above suspect description, Ofc. Gibson observed a person matching the same description as the described suspect, walking near the intersection of Bancroft Way and Fulton Street. Ofc. Gibson noted the clothing description matched that of the suspect description provided by the Communications Center. He attempted to detain the person at the intersection of Bancroft and Fulton by illuminating a solid red light on his patrol vehicle and demanded the person to stop. However, the person ignored Ofc. Gibson’s request to stop and jumped over a wall located at 2222 Bancroft Way (UC Berkeley Tang Center) and remained within a courtyard that is surrounded by a short wall at that location. The suspect produced a chain and began yelling at Ofc. Gibson while Gibson gave him directions to drop the chain. Ofc. Gibson requested Less Lethal equipment to be deployed.
Multiple officers arrived within moments and set a containment perimeter around the courtyard. Officers made a request through the Communications Center to have Berkeley Fire Department personnel respond and stage in a safe location in case of an injury to the suspect or officers. Several officers attempted to communicate with the suspect, attempting to de-escalate the situation by first requesting him to drop the chain. Several officers made specific verbal attempts directed to the suspect to drop the chain. Sgt. Speelman, a trained department negotiator, arrived on scene quickly and rapidly established communication with the suspect. The suspect was responding to Sgt. Speelman with verbal threats but did not respond directly to her questions or attempts at discussion. Based on various Body Worn Camera recordings from several officers, the suspect can be heard making continuous irrational statements, threats to officers and their families and referred to weapons that he had in his possession.

While Sgt. Speelman continued her attempts to negotiate with the suspect, Sgt. Kleppe began developing plans to contain the suspect and keep him from escaping. He communicated with Sgt. Huynh and requested that he assemble a team of officers that would be responsible for detaining the suspect if that became necessary on the direction of Sgt. Kleppe. Sgt. Huynh assembled a team of five officers that included himself as the team supervisor. Sgt. Huynh and two other officers were assigned Less Lethal and two others, including Ofc. Albrandt, as “lethal cover”. The lethal cover officers’ responsibility was to protect the less lethal operators in the event of several potential situations. Before deploying, Sgt. Huynh met with the team and assigned them their specific roles as they were assembled along the east side of the Tang Center courtyard.

After communication efforts with the suspect continued to fail, Sgt. Kleppe communicated to Sgt. Huynh to detain the suspect. The team of officers moved around the corner of a building from the east side of the courtyard and Sgt. Huynh immediately began yelling clear and loud commands to the suspect to drop the chain at least four times. The suspect, who was standing on a raised concrete structure, jumped off the raised concrete structure and began advancing directly towards Sgt. Huynh who was delivering continued commands and was at the front of the group of five officers. As the suspect closed the distance by walking toward Sgt. Huynh, several officers, including Sgt. Huynh, fired less lethal foam rounds at the suspect. The suspect did not stop his advance toward Sgt. Huynh and can be seen on video turning his left side forward towards Sgt. Huynh while raising the chain in his right hand up in the air in a cocking motion. At this moment, Ofc. Albrandt discharged one round at the suspect with her department issued firearm. The suspect spun around and immediately fell to the ground.

Other officers immediately moved in, removed the chain from the suspect’s hand, handcuffed the suspect and provided first aid. The Berkeley Fire Department was notified to move in and begin advanced care and transport to a hospital.
General Order U-2 that was effective on the date of this incident states in part:

**Use of Lethal Force**

1 - Officers shall not discharge firearms or use other lethal force in connection with police duty, except in the following circumstances:

(a) When the officer reasonably believes that doing so is necessary to protect the officer or others from death or serious bodily injury, and, where feasible, some warning has been given.

(b) To apprehend a suspected fleeing felon:

(1) When necessary to prevent escape, and

(2) When the officer has probable cause to believe that the suspected fleeing felon poses a significant threat of death or serious bodily injury to the officer or others, and

(3) Where feasible, some warning has been given.

**Legal:**

Pursuant to Penal Code Section 835a(a), the authority to use physical force conferred on peace officers is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. It is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer. The decision to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers. Further, the decision to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgments about using force.

**Conclusion:**

The members of this Review Board unanimously agreed that Ofc. Albrandt’s use of deadly force was within Berkeley Police Department policy. The Review Board based this decision on Ofc. Albrandt’s observation of the suspect ignoring specific and repeated commands to drop the
chain while he moved directly towards Sgt. Huynh and other officers. The suspect continued moving while armed with a weapon that if used, had the potential to inflict great bodily harm or death to Sgt. Huynh or other officers. The suspect raised the chain up in an apparent attempt to use it as a weapon against Sgt. Huynh and other officers.

**Training Considerations / Equipment:**

The Review Board discussed potential training topics that could be evaluated, discussed or emphasized in future training topics delivered to Berkeley Police Department personnel.

- The use of electroshock weapon (Taser). This is a tool that might have been deployed as another potential less lethal option during this incident. The Berkeley Police Department is currently the only law enforcement agency within the County of Alameda that is not permitted to utilize this industry standard law enforcement tool. The UC Berkeley Police Department carries this less lethal tool. Two UCPD officers arrived to the scene of this incident and possessed Tasers. However, their Tasers were not deployed.

- Potential crossfire situation. At the time of suspect detention, it appears that less-lethal munitions were fired at the suspect from positions at the west and east side of the containment perimeter. Lethal fire was directed at the suspect from the east side of the perimeter.

- Multiple communicators. During the initial detention attempt and while the perimeter was being formed, multiple officers were directing the suspect. While this may have been unavoidable during this initial dynamic phase of the detention, it was noted that in some cases this can cause confusion. This concern was corrected as the detention progressed and one point of contact was established.

- Quicker response by an assigned officer to respond to victim/reporting party to determine the nature of the crime committed, who is responsible (and updated description of suspect(s)) and their direction of flight to be broadcast and updated to responding officers and supervisors. Discipline with this procedure (contacting victims and witnesses as soon as possible – and updating information) must be maintained and the importance of locating and contacting victims, witnesses and securing a crime scene must be a priority when possible.

- Officer Involved Shooting Protocols. Training considerations for protocols following an OIS should be reinforced. Where involved/witness officers are sequestered and where their representatives and union representatives are allowed to assemble. Areas such as investigators’ offices remain designated as restricted access to only personnel authorized by the lead investigator, Detective Division Lieutenant or Investigations Division Captain.
August 18, 2021

To: Jennifer Louis, Interim Chief of Police

From: Rashawn Cummings, Sergeant, Internal Affairs Bureau

Subject: Administrative Investigation of Ofc. Madison Albrandt Officer Involved Shooting.

SUMMARY OF INVESTIGATION
On January 2, 2021 at approx. 2015 hours, Vincent Bryant entered the Walgreens located at 2190 Shattuck Ave. Bryant entered the store carrying a brown canvas bag. Bryant recited scripture and yelled incoherent statements that appeared to pertain to religion. Bryant select approximately $14 in food items in the store and presented the items at the register.

Bryant was given the price of the items before he put the merchandise in his brown canvas bag and attempted to exit the store without paying. An employee witness asked Bryant to pay for the items in his bag. Bryant removed a link chain described by witnesses as approx. 6' in length and thick from his brown canvas bag. Bryant told the employee witness he would break all the windows in the building. Multiple employee witnesses who were present stated they were scared and terrified that Bryant may hurt them or someone else with the chain.

Bryant left the store and the Berkeley Police Department was called as a result. Numerous officers responded to the area in search of Bryant. Bryant was eventually located in the courtyard at 2222 Bancroft Way.

Once located, officers contained Bryant and attempted to negotiate with him. When negotiations failed, officers attempted to utilize less lethal tools to subdue him. When officer attempted to take Bryant into custody, he raised the chain that he had been wielding and postured as if he was attempting to strike Sergeant Huynh who was leading the contact team.

As a result, Officer Albrandt fired her duty weapon at Bryant striking him in the face. First aid was rendered to Bryant by on scene officers before he was transported to Highland Hospital. The incident was captured on video by body worn cameras worn by police personnel.

USE OF FORCE:
This investigation is to assess if Ofc. Madison Albrandt complied with General Order U-2 when she discharged her firearm at Vincent Bryant.
In February of 2021, the Berkeley Police Department implemented an updated use of force policy (Policy 300). This incident occurred January 2, 2021, which was prior to the implementation of Policy 300. As a result, the Officer Involved Shooting was reviewed via the optics of General Order U-2 which was Berkeley Police Department's previous use of force policy which states:

GENERAL ORDER U-2-USE OF FORCE

2- Police officers may use reasonable force to (1) make an arrest, (2) prevent escape an escape of a suspect, (3) overcome resistance, or (4) maintain order.

3-In deciding what type of reasonable force to use, officers and employees must use sound judgment and their training to assess the degree of threat in a given situation, and to determine what departmentally authorized force techniques or weapons will bring the situation under control in a reasonable manner.

12 - Officers shall not discharge firearms or use other lethal force in connection with police duty, except in the following circumstances:

(a) When the officer reasonably believes that doing so is necessary to protect the officer or others from death or serious bodily injury, and, where feasible, some warning has been given.

(b) To apprehend a suspected fleeing felon:

(1) When necessary to prevent escape, and

(2) When the officer has probable cause to believe that the suspected fleeing felon poses a significant threat of death or serious bodily injury to the officer or others, and

(3) Where feasible, some warning has been given.

(c) During other police duty:

(1) In supervised Department training sessions at an approved range, or other site.

(2) To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured. If possible, supervisory approval should be obtained prior to using lethal force to destroy an animal.

31 - Any determination concerning the propriety of force used will be based on facts and the information available to the officer at the time the force was employed, and not upon information gained after the fact.
CONSIDERATIONS

POLICY 425.2-BODY WORN CAMERAS
The Berkeley Police Department recognizes that video recording of contacts between department personnel and the public provides an objective record of these events, and that the use of a recording system complements field personnel in the performance of their duties by providing a video record of enforcement and investigative field contacts, which can enhance criminal prosecutions, limit civil liability, increase transparency, and enhance professionalism in the delivery of police services to the community. A video recording of an event or contact also enables the delivery of timely, relevant, and appropriate training to maximize safety for both community members and BPD personnel. While recordings obtained from BWCs provide an objective record of events, it is understood that video recordings do not necessarily capture all events, activities and information, or reflect the full experience of the individual member(s) in a given incident. Moreover, the recordings, especially video, have limitations and may depict events differently than the events as perceived and recalled by the involved member. Specifically, it is understood that the BWC will capture information that may not have been seen and/or heard by the involved member and that the involved member may see and hear information that may not have been captured by the BWC.

INVESTIGATORS NOTES

2021-00000221

Officer Armistead

Officer Armistead responded to the initial call for service at Walgreens and conducted a preliminary investigation into the robbery. I reviewed Officer Armistead’s report in which he wrote the following:

"On 1/2/21 at approx. 2022 hours, the Berkeley Police Department (BPD) received a call from VI – [redacted] who is a Greeter at Walgreens located at 2190 Shattuck Ave. [redacted] stated a male subject, later identified as SU - Vincent Bryant, entered the Walgreens and took items from the store while threatening [redacted] with a 6 foot long chain. [redacted] described the suspect as a black male, approx. 6'0" tall, approx. 195 pounds, wearing a grey sweatshirt and black pants. [redacted] stated Bryant was last seen walking east on Kittredge St. from Shattuck Ave.

Bryant was located at the north east corner of Fulton St. and Bancroft Way and apprehended by BPD officers (BPD Case#2021-00000223).

I arrived at Walgreens and met with [redacted] at the front door. Upon my arrival, I activated my Body Worn Camera (BWC). [redacted] and I went to the employee break room where he provided the following statement in summary:

[redacted] was greeting customers at the front door when he saw Bryant enter the store with a brown canvas bag at approx. 2015 hours. [redacted] heard Bryant start saying
something about religion and scripture. saw Bryant enter aisle 4 of the store and select a pita bread sandwich and a black bag of BBQ chips. returned to the front door of the store. could hear Bryant in the store continue to yell about scripture and religion. saw Bryant approach the register with more merchandise and placed it on the counter. While Bryant was at the register, an unknown male customer approached the register as well. The unknown male customer asked Bryant where he got a roll of tape he had in his possession. heard Bryant offer to buy the tape for the unknown male customer. The unknown male customer declined Bryant’s offer. saw Bryant throw the tape at the unknown male customer. The unknown male customer put the tape on the counter saying he did not want it and exited the store. Bryant grabbed the merchandise he placed on the counter and put it in his brown canvas bag. heard WI - who is a cashier for Walgreen’s, ask Bryant what he was doing. Bryant walked away from the register with the merchandise in his bag without saying anything to Bryant walked toward an exit door that was locked. saw Bryant reach into his brown canvas bag and pull out a large chain. described the chain as link style chain approx. 6'0" long. Bryant said to “I will break every damn window in this building.” exited the store to get out of Bryant’s way. stated he felt threatened by Bryant and the large chain. stated he was scared and did not want to get hit by the chain. Bryant exited the store and proceeded to walk south on Shattuck Ave. on the west sidewalk to Kittredge St. were he proceeded east on the north sidewalk.

While speaking with he repeated he felt Bryant had “mental problems.” stated Bryant only spoke about religion and kept repeating scripture.

I spoke with in the breakroom who provided the following statement in summary:

was working as a cashier at the front main register of the store. saw Bryant enter the store. heard Bryant “talking nonsense”, quoting scriptures and saying things that did not make sense. stated Bryant selected food items and brought them to him at the register and placed them on the counter. began scanning the merchandise Bryant placed on the counter. heard Bryant offer to buy an unknown male customer a roll of tape. The unknown customer stated he did not want the tape and left the store. saw Bryant proceed to put the merchandise into his brown canvas bag. told Bryant the total for the items was approx. $14. Bryant did not pay for the items or say anything. Bryant walked away from the register and proceed towards the exit. heard tell Bryant to pay for the items. Bryant ignored and continued towards the door. stated the door Bryant walked towards was locked at the time. saw Bryant pull out a chain from the brown canvas bag. described the chain as approx. 2-3" long and was thick and chunky. heard Bryant say he was going to break all the windows in the store. saw Bryant then exit the store. stated he was scared because Bryant had removed a “weapon” and may hurt people.

described Bryant’s behavior as not acting normal and appeared to have a mental problem.
I spoke with WI – [redacted] who is a store manager for Walgreen’s, who provided the following statement in summary:

[redacted] was working in the photo department when she heard Bryant yelling at the registers. [redacted] went to the front of the store and saw Bryant walking towards the exit. [redacted] saw Bryant remove a chain from his brown canvas bag. [redacted] described the chain as thick and long enough to hit and whip with it. [redacted] saw Bryant walk out of the store with the chain in his hand. [redacted] stated she was scared because Bryant was shouting and was worried Bryant might hit her with the chain.

I asked [redacted] about the security cameras in the store. [redacted] stated they would have captured the incident on video. [redacted] was unable to access video at the time I spoke with her. [redacted] stated the assistant store manager would be able to get the surveillance video first thing in the morning to provide it to BPD."

I reviewed Officer Armistead’s body worn camera footage. Officer Armistead’s footage was fairly consistent with what he described in his report.

Officer Gibson

Officer Gibson responded to the area after the call for service was broadcasted. I reviewed Officer Gibson’s report in which he wrote the following:

On 1/2/2021, at approximately 2024 hours I performed an area check for the suspect of a robbery that had occurred just prior at Walgreen’s, located at 2190 Shattuck Ave. The suspect was described as a black male adult, 50s, 6’00,” 195 lbs with a 6 ft chain, who had walked away eastbound on Kittredge St.

I drove southbound on Oxford St when I saw a subject matching that description walking eastbound in the UC parking lot, just west of Edwards field. For reference, that parking lot is approximately 0.2 miles (or a five minute walk, per Google maps) from 2190 Shattuck by way of eastbound Kittredge St.

I pulled into the parking lot from Bancroft Ave and observed that the man was a black male adult, 50s, approximately 200 lbs, wearing a gray hooded sweatshirt, black pants, and a distinctive bucket style, or fisherman’s style, hat. The subject walked past my passenger side door. I did not see any chain, but I saw he was carrying a brown shopping bag in his right hand.

The suspect, who I later learned was Vincent Bryant, walked southbound from the lot, across Bancroft Way, in violation of CVC 21955.

I activated my forward facing red light and conducted a pedestrian stop on Bancroft Way, east of Fulton St, west of the courtyard of 2222 Bancroft Way. I exited my patrol
vehicle and demanded Bryant stop. Bryant jumped over a short concrete barrier into the courtyard of 2222 Bancroft Way. I demanded he sit down. He ignored me.

Instead, Bryant reached into his brown bag and pulled out a long silver chain. He whipped it onto the concrete patio, creating a jarring crash. He yelled that he would take our heads off, and demanded that we shoot him. He began walking deeper South into the courtyard, shouting and smashing the chain against the concrete benches. I notified Dispatch that my stop was related to the robbery, that the subject had a chain, and to start units with less than lethal munitions.

I advised Officer Armistead to take a position on the north, and I took a position the southwest corner, effectively blocking Bryants exit from the courtyard.

Bryant appeared to be dilusional, and claimed that the chain was made of gold, and continued to smash it on the ground and benches.

I attempted to talk with Bryant, build rapport, and deescalate the situation. I provided him with my name and asked me his, but he replied, "Noise check!" and said, "if you talk to me one more time, I'm gonna make you watch me kill your family." He requested three minutes of silence, so I let him stand in silence.

Other units arrived on scene and the suspect was subsequently taken into custody. See case 2021-0000223 for further regarding the detention and subsequent arrest.

On 1/3/2021 Sgt Bonaventure showed me video surveillance taken at Walgreens of the robbery the night prior. In the video I observed a black male adult, approximately 200 lbs, wearing a gray sweatshirt, dark pants, fisherman style hat, carrying a brown bag and holding a long silver chain. I recognized the subject in the video surveillance as the same subject that was detained and arrested at 2222 Bancroft Way.

I reviewed Officer Gibson's body worn camera footage. Officer Gibson's footage was fairly consistent with what he described in his report.

Sergeant Bonaventure

I reviewed Sergeant Bonaventure's (Robbery Sergeant) report in which he wrote the following:

"On 1/2/21, approximately 2100 hours, I was notified that there had been an Officer involved shooting related to a robbery that had occurred earlier at Walgreens located at 2190 Shattuck Avenue. I immediately drove to the Berkeley PSB and met with Homicide Sergeant Wilson, Sergeant Grant, and Detective Smith.

I spoke with Officer Armistead who was conducting the initial investigation of the robbery. Officer Armistead briefly told me that the suspect, later identified as Vincent Bryant, had taken approximately $15 worth of food items (BBQ Chips, pita sandwich, and other unknown items) from Walgreens. When Bryant attempted to leave, he
stopped at the locked front door and pulled out a large chain. An employee was standing nearby when he pulled out the chain and threatened to break all of the windows in the store. The employee feared that he would be hit by the chain, so he walked out of the store and called the police.

The subsequent arrest of Bryant was documented under case 21-223.

I drove to Walgreens in an attempt to obtain video, however, the store was closed.

Sergeant Wilson, Sergeant Grant, Detective Smith, and I all drove together to the shooting scene which was located at the courtyard of the UC Berkeley TANG Center (2222 Bancroft Way). We met with Sergeant Speelman, who walked with us around the scene.

Of note, I saw a long metal chain lying on the ground, a pair of black sunglasses, a black duffel bag, and a canvass bag that had food items that included BBQ flavored chips, a chicken wrap, a bag of peanut M&M’s, a Pepsi, and a strawberry banana drink. ID Technician Bolla later recovered the canvass bag and took photos of the contents. Later, I took custody of the chips, chicken wrap, M&M’s, and both drinks. I emptied out all the liquids and perishable contents and kept the packaging.

On 1/3/21, approximately 1130 hours, I drove to Walgreens (2190 Shattuck Avenue) to conduct a follow-up investigation regarding this robbery. I met with assistant store manager, [redacted] who assisted me with confirming that the items that were recovered from the canvass bag belonged to the store. [redacted] scanned the BBQ flavored chips, the chicken wrap box, the M&M’s, and both drinks for a total of $14.53 (Refer to receipt). I later booked the above items into the Berkeley Police Department’s property room.

[redacted] then accessed the surveillance system and uploaded footage to a USB that captured the incident. I viewed the surveillance video footage and it appeared to match the current date and time.

On 1/3/21, I called and spoke with [redacted] (Walgreens greeter) regarding his statement. [redacted] stated that he saw Bryant at the register and that Bryant put the items that were on the counter back into his bag. [redacted] heard the cashier tell Bryant that he needed to pay for the items. [redacted] told Bryant that he needed to pay for the items and in response, Bryant pulled out the chain and stated he was going to break all the windows. [redacted] walked out the front door because he was in fear of his safety (Refer to recording).

On 1/3/21, I called [redacted] (Cashier) and spoke to him regarding his statement. [redacted] stated that he rang up all of the food items that Bryant put on the counter. After he rang up the items, Bryant threw a $1 bill on the counter and put all the items into his bag. Bryant walked away with the items as [redacted] told him that he needed to finish his payment. Bryant ignored [redacted] and walked to the closed front entrance door. Bryant then pulled out a chain and said something that [redacted] could not understand. Bryant then
walked out of the open front door. remembered that the total price of all the items was approximately $14 (Refer to recording).

I reviewed the video footage and discovered the following:

08:11:37 – Vincent Bryant walked into Walgreens. Bryant was carrying a brown canvas bag (later recovered at the arrest scene), black duffel bag over his shoulder (Later observed at the scene), black shoes with white soles, dark pants/sweats, grey hoodie, black face mask with blue colored markings, tan fishing style hat, and black sunglasses.

08:16:40- Vincent Bryant walked over and stood in line at the register.

08:19:00- The cashier ( ) took the items that Bryant wanted to purchase and scanned them at the register.

08:19:53 – Bryant appears to toss something on the counter (later determined to be a $1 bill).

08:20:18 – Bryant begins to put the items back into his brown bag (At this point the cashier told Bryant that he still needed to pay for the items).

08:21:01 – Bryant ignores the cashier, picks up the brown bag and walks toward the front door.

08:21:08 – Bryant walks over to the front doors and stopped in front of the door on the left. The door was locked and there were baskets stacked in front of it. The greeter, approached Bryant and pointed toward the cash register (same time frame that stated he told Bryant he needed to pay for the items).

08:21:16 – Bryant reached down and pulled out a long metallic chain and began to shorten the length by making several loops. Bryant was then able to hold the chain in one hand without it dragging on the floor (This was the same time that Bryant stated he was going to break all of the windows).

08:21:20 – opened the door, walked out in fear that he was going to be struck by the chain, and called police.

08:21:45- walked out the Walgreens with the chain in his hand.

I spoke with Officer Gibson and had him review video footage of Bryant at Walgreens. After reviewing the video, Officer Gibson confirmed that Bryant was the same person who he had attempted to detain after the robbery (Refer to Officer Gibson’s supplemental report).

I booked a copy of the video footage into the Berkeley Police Department’s property room (Refer to video footage)

On 1/3/20, ID Tech Schwarck drove to Highland Hospital and recovered several items of clothing from Bryant. Of note, ID Tech Schwarck recovered distinctive black shoes with white soles that appeared to be the same shoes Bryant wore in the robbery, a tan fisherman style hat that appeared to be the same hat that Bryant wore in the robbery, a
grey hoodie that appeared to be the same hoodie that Bryant wore during the robbery, and a black face mask with blue colored markings that appeared to be the same face mask that Bryant wore during the robbery.

A records check of Bryant revealed that he was currently on parole for burglary. Bryant has a lengthy criminal history that included arrests for sexual battery, burglary, identity theft, grand theft, possession of stolen property, and obstruction.

On 12/28/20, Bryant was the suspect in a case where he brandished a pole at the victim. The victim declined to press charges, and Bryant was subsequently placed on a 5150 WI (Refer to case 20-58727).

I respectfully request that Bryant is charged with 211 PC because he used a large chain to instill fear in the employee at Walgreens so he could make his escape with the stolen goods.

After reviewing the body camera footage and reading the case supplemental reports, I believe that Bryant should also be charged with 69PC because of the following:

Officer Gibson was the first Officer to contact Bryant. When Officer Gibson exited his police vehicle to contact Bryant, Bryant immediately pulled a 13 foot long metal chain out from his bag and whipped it on the ground (Refer to Officer Gibson's supplemental report).

Several other Officers arrived on scene and attempted to deescalate the situation by talking with Bryant. Bryant continuously refused to comply with Officers demands to drop the chain that he was holding. At one point, Bryant whipped the chain onto the ground and yelled, "C'mon."

Bryant then stated the following:

"Hey, if you talk to me one more time, I am going to make you watch me kill your family."

"My weapon of choice is a fucking gun, but God wants me to use this on your ass..." Bryant raised the chain in the air to signify his intent to use the chain as a weapon against the Officers. Bryant then stated, "I want to shoot you in the brains where your face blows off."

Bryant then started to talk about God, Judgement Day, and government.

Several minutes later, Bryant stated:

"And the ones who don't want it, prove it tonight, prove it tonight, if you don't want to be a better person, prove it tonight, shoot me or if I take you down..."

Seconds later, the contact team moved in closer from the east side of the courtyard and told Bryant to drop the chain several times. Bryant did not comply and began to advance toward the Officers with the chain in his hand. Officers fired less lethal rounds,
however, Bryant continued to advance toward Officers until he was struck by one bullet.”

2021-00000223

Officer Armistead

I reviewed Officer Armistead’s report in which he wrote the following:

“On 1/2/21 at approx. 2022 hours, the Berkeley Police Department (BPD) received a call from RP - [redacted] who is a Greeter at Walgreens located at 2190 Shattuck Ave. [redacted] stated a male subject, later identified as SU – Vincent Bryant, entered the Walgreens and took items from the store while threatening [redacted] with a 6 foot long chain. [redacted] described the suspect as a black male, approx. 6’0” tall, approx. 195 pounds, wearing a grey sweatshirt and black pants. [redacted] stated Bryant was last seen walking east on Kittredge St. from Shattuck Ave.

I conducted an area check for Bryant on Kittredge St. between Shattuck Ave and Fulton St. As I exited Kittredge St. to turn south onto Fulton St. I saw Officer Gibson#27 at the north east corner of the intersection of Bancroft Way and Fulton St. I saw Officer Gibson drive passed Bryant who was wearing a grey sweatshirt and black pants matching the description provided by [redacted] Officer Gibson turned around as Bryant crossed Bancroft Way to the south sidewalk. Officer Gibson informed dispatch via radio he located Bryant.

Officer Gibson parked and exited his vehicle at 2222 Bancroft Way. I parked and exited my vehicle behind Officer Gibson on Bancroft Way. I saw Bryant had a large thick chain in his hands and was yelling. Due to Bryant having the large chain that could be used as a weapon which I believed could cause serious bodily harm, I removed my less than lethal device from my vehicle.

Officer Gibson and I tried to have Bryant put the chain down. Bryant continued to yell incomprehensibly and did not drop the chain.

Other BPD officers arrived on scene and closed off the area to prevent Bryant from leaving.

Officer Lomelii#95 and I stood on the south west corner of 2222 Bancroft. I activated my Body Worn Camera (BWC).

Officers continued to try and ask Bryant to drop the chain. Bryant continued to yell. Bryant repeatedly asked for Officers to shoot him in the back. I asked Bryant to talk with us multiple times and to drop the chain. Bryant said “If you talk to me one more time I am going to make you watch me kill your family.”
Officers at the scene stopped talking with Bryant because he continued to threaten officers and was not responding.

Sgt. Speelman S-12 began attempting to negotiate with Bryant.

Officer Lomeli and I were instructed to move positions to north side of the courtyard to better contain the area. Sgt. Kleppe S-4 informed me they created a contact team to apprehend Bryant that will come from the east side of the courtyard.

Sgt. Kleppe stated everyone was in place to make contact with Bryant.

I heard the contact team approach Bryant from the east. I was unable to see the contact team due to a wall barrier between us. I heard an Officer in the contact team yell at Bryant to drop the chain two times. I saw Bryant look towards the contact team. Bryant proceeded to run towards the contact team. As Bryant ran towards the contact team, he began raising his right arm with the large chain in his right hand over his shoulder as if he was going to swing it over his head.

Bryant went out of my view behind the barrier where the contact team was located. I heard 3 loud bangs come from behind the barrier. I recognized 1 loud bang as being louder than the others.

I heard over the radio Bryant was injured and needed medical transport. Officer Lomeli and I then began moving patrol vehicles off the road way to provide a clear path for the Berkeley Fire Department (BFD) to begin treating Bryant for injuries. After moving vehicles I set up a perimeter with the crime scene tape.

I reviewed Officer Armistead's body worn camera footage. Officer Armistead's footage was fairly consistent with what he described in his report.

Officer Ceja

I reviewed Officer Ceja's report in which he wrote the following:

On 01/02/2021, at 2222 hours, I responded to the area of Bancroft Way/Fulton St where BPD officers were attempting to detain the suspect.

I arrived on scene and activated my body worn camera. The suspect was in an open courtyard located in front of 2222 Bancroft Way. I positioned myself in an ally way on the south/west corner of the courtyard. The suspect was walking back and forth mostly on a concrete island in the middle of the courtyard north/east of my location.

The suspect was wielding a metal linked chain. The suspect had the chain folded over and was approximately 3-4 feet in length. The suspect was waving it around and hitting the ground with it.

The suspect was irate, yelling screaming. The suspect was threatening the police and their families. He yelled out, "My weapon of choice is a gun," "I'm going to shoot you in the brains with your face blows off." The suspect said multiple times that he would kill police and make the police officer watch him while he killed their families.
Officer K. Gibson #27 and I were tasked to be the contact team to take the suspect into custody by hands. To the east of the suspect Officer with less lethal and lethal cover were positioned to make initial contact with the suspect.

We were positioned behind hard cover on the west side of the building. I heard Sgt. V. Huynh #S-26 yell at the suspect to "Drop the chain!" three times.

I heard multiple shots fired. I looked around the building and saw that the suspect dropped the chain and went down to the ground, face down with his hands and arms extended out on his sides.

Officer Gibson and I rushed over and placed him in handcuffs. I saw that the suspect had a gunshot wound on his face and was bleeding. We immediately rendered aid. Officer Gibson used a gauze cloth he found on the suspect to apply direct pressure on his wound while other officers went to retrieve a trauma kit.

At this point, the suspect appeared to be compliant. I was directed by Sgt. Speelman #S-12, to take the handcuffs off of the suspect. As soon as I went to unhandcuff the suspect, I felt him trying to stand up and push and pull. For officer safety reasons, the suspect remained handcuffed.

BFD arrived on scene and took over rendering aid. The suspect was placed on a gurney and then transported to the hospital by BFD.

I was then tasked to remain on scene and act as scene security.

Sgt. Marble #S-20 located a witness who was laying down on Bancroft Way on the north side of the street, north of our location with a sleeping bag, and his dog. The witness was homeless and was staying there to sleep for the night.

I spoke with WI-________ did not know his cell phone number. He provided me with his parents phone number who knew his actual number if needed to get in touch with him ______ and ________ He also gave me with his email and an address for a drop in center where he receives mail, which I included in his profile.

In summary, ________ provided me with the following statement:

________ was sleeping on the ground, on the north side of Bancroft way which was directly across the street where this incident occurred. He was woken up by the suspect yelling about "Killing cops and killing cop's kids." The suspect was inside the courtyard in front of (2222 Bancroft Way). Soon after he was woken up, he saw two police vehicles arrive. He saw the suspect screaming and yelling, and swinging a chain around.

The suspect had a metal linked chain approximately one arm’s length. ________ said he was annoyed by the amount of noise the suspect was making. ________ also said it was "pretty stupid for him to try to take down 20 cops with a chain."

I asked ________ if he remembered any specific statements he heard the suspect say.
said he was not very alert because he had just woken up. He could not remember specific statements but knew that the suspect was yelling and threatening the police officers.

said it got quiet and stopped paying attention. Soon after, he heard approximately three shots. did not see the suspect get shot but he did see that the suspect was standing up, then he heard shots, and the suspect was no longer standing up.

view was blocked by police vehicles and could not see the suspect when he was on the ground.

I remained on scene while the scene was being process by the CSO ID technicians and then later cleaned by Crime Scene Cleaners.

I reviewed Officer Ceja’s body worn camera footage. Officer Ceja’s footage was fairly consistent with what he described in his report.

Officer Gibson

I reviewed Officer Gibson’s report in which he wrote:

On 1/2/2021, at approximately 2024 hours I performed an area check for the suspect of a robbery that had occurred just prior at Walgreens, located at 2190 Shattuck Ave (BPD 2021-00000221). The suspect was described as a black male adult, 50s, 6’00”, 195 lbs with a 6 ft chain, who had walked away eastbound on Kittredge St.

I drove southbound on Oxford St when I saw a subject matching that description walk eastbound in the UC parking lot, just west of Edwards field. For reference, that parking lot is approximately 0.2 miles (or a five minute walk, per Google maps) from 2190 Shattuck by way of eastbound Kittredge St.

I pulled into the parking lot from Bancroft Ave and observed that the man was a black male adult, 50s, approximately 200 lbs, wearing a gray hooded sweatshirt, black pants, and a distinctive bucket style, or fisherman’s style, hat. The subject walked past my passenger side door. I did not see any chain, but I saw he was carrying a brown shopping bag in his right hand.

The suspect, who I later learned was Vincent Bryant, walked southbound from the lot, across Bancroft Way, in violation of CVC 21955.

I activated my forward facing red light and conducted a pedestrian stop on Bancroft Way, east of Fulton St, west of the courtyard of 2222 Bancroft Way. I exited my patrol vehicle and demanded Bryant stop. Bryant jumped over a short concrete barrier into the courtyard of 2222 Bancroft Way. I demanded he sit down, but he ignored me.

Instead, Bryant reached into his brown bag and pulled out a long silver chain. He whipped it onto the concrete patio, creating a jarring crash. He yelled that he would take
our heads off, and demanded that we shoot him. He began walking deeper south into the courtyard, shouting and smashing the chain against the concrete benches.

I notified Dispatch that my stop was related to the robbery, that the subject had a chain, and to start units with less than lethal munitions.

I advised Officer Armistead to take a position on the north, and I took a position the southwest corner, effectively blocking Bryant's exit from the courtyard.

Bryant said that the chain was made of gold, and continued to smash it on the ground and benches.

I attempted to talk with Bryant, build rapport, and deescalate the situation. I provided him with my name and asked me his. He replied, "noise check!" and said, "if you talk to me one more time, I'm gonna make you watch me kill your family." He requested three minutes of silence, so I let him stand in silence.

Sgt Speelman arrived on scene and shortly thereafter began to engage in voice to voice contact with Bryant. Bryant appeared delusional and stated that he saw pictures in front of him, which we could not see, and that the names of the trees were called j-hook trees. He rambled excitedly and incomprehensibly about sensors and God. I was unable to follow his train of thought and the words seemed to pour from him like a delirious stream of consciousness.

Ofc. Ceja and I were assigned to be a part of the contact/arrest team by Sgt. Kleppe, who told us Sgt Huynh's team was going to approach to suspect from the East. Ofc. Ceja and I and took positions of cover behind a wall on the southwest corner of the courtyard.

Moments later I heard Sgt Huynh repeatedly order Bryant to drop the chain, then a succession of shots, which I thought to be less lethal munitions. I looked around the corner and saw that Bryant was on the ground. I rushed across the courtyard and pinned his left arm against the ground. Ofc. Ceja and I secured Bryant in handcuffs.

I performed a quick pat search for weapons. During the search I felt a long edged object, which I thought may be a knife, in the front pouch of his sweatshirt. I removed the item, which was a long nail file. We moved Bryant onto his left side, in a recovery position.

Ofc. Bally advised me he that Bryant had a wound on his chin. I observed that Bryant's chin and jaw were bleeding, and that he sounded as though he was having a difficult time breathing. I saw that Bryant had a long white bandage tied to his belt loop. I untied it, balled it into a wad, and used it as a pressure dressing for his chin and jaw.
Bryant attempted to sit up. I allowed him to rest his back against my knee. Bryant continued to try and stand, but for his safety, I held him in a seated position with my knee as a backrest.

I assisted Bryant onto the BFD gurney. As he was having difficulty breathing, he was placed in a recovery position on the gurney. BFD transported Bryant to Highland Hospital.

I stayed on scene with Ofc Ceja and Sgt Speelman, and provided scene security until Homicide Detectives and crime scene technicians completed their investigations and had collected all evidence. The scene was processed by CSO Cardoza and CSO Bolla.

I reviewed Officer Gibson’s body worn camera footage. Officer Gibson’s footage was fairly consistent with what he described in his report.

**Officer Bally**

I reviewed Officer Bally’s report in which she wrote:

On 1/2/21 I was working as a fully uniformed BPD patrol officer, driver a fully marked BPD patrol vehicle (#1764). At approximately 2022 hours BPD received a report of a robbery that just occurred at 2190 Shattuck Ave (Walgreens) and the suspect (black male in his 50s, 6’0, 195lbs, wearing a gray sweatshirt and black pants) was last seen walking eastbound on Kittridge St. BPD officers located a subject who matched the broadcasted description of the suspect (later identified as AR-Vincent Bryant, PFN: BLW203) in the courtyard of 2222 Bancroft Way holding a large metal chain. I arrived on scene to aid as a cover officer.

I activated my BWC as I arrived on scene.

In the courtyard, Bryant was holding a large chain and was hitting tables and other objects in the area with extreme force. Bryant was standing on an elevated ledge and was pacing around the courtyard. He was screaming unintelligible statements about religion and was acting erratically and aggressive. He screamed "shoot, shoot, shoot" when we began to speak to him. Bryant continued by stating, "I'm gonna take every single one of you out. Soon as you see those bullets don't effect me, I'm coming after your families, going to hell, and then I'm coming back". Bryant claimed his chain was made of solid gold, so I began to talk to him about the chain in an attempt to deescalate him, but instead he responded with "fuck you bitch". I relocated to the southwest side of the court yard where Officer Gibson (#27) and Officer Ceja (#34) was. Officer Gibson attempted to speak to Bryant, and Bryant replied to Gibson's requests to put the chain down with "When you talk to me one more time, I'm gonna make you watch me kill your family". Bryant then stated, "My weapon of choice is a gun, but God made me use this on your ass" and "I want to shoot you in your brain so your face blows off". Sergeant Speelman (S-12) attempted verbal negotiations, but Bryant did not respond to the
dialog. He seemed altered or having a mental health emergency. Bryant continued to scream unintelligible statements and described hallucinations that were not there.

I was assigned to be one of the officers that would physically detain Bryant. I was positioned on the southwest corner of the courtyard with the instructions to aid in the physical detention of Bryant when he no longer had the chain in his possession and it was safe to do so.

Officers on the southeast side of the courtyard took over voice contact with Bryant. I heard Sergeant Huynh (S-26) give verbal commands to put the chain down. After a few moments Bryant jumped down from the elevated ledge he was standing on and began to charge the officers on the southeast side while still holding the chain. Sgt. Huynh continued to yell "put the chain down" and Bryant continued to charge at the officers. I heard several loud bangs and saw Bryant fall to the ground, laying on his stomach. I ran to Bryant and helped the other BPD officers detain Bryant in handcuffs. When Bryant was in handcuffs and was rolled to his side to be searched, I noticed a large pool of blood where his head had just been. Bryant had a large wound to the right side of his jaw that was actively bleeding. I rendered immediate aid by applying pressure to the wound in an attempt to slow the bleeding. Bryant was conscious and responsive the entire time, but was unable to speak.

BFD arrived on scene within moments and placed Bryant into the ambulance. Since Bryant was in handcuffs, BFD requested an officer be present in the ambulance while they transported him to the hospital, so I volunteered. Bryant was transported to Highland Hospital. Bryant was conscious, but was unable to provide any statements during the ambulance ride. I noticed he was wearing a hospital bracelet that had his name, birthday, and was from an unknown hospital with "Adult Mental Health" printed on it. We arrived at Highland Hospital at approximately 2101 hours.

I conducted a records check of Bryant at the hospital and it revealed he was on parole for PC 459. The photo on his CRIMS' profile matched the subject I had just accompanied to the hospital.

I stayed with Bryant at Highland Hospital until I was relieved by Officer Peters (#148) at approximately 0530 hours.

Highland Hospital nursing staff advised me Bryant had suffered a GSW to his jaw, causing it to fracture. I informed Homicide detectives of the update.

I turned my BWC off when I was advised Bryant would be staying in the trauma room (#9) for the night. I no longer was going to have personal contact with him. I was not allowed in the trauma room, but was allowed to sit in the hallway and I maintained constant visual of Bryant through the glass doors of the room from the hallway.

I booked Bryant's hospital bracelet I used to identify him as evidence and place it in the property room lockers. I also took a photo of it and uploaded it to evidence.com.
I reviewed Officer Bally’s body worn camera footage. Officer Bally’s footage was fairly consistent with what she described in her report.

**Officer Legall**

I reviewed Officer Legall’s report in which he wrote:

*On January 2nd, 2021, I was assigned as a BPD patrol officer 7A12 and drove a marked BPD patrol vehicle 1824. At approximately 2022 hours, BPD dispatch broadcasted that a robbery had just occurred at Walgreens Pharmacy located at 2190 Shattuck Avenue. BPD dispatch also described the suspect as a black male approximately 6-00 feet tall and armed with a chain. The suspect was seen walking eastbound on Kittredge Street.*

*At the time of the call, I was parked at a nearby parking lot located at University Avenue and Bonita Avenue. Due to the nature of the call, I did not attach myself to the call via radio. I drove to the area because it was less than half a mile away. While I was circulating the area, Ofc. Gibson broadcasted that he had someone who matched the suspect description at Bancroft Way, east of Fulton Street. I arrived at that location shortly after and activated my body-worn camera after I exited the vehicle.*

*Once I exited my vehicle, I saw a male suspect standing in the middle of a courtyard on a raised concrete ledge yelling and shouting, “Shoot me in the back!” As I assessed the situation, I noticed that he had a long silver chain in his right arm. The suspect acted very erratically and, at one point, was continually slamming the chain on the ground in an aggressive manner. Sgt. Kleppe S-4 asked us to contain the courtyard, so I walked around to the courtyard’s eastside. I stood on the east side of the courtyard with Ofc. Navarro #124 and I realized that we both had our department pistol drawn. Ofc. Navarro stood-by on the courtyard’s east side and I walked back to the front and asked for an officer armed with a less-lethal weapon to join us at our post on the east side. Ofc. Melowitz #94 joined us shortly after with his less-lethal weapon.*

*Sgt. Kleppe then requested an extra officer to the contact team. I shortly joined Sgt. Kleppe on the west side of the courtyard and stood by with the contact team. Sgt. Kleppe then asked if I was less lethal certified. I replied to his question by saying, “Yes, I am certified.” He then handed me a single launcher, less-lethal rifle. Additionally, he also handed me two extra 40mm munition rounds. I placed one munition round in my dump pouch, and I held the second one in my hand.*

*I climbed up onto a ledge on the west side of the courtyard to have a better visual of the suspect. The distance between the suspect and I was approximately thirty-five feet. While I stood there, Sgt. Speelman was doing voice to voice communication with the suspect. The suspect continued rambling and was briskly pacing back and forth on the concrete ledge. Sgt. Speelman pleaded with the suspect several times to drop the chain, but he continued to act erratic and refused to drop the chain. The suspect continued pacing back and forth on the concrete ledge and acted like he was highly*
agitated. After several failed attempts, Sgt. Huynh stated that he would take a contact team to the east side of the courtyard and start a voice to voice command with the suspect. At this point, Sgt. Speelman stops communicating with the suspect.

Once Sgt. Huynh and his team were in place, they entered the courtyard, shouting, "Drop the chain, drop the chain!" I then heard two popping sounds coming from their direction. At this time, the suspect jumped off the ledge and started aggressively charging towards them. While he was charging towards them, I noticed that he still had the chain in his hand. At this point, I realized that the suspect was a threat towards my fellow officers. The fact that he was hit with several rounds of less-lethal munition, still being able to charge at officers with the chain still clenched in his hand. I feared for my fellow officers' safety, and I felt like their lives were being threatened. I aimed at his right upper rear thigh area and shot one round of 40mm less-lethal munition. The suspect immediately dropped to the ground after I shot my round of munition. Sgt. Huynh continued shouting commands to the suspect, and the contact team moved in shortly after, and the suspect was detained.

I jumped off the ledge that I stood on and walked over to the detention area to assist officers. While I was walking over, Sgt. Speelman broadcasted, "Shots fired, start Berkeley Fire Department for a possible head injury." Up until this moment, I was not aware that the suspect was shot with a pistol.

Sgt. Kleppe spulled me away from the detention scene and collected my body-worn camera and launcher.

I reviewed Officer Legall's body worn camera footage. Officer Legall's footage was fairly consistent with what he described in his report.

Officer Lomeli

I reviewed Officer Lomeli's report in which he wrote the following:

On 01/02/2021 around 2022 hours, I was dispatched to the report of a robbery, via chain that had occurred just prior at 2190 Shattuck Avenue (Walgreens), with the suspect last seen walking away east on Kittridge Street.

I responded to the area of Bancroft Street and Fulton Street after other officer's located a subject matching the description. I arrived to the area of the contact (Bancroft Street, east of Fulton Street) and upon approaching I saw the subject was in the middle of a courtyard type setting. The subject had in his right hand an approximately 4ft long metal chain (it looked "doubled up" to me), it appeared to have at least 1/2in thick chain links on it.

Officer's made multiple attempts to negotiate with the subject, during that time the subject was making statements that did not make sense. The subject was making verbal threats towards officers, and at one point swung the chain striking the ground.
CONFIDENTIAL

I was positioned along the north west corner of the courtyard (for containment), and based on the fact the subject was making threats, made aggressive movements, and was armed with a metal chain that could cause serious injury, I drew my department issued firearm and pointed it towards the subject (I also held it at "low ready"). I was designated "lethal cover" for Officer Armistead #4 as he had a less than lethal munitions system.

The subject got on top of an approximately 1ft tall ledge and was pacing back and forth on it, while yelling. At one point he focuses on his shadow on the wall, and when the contact team approaches from the east, I heard multiple commands being given to "drop the chain", when he suddenly switched his focus from his shadow to the contact team and became "hyper focused" on them.

At this point the subject gets off the ledge, and begins to charge towards the contact team with the chain in his right hand, cocked back (in a position to swing it), as the subject continued to charge towards the contact team, I lose sight of him behind a wall. I then heard what sounded like two less than lethal rounds being deployed, and a single round from a handgun being fired.

I was no longer needed on scene, and was directed by Sgt. Kleppe #S-4 to sequester Officer Albrandt #51. I transported Officer Albrandt #51 to the Berkeley Police Station until relieved by other officers.

My body worn camera was activated during this incident. At one point I muted my camera away from the incident while moving vehicles, and ceased recording once no longer directly involved with the incident.

I reviewed Officer Lomeli’s body worn camera footage. Officer Lomeli’s footage was fairly consistent with what he described in his report.

Officer Navarro

I reviewed Officer Navarro’s report in which she wrote:

On 01/03/2021 at approximately 2024 hours officers responded to a call for service in regards to a robbery that had just occurred and Walgreens, 2190 Shattuck Ave.

Officers located a suspect, later identified as (AR) Vincent Bryant, matching the description at Tang Center, 2222 Bancroft Way.

When I arrived on scene I saw Bryant in the middle of the courtyard yelling obscenities and banging a large and dense chain against an approximately one foot tall concrete barrier that he was standing and pacing back and forth on.
I was directed to the east side of the courtyard to seal Bryant in the courtyard. When I activated my body worn camera Officer Gibson #27 was attempting to have a conversation with Bryant to try and deescalate the situation. Bryant responded with, "I'm not lying man, your family will be the first if you don't chill out."

At this point, Officer Legall #19 and Officer Melowitz #94 had returned to our post with less than lethal weapons as I had already drawn my department issued handgun and kept it at a low ready position.

Bryant continued rambling and making religious statements about his role. At this point another team of officers is setting up at the south west corner almost directly across from our post. Another UCPD officer arrives to assess and we are directed by our supervisor, Sgt. Kleppe #S-4, to move north behind the building to avoid cross fire.

At this point Officer Armistead was attempting to make verbal contact with Bryant as well. Bryant responded with, "Hey! If you talk to me one more time I'll make you watch me kill your family.

Officer Legall and Officer Melowitz relocated to the west side of the courtyard and I remained on the east side, behind the building and out of direct sight of Bryant.

Bryant continued to yell and made another threat of, "I will make all you guys watch me hurt all your families, do it bitch, do it! My weapon of choice is a fucking gun but god wants me to use this on your ass." I was watching Bryant's shadow against the southern most wall of the courtyard as he raised up a large chain that was at least a half inch thick on each link. It was approximately three to five feet long in length.

Bryant then stated, "I want to shoot you in the brain and your face blows off." Again, Bryant continued to ramble about god, lock down and other random topics.

Sgt. Speelman #S-12 begins verbal contact and tried to negotiate with Bryant and attempt to deescalate again. Bryant begins to talk about what he can see and how he is able to see in the dark. Bryant ask Sgt. Speelman to describe the picture at his feet and he will drop the chain. When Sgt. Speelman says she cannot see it and ask him to describe it to her he responds with all you guys are being wasted and talks again about how god can see the world.

Sgt. Speelman continues to have dialogue with Bryant but he cannot maintain a topic and begins to rant about god again. Bryant then begins to antagonize and starts yelling, "Come on, come on toy soldiers, over here!"

Sgt. Huynh arrives on scene and ask if I was the only one at the east post and I confirmed that I was. Soon after he returns with Officer Grover #67, Officer Melowitz, and Officer Albrant #51 and informs us we are going to be the contact team.
Officer Albrant and myself were designated lethal force options while Sgt. Huynh, Officer Grover, and Officer Melowitz were designated as less than lethal options. I paired myself up with Officer Melowitz as his lethal cover, Officer Grover and Officer Albrant were assigned as a pair and Sgt. Huynh was going to be the voice to voice contact making the commands for when we made contact with Bryant.

Before we made contact Bryant's behavior did not change, he was agitated, angry and yelling about random topics still. Any verbal conversations only seemed to agitated him even more.

Sgt. Huynh initiated the contact and made several clear verbal commands for Bryant to drop the chain. Bryant was not compliant and actually began moving toward the contact team with the chain still in his right hand. Officer Melowitz and myself moved over to the south side of the courtyard and Sgt. Huynh continued giving commands to drop the chain or be hit with less than lethal.

My initial background was additional officer's behind Bryant in the north west corner so I continued south to try and gain a better background.

Bryant was almost shuffling now with faster pace toward the contact team, in direct line of Sgt Huynh, Officer Grover, and Officer Albrant who were just north of where I was located now.

Bryant was hit multiple times with less than lethal rounds that were ineffective and did not slow down his pace. Bryant appeared to shield his body from the less than lethal rounds with his left arm and started to "wind up" his right arm to swing the chain overhead. Bryant moved approximately three to five feet and was almost within striking distance of Sgt. Huynh.

Officer Albrant fired a single round and Bryant spun around and fell to the floor on his stomach with his head facing west. Officers on the west side of the courtyard went hands on and detained Bryant in handcuffs. I noticed Bryant was bleeding from his jaw area and went to retrieve a trauma kit from a patrol vehicle parked on Bancroft Way.

As I returned and provided gauze to Officer Bally #73 BFD had just arrived and began taking over medical aid.

My body worn camera was active and recording for the duration of the call.

I reviewed Officer Navarro's body worn camera footage. Officer Navarro's footage was fairly consistent with what she described in her report.

Officer Coria

I reviewed Officer Coria's report in which he wrote:
On 1/2/2021 at approximately 2023 hours, Ofc. Shivas and I were dispatched to a robbery that occurred just prior at 2190 Shattuck. Ofc. Shivas was driving and we responded to the area. An updated radio broadcast was placed by an Officer that they were attempting to contact the suspect with a chain at Bancroft and Fulton.

While making our way to the area, an updated radio broadcast advised enough Officers were on scene. Ofc. Shivas and I stood by at Ellsworth and Durant to keep traffic from going the wrong way on Ellsworth south of Durant. Sgt. Marble would later relocate our position to cut off traffic traveling westbound on Bancroft at Dana and redirect traffic southbound on Dana. My BWC was activated at first on the perimeter then at Bancroft and Dana I would deactivate my BWC based on having no contact with pedestrians on the perimeter.

Officer Maldonado

I reviewed Officer Maldonado’s report in which he wrote:

On 01/02/2021, at approximately 2022 hours, I (Officer Maldonado badge #42) heard over the radio that BPD officers were being dispatched to Walgreens located at 2190 Shattuck Avenue for a report of a robbery. The caller reported that the suspect was armed with a “long chain” and had brandished it to the reporting party during the robbery. The following was the description: A Black male in his 50s, 6’0 tall, 195 pounds, wearing a grey sweatshirt and black pants. Furthermore, the dispatcher provided the following: that the suspect was on foot and last seen eastbound on Kittredge Street. At this time, I was in the area of Shattuck Avenue at Dwight Way.

At approximately 2026 hours, while responding to conduct an area check for the suspect, I heard over the radio that Officer Gibson located the suspect on Bancroft Way east of Fulton Street. Soon thereafter, it was broadcasted that the suspect was still armed with the chain and was walking around.

At approximately 2029 hours, I arrive on scene. The address was 2214 Bancroft Way (Legends Aquatic Center) located on the south side of Bancroft Way. There were several officers already there, and they were facing the courtyard. There were officers on the south sidewalk of Bancroft Way and other officers in the west side of the courtyard. I noticed that the suspect was in the courtyard and was standing on a raised cement bench. The suspect was towards the middle of the courtyard. The suspect was holding a metal chain with his right hand and had his back to the officers standing on Bancroft Way. The suspect was facing the building. I heard the suspect yelling but could not make out what he was saying.

I activated both spot lights and overhead white light from my patrol vehicle to illuminate the area where the suspect was standing. I also activated the spotlight of an additional patrol vehicle. This light made the suspect and the chain visible to me.

The suspect matched the description of the robbery suspect.
I contacted Officer Moore who was standing at the south sidewalk and was holding a less lethal launcher. I became his cover officer.

The suspect was displaying strange behavior. He was facing the wall and yelling. I heard him yell profanities, and he talked about police and the CIA. Throughout the incident, the suspect exhibited signs of mania and appeared to be having delusions.

Officer Moore and I positioned ourselves on the west side of the courtyard. There were several officers already there. Sgt. Speelman was attempting to speak with the suspect and asked him to sit down. The suspect was holding the chain at this point. The suspect said, “Only if you see what I see right now” “Oh my god! Your eye sight was taken from you from Sam, mine wasn’t!” The suspect paced back and forth. Sgt. Speelman continued attempting to negotiate with the suspect. When Sgt. Speelman asked him to put the chain down the suspect said, “Come and get me, I’m right here.” The suspect yelled out, “C’mor I’m right here technology” “C’mor toy soldiers, over here! over here!” The suspect was not making eye contact with Sgt. Speelman, had his back to officers, and was facing the wall in a southbound direction.

The chain was made up of metal links. The suspect had folded the chain once so I could not estimate the length of it. As he moved it around, I could tell that it carried some weight and could be used as a weapon to cause injury.

Sgt. Huynh and Sgt. Kleppe developed a plan to contact the suspect from the east.

I stood at the northwest corner of the courtyard at this point. I saw that the suspect continued to face southbound towards the building wall without making eye contact with any officer. The suspect was standing still, yelling, and still holding the chain. The suspect then began to pace back and forth with the chain around the back of his neck. The suspect continued to yell out many things that did not make sense. He said that he was COVID 19 and that he was obedient. At one point he said, “and the ones that don’t want it tonight prove it tonight, prove it tonight...(unintelligible)” as he brought the chain down from his neck and held it with his right hand. He was facing the officers located on the west side of the courtyard at this point. It appeared that he was challenging them. He added, “shoot me or try to take me...(unintelligible)” The suspect pointed at most officers after saying this. I was only able to understand portions of what he was yelling.

I then heard Sgt. Huynh and another officer yell out clearly “drop the chain!” “drop the chain!” “Here’s your warning Drop the chain!” The suspect turned his body eastbound to face Sgt. Huynh and his contact team. The suspect stepped off the cement bench, still holding the chain with his right hand. The suspect headed to Sgt. Huynh’s position. The suspect did not drop the chain as he was ordered to do so and instead headed towards the group of officers with chain in hand. The suspect’s walk towards the officers was a much faster pace than the walk that he displayed throughout the incident while standing on the cement bench. I did not hear the suspect say anything as headed towards the group.
Sgt. Huynh and his contact team were behind a small building located on the northeast corner of the courtyard and out of my view. I could only hear them from where I was standing. The suspect went out of my view as he walked towards the contact team. Upon going out of my view, I heard the distinct sound of less lethal launchers being deployed. A second later, I heard the distinct sound of a firearm being discharged one time.

I went to assist officers with the suspect. I noted that the suspect was bleeding from the mouth.

The fire department arrived to treat the suspect's injuries and the suspect was transported to Highland.

I was wearing my body worn camera during this investigation.

This concluded my portion of this investigation.

I reviewed Officer Maldonado's body worn camera footage. Officer Maldonado's footage was fairly consistent with what he described in his report.

**Sergeant Kleppe**

I reviewed Sergeant Kleppe's report in which he wrote:

On 1/2/20 I was working as a fully uniformed BPD patrol supervisor and driving a fully marked BPD patrol SUV (#1812). At approximately 2022 hours I responded to a report of a PC 211 via chain from 2190 Shattuck Ave. As I was enroute to the call I heard over the radio that an officer was attempting to contact a suspect likely related to the robbery. The officer then asked for "less lethal" to be enroute. I arrived on scene at 2222 Bancroft Way as officers were attempting voice contact with the subject. When I arrived on scene I activated my BWC and deployed the Penn Arms 40mm single launcher from the trunk of my vehicle. I approached the scene and observed that there was a male (later identified as Bryant, Vincent) in the courtyard of 2222 Bancroft Way and that he was loudly screaming.

The officers on scene were giving the male repeated commands for him to drop the chain, and as they said that I observed that the subject had a chain in his hand, approximately 6 feet long. The chain in his hand was made of a thick metal link and appeared to be quite substantial. Ofc. Armistead was attempting to start a dialogue with Bryant, asking for him to "just talk to us". Bryant responded by telling us to "shoot" him and stated (while holding the chain in his hand) that he was going to "overhand everybody". He continued by saying "let's roll, let's fucking roll" and began slamming the chain down into the ground in a whipping motion. Whenever any officer would attempt to start a dialogue with them he would yell "shut up" or "shut up bitch" at them. Bryant also stated "I'm gonna shoot you" to the officers on scene. BFD had already been directed to stage, and staged on Bancroft Way just west of 2222 Bancroft.
I moved to the southwest corner of the courtyard while Ofc. Gibson attempted to again start a dialogue with Bryant. Bryant responded to Ofc. Gibson's attempt at conversation by stating "If you talk to me one more time, I'm gonna make you watch while I kill your family". Bryant continued by stating that he would make "all of you guys watch while I hurt your families" and that "my weapon of choice is a gun and God wants me to use this on your fucking ass". Based on Bryant's repeated statements about assaulting officers, his erratic behavior (include the robbery that he likely had just committed) it was readily apparent that Bryant was very violent and confrontational. Bryant also continued to pace with the large chain while holding it in his hand and swinging it around.

Sgt. Speelman then attempted to speak with Bryant and she was unable to begin any dialogue with him as he would rant and rave and would not begin any semblance of dialogue with BPD officers. At one point Bryant asked for 3 minutes of no talking and we stopped interacting with him. However, Bryant immediately began ranting and raving, talking about things that were not present (a picture on the wall in front of him).

I spoke with Sgt. Huynh who had arrived on scene and we began moving our personnel to safely take Bryant into custody. I stayed on the west side of the courtyard and gave my Penn Arms single 40mm launcher to Ofc. Legall along with 2 extra rounds of CTS 4557 Foam Baton ammunition. I moved the team on the west side further north to minimize any crossfire.

Sgt. Huynh and several other officers set up a contact team on the east side of the courtyard. They challenged Bryant and I heard them repeatedly give concise commands to "drop the chain". From my vantage point I could only see the very top of Bryant and saw him turn and immediately move quickly towards the contact team on the east side of the courtyard. I heard several 40mm launchers fire and then a single loud report, which sounded like a gunshot. I heard the contact team continue to give commands and I moved up onto the courtyard. I saw Bryant on the ground and officers beginning to handcuff him. I saw the officers from the east contact team standing next to Bryant and I asked if anyone had fired. Ofc. Albrandt raised her hand and stated that she had. I saw that Bryant was on the ground and bleeding from the face. I got on the radio and advised that there were "shots fired", that the suspect was down and that we need BFD to respond. Ofcs Moore and Legall also advised me that they had fired their 40mm less lethal weapons. I directed them to sequester themselves from each other (and other officers) on the south side of the courtyard.

I then took Ofc. Albrandt to the side and had her turn off her BWC and I took custody of the BWC. I also asked her to give a public safety statement which was the following:
1. How many rounds did you fire?
2. In what direction did you fire them?
3. Are there any outstanding suspects?
CONFIDENTIAL

Ofc. Albrandt responded by stating that she fired one round, she motioned that she had fired in a westerly direction, and that there were no outstanding suspects, pointing that Bryant (who was on the ground) was the only suspect.

I then took Ofc. Albrandt to a vacant patrol vehicle and ordered Ofc. Lomeli to stay with her and eventually transport her to the PSB.

I had Ofcs. Moore and Legall then leave all of their spent casings, spent rounds, and extra rounds on scene to be documented. I had them retain possession of their 40mm launchers and sit in their cars separately.

I then returned to the PSB and at the direction of Sgt. Wilson #S-3 (Homicide Sgt and OIS Investigator) I took custody of Ofc. Albrandt’s duty belt (which included her firearm) and her 2 spare pistol magazines from her external vest carrier while she was sequestered in the CSB office. I gave custody of these items to Sgt. Wilson and Crime Scene Supervisor Cardoza #CS-1.

I removed a Glock 17 from the BPD Officer Involved Shooting Locker (SER# BMER358) along with a spare duty belt and issued it to Ofc. Albrandt after removing her duty belt and firearm.

I was later directed to collect the BWCs from Sgt. Huynh, Ofc. Moore, Ofc. Legall, Ofc. Melowitz, and Ofc. Grover. I then relinquished custody of those items to Sgt. Wilson.

I was also directed to take custody of the (5) Penn Arms 40mm single launchers from all of the above listed officers, who fired their less lethal weapons. I kept custody of the launchers as they were photographed and documented by Crime Scene Supervisor Cardoza. I then returned the launchers back to the officers who had fired them.

I was also tasked with writing the Use of Force Report. Please see that report for further details.

I reviewed Sergeant Kleppe’s body worn camera footage. Sergeant Kleppe’s footage was fairly consistent with what he described in his report.

Officer Moore

I reviewed Officer Moore’s report in which he wrote:

On 01/02/21 at approximately 2023 hours, I was working uniformed patrol as unit 7A16. At the time, I was wearing my full Berkeley Police uniform and driving a marked BPD patrol vehicle (1832). At the beginning of my shift, I also elected to check out a single shot, 40mm less-than-lethal launcher from the locker. The less-than-lethal launcher that I checked out was in a case labeled with “#2”.

26
At approximately 2023 hours, I responded as a cover unit to the area of 2190 Shattuck Ave (Walgreens) regarding a report of a robbery that had occurred just prior. Berkeley Dispatch advised that the robbery occurred via a chain. Berkeley Dispatch described the suspect as a black male adult, in his 50’s, approximately 6’00 tall, 195 pounds, wearing a gray sweatshirt and black pants. The last known direction of travel for the suspect was eastbound on Kittredge St. I subsequently began an area check for the suspect.

While on my area check, I heard an officer broadcast that he located a subject on Bancroft Way just east of Fulton St. The officer advised the subject matched the robbery suspect’s description and was armed with a chain. I immediately responded to the scene and deployed my 40mm less-than-lethal launcher. The launcher was a single shot style and was loaded with one foam baton round.

As I approached the scene, on foot, I observed the suspect inside of a partially gated courtyard area of 2222 Bancroft Way. I noticed that the suspect was holding a long, metal chain in his right hand. The chain appeared to be approximately four feet in length and consisted of thick chain links. I approached the gate along the north side of the courtyard and pointed my less-than-lethal launcher at the suspect. During this time, the suspect was extremely agitated and yelling incoherently. The suspect made threats to kill officers and their families. The suspect also made a statement similar to “my weapon of choice is a gun.” He also was swinging the chain erratically and hitting the ground with the chain.

A short while later, I repositioned to the west side of the courtyard area, still outside of the gate. At this time, I was standing beside Sergeant Speelman #S-12, who was attempting to negotiate with the suspect. Several requests and commands to put the chain down were directed toward the suspect. The suspect ignored the commands and refused to relinquish the chain. Noticing that the commands were unsuccessful, Sergeant Speelman adjusted her tactics and began to attempt a conversational dialogue with the suspect. During the dialogue, the suspect stated that there was a photo on the ground in front of him and he asked Sergeant Speelman if she could describe the photo. When she said she was unable to see the photo and asked the suspect to describe it, he stated that it was a picture of the entire scene with God looking down. The suspect then said that the picture was right above our heads and that it was dropping plastic toys. The suspect then proceeded to say that women were okay but condemned men for being cowards. He also said that he was not a ruthless person. Sergeant Speelman continued to attempt to reason with the suspect by agreeing that he was not a ruthless person and that women were okay. Sergeant Speelman again asked the suspect to sit down and drop the chain. The suspect responded and said “come and get me, I’m right here.” Sergeant Speelman reiterated that we did not want to do that. Throughout the dialogue, Sergeant Speelman continued to ask the suspect, “Would you do me a favor and put the chain down?” However the suspect never complied. It should be noted that throughout the dialogue, Sergeant Speelman spoke in a soft, low, calm spoken voice and never appeared frustrated or raised her voice at the suspect.
An order for the contact team was given to move in and attempt to take over contact with the suspect. The contact team entered from the east side of the courtyard area. I heard Sergeant Huynh #S-26 issue three commands to the suspect saying, "Drop the chain." On the third command, the Sergeant Huynh also said, "Drop the chain or you are going to get hit with less lethal." After that command, the suspect turned toward the contact team and began to walk toward the officers with the chain in his hand. I observed officers on the contact team fire less-than-lethal munitions which struck the suspect but appeared to be ineffective. The suspect continued to advance toward the contact team armed with the chain and swinging it in his hand.

At this point, I feared that the suspect was going to attack and strike the officers on the command team with the chain in his hand for the following reasons:
- The suspect was wanted for a violent felony
- The suspect had made several threats to harm or kill officers
- The suspect was extremely agitated and wanted officers to "come and get him"
- The suspect ignored all commands to drop the chain in his hand
- The suspect advanced toward officers while armed with the chain and swinging it in his hand
- The suspect appeared to approach a proximity where he successfully hit the officers with the chain

Based on the above reasons, I believed that the suspect presented a threat of great bodily injury or death to the officers on the contact team. I subsequently fired one 40mm foam baton round at the suspect's center-line back area.

After firing the less-than-lethal munition, I saw the suspect fall to the ground. I immediately reloaded the launcher and entered the courtyard area to provide additional close cover for the contact/arrest team. I stood by as the contact/arrest team placed the suspect into handcuffs. While the suspect was being handcuffed, I noticed that he was bleeding from the face/head area. I immediately believed that the suspect was shot in the head/face with a less-than-lethal round. I did not know that a live round was fired until I heard a sergeant on scene broadcast that shots were fired.

After the suspect was secured, I was ordered to return to the station and sequester in my vehicle. At the station, Sergeant Kleppe #S-4, took my body worn camera and my less-than-lethal launcher. A short while later, Sergeant Kleppe returned my less-than-lethal launcher.

This incident was captured on BWC and the video was later uploaded into Evidence.com.

I reviewed Officer Moore's body worn camera footage. Officer Moore's footage was fairly consistent with what he described in his report.
Officer Grover

I reviewed Officer Grover's report in which he wrote:

On 1/2/21 I was working as Berkeley Police Department patrol unit 7a8. I was wearing full Berkeley Police Department uniform and was driving a fully marked Berkeley Police Department patrol vehicle (#1820).

At approximately 2022 HRS I responded to the area of 2190 Shattuck Ave for a report of a robbery that had just occurred. BPD dispatch advised that the suspect had been armed with a large chain and was last seen on foot eastbound on Kittredge St.

BPD dispatch provided an additional description of the suspect as being a black male adult in his late 50s, 6'00", 195 lbs and wearing a grey sweatshirt and black pants. I drove my patrol vehicle eastbound on Durant Ave towards Fulton St as I believed that the suspect may be located in the area.

I also responded as a less lethal unit as my patrol vehicle was equipped with a 40mm single less lethal launcher.

I heard Ofc. Gibson broadcast that he had located a suspect matching the description of the robbery suspect on Bancroft Way just east Fulton Ave. I then heard Ofc. Gibson ask for units with less lethal launchers.

I was already approximately one block away from the area and responded immediately.

I drove eastbound on Bancroft Way from Fulton St. I observed that Ofc. Gibson appeared to be near the outdoor area of 2222 Bancroft Way. I parked my patrol vehicle on the south sidewalk of Bancroft Way just west of 2222 Bancroft Way.

While I parked I grabbed my 40 mm less lethal launcher from where I store it in the center gun rack in the cab of my patrol vehicle. I touched the button on the front of my BWC to activate it while exiting my patrol vehicle and putting the less lethal launcher strap across my chest. I also put two extra foam 40mm baton round in my left utility pants pocket.

Ofc. Gibson and Ofc. Armistead where already on scene.

I observed the suspect, who matched the description provided by BPD dispatch of the robbery suspect standing in a courtyard area surrounded by large hedges (officers including myself were standing on the outside of the hedges).

The suspect was holding a large metal chain in his hand. The chain appeared to be bundled up partially in the suspect’s hand, but there appeared to be approximately 4 feet of chain hanging to the ground.

I advised BPD dispatch to stage the Berkeley Fire Department in the event that less than lethal rounds were deployed.

The suspect’s demeanor was erratic and agitated. The suspect was pacing around yelling while standing on a bench in the courtyard area.
Several officers gave verbal commands for the suspect to drop the chain, the suspect ignored the commands and appeared to become more agitated by officers giving commands.

I positioned myself initially on the west side of the court yard, there was a large hedge in front of me, creating a barrier between me (and other officers) and the suspect. Because the suspect was holding the large chain that I believed could be used as a dangerous weapon, I pointed my less lethal launcher in his direction. I was fearful that at any time the suspect could decide to charge through the hedge at me or other officers. I did not engage the suspect because I believed that since he was segregated in the courtyard area, there was time to get additional resources and officers to the scene.

Sgt. Kleppe arrived on scene and took over as scene commander.

I was detailed by Sgt. Kleppe to take a position on the north side of the courtyard along with Ofc. Albrandt (who was my lethal cover).

I heard other officers attempt to negotiate verbally with the suspect. The negotiations did not have any effect.

I was detailed by Sgt. Huynh to be a part of a contact team that would attempt contact with the suspect from a pathway on the east side of the courtyard.

I was designated by Sgt. Huynh to be a less lethal munitions operator as I was armed with a 40 mm single less than lethal launcher.

Sgt. Huynh advised me that he would be designated with giving the suspect verbal commands.

Prior to contacting the suspect, I opened my 40mm less lethal launcher and verified that the launcher had a foam baton round chambered. I closed the launcher and de-activated the safety.

Our team then bent to corner of the small shed and contacted the suspect, who was standing on top of a raised bench in the court yard just west of our contact team.

I heard Sgt. Huynh give several clear verbal commands for the suspect to drop the chain. The suspect did not drop the chain and immediately began to charge at us.

Sgt. Huynh was standing in front of me, off set to the left of me. The suspect continued to charge at us. I could see that the suspect was still holding the large chain in his hand.

As the suspect was non-compliant with verbal commands and was charging towards Sgt. Huynh and myself with a dangerous weapon, I was scared that the suspect would hit Sgt. Huynh or myself with the chain and seriously injure or kill one of us. I shot the suspect with one round of a 40mm form baton found in his left side shoulder or upper
arm area. The shot had no effect and the suspect continued to charge at us and close the distance, still holding the chain.

I saw Sgt. Huynh begin to move back towards me and crouch down as the suspect was close enough to strike him with chain the suspect was holding.

As my less 40mm less lethal launcher only fires a single round, I immediately tried to load another round. I could see the suspect still changing at us and turned my body to the left while trying to load my less lethal launcher. I was terrified that the suspect was still charging and was going to hit me with the large chain and kill or seriously injure me.

I was terrified that the suspect was still charging and was going to hit me with the large chain

I then felt an impact on my left upper thigh, but was unsure of what hit me.

As I turned around to shield myself from any potential blows from the suspect’s chain and while still trying to load my less lethal launcher, I heard a loud bang sound to my left that I initially perceived to be a less lethal launcher. When I turned back and looked straight ahead, I saw the suspect lying face down on the ground. I finished loading my less than lethal launcher, and walked next to Sgt. Huynh and stood by while officers from the contact team on the west side handcuffed the suspect.

I continued to feel a slight pain on my left upper thigh area.

I was then informed that the suspect had been shot with a lethal round.

I was told by Sgt. Huynh to stand away from the suspect to the east of the courtyard. I looked down at my BWC and realized that my BWC had not activated when I had attempted to activate it when I first got out of the vehicle. I immediately activated my BWC.

I advised Sgt. Spellman I had been hit by something on my left thigh (what I assumed at the time to be a less lethal round).

I was instructed by Sgt. Spellman to go back to the BPD station and to sit in my patrol vehicle.

I later observed my injury and saw that I had a large bruise on my upper left thigh that appeared to be consistent with an impact from a 40mm foam baton round. Sgt. Kleppe later took photos of the injury.

Sgt. Kleppe later took my BWC and my 40mm single less than lethal launcher.

I reviewed Officer Grover’s body worn camera footage. Unfortunately, Officer Grover’s footage did not capture the incident. While reviewing his video, Officer Grover made the statement that he believed his camera was accidentally turned off as he believed that it may have been struck by a projectile. Officer Grover’s body camera did capture some of the aftermath of the shooting.
Officer Thome

I reviewed Officer Thome's report in which he wrote:

On 1/2/21, at approximately 2035 hours, I responded to the area of Fulton and Bancroft, regarding a robbery suspect wielding a chain, who had been contacted by BPD officers. A radio broadcast advised enough officers were on scene.

I took a traffic post in my BPD patrol vehicle #1822, at the intersection of Durant/Ellsworth to block pedestrian and vehicle traffic from accessing Bancroft Way while BPD officers attempted to detain the suspect.

I was directed to leave my post at approximately 0200 hours.

My BWC was not activated during this timeframe as I had no contact with the suspect.

Officer Melowitz

I reviewed Officer Melowitz's report in which he wrote:

On 1/2/21 at approximately 2024 hours, I responded to a report of a robbery via chain that occurred at 2190 Shattuck Avenue. Dispatch described the suspect as a black male, late 50s, 6', 195 lbs, wearing a gray sweatshirt/black pants, and wielding a 6ft long chain.

An officer broadcasted that the suspect was on Bancroft Way, east of Fulton. I arrived at the location at approximately 2027 hours and armed myself with a 40 mm less lethal round launcher. I loaded one foam baton round and held two additional rounds in my left hand. I activated my body worn camera.

I saw the suspect inside the courtyard of the Tang Center (2222 Bancroft Way). I stood at the edge of the courtyard with multiple officers to establish a perimeter.

The suspect was acting erratically with a large chain in his hands. The suspect screamed nonsensically and was mostly incoherent. He briskly paced back and forth inside the courtyard and swung the chain like a whip multiple times.

I heard the suspect state the following:

"I'm going to overhand everybody [holds out chain]...this is solid gold. This is a solid gold chain."

When told to drop the chain, the suspect said "Shoot me!"

"I'm going to shoot you!"
“Go ahead and shoot me, bitch.”

Attempts to build rapport and negotiate with the suspect were unsuccessful.

I was tasked by Sgt. Huynh to join him to the eastern alley entrance to the courtyard. Sgt. Huynh assigned myself, himself, and Ofc. Grover #67 as less lethal operators for an arrest team. Ofc. Albrandt was primary lethal cover for Ofc. Grover and Sgt. Huynh. Ofc. Navarro was primary lethal cover for me.

Sgt. Huynh said we would get into position, he would provide commands, and if the suspect didn’t comply, we would deploy less lethal munitions. Sgt. Huynh said to move in.

Sgt. Huynh, Ofc. Grover, and Ofc. Albrandt hugged the wall to the north of me. I fanned a few feet south of them to create distance and prevent crossfire.

Sgt. Huynh commanded the suspect to drop the chain.

The suspect continued to hold the large chain in his hand. The suspect failed to comply with commands and purposefully walked straight towards Sgt. Huynh, Officer Grover, and Officer Albrandt. The suspect closed the distance to approximately 10 feet.

At that moment, I felt the suspect represented an immediate and imminent threat to cause serious bodily harm to Sgt. Huynh, Ofc. Grover, and Ofc. Albrandt due to the following reasons:

- The suspect’s close and rapidly enclosing proximity to multiple officers.
- The suspect’s want for a violent felony.
- The suspect’s agitated state.
- The suspect’s threats of violent action.
- The suspect was wielding, and actively used, a serious deadly weapon.

Due to the immediacy of the situation and potential for death and/or great bodily injury to multiple officers, I fired my less lethal launcher. It was not feasible in the time frame to shout that I was firing less lethal. I aimed towards the suspect’s left thigh. There was no one in the backdrop of my line of fire.

I did not see the impact of the projectile. I ejected the chamber of the launcher and loaded a new round. As I was doing so, I dropped one of the two live 40mm rounds in my left hand.
The suspect was on the ground and detained by multiple officers. Sgt. Kleppe #S-4 said over the air that a shot was fired. I was unaware of a shot being fired until then. I approached the suspect and saw that blood was pooling near his head.

I retrieved the live round that I had dropped at the scene.

I was told by Sgt. Speelman #S-12 to head back to the station and to wait for further instruction.

At the station, Sgt. Kleppe S-4 retrieved my body worn camera. Sgt. Kleppe took custody of the 40 mm less lethal launcher that I used and later returned it.

I reviewed Officer Melowitz's body worn camera footage. Officer Melowitz's footage was fairly consistent with what he described in is report.

Officer Shivas

I reviewed Officer Shivas' report in which he wrote the following:

On 01/02/2021 at approximately 2023 hours I was dispatched a report of a robbery that had occurred just prior at 2190 Shattuck Arrival. I responded to the area. While en-route I was advised there was sufficient officers on scene and I was directed to take a traffic post on Bancroft and Dana to prevent vehicles traveling west on Bancroft. I remained at this post until advised to clear about 0142 hours.

Sergeant Huynh

I reviewed Sergeant Huynh's report in which he wrote:

On 1/2/21 at about 2022 Hrs. a report of an armed robbery had just occurred at 2190 Shattuck Ave., Walgreens. The suspect was described as a black male late 50's, 6-00, 195 lbs. and armed with a 6' long chain that was large in size. I responded from the west end of the city.

As I was responding I heard a radio broadcast that officers had located the suspect on foot on Bancroft Way, east of Fulton St. and were attempting to stop him. I heard the situation evolving with less lethal munitions being requested and the suspect was refusing to comply. The suspect walked into the courtyard of 2222 Bancroft Way. and officers were able to contain him to the courtyard.

I arrived on scene to assist and immediately made contact with Sgt. Kleppe #S4. Sgt. Kleppe was on the western side of the courtyard next to Sgt. Speelman #S12 who was negotiating with the suspect. I looked at the courtyard and saw a black male holding a large 6' or longer chain over his shoulder. The suspect was refusing to comply, incoherent, extremely agitated and his physical posture was aggressive. Sgt. Kleppe
and I devised a plan to effect an arrest with a contact team on the eastern side of the court yard. I was contact team supervisor role.

The eastern side of the court yard consisted of a smaller building that was unattached to the main building with a breeze way. The contact team staged in the breeze way and consisted of the following members:

Less Lethal Operators (40mm) - Ofc. Melowitz, Ofc. Grover and myself
Lethal cover - Ofc. Navarro and Ofc. Albrandt

While staged, I gave clear assignments and tactics and waited for Sgt. Kleppe to verbally initiate the contact team's movement to the suspect. Sgt. Kleppe gave me the command and the team moved into position. I saw the suspect standing on a cement raised fixture in the middle of the courtyard holding the chain in his right hand. I gave clear commands to drop the chain. He immediately turned to face me and I repeated the command. He stepped off the cement fixture, refused to drop the chain and I told him he was going to get shot with less lethal. He continued his refusal to comply and quickly began rushing at me holding the chain low in his right hand.

The suspect was holding the chain low, however, he had that arm in a swinging position. Coupled with the aforementioned observation and the suspect rushing towards me, I shot him once with a less lethal round. My target area was his stomach area. The shot had no effect and I heard an immediate two more round of less lethal being fired to the left of me. Those round had no effect on the suspect and he quickened his rush towards me.

I estimated the suspect was within 10' of me and I was unable to reload. As this was happening quickly, I went thru other force options and realized there was no other due to the time and distance that was not beneficial to me. The suspect was closing fast and would be on top of me. Fearing this, I felt my life was in imminent danger of great bodily injury or death if struck in the head with his chain. I heard a single lethal round being fired to the left of me and saw the suspect fall to the ground.

I was able to reload my less lethal launcher and gave commands to the suspect to spread out his arms and to not move. He complied and assisting officers handcuffed him with no further force used. I did not know if the suspect was struck with a lethal round until I heard someone say the suspect had a GSW. Life saving measures was immediately started.

I know Ofc. Albrandt's action saved me from an imminent attack that could have gravely injured or killed me.

I asked who shot less lethal rounds and discovered every less lethal operator shot, along with Ofc. Albrandt being the lethal cover that fired one round that struck the suspect. I separated the less lethal operators and had them not discuss the matter further and Sgt. Kleppe dealt with Ofc. Albrandt.
The scene was secured and I had all involved less lethal operators who fired return to the station and sequester themselves in the BPD parking lot.

I reviewed Officer Huynh's body worn camera footage. Sergeant Huynh's footage was fairly consistent with what he described in his report.

Sergeant Speelman

I reviewed Sergeant Speelman's report in which she wrote:

On 1/2/21 at approximately 2028 hrs I responded to Bancroft Way, east of Durant, regarding a robbery suspect with a chain. As I responded, units advised over the radio that the suspect was non-compliant and was refusing to drop the chain. I arrived on scene, activated my BWC and deployed my Less Lethal Launcher. As I approached the scene I saw numerous officers surrounding a courtyard and a single male standing in the middle.

The male, later identified as Bryant was holding a long silver chain in one hand and shouting into the sky. He was saying things like, "No CIA! No silver bullets! Not a million men, not a million ladies, only one can stop me!" I contacted Ofc. Gibson on the west side of the courtyard. Ofc. Gibson advised that he had tried to communicate with Bryant but that Bryant asked for "three minutes of silence". I am a former member of the Special Response Team Negotiator Element and decided to attempt to talk to Bryant and get him to comply.

I spoke to Bryant without any weapons in my hands. As I started to talk to Bryant he said things to no one in particular, "Your eyesight was taken... Describe that picture and I'll drop the chain! God is looking down, you guys are one face... you guys are one body... The pictures are right above your head, women are ok... you will be sent to a planet of your choice" and "Come on I'm right here toy soldiers, I'm right here technology, come on toy soldiers! Over here!" I asked Bryant who he was talking to but he didn't respond.

I repeatedly asked Bryant to put the chain down but he did not. "Go ahead and shoot me bitch, little toy soldiers, I'm gonna send you to hell, I'm going to come visit you and I'm gonna play doctor." I continued to try to engage Bryant but he ignored me and said, "I'm protecting god's property! Reverse light, reverse their sensors... thank you... AH! AH! Oh, man, I've waited so long mom, you thought I was a coward... Reverse the vehicle's lights, inward... outward, back inward out! Thank you. All the colors... the new element... half angel... no I'm not half man... no man of God. Going to hell for you guys."

At this point, Sgt. Kleppe advised me that Sgt. Huynh was on the east side of the courtyard with a team of officers who were going to attempt to contact Bryant. I walked north from my position to get out of the way of any crossfire from Sgt. Huynh's team.
stopped at a spot where I could still see Bryant through the chain link fence and then heard Sgt. Huynh yell "Drop the chain! Drop the chain!"

I could see that Bryant did not drop the chain and instead began walking purposefully towards the officers. I then heard loud reports of Less Lethal Launchers and one much louder report from a gun. I saw that officers were handcuffing Bryant so I entered the courtyard, notified Dispatch that we were taking him in to custody and requested BFD come to the scene.

Bryant initially lay unmoving as officers attended to him so I requested his handcuffs be removed. However, he began trying to get up and that idea was abandoned for officer safety and so he could receive medical care. BFD arrived on scene and transported Bryant to Highland Hospital.

I requested the area be taped off with crime scene tape. I walked around the scene and noted where the spent Less Lethal rounds and cartridges were located, along with the spent shell casing. In addition, I located what appeared to be a spent bullet on the pavement near the front doors of 2222 Bancroft. I remained on scene with Ofc. Gibson and Ofc. Ceja to ensure the scene and evidence were secure.

CS1 Cardoza and CSO Bolla arrived on scene and I walked them through the scene, pointing out foam rounds, cartridges, etc. See their supplemental reports for further.

Later on, Sgt. Wilson and additional detectives arrived on scene. I walked them through the scene as well. See their supplemental reports for further.

Once the scene was processed, I requested Crime Scene Cleaners to remove any blood from the courtyard. I left the scene with Ofc. Ceja who remained there waiting for Crime Scene Cleaners.

I reviewed Sergeant Speelman's body worn camera footage. Sergeant Speelman's footage was fairly consistent with what she described in her report.

Officer Kirkbride

I reviewed Officer Kirkbride's report in which she wrote the following:

"On 1/5/2021 at approximately 1310, I was conducting a suspect over watch detail at the Highland Hospital in Oakland. The suspect (Vincent Bryant) was hospitalized on a police hold, as a result of injuries he sustained during an incident on 1/2/2021.

While at the hospital, I received a call from Sgt. Wilson (#S3), who was one of the investigators in this case. Sgt. Wilson inquired about the injuries Bryant sustained as a result of BPD's deployment of less lethal munitions. Shortly after the incident, Bryant's injury to the face was the focus of the officers on scene, and Sgt. Wilson wanted to verify whether or not Bryant sustained any additional trauma to his body caused by the projectiles."
I contacted one of Bryant's nurses (nurse Pamela), who had mentioned to me earlier that he had injuries to his hand. I entered Bryant's room with her, and she asked Bryant if it was okay for me to photograph his hand. Bryant nodded his head in approval.

I observed swelling and bruising on his right middle finger and right thumb, and both fingers were secured in splints. Nurse Pamela said that both fingers were fractured. I photographed Bryant's right hand and the injuries to his fingers.

Given that less lethal munitions were deployed toward Bryant, I asked if he had any bruising on his body. Bryant did not want me to be present as nurse Pamela lifted his gown. I left the room, and nurse Pamela visually assessed Bryant's legs, stomach and back for possible injuries. She stated that she did not see any bruising anywhere on his body.

I uploaded the photographs into Evidence.com.

Detective J. Smith

I reviewed Homicide Detective Smith's report in which he wrote the following:

On 1/2/21 I assisted Sgt. Wilson with the officer involved shooting investigation. Sgt Kleppe brought all of the involved 40mm less than lethal launchers than had been used during the incident. He then explained the following:

- Ofc. Melowitz fired one round from launcher GS1717.
- Ofc. Moore fired one round from launcher PA2.
- Ofc. Grover fired one round from GS5148.
- Sgt. Huynh fired one round from launcher GS1719.
- Ofc. Legall fired one round from launcher GS1720.

ID Tech Cardoza photographed all of the launchers prior to Sgt. Kleppe returning them to patrol use.

Identification Technician Cardoza

I reviewed Identification Technician Cardoza's report in which she wrote:

On Saturday, January 2, 2021 at approximately 2046hrs, I received a call at home from Berkeley Police Department (BPD) dispatch notifying me of an officer involved shooting and requesting I respond.

I arrived at the Berkeley Police Department at approximately 2200hrs and contacted Sergeant J. Wilson #S-3 and Community Services Officer (CSO) Bolla #457 in the Homicide Office. Sgt. Wilson advised CSO Bolla and I that the officer involved shooting
occurred in a courtyard located at 2222 Bancroft Way (The Tang center). The incident involved one officer and a subject who reportedly sustained a gunshot wound and was transported to Highland Hospital Emergency Room. Sgt. Wilson requested photo documentation of the subject at Highland Hospital ER, the involved Officer, collection of the officer’s duty belt/external vest carrier and processing of the scene. CSO Bolla was directed to respond to Highland Hospital to photograph the subject (later identified as Bryant, Vincent) and his injuries.

At approximately 2213hrs Sgt. Kleppe #S-4 met with me in the Homicide Office where I took custody of a black duty belt with holstered handgun and two magazines. I photographed the items prior to taking custody of them and proceeded directly to the Crime Scene Unit (CSU) lab. The black duty belt with holstered handgun and two magazines were secured in the lab pending comprehensive photographs, inspection and inventory with Sgt. Wilson.

I then met with Officer M. Albrandt #51 and Officer Muratovic #159 in the CSU office. I advised Officer Albrandt of my directives and requested to take photographs of her for documentation purposes. She agreed and was cooperative throughout the process. Officer Muratovic stood by during the process. I observed that Officer Albrandt was wearing a Berkeley Police Department (BPD) Uniform with an external vest carrier, BPD baseball cap and 3M N95 respirator mask. Photos were taken with and without the 3M respirator. Per Albrandt, she was wearing the 3M respirator at the time of the incident. Subsequent to photos, at approximately 2228hrs I took custody of the external vest carrier. Officers Albrandt and Muratovic then cleared the CSU office and I proceeded to the CSU lab where the external vest carrier was secured pending comprehensive photographs, inspection and inventory with Sgt. Wilson.

At approximately 2240hrs I spoke with Sgt. Kleppe in the BPD Property Crimes office where he requested photographs of five (5) less lethal 40mm single launchers. The less lethal launchers were laid out on the floor and I placed them on a clean piece of butcher paper to facilitate photography. All five (5) were PENN ARMS less lethal 40mm single launchers. Upon completion, Sgt. Kleppe maintained custody of the aforementioned items.

I then proceeded to the scene located at 2222 Bancroft Way (The Tang Center) and arrived at approximately 2315hrs. I made contact Sgt. Speelman #S-12, Sgt. Wilson #S-3 and CSO Bolla #457. Shortly thereafter additional Detective Division Sergeants arrived and a walkthrough of the scene was conducted with Sgt. Speelman. The incident reportedly occurred within the courtyard of the Tang Center/ University Health Service.

The scene appeared to span from the west walkway between the Tang Center (2222 Bancroft Way) and UC Berkeley Legends Aquatic Center (2214 Bancroft Way) to the east side of the Tang Center courtyard. Sgt. Speelman directed our attention to five white 40mm foam baton shell cases and four foam baton rounds located in several areas within the courtyard and west walkway between the Tang Center and UC
Berkeley Legends Aquatic Center. Sgt. Speelman advised that five 40mm munitions were apparently deployed during the incident. In the northwest area of the courtyard is a picnic/dining section with several chairs and circular picnic tables. A tan cloth bag was located on a chair in the northwest corner of the dining area. We were also directed to an unzipped black bag located on a concrete bench on the south side of the dining area.

East of the aforementioned dining area within the courtyard is a small square building (University Health Service – Career Counseling Library). Per Sgt. Speelman the subject: Bryant was ultimately contacted in the courtyard just south of the Career Counseling Library. A long wooden bench runs parallel to the south side of the building and spans the length. There is a walkway to the east and the staff entrance of the Tang Center is south. Sgt. Speelman directed our attention to a long chain, padlock and a concentration of suspected blood. Apparent first aid supplies and additional items were located on the long wooden bench. Located on the ground west of the wooden bench I observed what appeared to be two human teeth attached to tissue/gum. Sgt. Speelman went on to point out an apparent expended shell casing on the ground east of the wooden bench and possible bullet fragment/jacket on the ground in front of the staff entrance of the Tang Center. Subsequent to the walk through a scene/perimeter check for additional evidence was conducted and the “outstanding” fifth foam baton round was not located.

Sgt. Wilson requested the scene be photographed and designated evidence be collected. I proceeded to take initial general overview photographs of the scene. CSO Bolla was tasked with evidence collection and scene documentation. Please refer to CSO Bolla’s report for additional information. At approximately 0036hrs after initial scene photographs were completed I cleared the scene.

At approximately 0053hrs on 01/03/2021, Sgt. Wilson #S-3 contacted me in the CSU lab to document the duty belt, handgun, magazines and external vest carrier as they were inspected and inventoried. I took additional photographs of the black duty belt and holstered handgun. Sgt. Wilson then removed the GLOCK 17 Gen 5, 9mm handgun serial# BHGS151 with attached Streamlight. She rendered the handgun safe and I observed her remove a chambered bullet and magazine. Sgt. Wilson inventoried the number of bullets in the magazine (16) that were removed from the GLOCK 17. Two remaining magazines were then documented and visually inspected. Each GLOCK 9mm magazine appeared to be fully loaded. Sgt. Wilson requested that the magazines and contents remain intact and booked as such after photo documentation. The external vest carrier a TACTICAL BPS vest was documented depicting attached police radio, Pelican light, name patch, badge, pens, miscellaneous papers and MK-3 OC spray. At approximately 0105hrs, during the inspection of the external vest carrier Sgt. Wilson removed and took custody of two empty “replacement” magazines located in the front lower pockets of the carrier. Sgt. Wilson also took custody of the MK-3 OC per property room protocol at approximately 0138hrs. Photo documentation was completed throughout the inventory process. Upon completion, I maintained custody of the duty belt, handgun, magazines, ammunition and external vest carrier.
Using a Nikon D5500 digital camera I photographed the following:

**Berkeley Police Department – 2100 Martin Luther King Jr way**

**Homicide Office:**
- Black LEAD DEVIL duty belt with holstered GLOCK 17, handcuffs, Streamlight flashlight, collapsible baton and two magazines

**Crime Scene Unit Office:**
- Officer M. Albrandt #51
- Wearing Berkeley Police Department uniform with external vest carrier, Berkeley Police Department baseball cap, black boots and an 3M N95 respirator
- Front, back and side profiles
- Front and back of both hands

**Property Crimes Office:**
- Five (5) PENN ARMS Less Lethal 40mm Single Launchers
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC1517
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40-C, serial #GSC1330
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC5148
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC1719
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC1720

**Crime Scene Unit Lab:**
- Black LEAD DEVIL duty belt with attached accessories
- GLOCK 17 Gen 5, AUSTRIA 9x19, 9mm handgun serial #BHGS151 with attached TLR-1 HL Streamlight tactical light
- Removed chambered bullet SPEER 9mm LUGER+P
- Removed magazine GLOCK 9mm #1587-01
  - (16) SPEER 9mm LUGER+P bullets removed from aforementioned magazine
- (2) GLOCK 9mm #1587-01 magazine appearing to be fully loaded
- Black TACTICAL BPS Vest external vest carrier and contents

**2222 Bancroft Way (Tang Center):**
- Intersection of Bancroft and Fulton and view looking east
- Northeast corner of Bancroft Way and Fulton
- Bancroft Way east of Fulton/view looking east
- UC Berkeley LEGENDS AQUATIC CENTER located at 2214 Bancroft Way
- General overview of the front of the Tang Center/University Health Center depicting the courtyard and University Health Service – Career Counseling Library building
- General overview of the west walkway between the Tang Center and UC Berkeley Legends Aquatic Center depicting apparent 40mm foam baton cases
- General overview of the picnic/dining area east of the walkway between the Tang Center and UC Berkeley Legends Aquatic Center depicting a cloth bag on a chair in the
northwest corner and an unzipped black bag on the concrete bench located on the south side of the dining area
- General overview of the area south of the University Health Service – Career Counseling Library depicting various items including but not limited to 40mm foam baton rounds, 40mm baton cases, chain, padlock, first aid supplies, concentration of suspected blood and apparent human teeth attached to tissue/gum
- General overview of the east side of the courtyard and the staff entrance of the Tang Center depicting various items including a 40mm foam baton round, 40mm baton case, expended shell casing and possible bullet/jacket fragment
- General overview of the walkway east of the University Health Service – Career Counseling Library

Note: Refer to CSO Bolla’s #457 report for information regarding any evidence collected on scene

Evidence – the following evidence was collected using clean unused gloves, AUMA OM KN95 protective face mask, clean unused paper packaging, clean unused pill boxes and clean unused gun box:

- Black LEAD DEVIL duty belt with attached accessories:
  - Black holster
  - Collapsible baton and holder
  - Streamlight Flashlight S/N 012418 A0619 and holder
  - Handcuffs and holder
- GLOCK 17 Gen 5, AUSTRIA 9x19, 9mm handgun serial #BHGS151 with attached TLR-1 HL Streamlight Tactical light S/N 694036 0120
- (1) SPEER 9mm LUGER +P bullet from chamber
- GLOCK 9mm #1587-01 magazine removed from GLOCK 17 Gen 5, 9mm handgun
- (16) SPEER 9mm LUGER +P bullets from GLOCK 9mm #1587-01 magazine

- (2) GLOCK 9mm #1587-01 magazines appearing to be fully loaded

- Black TACTICAL BPS Vest (MENTONE, CA MADE IN THE USA) external vest carrier and contents
  - Velcro name patch M. Albrandt and Berkeley Police Badge #51
  - Berkeley Police radio
  - Body Worn camera mount
  - Pelican light
  - Carabiner clip
  - Pens and miscellaneous papers
  - MK-3 .2% Defense Technology OC Spray

  Note: at approximately 0138hrs Sgt. Wilson took custody of the MK-3 .2% spray

Subsequent to comprehensive photo documentation, I packaged and booked the GLOCK 17 Gen 5, 9mm handgun, bullets, magazine, duty belt (contents) and external vest carrier (contents) into the Berkeley Police Department property room locker #15 on
01/03/2021 at approximately 0309hrs. All 182 photographs were uploaded to the evidence.com digital management system under the above listed case number.

Identification Technician Schwarck

I reviewed Identification Technician Schwarck’s report in which he wrote:

I arrived at Highland Hospital in the Emergency Department at approximately 1420hrs and I met with Officer K. Peters #148. Sergeant Bonaventure S-10 had requested that I meet with Officer’s Peters in order to collect clothing items from a patient’s belonging bag. Bonaventure requested that only the clothing (excluding socks and underwear) be collected from the patient belonging bag.

Officer Peters was standing by with the subject, Vincent Bryant 12/15/1969, in room #9. Bryant was in a hospital gurney and appeared to be sedated at this time. I took overview photographs of Bryant for documentation purposes. I then photographed two Patient Belonging Bags under the hospital gurney and I photographed the labels (Vincent Lee Bryant 12/15/1969) on each bag.

Officer Peters and I advised the on duty nurse that I would be collecting the clothing items only from the Patient Belonging Bags. Officer Peters assisted by searching the pockets of the clothing for any personal or miscellaneous items. Officer Peters was wearing gloves as he searched the items. A cut blue key lanyard and a pair of black socks remained in one Patient Belonging Bag and a pair of black Hanes boxer briefs, a plastic zip bag containing apparent receipts and a crumpled apparent receipt remained in the other bag.

Most of the clothing items appeared to have been cut (likely by paramedics) and contained suspected blood. I collected the items with gloves and clean unused packaging materials (paper/plastic bags). Note: some items were collected with a plastic bag due to the possibility of the items being damp. The items were later packaged and booked in individual paper bags.

I cleared the hospital at approximately 1440hrs.

Upon return to the Berkeley Police Department I photographed the collected items with a scale in the Crime Scene Drying Room. An AC Transit card was located in the upper left pocket of a grey/white ST JOHNS BAY zip-up jacket.

Using a Nikon D5500 digital camera the following photographs were taken:

1.) Highland Hospital in Emergency Room #9:
   A.) Vincent Lee Bryant 12/15/1969, on a hospital gurney mostly covered in a white sheet
      - medical tubes in the mouth (apparatus strapped around the back of the head)
B.) two Patient Belonging Bags to Vincent Lee Bryant 12/15/1969 under the gurney
- cut blue key lanyard with two keys from the first bag (remained in the bag and
  with the patient)
- one pair of black socks from the first bag (remained in the bag and with the
  patient)
- black/blue Hanes boxer briefs from the second bag (remained in the bag and
  with the patient)
- plastic zip bag with apparent receipts from the second bag (remained in the
  bag and with the patient)
- crumpled apparent receipt from the second bag (remained in the bag and with
  the patient)

2.) Berkeley Police Department Drying Room:
A.) clothing items from the Patient Belonging Bags to Vincent Lee Bryant 12/15/1969
(listed below under Evidence)
- items photographed with a scale

Evidence- the following evidence was collected with gloves and clean unused plastic
and paper bags- the items were collected from Bryant Vincent Lee's two Patient
Belonging Bags at Highland Hospital, Emergency Room #9: - Note: some items were
collected with a plastic bag due to the possibility of the items being damp. The items
were later packaged and booked in individual paper bags

- grey SUNDAY AFTERNOONS bucket style hat, size Large (suspected blood on the
  back exterior/interior, suspected blood on the
  interior right side), small American Flag on a toothpick in the top of the hat
- cut green carhartt pants, size 38 (unknown dark stains on the front and back pant legs,
  small concentrations of suspected blood on the
  top portion of the jeans on the front and back)
- cut green Claiborne sweater in two pieces, size XL (suspected blood one of the
  sleeves, unknown which side due to the item being cut)
- cut grey/white ST JOHNS BAY zip-up jacket, size Large; AC TRANSIT DAY PASS
  card in the upper left chest pocket
- cut grey hooded Milwaukee sweatshirt, size Large, (suspected blood on the hood,
  sleeves, and on the lower back portion)
- cut black sweatpants, unknown brand and size (suspected blood stains on the front
  and back sides- prominent from the waist to the ankle
cuffs)
- cut grey JERZEES sweatshirt, size 2XL, (suspected large blood stains on the front,
  back and sleeves); unknown small slits on the on the
  front right side chest areas, unknown small slit on the lower right side
- cut light grey FRUIT OF THE LOOM t-shirt in two pieces, size 2XL (suspected large
  blood stains on both shirt pieces)
- cut black RZ face mask with light blue tags, size XL
- Pair of black short boots, unknown brand, size 11 ½, (suspected blood on the toe-box area of both boots, suspected blood on the outside of the left boot, suspected blood on the heel of the right boot, small concentrations of blood on soles of both boots), inserts appeared to be stained in a pinkish color, silver thumb tack/push pin in the sole of the right boot)

Upon return to the Berkeley Police Department the photographs were uploaded into Evidence.com. The evidence was packaged, sealed and booked into Secured Property Room Lockers.

Identification Technician Bolla

I reviewed Identification Technician Bolla's report in which she wrote:

On 01/02/2021 at approximately 2200 hours I met with Sergeant J. Wilson S-3 at the Berkeley Police Department (BPD) Homicide Unit. She briefed me on an officer involved shooting (OIS) that had occurred at 2222 Bancroft Way at approximately 2022 hours, involving a chain-wielding subject who was reportedly involved in a Shattuck Avenue Walgreens robbery. She informed me that during the incident, several rounds of less lethal munitions were deployed and the involved officer's duty weapon was discharged. She advised that the involved male subject had been transported to Highland Hospital Emergency Room (ER) in Oakland after sustaining a gunshot wound to the face. She advised that Berkeley Fire Department (BFD) paramedics were staging nearby at the time of the incident and that the subject was quickly transported to the trauma center following the shooting. She requested that I proceed to Highland Hospital to photograph the subject and his injuries.

At approximately 2218 hours I arrived at Highland Hospital ER where I made contact with Officer Bally #73 who was standing outside Trauma Room #9. She informed me that hospital personnel were treating the injured subject (Bryant, Vincent) who was sedated but in stable condition.

At the time of my arrival, an ER physician and a nurse were actively attending to Bryant's injuries. I observed that the physician was packing what he later described as an entry wound (located in the area of Bryant's lower right jaw) with gauze. I stood by outside the trauma room until [Redacted] (a registered nurse) invited me inside the room to photograph Bryant. I took general photos of Bryant as he lay supine on a gurney, breathing with the assistance of a ventilator. [Redacted] and the physician advised that Bryant had sustained a "through and through" gunshot wound to the area of his lower right jaw and that his jaw was shattered. They showed me where the entry wound had been packed with gauze and they pointed out the exit wound that was located on the left side of Bryant's chin. At the time, I was not advised of any additional physical injuries. After photographing Bryant, I cleared the ER at approximately 2250 hours.
I returned to Berkeley and at the request of Sgt. Speelman S-12 I proceeded to the scene located in the courtyard at 2222 Bancroft Way – Tang Center/University Health Service. She briefed me on the incident and advised that Sgt. Wilson was en route to our location. Upon the arrival of Crime Scene Supervisor CS-1 Cardoza, Sgt. Wilson and additional Detectives Division sergeants – we walked through the scene and were briefed on the incident. Sgt. Speelman directed our attention to an outdoor dining courtyard and advised that (to the east of the dining area) Bryant was observed swinging a long chain at officers. Sgt. Speelman directed our attention to five white plastic 40mm foam baton shell casings and four black foam baton rounds that were located in the area of the Tang Center/University Health Service courtyard. Per Sgt. Speelman, a total of five rounds of the 40mm less lethal projectiles were deployed at the scene. We searched the scene for additional evidence and the outstanding fifth foam baton round was not located.

Sgt. Speelman directed our attention to a wooden bench located on the north side of the courtyard to the east of the dining area, across from the University Health Service staff entrance. Located on the pavement to the immediate west of the wooden bench, there were what appeared to be two human teeth attached to pink suspected gums and flesh. Concentrations of suspected blood were observed on the pavement to the south of the bench, along with a brass-colored Master padlock. A long, silver-colored chain was located on the pavement, beneath a loop wave style bicycle rack. Per Sgt. Speelman, Bryant dropped the chain at that location during the incident.

Sgt. Speelman pointed out several additional pieces of evidence that were located at the scene. At the northwest corner of the courtyard, a reusable cloth bag filled with what appeared to be perishable food was resting on top of a chair. At the east end of a southern concrete bench, an unzipped black duffel bag containing what were later revealed to be Bryant’s personal belongings was located. Sgt. Grant S-27 searched the bag in my presence and it appeared to contain personal hygiene products, clothing and additional items.

Near the east end of the wooden bench, one apparent 9mm LUGER +P expended shell casing was located on the east breeze way pavement. To the southwest of the expended shell casing, officers directed my attention to an unknown silver and copper-colored suspected bullet jacket that was located on the pavement in front of the staff entrance to the Tang Center.

At the northwest corner of the courtyard, I stood by while Sgt. Bonaventure S-10 searched the cloth bag containing suspected stolen items. He agreed to take custody of the perishable items after they were collected as evidence and once we returned to the Berkeley Police Department.

Sgt. Wilson requested that I photograph the scene and collect evidence. First aid supplies and packaging left at the scene would, per Sgt. Wilson, be photographed only and not collected, along with the concentrations of suspected blood. CS-1 Cardoza took initial scene photos and upon completion I set numerical evidence placards #1 through
#19 in place next to the evidence. At that time, CS-1 Cardoza cleared the scene. Refer to her ID Tech report for additional information.

I set numerical evidence placards #1 through #19 in place and I photographed the scene. Upon completion, at approximately 0113 hours I began evidence collection.

Upon completion of collection all evidence was promptly secured inside ID Van #1803. I took additional scene photos, with and without placards in place and Sgt. Speelman confirmed that no additional services were needed. I cleared the scene on 01/03/2021 at approximately 0152 hours.

I returned to the BPD Crime Scene Unit (CSU) and secured the collected evidence inside the CSU Lab. The suspected human teeth were secured inside the CSU Lab refrigerator at approximately 0211 hours. At approximately 0230 hours Sgt. Bonaventure took custody of the perishable items inside the CSU Lab.

On 01/03/2021 at approximately 1045 hours I began photographing and processing the collected evidence. All evidence was photographed inside the CSU Lab and upon completion three damp or wet items recovered from the black duffel bag (Evidence #5) were relocated to the BPD Drying Room. At approximately 1335 hours a damp New Era brand zip-front "Ice Storm" hoodie, a wet suspected sharpening stone and a damp white rag with unknown stains were secured inside Cabinet B of the Air Science evidence drying cabinet. As a precautionary measure a clean, unused piece of butcher paper was placed under the items prior to drying. Once dry, at approximately 1415 hours, the evidence and used butcher paper was recovered from the Drying Room and packaged, labeled and sealed inside the CSU Lab.

Per BPD Property Room protocol, all liquid personal hygiene products recovered from the duffel bag were emptied of their contents prior to booking. I photographed the items prior to and following that process.

With the exception of Evidence #5 (black duffel bag and its contents) and Evidence #9 (suspected human teeth) all evidence was booked into Locker #17 of the BPD Property Room on 01/03/2021 at approximately 1825 hours. Evidence #9 (suspected human teeth) was booked into the BPD refrigerator at approximately 1825 hours and Evidence #5 (black duffel bag and its contents) was booked into the BPD Bulk Storage Room at approximately 1830 hours.

A total of 480 photos pertaining to the case were uploaded into Evidence.com – the digital photo management database.

On the morning of 01/04/2021 at approximately 0900 hours and at the direction of CS-1 Cardoza, I contacted BPD Property Room personnel and requested that Evidence #9 (suspected human teeth) be relocated to the BPD freezer.

Using a Nikon D5500 digital camera the following photos were taken:
Highland Hospital Emergency Room – 1411 E 31st Street – Oakland

- Exterior of Highland Hospital trauma room #9
- General overview and profile photos of involved injured subject: Bryant, Vincent Lee
  DOB: 12/15/1969 – laying supine on a gurney and with his body partially covered with a
  blue hospital gown and white sheets – with suspected blood observed on the gown,
  sheet and on white gauze (located on top of his chest) and beneath his head
- Observed physical injuries including: Suspected gunshot entry wound (packed with
  bloody gauze) located lower right jaw area, large apparent bloody gash located to the
  right of chin and suspected gunshot exit wound located on the left side of chin
- Bryant, breathing with the assistance of a ventilator and with suspected blood and/or
  suspected dried blood observed on his face, neck, chest and arms
- Numerous tattoos located on Bryant’s body including the following: Left side of chest,
  above left breast area – (suspected Ankh/ Key of Life symbol over a suspected
  pentagram tattoo), additional miscellaneous tattoos observed on left side of neck, both
  forearms and left side of torso

2222 Bancroft Way – Tang Center – University Health Service

- Exterior of Tang Center – University Health Service
- Exterior of Legends Aquatic Center – 2214 Bancroft Way
- 40mm S&W white plastic foam baton shell casing, located on pavement at west outer
  side of courtyard
- 40mm S&W white plastic foam baton shell casing, located on pavement at bottom of
  steps to the immediate west of southwest corner of courtyard
- Tan/orange-colored cloth “Zuke’s” bag, containing miscellaneous items and
  miscellaneous food and beverages – located on top of a chair at the northwest corner of
  courtyard
- Black foam baton round, located on the ground inside the enclosed courtyard dining
  area, to the immediate west of concrete bench at eastern border
- Unzipped black duffel bag containing miscellaneous items, located on top of
  (easternmost end) of concrete bench at southern border
- General photos of enclosed outdoor dining courtyard area, bordered to the south and
  east by long concrete benches
- Concentration of suspected blood located on the pavement to the east of the enclosed
  courtyard dining area
- Brass-colored combination Master lock padlock with silver-colored shackle (with
  suspected blood on the shackle) located on pavement to the east of concrete (east)
  bench bordering courtyard dining area
- Black Ray-Ban sunglasses with suspected dried blood, located on pavement to the
  west of northern wooden bench – across from University Health Service staff entrance
- Two suspected human teeth, with attached pink suspected gums and flesh – located
  on pavement to the immediate west of northern wooden bench – across from University
  Health Service staff entrance
- Concentration of suspected blood with organic matter located on pavement to the south of northern wooden bench – across from University Health Service staff entrance
- 40mm S&W white plastic foam baton shell casing with suspected blood, located on pavement to the south of northern wooden bench – across from University Health Service staff entrance
- Miscellaneous items including: Plastic packaging, black suspected safety scissors and suspected paramedics’ first aid supplies, blue cloth bag, candy and beverages – located on top of northern wooden bench – across from University Health Service staff entrance
- Section of silver-colored chain link hardware “chain”, located on pavement at area of westernmost loop wave style bicycle rack, across from University Health Service staff entrance
- Black foam baton round, located on ground to the immediate southwest of a tree, across from University Health Service staff entrance
- 40mm S&W white plastic foam baton shell casing, resting on pavement beneath easternmost loop wave style bicycle rack, across from University Health Service staff entrance, in close proximity to the bottom of a downspout
- Silver-colored 9mm LUGER +P expended shell casing, located on breeze way pavement to the east of northern wooden bench, across from University Health Service staff entrance
- Black foam baton round, located on pavement next to an unknown dried substance, to the northeast of University Health Service staff entrance in front of double doors and inside a marked construction area (cordoned off with orange pylons and temporary orange fencing)
- Exterior of University Health Service staff entrance
- Silver and copper-colored suspected bullet jacket, located on pavement directly in front of University Health Service staff entrance
- Black foam baton round, located on pavement in front of combination recycling/compost/landfill bins – to the immediate west of the University Health Service staff entrance
- Evidence #1 through #19
- General scene photos
- Additional scene photos, following collection of evidence
- Scene photos following collection of numerical evidence placards

Crime Scene Unit Lab – Photos of Collected Evidence

- Preliminary photos of Evidence #3: Tan/orange reusable cloth “Zuke’s” bag containing miscellaneous items and emptied of the following perishable foods – (Front and back of following items): Bottle of Pepsi with blue/red/white label, bottle of salmon-colored/black/white/multi-colored Body Armor strawberry banana beverage, Fresh & Ready Foods Southwest Chicken Style Wrap, yellow/multi-colored peanut M&M’s, open black/multi-colored bag of Lay’s brand barbecue flavor potato chips
- All sides of Evidence #1: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #2: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- Front and back of Evidence #3: Tan/orange cloth reusable "Zuke's" bag with identifying "Bag Maker's" tag
- Remaining contents of Evidence #3/ "Zuke's" cloth bag, including: Both sides of a white towel with unknown stains, miscellaneous items including but not limited to: Camouflage and orange suspected ratcheting securement straps, bungee cords, yellow Reese brand suspected trailer hitch lock, plastic package of Everbilt brand yellow rope, unknown suspected electronics parts and unknown plastic and copper parts, clear zip-top bag containing silver-colored unknown hardware, section of white plastic chain-link "chain" and additional miscellaneous items
- All sides of Evidence #4: Black foam baton round
- All sides of Evidence #5: Unzipped black duffel bag with black/white striped webbing-style straps, containing miscellaneous contents and clothing
- Contents of Evidence #5/ Black duffel bag - including but not limited to the following: Miscellaneous plastic bags, somewhat folded clear/blue suspected Patient Belongings bag, folded white anti-slip socks inside a clear plastic baggie, miscellaneous clothing, folded grey blanket, camouflage ratcheting securement strap, Testament cassette tape, soft-cover book titled The Education of a Graphic Designer, miscellaneous packaged personal hygiene products and toiletries, two blue-wrapped Rough Rider studded condoms, suspected Target gift card, miscellaneous papers, two red PPCS/Utilities Electrician UE-12-1 padlocks with silver-colored shackles. Plastic bottles/containers of total body cleanser spray, mouthwash, body lotion, roll-on antiperspirant and petroleum jelly (photographed prior to and following their contents being emptied), miscellaneous papers including: "Shelter/Housing Options for Vincent Bryant", yellow Sutter Health/Alta Bates Summit Medical Center 5150 (72 hour) Involuntary Hold Assessment papers dated 12/28/2020 with an end time of 12/31/2020 and attached adhesive patient identification labels for Bryant, Vincent L. 12/15/1969 Sex M
- Front and back of white/blue Patient Belongings bag a white cloth/rag with unknown stains and a grey suspected sharpening stone – recovered from Evidence #5/ Black duffel bag
- Front and back of unzipped blue Columbia brand jacket, recovered from duffel bag
- Front and back of unzipped grey New Era size M "Ice Storm" hooded zip-front sweatshirt with unknown stain on right front pocket (photographed prior to drying) – recovered from duffel bag
- Both sides of Evidence #7: Brass-colored combination Master padlock with silver-colored shackles
- All sides of Evidence #8: Black Ray-Ban sunglasses (marked RB4165) with suspected dried blood observed on both lenses
- Both sides of Evidence #9: Two suspected human teeth, with attached pink suspected gums and flesh (photographed inside a pill box)
- All sides of Evidence #10: 40mm white plastic foam baton shell casing with copper-colored 38 S&W head stamp – with suspected dried blood
- Photos of evidence #12: Approximately 14-FT section of silver-colored chain-link hardware "chain", with yellow tape marked 12.25 observed on one of the links and white tape observed on another one of the links
- All sides of Evidence #13: black foam baton round
- All sides of Evidence #14: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #15: 4557 40mm white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #16: Silver-colored 9mm LUGER +P expended shell casing
- All sides of Evidence #17: Black foam baton round
- All sides of Evidence #18: Silver and copper-colored suspected bullet jacket
- All sides of Evidence #19: Black foam baton round

Note: Photos were taken with and without a scale

Evidence: The following evidence was collected using unused collecting and packaging equipment – gloves, paper products, sterile tweezers and evidence seal tape (Note: An Air Science Safekeeper Forensic Drying Cabinet was utilized to dry damp evidence)

Evidence Collected from in front of Tang Center – University Health Service – 2222 Bancroft Way

- Evidence #1: 40mm S&W white plastic foam baton shell casing, collected from pavement at west outer side of courtyard
- Evidence #2: 40mm S&W white plastic foam baton shell casing, collected from pavement at bottom of steps to the immediate west of southwest corner of courtyard
- Evidence #3: Tan/orange-colored cloth "Zuke's" bag, containing miscellaneous items – collected from chair at northwest corner of courtyard
- Evidence #4: Black foam baton round, collected from ground inside the enclosed courtyard dining area, to the immediate west of concrete bench at east side of courtyard dining area
- Evidence #5: Unzipped black duffel bag containing miscellaneous items, collected from east end of concrete bench at south side of courtyard dining area
- Evidence #6: Concentration of suspected blood, located on pavement to the east of enclosed courtyard dining area (Photographed only and not collected)
- Evidence #7: Brass-colored combination Master lock padlock with silver-colored shackle (with suspected blood observed on shackle) – collected from pavement to the east of concrete bench at east side of courtyard dining area
- Evidence #8: Black Ray-Ban sunglasses with suspected dried blood, collected from pavement to the west of (northern) wooden bench – across from University Health Service staff entrance
- Evidence #9: Two suspected human teeth, with attached pink suspected gums and flesh – collected from pavement to the immediate west of (northern) wooden bench – across from University Health Service staff entrance
- Evidence #10: Concentration of suspected blood located on pavement to the south of (northern) wooden bench, with a 40mm S&W white plastic foam baton shell casing resting on the pavement – directly across from University Health Service staff entrance (Concentration of suspected blood was photographed only and not collected)
- **Evidence #11**: Miscellaneous items including: Plastic packaging and suspected paramedics’ first aid supplies, blue cloth bag, miscellaneous candy and beverages – located on top of (northern) wooden bench – across from University Health Service staff entrance (Photographed only and not collected)
- **Evidence #12**: Section of silver-colored chain-link hardware “chain”, collected from pavement at area of westernmost loop wave style bicycle rack, across from University Health Service staff entrance
- **Evidence #13**: Black foam baton round, collected from ground located to the immediate southwest of a tree, across from University Health Service staff entrance
- **Evidence #14**: 40mm S&W white plastic foam baton shell casing, collected from pavement beneath easternmost loop wave style bicycle rack, across from University Health Service staff entrance
- **Evidence #15**: 40mm S&W white plastic foam baton shell casing, collected from ground near east end of (northern) wooden bench, across from University Health Service staff entrance
- **Evidence #16**: Silver-colored SPEER LUGER 9mm expended shell casing, collected from breeze way pavement to the east of (northern) wooden bench, across from University Health Service staff entrance
- **Evidence #17**: Black foam baton round, collected from pavement to the northeast of University Health Service staff entrance, in front of double doors and inside marked construction area
- **Evidence #18**: Silver and copper-colored suspected bullet jacket, collected from pavement in front of University Health Service staff entrance
- **Evidence #19**: Black foam baton round, collected from pavement in front of combination recycling/compost/landfill bins – to the immediate west of University Health Services staff entrance

*Note: An Auma Com brand KN95 particulate respirator was utilized during the collection of processing of evidence*

**Homicide Sergeant J. Wilson**

I reviewed Sergeant Wilson’s Homicide report in which she documented her investigative steps. Sergeant Wilson stated that upon being briefed on the officer involved shooting, she notified the Alameda County District Attorney’s Office Officer Involved Shooting Team. The shooting team indicated that they were not going to respond to the scene as the shooting was not fatal.

In the course of her investigation, Sergeant Wilson reviewed Officer Albrandt’s body worn camera footage. Sergeant Wilson conducted and interview with Officer Albrandt and her representative to determine if any crimes had occurred.

At the conclusion of her investigation, Sergeant Wilson wrote the following:

*Pursuant to Penal Code Section 835a(a), the authority to use physical force conferred on peace officers is a serious responsibility that shall be exercised judiciously and with...*
respect for human rights and dignity and for the sanctity of every human life. It is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer. The decision to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers. Further, the decision to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgements about using force.

A review of the facts of the incident support that Albrandt's actions were lawful. The facts support the following:

- Gibson attempted to detain Bryant for a reported robbery.
- Bryant resisted the detention.
- Bryant was armed with a 13-foot metal chain.
- Multiple officers attempted to negotiate with Bryant in an attempt to get him to drop the chain.
- Bryant repeatedly threatened to use the metal chain to assault officers over the course of approximately 13 minutes.
- Bryant refused to drop the chain despite being ordered multiple times to do so.
- Bryant advanced at Huynh and Grover with the chain in his hand.
- Albrandt believed Bryant intended to use the chain to assault Huynh and Grover.
- Albrandt believed Huynh and Grover were in imminent danger of suffering serious bodily injury or being killed by Bryant.
- Multiple less-lethal projectiles were fired at Bryant.
- Albrandt was designated lethal cover.
- Albrandt believed the less-lethal force was ineffective in stopping Bryant.
- Albrandt believed lethal force was necessary to defend Huynh and Grover from serious bodily injury or death.
CONFIDENTIAL

- Albrandt fired one round at Bryant, preventing him from further advancing on Huynh and Grover.

This investigation is closed and has been forwarded to the Office of the Chief for review. (See Sergeant Wilson’s report for details)

STATEMENT OF OFFICER ALBRANDT TO SERGEANT WILSON (TRANSCRIBED)

(Excerpt taken from Sergeant Wilson’s report)

Albrandt was in her car at the police department when she heard the beeper on the radio followed by a broadcast of a robbery at Walgreens. The robbery was via a long chain and the suspect was last seen east of Shattuck on Kittredge. Albrandt followed another police car to the Tang Center. She parked her car, got out and saw other officers at the courtyard.

A man was standing in the middle of the courtyard. Officer Moore was on the west of the courtyard with less-lethal and Officer Lomeli was Moore’s lethal cover. Albrandt saw Officer Grover with his less-lethal, but he did not have a lethal cover. Grover asked Albrandt to be his lethal cover.

They moved to the north side of the courtyard, where they had their eyes on the subject, who was still in the center. He was aggressive, yelling and had a chain in his hands. The chain was wrapped around his hand multiple times. As he stood there screaming, he whipped the chain onto the ground. Albrandt could tell the chain was metal from the sound it made when it hit the ground. She thought the chain could hurt someone. The subject yelled and also targeted certain officers by pointing at them and threatening them. Albrandt did not remember the threats verbatim, but did recall that when he focused on specific officers, she positioned her gun at the “ready position.” When the subject turned and faced the building, Albrandt lowered her gun to a “low ready” position. The second the subject turned his attention back towards the officers, she would “get back at ready [position].”

A negotiator was talking to the subject. Albrandt heard the officer, but did not know who it was. The negotiator was trying to “talk him down” and get him to calm down. Albrandt said, “It wasn’t working at all...if anything, I think it made it worse at times.” The negotiator tried talking to the subject for a while. Albrandt noticed Officer Melowitz was on her left, along with a UCPD officer. Melowitz had less-lethal and the UCPD officer had a Taser.

Sergeant “Van” [Huynh] approached Albrandt, tapped her on the shoulder and assigned her to a “contact team” to contact the subject. In addition to Albrandt, Sergeant Huyhn assigned Officers Grover, Melowitz and Navarro to the contact team. They went to the eastside walkway into the courtyard. A building provided cover, so the subject in the courtyard could not see them in the walkway. While in the walkway, they established a
plan. The goal was to detain the subject "with no one getting hurt." Huynh identified himself as less-lethal, along with Melowitz and Grover. He identified Albrandt and Navarro as lethal cover. Huynh said he would give commands for the subject to drop the chain.

Then, the contact team moved around the corner. Huynh stayed close to the building and Albrandt fanned out [away from the building] to get a better view of what was going on. Once Huynh came around the corner and started giving commands, the subject "just focused in" on Huynh and another officer standing next to him [she did not know which officer this was]. As Huynh gave commands, the subject yelled and screamed and approached the officers in the contact team "aggressively and pretty quickly." As the subject approached, he had the chain in his hand still. The subject approached quickly and Albrandt heard rounds being fired from the less-lethal. She thought all the less-lethal operators in the contact team fired yet the subject was still "coming fast" towards Huynh and the officer standing next to Huynh. Albrandt said, "He had the chain in his hand, and he was going to swing it. And I knew that if he finished swinging that chain, that Sergeant Van [Huynh] was going to be seriously hurt if not killed by that chain." Albrandt discharged her firearm at the subject and he fell to the ground.

(See Transcripts for complete statement)

OFFICER ALBRANDT'S PUBLIC SAFETY STATEMENT AS REPORTED BY SERGEANT KLEPPE:

(Excerpt taken from Sergeant Kleppe's report)

I then took Ofc. Albrandt to the side and had her turn off her BWC and I took custody of the BWC. I also asked her to give a public safety statement which was the following:

1. How many rounds did you fire?
2. In what direction did you fire them?
3. Are there any outstanding suspects?

Ofc. Albrandt responded by stating that she fired one round, she motioned that she had fired in a westerly direction, and that there were no outstanding suspects, pointing that Bryant (who was on the ground) was the only suspect.

I reviewed Officer Albrandt's body worn camera footage. Officer Albrandt's footage was fairly consistent with the statement that she provided to Sergeant Wilson.
SCENE:
Several days following the incident, Sergeant Rittenhouse and I conducted a walk through of 2222 Bancroft Way for orientation purposes. The location had already been cleaned and cleared of evidence. The courtyard of 2222 Bancroft Way was remarkably smaller than it appeared in officer’s body worn camera videos.

Training
I reviewed Officer Albrandt’s relative training logs relative to firearms and tactics. Officer Albrandt’s training is as follows:

- Alameda County Sherriff’s Office Basic Academy...Successful Completion 5/18/2020
- First Aid/CPD/ARD............................................Successful Completion 7/3/2020
- Field Training Program Firearms Qualification...... Successful Completion 10/03/20
- Firearms Perishable Skills Training.................. Successful Completion 11/19/2020

ANALYSIS:
The U.S. Supreme Court case of *Graham v. Connor, 490 U.S. 386 (1989)*, established “Objective Reasonableness” as the standard for all applications of force in the United States. Articulatable facts that officers must consider and upon which use of force applications are judges are as follows:

- The totality of the circumstances
- The perspective of a reasonable officer
- On the scene
- At the moment force was used.
- Without hindsight
- In circumstances that are tense, uncertain and rapidly evolving.

The court specified four specific factors, sometimes referred to as the *Graham* factors, which assist in determining reasonableness.

- The severity of the crime
- Whether the subject was an immediate threat to officers or others
- How the subject was actively resisting arrest (seizure)
- How the subject was attempting to evade arrest by flight
CALIFORNIA PENAL CODE 835a

835a.

(a) The Legislature finds and declares all of the following:

(1) That the authority to use physical force, conferred on peace officers by this section, is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. The Legislature further finds and declares that every person has a right to be free from excessive use of force by officers acting under color of law.

(2) As set forth below, it is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer.

(3) That the decision by a peace officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers, in order to ensure that officers use force consistent with law and agency policies.

(4) That the decision by a peace officer to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgments about using force.

(5) That individuals with physical, mental health, developmental, or intellectual disabilities are significantly more likely to experience greater levels of physical force during police interactions, as their disability may affect their ability to understand or comply with commands from peace officers. It is estimated that individuals with disabilities are involved in between one-third and one-half of all fatal encounters with law enforcement.

(b) Any peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use objectively reasonable force to effect the arrest, to prevent escape, or to overcome resistance.

(c) (1) Notwithstanding subdivision (b), a peace officer is justified in using deadly force upon another person only when the officer reasonably believes, based on the totality of the circumstances, that such force is necessary for either of the following reasons:
(A) To defend against an imminent threat of death or serious bodily injury to the officer or to another person.

(B) To apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended. Where feasible, a peace officer shall, prior to the use of force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts.

(2) A peace officer shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the peace officer or to another person.

(d) A peace officer who makes or attempts to make an arrest need not retreat or desist from their efforts by reason of the resistance or threatened resistance of the person being arrested. A peace officer shall not be deemed an aggressor or lose the right to self-defense by the use of objectively reasonable force in compliance with subdivisions (b) and (c) to effect the arrest or to prevent escape or to overcome resistance. For the purposes of this subdivision, “retreat” does not mean tactical repositioning or other de-escalation tactics.

(e) For purposes of this section, the following definitions shall apply:

(1) “Deadly force” means any use of force that creates a substantial risk of causing death or serious bodily injury, including, but not limited to, the discharge of a firearm.

(2) A threat of death or serious bodily injury is “imminent” when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the peace officer or another person. An imminent harm is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be instantly confronted and addressed.

(3) “Totality of the circumstances” means all facts known to the peace officer at the time, including the conduct of the officer and the subject leading up to the use of deadly force.
In February of 2021, the Berkeley Police Department implemented an updated use of force policy (Policy 300). This incident occurred January 2, 2021, which was prior to the implementation of Policy 300. As a result, the Officer Involved Shooting was reviewed via the optics of General Order U-2 which was Berkeley Police Department’s previous use of force policy which states:

GENERAL ORDER U-2-USE OF FORCE

2- Police officers may use reasonable force to (1) make an arrest, (2) prevent escape an escape of a suspect, (3) overcome resistance, or (4) maintain order.

3-In deciding what type of reasonable force to use, officers and employees must use sound judgment and their training to assess the degree of threat in a given situation, and to determine what departmentally authorized force techniques or weapons will bring the situation under control in a reasonable manner.

12 - Officers shall not discharge firearms or use other lethal force in connection with police duty, except in the following circumstances:

(a) When the officer reasonably believes that doing so is necessary to protect the officer or others from death or serious bodily injury, and, where feasible, some warning has been given.

(b) To apprehend a suspected fleeing felon:

(1) When necessary to prevent escape, and

(2) When the officer has probable cause to believe that the suspected fleeing felon poses a significant threat of death or serious bodily injury to the officer or others, and

(3) Where feasible, some warning has been given.

(c) During other police duty:

(1) In supervised Department training sessions at an approved range, or other site.

(2) To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured. If possible, supervisory approval should be obtained prior to using lethal force to destroy an animal.
31 - Any determination concerning the propriety of force used will be based on facts and the information available to the officer at the time the force was employed, and not upon information gained after the fact.

Bonaventure, Chris

01/03/2021 11:21
SUMMARY:
On 1/2/21 at approx. 2015 hours, SU – Vincent Bryant entered the Walgreens located at 2190 Shattuck Ave. Bryant entered the store with a brown canvas bag and was yelling about religion and reciting scripture. Bryant proceeded to select approx. $14 in food items in the store. Bryant presented the items at the register. Bryant was told the price of the items. Bryant put the merchandise in his brown canvas bag and proceeded towards the exit. An employee witness asked Bryant to pay for the items in the bag. Bryant removed a link chain described by witnesses as approx. 6' in length and thick from his brown canvas bag. Bryant told the employee witness he would break all the windows in the building. Multiple employee witnesses involved stated they were scared and terrified that Bryant may hurt them or someone else with the chain. Bryant was located at apprehended by BPD Officers at 2222 Bancroft Way.

INVESTIGATION:
On 1/2/21 at approx. 2022 hours, the Berkeley Police Department (BPD) received a call from VI – who is a Greeter at Walgreens located at 2190 Shattuck Ave. stated a male subject, later identified as SU – Vincent Bryant, entered the Walgreens and took items from the store while threatening with a 6 foot long chain. described the suspect as a black male, approx. 6'00" tall, approx. 195 pounds, wearing a grey sweatshirt and black pants. located Bryant was last seen walking east on Kittredge St. from Shattuck Ave.

Bryant was located at the north east corner of Fulton St. and Bancroft Way and apprehended by BPD officers (BPD Case# 2021-0000223).

I arrived at Walgreens and met with at the front door. Upon my arrival, I activated my Body Worn Camera (BWC). and I went to the employee break room where he provided the following statement in summary:

2015 hours, heard Bryant start saying something about religion and scripture. saw Bryant enter aisle 4 of the store and select a pita bread sandwich and a black bag of BBQ chips. returned to the front door of the store. could hear Bryant in the store continue to yell about religion and scripture. saw Bryant approach the register with more merchandise and placed it on the counter. While Bryant was at the register, an unknown male customer approached the register as well. The unknown male customer asked Bryant where he got a roll of tape he had in his possession. heard Bryant offer to buy the tape for the unknown male customer. The unknown male customer declined Bryant's offer. saw Bryant throw the tape at the unknown male customer. The unknown male customer put the tape on the counter saying he did not want it and exited the store. Bryant grabbed the merchandise he placed on the counter and put it in his brown canvas bag. heard WI – who is a cashier for Walgreen's, ask Bryant what he was doing. Bryant walked away from the register with the merchandise in his bag without saying anything to Bryant walked toward an exit door that was locked. saw Bryant reach into his brown canvas bag and pull out a large chain. described the chain as link style chain approx. 6'00" long. Bryant said to "I will break every damn window in this building." exited the store to get out of Bryant's way. stated he felt threatened by Bryant and the large chain. stated he was scared and did not want to get hit by the chain. Bryant exited the store and proceeded to walk south on Shattuck Ave. on the west sidewalk to Kittredge St. were he proceeded east on the north sidewalk.
While speaking with [redacted] he repeated he felt Bryant had “mental problems.” [redacted] stated Bryant only spoke about religion and kept repeating scripture.

I spoke with [redacted] in the breakroom who provided the following statement in summary:

[redacted] was working as a cashier at the front main register of the store. [redacted] saw Bryant enter the store. [redacted] heard Bryant “talking nonsense”, quoting scriptures and saying things that did not make sense. [redacted] stated Bryant selected food items and brought them to him at the register and placed them on the counter. [redacted] began scanning the merchandise Bryant placed on the counter. [redacted] heard Bryant offer to buy an unknown male customer a roll of tape. The unknown customer stated he did not want the tape and left the store. [redacted] saw Bryant proceed to put the merchandise into his brown canvas bag. [redacted] told Bryant the total for the items was approx. $14. Bryant did not pay for the items or say anything. Bryant walked away from the register and proceed towards the exit. [redacted] heard [redacted] tell Bryant to pay for the items. Bryant ignored [redacted] and continued towards the door. [redacted] stated the door Bryant walked towards was locked at the time. [redacted] saw Bryant pull out a chain from the brown canvas bag. [redacted] described the chain as approx. 2-3” long and was thick and chunky. [redacted] heard Bryant say he was going to break all the windows in the store. [redacted] saw Bryant then exit the store. [redacted] stated he was scared because Bryant had removed a “weapon” and may hurt people.

[redacted] described Bryant’s behavior as not acting normal and appeared to have a mental problem.

I spoke with [redacted] – [redacted] who is a store manager for Walgreen’s, who provided the following statement in summary:

[redacted] was working in the photo department when she heard Bryant yelling at the registers. [redacted] went to the front of the store and saw Bryant walking towards the exit. [redacted] saw Bryant remove a chain from his brown canvas bag. [redacted] described the chain as thick and long enough to hit and whip with it. [redacted] saw Bryant walk out of the store with the chain in his hand. [redacted] stated she was scared because Bryant was shouting and was worried Bryant might hit her with the chain.

I asked [redacted] about the security cameras in the store. [redacted] stated they would have captured the incident on video. [redacted] was unable to access video at the time I spoke with her. [redacted] stated the assistant store manager would be able to get the surveillance video first thing in the morning to provide it to BPD.

I provided [redacted] with my business card and case number for the incident.

DISPOSITION:

I respectfully request the District Attorney’s Office charge Bryant with 211PC.

Page 1 of 3
NARRATIVE

INVESTIGATION

On 1/2/21, approximately 2100 hours, I was notified that there had been an Officer involved shooting related to a robbery that had occurred earlier at Walgreens located at 2190 Shattuck Avenue. I immediately drove to the Berkeley PSB and met with Homicide Sergeant Wilson, Sergeant Grant, and Detective Smith.

I spoke with Officer Armistead who was conducting the initial investigation of the robbery. Officer Armistead briefly told me that the suspect, later identified as Vincent Bryant, had taken approximately $15 worth of food items (BBQ Chips, pita sandwich, and other unknown items) from Walgreens. When Bryant attempted to leave, he stopped at the locked front door and pulled out a large chain. An employee was standing nearby when he pulled out the chain and threatened to break all of the windows in the store. The employee feared that he would be hit by the chain, so he walked out of the store and called the police.

The subsequent arrest of Bryant was documented under case 21-223.

I drove to Walgreens in an attempt to obtain video, however, the store was closed.

Sergeant Wilson, Sergeant Grant, Detective Smith, and I all drove together to the shooting scene which was located at the court yard of the UC Berkeley TANG Center (2222 Bancroft Way). We met with Sergeant Speelman, who walked with us around the scene.

Of note, I saw a long metal chain lying on the ground, a pair of black sunglasses, a black duffel bag, and a canvass bag that had food items that included BBQ flavored chips, a chicken wrap, a bag of peanut M&M’s, a Pepsi, and a strawberry banana drink. ID Technician Bolla later recovered the canvass bag and took photos of the contents. Later, I took custody of the chips, chicken wrap, M&M’s, and both drinks. I emptied out all the liquids and perishable contents and kept the packaging.

On 1/3/21, approximately 1130 hours, I drove to Walgreens (2190 Shattuck Avenue) to conduct a follow-up investigation regarding this robbery. I met with assistant store manager, who assisted me with confirming that the items that were recovered from the canvass bag belonged to the store. Scanned the BBQ flavored chips, the chicken wrap box, the M&M’s, and both drinks for a total of $14.53 (Refer to receipt). I later booked the above items into the Berkeley Police Department’s property room.

then accessed the surveillance system and uploaded footage to a USB that captured the incident. I viewed the surveillance video footage and it appeared to match the current date and time.

On 1/3/21, I called and spoke with (Walgreens greeter) regarding his statement. Stated that he saw Bryant at the register and that Bryant put the items that were on the counter back into his bag. Heard the cashier tell Bryant that he needed to pay for the items. told Bryant that he needed to pay for the items and in response, Bryant pulled out the chain and stated he was going to break all the windows. walked out the front door because he was in fear of his safety (Refer to recording).

On 1/3/21, I called (Cashier) and spoke to him regarding his statement. Stated that he rang up all of the food items that Bryant put on the counter. After he rang up the items, Bryant threw a $1 bill on the counter and put all the items into his bag. Bryant walked away with the items as told him that he needed to finish his payment. Bryant ignored and walked to the closed front entrance door. Bryant then pulled out a chain and said something that could not understand. Bryant then walked out of the open front door. Remembered that the total price of all the items was approximately $14 (Refer to recording).
REPORT NARRATIVE

1. I reviewed the video footage and discovered the following:

   08:11:37 – Vincent Bryant walked into Walgreens. Bryant was carrying a brown canvass bag (later recovered at the arrest scene), black duffle bag over his shoulder (later observed at the scene), black shoes with white soles, dark pants/sweats, grey hoodie, black face mask with blue colored markings, tan fishing style hat, and black sunglasses.

   08:16:40 – Vincent Bryant walked over and stood in line at the register.

   08:19:00 – The cashier took the items that Bryant wanted to purchase and scanned them at the register.

   08:19:53 – Bryant appears to toss something on the counter (later determined to be a $1 bill).

   08:20:18 – Bryant begins to put the items back into his brown bag (At this point the cashier told Bryant that he still needed to pay for the items).

   08:21:01 – Bryant ignores the cashier, picks up the brown bag and walks toward the front door.

   08:21:08 – Bryant walks over to the front doors and stopped in front of the door on the left. The door was locked and there were baskets stacked in front of it. The greeter approached Bryant and pointed toward the cash register (same time frame that stated he told Bryant he needed to pay for the items).

   08:21:16 – Bryant reached down and pulled out a long metallic chain and began to shorten the length by making several loops. Bryant was then able to hold the chain in one hand without it dragging on the floor (This was the same time that Bryant stated he was going to break all of the windows).

   08:21:20 – opened the door, walked out in fear that he was going to be struck by the chain, and called police.

   08:21:45 – walked out the Walgreens with the chain in his hand.

2. I spoke with Officer Gibson and had him review video footage of Bryant at Walgreens. After reviewing the video, Officer Gibson confirmed that Bryant was the same person who he had attempted to detain after the robbery (Refer to Officer Gibson’s supplemental report).

3. I booked a copy of the video footage into the Berkeley Police Department’s property room (Refer to video footage)

   On 1/3/20, ID Tech Schwarck drove to Highland Hospital and recovered several items of clothing from Bryant. Of note, ID Tech Schwarck recovered distinctive black shoes with white soles that appeared to be the same shoes Bryant wore in the robbery, a tan fisherman style hat that appeared to be the same hat that Bryant wore in the robbery, a grey hoodie that appeared to be the same hoodie that Bryant wore during the robbery, and a black face mask with blue colored markings that appeared to be the same face mask that Bryant wore during the robbery.

   A records check of Bryant revealed that he was currently on parole for burglary. Bryant has a lengthy criminal history that included arrests for sexual battery, burglary, identity theft, grand theft, possession of stolen property, and obstruction.

   On 12/28/20, Bryant was the suspect in a case where he brandished a pole at the victim. The victim declined to press charges, and Bryant was subsequently placed on a 5150 WI (Refer to case 20-58727).

4. I respectfully request that Bryant is charged with 211 PC because he used a large chain to instill fear in the employee at Walgreens so he could make his escape with the stolen goods.
INVESTIGATION

After reviewing the body camera footage and reading the case supplemental reports, I believe that Bryant should also be charged with 69PC because of the following:

Officer Gibson was the first Officer to contact Bryant. When Officer Gibson exited his police vehicle to contact Bryant, Bryant immediately pulled a 13 foot long metal chain out from his bag and whipped it on the ground (Refer to Officer Gibson’s supplemental report).

Several other Officers arrived on scene and attempted to deescalate the situation by talking with Bryant. Bryant continuously refused to comply with Officers demands to drop the chain that he was holding. At one point, Bryant whipped the chain onto the ground and yelled, “C’mon.”

Bryant then stated the following:

“Hey, if you talk to me one more time, I am going to make you watch me kill your family.”

“My weapon of choice is a fucking gun, but God wants me to use this on your ass...” Bryant raised the chain in the air to signify his intent to use the chain as a weapon against the Officers. Bryant then stated, “I want to shoot you in the brains where your face blows off.”

Bryant then started to talk about God, Judgement Day, and government.

Several minutes later, Bryant stated:

“And the ones who don’t want it, prove it tonight, prove it tonight, if you don’t want to be a better person, prove it tonight, shoot me or if I take you down...”

Seconds later, the contact team moved in closer from the east side of the courtyard and told Bryant to drop the chain several times. Bryant did not comply and began to advance toward the Officers with the chain in his hand. Officers fired less lethal rounds, however, Bryant continued to advance toward Officers until he was struck by one bullet (Refer to supplemental reports).

Nothing further.

Gibson, Kristopher #27

**DATE TIME WRITTEN**
01/03/2021 19:35

**RECEIVED BY SUPERVISOR**
Speelman, Samantha
01/03/2021 08:13
On 1/2/2021, at approximately 2024 hours I performed an area check for the suspect of a robbery that had occurred just prior at Walgreens, located at 2190 Shattuck Ave. The suspect was described as a black male adult, 50s, 6'00", 195 lbs with a 6 ft chain, who had walked away eastbound on Kittredge St.

I drove southbound on Oxford St when I saw a subject matching that description walking eastbound in the UC parking lot, just west of Edwards field. For reference, that parking lot is approximately 0.2 miles (or a five minute walk, per Google maps) from 2190 Shattuck by way of eastbound Kittredge St.

I pulled into the parking lot from Bancroft Ave and observed that the man was a black male adult, 50s, approximately 200 lbs, wearing a gray hooded sweatshirt, black pants, and a distinctive bucket style, or fisherman's style, hat. The subject walked past my passenger side door. I did not see any chain, but I saw he was carrying a brown shopping bag in his right hand.

The suspect, who I later learned was Vincent Bryant, walked southbound from the lot, across Bancroft Way, in violation of CVC 21955.

I activated my forward facing red light and conducted a pedestrian stop on Bancroft Way, east of Fulton St, west of the courtyard of 2222 Bancroft Way. I exited my patrol vehicle and demanded Bryant stop. Bryant jumped over a short concrete barrier into the courtyard of 2222 Bancroft Way. I demanded he sit down. He ignored me.

Instead, Bryant reached into his brown bag and pulled out a long silver chain. He whipped it onto the concrete patio, creating a jarring crash. He yelled that he would take our heads off, and demanded that we shoot him. He began walking deeper South into the courtyard, shouting and smashing the chain against the concrete benches. I notified Dispatch that my stop was related to the robbery, that the subject had a chain, and to start units with less than lethal munitions.

I advised Officer Armistead to take a position on the north, and I took a position the southwest corner, effectively blocking Bryants exit from the courtyard.

Bryant appeared to be dilusional, and claimed that the chain was made of gold, and continued to smash it on the ground and benches.

I attempted to talk with Bryant, build rapport, and deescalate the situation. I provided him with my name and asked me his, but he replied, "Noise check!" and said, "if you talk to me one more time, I'm gonna make you watch me kill your family." He requested three minutes of silence, so I let him stand in silence.

Other units arrived on scene and the suspect was subsequently taken into custody. See case 2021-00000223 for further regarding the detention and subsequent arrest.

On 1/3/2021 Sgt Bonaventure showed me video surveillance taken at Walgreens of the robbery the night prior. In the video I observed a black male adult, approximately 200 lbs, wearing a gray sweatshirt, dark pants, fisherman style hat, carrying a brown bag and holding a long silver chain. I recognized the subject in the video surveillance as the same subject that was detained and arrested at 2222 Bancroft Way.

Nothing further.

**Case Supp, Officer:** COB\DArmistead, **Supervisor:** cob\kwkleppe, Merged By: COB\lnorman

**BERKELEY POLICE DEPARTMENT**

2100 Martin Luther King, Jr. Way, Berkeley, CA 94704

**Case #** 2021-00000223
On 1/2/21 at approx. 2022 hours, the Berkeley Police Department (BPD) received a call from RP - [redacted] who is a Greeter at Walgreens located at 2190 Shattuck Ave. [redacted] stated a male subject, later identified as SU - Vincent Bryant, entered the Walgreens and took items from the store while threatening [redacted] with a 6 foot long chain. [redacted] described the suspect as a black male, approx. 6'00" tall, approx. 195 pounds, wearing a grey sweatshirt and black pants. [redacted] stated Bryant was last seen walking east on Kittredge St. from Shattuck Ave.

I conducted an area check for Bryant on Kittredge St. between Shattuck Ave and Fulton St. As I exited Kittredge St. to turn south onto Fulton St. I saw Officer Gibson#27 at the north east corner of the intersection of Bancroft Way and Fulton St. I saw Officer Gibson drive passed Bryant who was wearing a grey sweatshirt and black pants matching the description provided by [redacted] Officer Gibson turned around as Bryant crossed Bancroft Way to the south sidewalk. Officer Gibson informed dispatch via radio he located Bryant.

Officer Gibson parked and exited his vehicle at 2222 Bancroft Way. I parked and exited my vehicle behind Officer Gibson on Bancroft Way. I saw Bryant had a large thick chain in his hands and was yelling. Due to Bryant having the large chain that could be used as a weapon which I believed could cause serious bodily harm, I removed my less than lethal device from my vehicle.

Officer Gibson and I tried to have Bryant put the chain down. Bryant continued to yell incomprehensibly and did not drop the chain.

Other BPD officers arrived on scene and closed off the area to prevent Bryant from leaving.

Officer Lomeli#95 and I stood on the south west corner of 2222 Bancroft. I activated my Body Worn Camera (BWC).

Officers continued to try and ask Bryant to drop the chain. Bryant continued to yell. Bryant repeatedly asked for Officers to shoot him in the back. I asked Bryant to talk with us multiple times and to drop the chain. Bryant said "If you talk to me one more time I am going to make you watch me kill your family."

Officers at the scene stopped talking with Bryant because he continued to threaten officers and was not responding.

Sgt. Speelman S-12 began attempting to negotiate with Bryant.

Officer Lomeli and I were instructed to move positions to north side of the courtyard to better contain the area. Sgt. Kleppe S-4 informed me they created a contact team to apprehend Bryant that will come from the east side of the courtyard.

Sgt. Kleppe stated everyone was in place to make contact with Bryant.

I heard the contact team approach Bryant from the east. I was unable to see the contact team due to a wall barrier between us. I heard an Officer in the contact team yell at Bryant to drop the chain two times. I saw Bryant look towards the contact team. Bryant proceeded to run towards the contact team. As Bryant ran towards the contact team, he began raising his right arm with the large chain in his right hand over his shoulder as if he was going to swing it over his head.

Bryant went out of my view behind the barrier where the contact team was located. I heard 3 loud bangs come from behind the barrier. I recognized 1 loud bang as being louder than the others.

I heard over the radio Bryant was injured and needed medical transport. Officer Lomeli and I then began moving patrol vehicles off the road way to provide a clear path for the Berkeley Fire Department (BFD) to begin treating Bryant for injuries. After moving vehicles I set up a perimeter with the crime scene tape.
Nothing Further.

SUPPLEMENTAL:

On 01/02/2021, at 2200 hours, I responded to the area of Bancroft Way/Fulton St where BPD officers were attempting to detain the suspect.

I arrived on scene and activated my body worn camera. The suspect was in an open courtyard located in front of 2222 Bancroft Way. I positioned myself in an alley way on the south/west corner of the courtyard. The suspect was walking back and forth mostly on a concrete island in the middle of the courtyard north/east of my location.

The suspect was wielding a metal linked chain. The suspect had the chain folded over and was approximately 3-4 feet in length. The suspect was waving it around and hitting the ground with it.

The suspect was irate, yelling screaming. The suspect was threatening the police and their families. He yelled out, “My weapon of choice is a gun,” “I’m going to shoot you in the brains with your face blows off.” The suspect said multiple times that he would kill police and make the police officer watch him while he killed their families.

Officer K. Gibson #27 and I were tasked to be the contact team to take the suspect into custody by hands. To the east of the suspect Officer with less lethal and lethal cover were positioned to make initial contact with the suspect.

We were positioned behind hard cover on the west side of the building. I heard Sgt. V. Huynh #S-26 yell at the suspect to “Drop the chain!” three times.

I heard multiple shots fired. I looked around the building and saw that the suspect dropped the chain and went down to the ground, face down with his hands and arms extended out on his sides.

Officer Gibson and I rushed over and placed him in handcuffs. I saw that the suspect had a gunshot wound on his face and was bleeding. We immediately rendered aid. Officer Gibson used a gauze cloth he found on the suspect to apply direct pressure on his wound while other officers went to retrieve a trauma kit.

At this point, the suspect appeared to be compliant. I was directed by Sgt. Speelman #S-12, to take the handcuffs off of the suspect. As soon as I went to unhandcuff the suspect, I felt him trying to stand up and push and pull. For officer safety reasons, the suspect remained handcuffed.

BFD arrived on scene and took over rendering aid. The suspect was placed on a gurney and then transported to the hospital by BFD.

I was then tasked to remain on scene and act as scene security.

Sgt. Marble #S-20 located a witness who was laying down on Bancroft Way on the north side of the street, north of our location with a sleeping bag, and his dog. The witness was homeless and was staying there to sleep for the night.

I spoke with Wi________________ did not know his cell phone number. He provided me with his parents’ phone number who knew his actual number if needed to get in touch with him.____________________ He also gave me with his email and an address for a drop in center where he receives mail, which I included in his profile.

In summary,________________ provided me with the following statement:

_________________ was sleeping on the ground, on the north side of Bancroft way which was directly across the street where this incident occurred. He was woken up by the suspect yelling about “Killing cops and killing cop’s kids.” The suspect was inside the courtyard in front of (2222 Bancroft Way). Soon after he was woken up, he saw two police vehicles arrive. He
saw the suspect screaming and yelling, and swinging a chain around.

The suspect had a metal linked chain approximately one arm's length. [Redacted] said he was annoyed by the amount of noise the suspect was making. [Redacted] also said it was "pretty stupid for him to try to take down 20 cops with a chain."

I asked [Redacted] if he remembered any specific statements he heard the suspect say.

[Redacted] said he was not very alert because he had just woken up. He could not remember specific statements but knew that the suspect was yelling and threatening the police officers.

[Redacted] said it got quiet and stopped paying attention. Soon after, he heard approximately three shots. [Redacted] did not see the suspect get shot but he did see that the suspect was standing up, then he heard shots, and the suspect was no longer standing up.

[Redacted]'s view was blocked by police vehicles and could not see the suspect when he was on the ground.

I remained on scene while the scene was being process by the CSO ID technicians and then later cleaned by Crime Scene Cleaners.

Nothing further.

**CASE REPORT SUPPLEMENTAL**

**Gibson, Kristopher #27**

01/03/2021 20:24

**SPEelman, Samantha**

01/03/2021 09:10
On 1/2/2021, at approximately 204 hours I performed an area check for the suspect of a robbery that had occurred just prior at Walgreens, located at 2190 Shattuck Ave (BPD 2021-00000221). The suspect was described as a black male adult, 50s, 6'00," 195 lbs with a 6 ft chain, who had walked away eastbound on Kittredge St.

I drove southbound on Oxford St when I saw a subject matching that description walk eastbound in the UC parking lot, just west of Edwards field. For reference, that parking lot is approximately 0.2 miles (or a five minute walk, per Google maps) from 2190 Shattuck by way of eastbound Kittredge St.

I pulled into the parking lot from Bancroft Ave and observed that the man was a black male adult, 50s, approximately 200 lbs, wearing a gray hooded sweatshirt, black pants, and a distinctive bucket style, hat. The subject walked past my passenger side door. I did not see any chain, but I saw he was carrying a brown shopping bag in his right hand.

The suspect, who I later learned was Vincent Bryant, walked southbound from the lot, across Bancroft Way, in violation of CVC 21955.

I activated my forward facing red light and conducted a pedestrian stop on Bancroft Way, east of Fulton St, west of the courtyard of 2222 Bancroft Way. I exited my patrol vehicle and demanded Bryant stop. Bryant jumped over a short concrete barrier into the courtyard of 2222 Bancroft Way. I demanded he sit down, but he ignored me.

Instead, Bryant reached into his brown bag and pulled out a long silver chain. He whipped it onto the concrete patio, creating a jarring crash. He yelled that he would take our heads off, and demanded that we shoot him. He began walking deeper south into the courtyard, shouting and smashing the chain against the concrete benches.

I notified Dispatch that my stop was related to the robbery, that the subject had a chain, and to start units with less than lethal munitions.

I advised Officer Armstead to take a position on the north, and I took a position the southwest corner, effectively blocking Bryant's exit from the courtyard.

Bryant said that the chain was made of gold, and continued to smash it on the ground and benches.

I attempted to talk with Bryant, build rapport, and deescalate the situation. I provided him with my name and asked me his. He replied, "noise check!" and said, "if you talk to me one more time, I'm gonna make you watch me kill your family." He requested three minutes of silence, so I let him stand in silence.

Sgt. Speelman arrived on scene and shortly thereafter began to engage in voice to voice contact with Bryant. Bryant appeared delusional and stated that he saw pictures in front of him, which we could not see, and that the names of the trees were called j-hook trees. He rambled excitedly and incomprehensibly about sensors and God. I was unable to follow his train of thought and the words seemed to pour from him like a delirious stream of consciousness.

Ofc. Ceja and I were assigned to be a part of the contact/arrest team by Sgt. Kleppe, who told us Sgt Huynh's team was going to approach to suspect from the East. Ofc. Ceja and I and took positions of cover behind a wall on the northwest corner of the courtyard.
Moments later I heard Sgt Huynh repeatedly order Bryant to drop the chain, then a succession of shots, which I thought to be less lethal munitions. I looked around the corner and saw that Bryant was on the ground. I rushed across the courtyard and pinned his left arm against the ground. Ofc. Ceja and I secured Bryant in handcuffs.

I performed a quick pat search for weapons. During the search I felt a long edged object, which I thought may be a knife, in the front pouch of his sweatshirt. I removed the item, which was a long nail file. We moved Bryant onto his left side, in a recovery position.

Ofc. Bally advised me he that Bryant had a wound on his chin. I observed that Bryant's chin and jaw were bleeding, and that he sounded as though he was having a difficult time breathing. I saw that Bryant had a long white bandage tied to his belt loop. I untied it, balled it into a wad, and used it as a pressure dressing for his chin and jaw.

Bryant attempted to sit up. I allowed him to rest his back against my knee. Bryant continued to try and stand, but for his safety, I held him in a seated position with my knee as a backrest.

I assisted Bryant onto the BFD gurney. As he was having difficulty breathing, he was placed in a recovery position on the gurney. BFD transported Bryant to Highland Hospital.

I stayed on scene with Ofc Ceja and Sgt Speelman, and provided scene security until Homicide Detectives and crime scene technicians completed their investigations and had collected all evidence. The scene was processed by CSO Cardoza and CSO Bolla. See their supplements for further.

Nothing further.

NARRATIVE

CASE SUPPLEMENTAL NARRATIVE TO ORIGINAL CASE:

On 1/2/21 I was working as a fully uniformed BPD patrol officer, driver a fully marked BPD patrol vehicle (#1764). At approximately 2220 hours BPD received a report of a robbery that just occurred at 2190 Shattuck Ave (Walgreens) and the suspect (black male in his 50s, 6'0, 195lbs, wearing a gray sweatshirt and black pants) was last seen walking eastbound on Kittridge St. BPD officers located a subject who matched the broadcasted description of the suspect (later identified as AR-Vincent Bryant, PFN: BLW203) in the courtyard of 2222 Bancroft Way holding a large metal chain. I arrived on scene to aid as a cover officer.

I activated my BWC as I arrived on scene.

In the courtyard, Bryant was holding a large chain and was hitting tables and other objects in the area with extreme force. Bryant was standing on an elevated ledge and was pacing around the courtyard. He was screaming unintelligible statements about religion and was acting erratically and aggressive. He screamed "shoot, shoot, shoot" when we began to speak to him. Bryant continued by stating, "I'm gonna take every single one of you out. Soon as you see those bullets don't effect me, I'm coming after your families, going to hell, and then I'm coming back". Bryant claimed his chain was made of solid gold, so I began to talk to him about the chain in an attempt to deescalate him, but instead he responded with "fuck you bitch". I relocated to the southwest side of the courtyard where Officer Gibson (#27) and Officer Ceja (#34) was. Officer Gibson attempted to speak to Bryant, and Bryant replied to Gibson's requests to put the chain down with "When you talk to me one more time, I'm gonna make you watch me kill your family". Bryant then stated, "My weapon of choice is a gun, but God made me use this on your ass" and "I want to shoot you in your brain so your face blows off". Sergeant Speelman (S-12) attempted verbal negotiations, but Bryant did not respond to the dialog. He seemed altered or having a mental health emergency. Bryant continued to scream unintelligible statements and described hallucinations that were not there.

I was assigned to be one of the officers that would physically detain Bryant. I was positioned on the southwest corner of the courtyard with the instructions to aid in the physical detention of Bryant when he no longer had the chain in his possession and it was safe to do so.

Officers on the southeast side of the courtyard took over voice contact with Bryant. I heard Sergeant Huynh (S-26) give verbal commands to put the chain down. After a few moments Bryant jumped down from the elevated ledge he was standing on and began to charge the officers on the southeast side while still holding the chain. Sgt. Huynh continued to yell "put the chain down" and Bryant continued to charge at the officers. I heard several loud bangs and saw Bryant fall to the ground, laying on his stomach. I ran to Bryant and helped the other BPD officers detain Bryant in handcuffs. When Bryant was in handcuffs and was rolled to his side to be searched, I noticed a large pool of blood where his head had just been. Bryant had a large wound to the right side of his head that was actively bleeding. I rendered immediate aid by applying pressure to the wound in an attempt to slow the bleeding. Bryant was conscious and responsive the entire time, but was unable to speak.

BFD arrived on scene within moments and placed Bryant into the ambulance. Since Bryant was in handcuffs, BFD requested an officer be present in the ambulance while they transported him to the hospital, so I volunteered. Bryant was transported to Highland Hospital. Bryant was conscious, but was unable to provide any statements during the ambulance ride. I noticed he was wearing a hospital bracelet that had his name, birthday, and was from an unknown hospital with "Adult Mental Health" printed on it. We arrived at Highland Hospital at approximately 2101 hours.
Case Number: 2021-00000223. ORI: CA0010300.

REPORT NARRATIVE

NARRATIVE

I conducted a records check of Bryant at the hospital and it revealed he was on parole for PC 459. The photo on his CRIMS' profile matched the subject I had just accompanied to the hospital.

I stayed with Bryant at Highland Hospital until I was relieved by Officer Peters (#148) at approximately 0530 hours.

Highland Hospital nursing staff advised me Bryant had suffered a GSW to his jaw, causing it to fracture. I informed Homicide detectives of the update.

I turned my BWC off when I was advised Bryant would be staying in the trauma room (#9) for the night. I no longer was going to have personal contact with him. I was not allowed in the trauma room, but was allowed to sit in the hallway and I maintained constant visual of Bryant through the glass doors of the room from the hallway.

I booked Bryant's hospital bracelet I used to identify him as evidence and place it in the property room lockers. I also took a photo of it and uploaded it to evidence.com.

No further information.

Kleppe, Kevin
01/03/2021 11:00
1 of 3
SUPPLEMENTAL REPORT

On January 2nd, 2021, I was assigned as a BPD patrol officer 7A12 and drove a marked BPD patrol vehicle 1824. At approximately 2022 hours, BPD dispatch broadcasted that a robbery had just occurred at Walgreens Pharmacy located at 2190 Shattuck Avenue. BPD dispatch also described the suspect as a black male approximately 6-00 feet tall and armed with a chain. The suspect was seen walking eastbound on Kittredge Street.

At the time of the call, I was parked at a nearby parking lot located at University Avenue and Bonita Avenue. Due to the nature of the call, I did not attach myself to the call via radio. I drove to the area because it was less than half a mile away. While I was circulating the area, Ofc. Gibson broadcasted that he had someone who matched the suspect description at Bancroft Way, east of Fulton Street. I arrived at that location shortly after and activated my body-worn camera after I exited the vehicle.

Once I exited my vehicle, I saw a male suspect standing in the middle of a courtyard on a raised concrete ledge yelling and shouting, "Shoot me in the back!" As I assessed the situation, I noticed that he had a long silver chain in his right arm. The suspect acted very erratically and, at one point, was continually slamming the chain on the ground in an aggressive manner. Sgt. Kleppe S-4 asked us to contain the courtyard, so I walked around to the courtyard's eastside. I stood on the east side of the courtyard with Ofc. Navarro #124 and I realized that we both had our department pistol drawn. Ofc. Navarro stood-by on the courtyard's eastside and I walked back to the front and asked for an officer armed with a less-lethal weapon to join us at our post on the east side. Ofc. Melowitz #94 joined us shortly after with his less-lethal weapon.

Sgt. Kleppe then requested an extra officer to the contact team. I shortly joined Sgt. Kleppe on the west side of the courtyard and stood by with the contact team. Sgt. Kleppe then asked if I was less lethal certified. I replied to his question by saying, "Yes, I am certified." He then handed me a single launcher, less-lethal rifle. Additionally, he also handed me two extra 40mm munition rounds. I placed one munition round in my dump pouch, and I held the second one in my hand.

I climbed up onto a ledge on the west side of the courtyard to have a better visual of the suspect. The distance between the suspect and I was approximately thirty-five feet. While I stood there, Sgt. Speelman was doing voice to voice communication with the suspect. The suspect continued rambling and was briskly pacing back and forth on the concrete ledge. Sgt. Speelman pleaded with the suspect several times to drop the chain, but he continued to act erratic and refused to drop the chain. The suspect continued pacing back and forth on the concrete ledge and acted like he was highly agitated. After several failed attempts, Sgt. Huynh stated that he would take a contact team to the east side of the courtyard and start a voice to voice command with the suspect. At this point, Sgt. Speelman stops communicating with the suspect.

Once Sgt. Huynh and his team were in place, they entered the courtyard, shouting, "Drop the chain, drop the chain!" I then heard two popping sounds coming from their direction. At this time, the suspect jumped off the ledge and started aggressively charging towards them. While he was charging towards them, I noticed that he still had the chain in his hand. At this point, I realized that the suspect was a threat towards my fellow officers. The fact that he was hit with several rounds of less-lethal munition, still being able to charge at officers with the chain still clenched in his hand. I feared for my fellow officers' safety, and I felt like their lives were being threatened. I aimed at his right upper rear thigh area and shot one round of 40mm less-lethal munition. The suspect immediately dropped to the ground after I shot my round of munition. Sgt. Huynh continued shouting commands to the suspect, and the contact team moved in shortly after, and the suspect was detained.
I jumped off the ledge that I stood on and walked over to the detention area to assist officers. While I was walking over, Sgt. Speelman broadcasted, “Shots fired, start Berkeley Fire Department for a possible head injury.” Up until this moment, I was not aware that the suspect was shot with a pistol.

Sgt. Kleppe spulled me away from the detention scene and collected my body-worn camera and launcher.

Nothing Further.

CASE # 2021-00000223

REPORT NARRATIVE

NARRATIVE

CASE SUPPLEMENTAL:

On 01/02/2021 around 2202 hours, I was dispatched to the report of a robbery, via chain that had occurred just prior at 2190 Shattuck Avenue (Walgreens), with the suspect last seen walking away east on Kittridge Street.

I responded to the area of Bancroft Street and Fulton Street after other officer's located a subject matching the description. I arrived to the area of the contact (Bancroft Street, east of Fulton Street) and upon approaching I saw the subject was in the middle of a courtyard type setting. The subject had in his right hand an approximately 4ft long metal chain (it looked "doubled up" to me), it appeared to have at least 1/2in thick chain links on it.

Officer's made multiple attempts to negotiate with the subject, during that time the subject was making statements that did not make sense. The subject was making verbal threats towards officers, and at one point swung the chain striking the ground.

I was positioned along the north west corner of the courtyard (for containment), and based on the fact the subject was making threats, made aggressive movements, and was armed with a metal chain that could cause serious injury, I drew my department issued firearm and pointed it towards the subject (I also held it at "low ready"). I was designated "lethal cover" for Officer Armistead #4 as he had a less than lethal munitions system.

The subject got on top of an approximately 1ft tall ledge and was pacing back and forth on it, while yelling. At one point he focuses on his shadow on the wall, and when the contact team approaches from the east, I heard multiple commands being given to "drop the chain", when he suddenly switched his focus from his shadow to the contact team and became "hyper focused" on them.

At this point the subject gets off the ledge, and begins to charge towards the contact team with the chain in his right hand, cocked back (in a position to swing it), as the subject continued to charge towards the contact team, I lose sight of him behind a wall. I then heard what sounded like two less than lethal rounds being deployed, and a single round from a handgun being fired.

I was no longer needed on scene, and was directed by Sgt. Kleppe #S-4 to sequester Officer Albrandt #51. I transported Officer Albrandt #51 to the Berkeley Police Station until relieved by other officers.

My body worn camera was activated during this incident. At one point I muted my camera away from the incident while moving vehicles, and ceased recording once no longer directly involved with the incident.

Nothing further.
SUPPLEMENTAL:

On 01/03/2021 at approximately 2024 hours officers responded to a call for service in regards to a robbery that had just occurred and Walgreens, 2190 Shattuck Ave.

Officers located a suspect, later identified as (AR) Vincent Bryant, matching the description at Tang Center, 2222 Bancroft Way.

When I arrived on scene I saw Bryant in the middle of the courtyard yelling obscenities and banging a large and dense chain against an approximately one foot tall concrete barrier that he was standing and pacing back and forth on.

I was directed to the east side of the courtyard to seal Bryant in the courtyard. When I activated my body worn camera Officer Gibson #27 was attempting to have a conversation with Bryant to try and deescalate the situation. Bryant responded with, "I'm not lying man, your family will be the first if you don't chill out."

At this point, Officer Legall #19 and Officer Melowitz #94 had returned to our post with less than lethal weapons as I had already drawn my department issued handgun and kept it at a low ready position.

Bryant continued rambling and making religious statements about his role. At this point another team of officers is setting up at the south west corner almost directly across from our post. Another UCPD officer arrives to assess and we are directed by our supervisor, Sgt. Klappe #S-4, to move north behind the building to avoid cross fire.

At this point Officer Armstrong was attempting to make verbal contact with Bryant as well. Bryant responded with, "Hey! If you talk to me more time I'll make you watch me kill your family."

Officer Legall and Officer Melowitz relocated to the west side of the courtyard and I remained on the east side, behind the building and out of direct sight of Bryant.

Bryant continued to yell and made another threat of, "I will make all you guys watch me hurt all your families, do it bitch, do it! My weapon of choice is a fucking gun but god wants me to use this on your ass." I was watching Bryant's shadow against the southern most wall of the courtyard as he raised up a large chain that was at least a half inch think on each link. It was approximately three to five feet long in length.

Bryant then stated, "I want to shoot you in the brain and your face blows off." Again, Bryant continued to ramble about god, lock down and other random topics.

Sgt. Speelman #S-12 begins verbal contact and tried to negotiate with Bryant and attempt to deescalate again. Bryant begins to talk about what he can see and how he is able to see in the dark. Bryant ask Sgt. Speelman to describe the picture at his feet and he will drop the chain. When Sgt. Speelman says she cannot see it and ask him to describe it to her he responds with all you guys are being wasted and talks again about how god can see the world.

Sgt. Speelman continues to have dialogue with Bryant but he cannot maintain a topic and begins to rant about god again. Bryant then begins to antagonize and starts yelling, "Come on, come on toy soldiers, over here!"
Sgt. Huynh arrives on scene and ask if I was the only one at the east post and I confirmed that I was. Soon after he returns with Officer Grover #67, Officer Melowitz, and Officer Albrant #51 and informs us we are going to be the contact team.

Officer Albrant and myself were designated lethal force options while Sgt. Huynh, Officer Grover, and Officer Melowitz were designated as less than lethal options. I paired myself up with Officer Melowitz as his lethal cover, Officer Grover and Officer Albrant were assigned as a pair and Sgt. Huynh was going to be the voice to voice contact making the commands for when we made contact with Bryant.

Before we made contact Bryant's behavior did not change, he was agitated, angry and yelling about random topics still. Any verbal conversations only seemed to agitated him even more.

Sgt. Huynh initiated the contact and made several clear verbal commands for Bryant to drop the chain. Bryant was not compliant and actually began moving toward the contact team with the chain still in his right hand. Officer Melowitz and myself moved over to the south side of the courtyard and Sgt. Huynh continued giving commands to drop the chain or be hit with less than lethal.

My initial background was additional officer's behind Bryant in the north west corner so I continued south to try and gain a better background.

Bryant was almost shuffling now with faster pace toward the contact team, in direct line of Sgt Huynh, Officer Grover, and Officer Albrant who were just north of where I was located now.

Bryant was hit multiple times with less than lethal rounds that were ineffective and did not slow down his pace. Bryant appeared to shield his body from the less than lethal rounds with his left arm and started to "wind up" his right arm to swing the chain overhead. Bryant moved approximately three to five feet and was almost within striking distance of Sgt. Huynh.

Officer Albrant fired a single round and Bryant spun around and fell to the floor on his stomach with his head facing west. Officers on the west side of the courtyard went hands on and detained Bryant in handcuffs. I noticed Bryant was bleeding from his jaw area and went to retrieve a trauma kit from a patrol vehicle parked on Bancroft Way.

As I returned and provided gauze to Officer Bally #73 BFD had just arrived and began taking over medical aid.

My body worn camera was active and recording for the duration of the call.

Nothing further at this time.
SUMMARY:
On 1/2/2021 at approximately 2023 hours, Ofc. Shivas and I were dispatched to a robbery that occurred just prior at 2190 Shattuck. Ofc. Shivas was driving and we responded to the area. An updated radio broadcast was placed by an Officer that they were attempting to contact the suspect with a chain at Bancroft and Fulton.

While making our way to the area, an updated radio broadcast advised enough Officers were on scene. Ofc. Shivas and I stood by at Ellsworth and Durant to keep traffic from going the wrong way on Ellsworth south of Durant. Sgt. Marble would later relocate our position to cut off traffic traveling westbound on Bancroft at Dana and redirect traffic southbound on Dana. My BWC was activated at first on the perimeter then at Bancroft and Dana I would deactivate my BWC based on having no contact with pedestrians on the perimeter.

NFI.
SUPPLEMENT:
On 01/02/2021, at approximately 2022 hours, I (Officer Maldonado badge #42) heard over the radio that BPD officers were being dispatched to Walgreens located at 2190 Shattuck Avenue for a report of a robbery. The caller reported that the suspect was armed with a "long chain" and had brandished it to the reporting party during the robbery. The following was the description: A Black male in his 50s, 6'0" tall, 195 pounds, wearing a grey sweatshirt and black pants. Furthermore, the dispatcher provided the following: that the suspect was on foot and last seen eastbound on Kittredge Street. At this time, I was in the area of Shattuck Avenue at Dwight Way.

At approximately 2026 hours, while responding to conduct an area check for the suspect, I heard over the radio that Officer Gibson located the suspect on Bancroft Way east of Fulton Street. Soon thereafter, it was broadcasted that the suspect was still armed with the chain and was walking around.

At approximately 2029 hours, I arrive on scene. The address was 2214 Bancroft Way (Legends Aquatic Center) located on the south side of Bancroft Way. There were several officers already there, and they were facing the courtyard. There were officers on the south sidewalk of Bancroft Way and other officers in the west side of the courtyard. I noticed that the suspect was in the courtyard and was standing on a raised cement bench. The suspect was towards the middle of the courtyard. The suspect was holding a metal chain with his right hand and had his back to the officers standing on Bancroft Way. The suspect was facing the building. I heard the suspect yelling but could not make out what he was saying.

I activated both spot lights and overhead white light from my patrol vehicle to illuminate the area where the suspect was standing. I also activated the spotlight of an additional patrol vehicle. This light made the suspect and the chain visible to me.

The suspect matched the description of the robbery suspect.
I contacted Officer Moore who was standing at the south sidewalk and was holding a less lethal launcher. I became his cover officer.

The suspect was displaying strange behavior. He was facing the wall and yelling. I heard him yell profanities, and he talked about police and the CIA. Throughout the incident, the suspect exhibited signs of mania and appeared to be having delusions.

Officer Moore and I positioned ourselves on the west side of the courtyard. There were several officers already there. Sgt. Speelman was attempting to speak with the suspect and asked him to sit down. The suspect was holding the chain at this point. The suspect said, "Only if you see what I see right now" "Oh my god! Your eye sight was taken from you from Sam, mine wasn't!" The suspect paced back and forth. Sgt. Speelman continued attempting to negotiate with the suspect. When Sgt. Speelman asked him to put the chain down the suspect said, "Come and get me, I'm right here." The suspect yelled out, "C'mon I'm right here technology" "C'mon toy soldiers, over here! over here!" The suspect was not making eye contact with Sgt. Speelman, had his back to officers, and was facing the wall in a
NARRATIVE

southbound direction.

The chain was made up of metal links. The suspect had folded the chain once so I could not estimate the length of it. As he moved it around, I could tell that it carried some weight and could be used as a weapon to cause injury.

Sgt. Huynh and Sgt. Kleppe developed a plan to contact the suspect from the east.

I stood at the northwest corner of the courtyard at this point. I saw that the suspect continued to face southbound towards the building wall without making eye contact with any officer. The suspect was standing still, yelling, and still holding the chain. The suspect then began to pace back and forth with the chain around the back of his neck. The suspect continued to yell out many things that did not make sense. He said that he was COVID 19 and that he was obedient. At one point he said, "and the ones that don't want it tonight prove it tonight, prove it tonight...[unintelligible]" as he brought the chain down from his neck and held it with his right hand. He was facing the officers located on the west side of the courtyard at this point. It appeared that he was challenging them. He added, "shoot me or try to take me...[unintelligible]" The suspect pointed at most officers after saying this. I was only able to understand portions of what he was yelling.

I then heard Sgt. Huynh and another officer yell out clearly "drop the chain!" "drop the chain!" "Here's your warning Drop the chain!" The suspect turned his body eastbound to face Sgt. Huynh and his contact team. The suspect stepped off the cement bench, still holding the chain with his right hand. The suspect headed to Sgt. Huynh's position. The suspect did not drop the chain as he was ordered to do so and instead headed towards the group of officers with chain in hand. The suspect's walk towards the officers was a much faster pace than the walk that he displayed throughout the incident while standing on the cement bench. I did not hear the suspect say anything as headed towards the group.

Sgt. Huynh and his contact team were behind a small building located on the northeast corner of the courtyard and out of my view. I could only hear them from where I was standing. The suspect went out of my view as he walked towards the contact team. Upon going out of my view, I heard the distinct sound of less lethal launchers being deployed. A second later, I heard the distinct sound of a firearm being discharged one time.

I went to assist officers with the suspect. I noted that the suspect was bleeding from the mouth.

The fire department arrived to treat the suspect's injuries and the suspect was transported to Highland.

I was wearing my body worn camera during this investigation.

This concluded my portion of this investigation.

Nothing further.
Supplemental Narrative:
On 1/2/20 I was working as a fully uniformed BPD patrol supervisor and driving a fully marked BPD patrol SUV (H1812). At approximately 2022 hours I responded to a report of a PC 211 via chain from 2190 Shattuck Ave. As I was enroute to the call I heard over the radio that an officer was attempting to contact a subject likely related to the robbery. The officer then asked for "less lethal" to be enroute. I arrived on scene at 2222 Bancroft Way as officers were attempting voice contact with the subject. When I arrived on scene I activated my BWC and deployed the Penn Arms 40mm single launcher from the trunk of my vehicle. I approached the scene and observed that there was a male (later identified as Bryant, Vincent) in the courtyard of 2222 Bancroft Way and that he was loudly screaming.

The officers on scene were giving the male repeated commands for him to drop the chain, and as they said that I observed that the subject had a chain in his hand, approximately 6 feet long. The chain in his hand was made of a thick metal link and appeared to be quite substantial. Ofc. Armistead was attempting to start a dialogue with Bryant, asking for him to "just talk to us". Bryant responded by telling us to "shoot" him and stated (while holding the chain in his hand) that he was going to "overhand everybody". He continued by saying "let's roll, let's fucking roll" and began slamming the chain down into the ground in a whipping motion. Whenever any officer would attempt to start a dialogue with them he would yell "shut up" or "shut up bitch" at them. Bryant also stated "I'm gonna shoot you" to the officers on scene. BFD had already been directed to stage, and staged on Bancroft Way just west of 2222 Bancroft.

I moved to the southwest corner of the courtyard while Ofc. Gibson attempted to again start a dialogue with Bryant. Bryant responded to Ofc. Gibson's attempt at conversation by stating "If you talk to me one more time, I'm gonna make you watch while I kill your family". Bryant continued by stating that he would make "all of you guys watch while I hurt your families" and that "my weapon of choice is a gun and God wants me to use this on your fucking ass". Based on Bryant's repeated statements about assaulting officers, his erratic behavior (include the robbery that he likely had just committed) it was readily apparent that Bryant was very violent and confrontational. Bryant also continued to pace with the large chain while holding it in his hand and swinging it around.

Sgt. Speelman then attempted to speak with Bryant and she was unable to begin any dialogue with him as he would rant and rave and would not begin any semblance of dialogue with BPD officers. At one point Bryant asked for 3 minutes of no talking and we stopped interacting with him. However, Bryant immediately began ranting and raving, talking about things that were not present (a picture on the wall in front of him).

I spoke with Sgt. Huynh who had arrived on scene and we began moving our personnel to safely take Bryant into custody. I stayed on the west side of the courtyard and gave my Penn Arms single 40mm launcher to Ofc. Legall along with 2 extra rounds of CTS 4557 Foam Baton ammunition. I moved the team on the west side further north to minimize any crossfire.

Sgt. Huynh and several other officers set up a contact team on the east side of the courtyard. They challenged Bryant and I heard them repeatedly give concise commands to "drop the chain". From my vantage point I could only see the very top of Bryant and saw him turn and immediately move quickly towards the contact team on the east side of the courtyard. I heard several 40mm launchers fire and then a single loud report, which sounded like a gunshot. I heard the contact team continue to give commands and I moved up onto the courtyard. I saw Bryant on the ground and officers beginning to handcuff him. I saw the officers from the east contact team standing next to Bryant and I asked if anyone had fired. Ofc. Albrandt raised her hand and stated that she had. I saw that
Bryant was on the ground and bleeding from the face. I got on the radio and advised that there were "shots fired", that the suspect was down and that we need BFD to respond. Ofcs Moore and Legall also advised me that they had fired their 40mm less lethal weapons. I directed them to sequester themselves from each other (and other officers) on the south side of the courtyard.

I then took Ofc. Albrandt to the side and had her turn off her BWC and I took custody of the BWC. I also asked her to give a public safety statement which was the following:

1. How many rounds did you fire?
2. In what direction did you fire them?
3. Are there any outstanding suspects?

Ofc. Albrandt responded by stating that she fired one round, she motioned that she had fired in a westerly direction, and that there were no outstanding suspects, pointing that Bryant (who was on the ground) was the only suspect.

I then took Ofc. Albrandt to a vacant patrol vehicle and ordered Ofc. Lomeli to stay with her and eventually transport her to the PSB.

I had Ofcs. Moore and Legall then leave all of their spent casings, spent rounds, and extra rounds on scene to be documented. I had them retain possession of their 40mm launchers and sit in their cars separately.

I then returned to the PSB and at the direction of Sgt. Wilson #S-3 (Homicide Sgt and OIS Investigator) I took custody of Ofc. Albrandt's duty belt (which included her firearm) and her 2 spare pistol magazines from her external vest carrier while she was sequestered in the CSB office. I gave custody of these items to Sgt. Wilson and Crime Scene Supervisor Cardoza #CS-1.

I removed a Glock 17 from the BPD Officer Involved Shooting Locker (SER# BMER358) along with a spare duty belt and issued it to Ofc. Albrandt after removing her duty belt and firearm.

I was later directed to collect the BWCs from Sgt. Huynh, Ofc. Moore, Ofc. Legall, Ofc. Melowitz, and Ofc. Grover. I then relinquished custody of those items to Sgt. Wilson.

I was also directed to take custody of the (5) Penn Arms 40mm single launchers from all of the above listed officers, who fired their less lethal weapons. I kept custody of the launchers as they were photographed and documented by Crime Scene Supervisor Cardoza. I then returned the launchers back to the officers who had fired them.

I was also tasked with writing the Use of Force Report. Please see that report for further details.
SUPPLEMENTAL NARRATIVE:
On 01/02/21 at approximately 2023 hours, I was working uniformed patrol as unit 7A16. At the time, I was wearing my full Berkeley Police uniform and driving a marked BPD patrol vehicle (1832). At the beginning of my shift, I also elected to check out a single shot, 40mm less-than-lethal launcher from the locker. The less-than-lethal launcher that I checked out was in a case labeled with “#2”.

At approximately 2023 hours, I responded as a cover unit to the area of 2190 Shattuck Ave (Walgreens) regarding a report of a robbery that had occurred just prior. Berkeley Dispatch advised that the robbery occurred via a chain. Berkeley Dispatch described the suspect as a black male adult, in his 50’s, approximately 6’0 tall, 195 pounds, wearing a gray sweatshirt and black pants. The last known direction of travel for the suspect was eastbound on Kittredge St. I subsequently began an area check for the suspect.

While on my area check, I heard an officer broadcast that he located a subject on Bancroft Way just east of Fulton St. The officer advised the subject matched the robbery suspect’s description and was armed with a chain. I immediately responded to the scene and deployed my 40mm less-than-lethal launcher. The launcher was a single shot style and was loaded with one foam baton round.

As I approached the scene, on foot, I observed the suspect inside of a partially gated courtyard area of 2222 Bancroft Way. I noticed that the suspect was holding a long, metal chain in his right hand. The chain appeared to be approximately four feet in length and consisted of thick chain links. I approached the gate along the north side of the courtyard and pointed my less-than-lethal launcher at the suspect. During this time, the suspect was extremely agitated and yelling incoherently. The suspect made threats to kill officers and their families. The suspect also made a statement similar to “my weapon of choice is a gun.” He also was swinging the chain erratically and hitting the ground with the chain.

A short while later, I repositioned to the west side of the courtyard area, still outside of the gate. At this time, I was standing beside Sergeant Speelman #5-12, who was attempting to negotiate with the suspect. Several requests and commands to put the chain down were directed toward the suspect. The suspect ignored the commands and refused to relinquish the chain. Noticing that the commands were unsuccessful, Sergeant Speelman adjusted his tactics and began to attempt a conversational dialogue with the suspect. During the dialogue, the suspect stated that there was a photo on the ground in front of him and he asked Sergeant Speelman if he could describe the photo. When she said she was unable to see the photo and asked the suspect to describe it, he stated that it was a picture of the entire scene with God looking down. The suspect then said that the picture was right above our heads and that it was dropping plastic toys. The suspect then proceeded to say that women were okay but condemned men for being cowards. He also said that he was not a ruthless person. Sergeant Speelman continued to attempt to reason with the suspect by agreeing that he was not a ruthless person and that women were okay. Sergeant Speelman again asked the suspect to sit down and drop the chain. The suspect responded and said “come and get me, I’m right here.” Sergeant Speelman reiterated that we did not want to do that. Throughout the dialogue, Sergeant Speelman continued to ask the suspect, “Would you do me a favor and put the chain down?” However the suspect never complied. It should be noted that throughout the dialogue, Sergeant Speelman spoke in a soft, low, calm spoken voice and never appeared frustrated or raised her voice at the suspect.

An order for the contact team was given to move in and attempt to take over contact with the suspect. The contact team entered from the east side of the courtyard area. I heard Sergeant Huynh #5-26 issue three commands to the suspect saying, “Drop the chain.” On the third command, the Sergeant Huynh also said, “Drop the chain or you are going to get hit with less lethal.” After that command, the suspect turned toward the contact team and began to walk toward the officers with the chain in his hand. I observed officers on the contact team fire less-than-lethal munitions which struck the suspect but appeared to be ineffective. The suspect continued to advance toward the contact team armed with the chain and swinging it in his hand.
At this point, I feared that the suspect was going to attack and strike the officers on the command team with the chain in his hand for the following reasons:

- The suspect was wanted for a violent felony
- The suspect had made several threats to harm or kill officers
- The suspect was extremely agitated and wanted officers to "come and get him"
- The suspect ignored all commands to drop the chain in his hand
- The suspect advanced toward officers while armed with the chain and swinging it in his hand
- The suspect appeared to approach a proximity where he successfully hit the officers with the chain.

Based on the above reasons, I believed that the suspect presented a threat of great bodily injury or death to the officers on the contact team. I subsequently fired one 40mm foam baton round at the suspect's center-line back area.

After firing the less-than-lethal munition, I saw the suspect fall to the ground. I immediately reloaded the launcher and entered the courtyard area to provide additional close cover for the contact/arrest team. I stood by as the contact/arrest team placed the suspect into handcuffs. While the suspect was being handcuffed, I noticed that he was bleeding from the face/head area. I immediately believed that the suspect was shot in the head/face with a less-than-lethal round. I did not know that a live round was fired until I heard a sergeant on scene broadcast that shots were fired.

After the suspect was secured, I was ordered to return to the station and sequester in my vehicle. At the station, Sergeant Kleppe #5-4, took my body worn camera and my less-than-lethal launcher. A short while later, Sergeant Kleppe returned my less-than-lethal launcher.

This incident was captured on BWC and the video was later uploaded into Evidence.com.

Nothing further.
SUPPLEMENTAL NARRATIVE:

On 1/2/21 I was working as Berkeley Police Department patrol unit 7a8. I was wearing full Berkeley Police Department uniform and was driving a fully marked Berkeley Police Department patrol vehicle (#1820).

At approximately 2022 HRS I responded to the area of 2190 Shattuck Ave for a report of a robbery that had just occurred. BPD dispatch advised that the suspect had been armed with a large chain and was last seen on foot eastbound on Kittredge St.

BPD dispatch provided an additional description of the suspect as being a black male adult in his late 50s, 6'00", 195 lbs and wearing a grey sweatshirt and black pants.

I drove my patrol vehicle eastbound on Durant Ave towards Fulton St as I believed that the suspect may be located in the area.

I also responded as a less lethal unit as my patrol vehicle was equipped with a 40mm single less lethal launcher.

I heard Ofc. Gibson broadcast that he had located a suspect matching the description of the robbery suspect on Bancroft Way just east Fulton Ave. I then heard Ofc. Gibson ask for units with less lethal launchers.

I was already approximately one block away from the area and responded immediately.

I drove eastbound on Bancroft Way from Fulton St. I observed that Ofc. Gibson appeared to be near the outdoor area of 2222 Bancroft Way. I parked my patrol vehicle on the south sidewalk of Bancroft Way just west of 2222 Bancroft Way.

While I parked I grabbed my 40mm less lethal launcher from where I store it in the center gun rack in the cab of my patrol vehicle. I touched the button on the front of my WBC to activate it while exiting my patrol vehicle and putting the less lethal launcher strap across my chest. I also put two extra foam 40mm baton round in my left utility pants pocket.

Ofc. Gibson and Ofc. Armistead where already on scene.

I observed the suspect, who matched the description provided by BPD dispatch of the robbery suspect standing in a courtyard area surrounded by large hedges (officers including myself were standing on the outside of the hedges).

The suspect was holding a large metal chain in his hand. The chain appeared to be bundled up partially in the suspect’s hand, but there appeared to be approximately 4 feet of chain hanging to the ground.

I advised BPD dispatch to stage the Berkeley Fire Department in the event that less than lethal rounds were deployed.

The suspect’s demeanor was erratic and agitated. The suspect was pacing around yelling while standing on a bench in the courtyard area.

Several officers gave verbal commands for the suspect to drop the chain, the suspect ignored the commands and appeared to be more agitated by officers giving commands.

I positioned myself initially on the west side of the court yard, there was a large hedge in front of me, creating a barrier between me (and other officers) and the suspect. Because the suspect was holding the large chain that I believed could be used as a dangerous weapon, I pointed my less lethal launcher in his direction. I was fearful that at any time the suspect could decide to charge through the hedge at me or other officers. I did not engage the suspect because I believed that since he was segregated in the courtyard area, there was time to get additional resources and officers to the scene.

Sgt. Kleppe arrived on scene and took over as scene commander.

I was detailed by Sgt. Kleppe to take a position on the north side of the courtyard along with Ofc. Albrandt (who was my
I heard other officers attempt to negotiate verbally with the suspect. The negotiations did not have any effect.

I was detailed by Sgt. Huynh to be a part of a contact team that would attempt contact with the suspect from a pathway on the east side of the courtyard.

Our contact team staged on the east side of the courtyard behind a small shed.

I was designated by Sgt. Huynh to be a less lethal munitions operator as I was armed with a 40 mm single less than lethal launcher.

Sgt. Huynh advised me that he would be designated with giving the suspect verbal commands.

Prior to contacting the suspect, I opened my 40mm less lethal launcher and verified that the launcher had a foam baton round chambered. I closed the launcher and de-activated the safety.

Our team then bent to corner of the small shed and contacted the suspect, who was standing on top of a raised bench in the court yard just west of our contact team.

I heard Sgt. Huynh give several clear verbal commands for the suspect to drop the chain. The suspect did not drop the chain and immediately began to charge at us.

Sgt. Huynh was standing in front of me, off set to the left of me. The suspect continued to charge at us. I could see that the suspect was still holding the large chain in his hand.

As the suspect was non-compliant with verbal commands and was charging towards Sgt. Huynh and myself with a dangerous weapon, I was scared that the suspect would hit Sgt. Huynh or myself with the chain and seriously injure or kill one of us. I shot the suspect with one round of a 40mm form baton found in his left side shoulder or upper arm area. The shot had no effect and the suspect continued to charge at us and close the distance, still holding the chain.

I saw Sgt. Huynh begin to move back towards me and crouch down as the suspect was close enough to strike him with chain the suspect was holding.

As my less 40mm less lethal launcher only fires a single round, I immediately tried to load another round. I could see the suspect still changing at us and turned my body to the left while trying to load my less lethal launcher. I was terrified that the suspect was still charging and was going to hit me with the large chain and kill or seriously injure me.

I was terrified that the suspect was still charging and was going to hit me with the large chain

I then felt an impact on my left upper thigh, but was unsure of what hit me.

As I turned around to shield myself from any potential blows from the suspect's chain and while still trying to load my less lethal launcher, I heard a loud bang sound to my left that I initially perceived to be a less lethal launcher. When I turned back and looked straight ahead, I saw the suspect lying face down on the ground. I finished loading my less than lethal launcher, and walked next to Sgt. Huynh and stood by while officers from the contact team on the west side handcuffed the suspect.

I continued to feel a slight pain on my left upper thigh area.

I was then informed that the suspect had been shot with a lethal round.

I was told by Sgt. Huynh to stand away from the suspect to the east of the courtyard. I looked down at my BWC and
realized that my BWC had not activated when I had attempted to activate it when I first got out of the vehicle. I immediately activated my BWC.

I advised Sgt. Spellman I had been hit by something on my left thigh (what I assumed at the time to be a less lethal round).

I was instructed by Sgt. Spellman to go back to the BPD station and to sit in my patrol vehicle.

I later observed my injury and saw that I had a large bruise on my upper left thigh that appeared to be consistent with an impact from a 40mm foam baton round. Sgt. Kleppe later took photos of the injury.

Sgt. Kleppe later took my BWC and my 40mm single less than lethal launcher.

Nothing further.
CASE NARRATIVE:

On 1/2/21, at approximately 2035 hours, I responded to the area of Fulton and Bancroft, regarding a robbery suspect wielding a chain, who had been contacted by BPD officers. A radio broadcast advised enough officers were on scene.

I took a traffic post in my BPD patrol vehicle #1822, at the intersection of Durant/Ellsworth to block pedestrian and vehicle traffic from accessing Bancroft Way while BPD officers attempted to detain the suspect.

I was directed to leave my post at approximately 0200 hours.

My BWB was not activated during this timeframe as I had no contact with the suspect.

Nothing further.
On 1/2/21 at approximately 2024 hours, I responded to a report of a robbery via chain that occurred at 2190 Shattuck Avenue. Dispatch described the suspect as a black male, late 50s, 6’1, 195 lbs, wearing a gray sweatshirt/black pants, and wielding a 6ft long chain.

An officer broadcasted that the suspect was on Bancroft Way, east of Fulton. I arrived at the location at approximately 2027 hours and armed myself with a 40 mm less lethal round launcher. I loaded one foam baton round and held two additional rounds in my left hand. I activated my body worn camera.

I saw the suspect inside the courtyard of the Tang Center (2222 Bancroft Way). I stood at the edge of the courtyard with multiple officers to establish a perimeter.

The suspect was acting erratically with a large chain in his hands. The suspect screamed nonsensically and was mostly incoherent. He briskly paced back and forth inside the courtyard and swung the chain like a whip multiple times.

I heard the suspect state the following:

“T’m going to overhand everybody [holds out chain]...this is solid gold. This is a solid gold chain.”

When told to drop the chain, the suspect said “Shoot me!”

“I’m going to shoot you!”

“Go ahead and shoot me, bitch.”

Attempts to build rapport and negotiate with the suspect were unsuccessful.

I was tasked by Sgt. Huynh to join him to the eastern alley entrance to the courtyard. Sgt. Huynh assigned myself, himself, and Ofc. Grover #67 as less lethal operators for an arrest team. Ofc. Albrandt was primary lethal cover for Ofc. Grover and Sgt. Huynh. Ofc. Navarro was primary lethal cover for me.

Sgt. Huynh said we would get into position, he would provide commands, and if the suspect didn’t comply, we would deploy less lethal munitions. Sgt. Huynh said to move in.

Sgt. Huynh, Ofc. Grover, and Ofc. Albrandt hugged the wall to the north of me. I fanned a few feet south of them to create distance and prevent crossfire.

Sgt. Huynh commanded the suspect to drop the chain.

The suspect continued to hold the large chain in his hand. The suspect failed to comply with commands and purposefully walked straight towards Sgt. Huynh, Officer Grover, and Officer Albrandt. The suspect closed the distance to approximately 10 feet.

At that moment, I felt the suspect represented an immediate and imminent threat to cause serious bodily harm to
NARRATIVE

Sgt. Huynh, Ofc. Grover, and Ofc. Albrandt due to the following reasons:

The suspect’s close and rapidly enclosing proximity to multiple officers.

The suspect’s want for a violent felony.

The suspect’s agitated state.

The suspect’s threats of violent action.

The suspect was wielding, and actively used, a serious deadly weapon.

Due to the immediacy of the situation and potential for death and/or great bodily injury to multiple officers, I fired my less lethal launcher. It was not feasible in the time frame to shout that I was firing less lethal. I aimed towards the suspect’s left thigh. There was no one in the backdrop of my line of fire.

I did not see the impact of the projectile. I ejected the chamber of the launcher and loaded a new round. As I was doing so, I dropped one of the two live 40mm rounds in my left hand.

The suspect was on the ground and detained by multiple officers. Sgt. Kleppe #S-4 said over the air that a shot was fired. I was unaware of a shot being fired until then. I approached the suspect and saw that blood was pooling near his head.

I retrieved the live round that I had dropped at the scene.

I was told by Sgt. Speelman #S-12 to head back to the station and to wait for further instruction.

At the station, Sgt. Kleppe S-4 retrieved my body worn camera. Sgt. Kleppe took custody of the 40 mm less lethal launcher that I used and later returned it.

Nothing further.
On 01/02/2021 at approximately 2023 hours I was dispatched a report of a robbery that had occurred just prior at 2190 Shattuck Arrival. I responded to the area. While en-route I was advised there was sufficient officers on scene and I was directed to take a traffic post on Bancroft and Dana to prevent vehicles traveling west on Bancroft. I remained at this post until advised to clear about 0142 hours.
Supplemental:
On 1/2/21 at about 2022 Hrs. a report of an armed robbery had just occurred at 2190 Shattuck Ave., Walgreens. The suspect was described as a black male late 50’s, 6-00, 195 lbs. and armed with a 6’ long chain that was large in size. I responded from the west end of the city.

As I was responding I heard a radio broadcast that officers had located the suspect on foot on Bancroft Way, east of Fulton St. and were attempting to stop him. I heard the situation evolving with less lethal munitions being requested and the suspect was refusing to comply. The suspect walked into the courtyard of 2222 Bancroft Way, and officers were able to contain him to the courtyard.

I arrived on scene to assist and immediately made contact with Sgt. Kleppe #S4. Sgt. Kleppe was on the western side of the courtyard next to Sgt. Speelman #S12 who was negotiating with the suspect. I looked at the courtyard and saw a black male holding a large 6’ or longer chain over his shoulder. The suspect was refusing to comply, incoherent, extremely agitated and his physical posture was aggressive. Sgt. Kleppe and I devised a plan to effect an arrest with a contact team on the eastern side of the court yard. I was contact team supervisor role.

The eastern side of the courtyard consisted of a smaller building that was unattached to the main building with a breeze way. The contact team staged in the breeze way and consisted of the following members:

Less Lethal Operators (40mm) - Ofc. Melowitz, Ofc. Grover and myself
Lethal cover - Ofc. Navarro and Ofc. Albrandt

While staged, I gave clear assignments and tactics and waited for Sgt. Kleppe to verbally initiate the contact team’s movement to the suspect. Sgt. Kleppe gave me the command and the team moved into position. I saw the suspect standing on a cement raised fixture in the middle of the courtyard holding the chain in his right hand. I gave clear commands to drop the chain. He immediately turned to face me and I repeated the command. He stepped off the cement fixture, refused to drop the chain and I told him he was going to get shot with less lethal. He continued his refusal to comply and quickly began rushing at me holding the chain low in his right hand.

The suspect was holding the chain low, however, he had that arm in a swinging position. Coupled with the aforementioned observation and the suspect rushing towards me, I shot him once with a less lethal round. My target area was his stomach area. The shot had no effect and I heard an immediate two more rounds of less lethal being fired to the left of me. Those rounds had no effect on the suspect and he quickened his rush towards me.

I estimated the suspect was within 10’ of me and I was unable to reload. As this was happening quickly, I went thru other force options and realized there was no other due to the time and distance that was not beneficial to me. The suspect was closing fast and would be on top of me. Fearing this, I felt my life was in imminent danger of great bodily injury or death if struck in the head with his chain. I heard a single lethal round being fired to the left of me and saw the suspect fall to the ground.

I was able to reload my less lethal launcher and gave commands to the suspect to spread out his arms and to not move. He complied and assisting officers
handcuffed him with no further force used. I did not know if the suspect was struck with a lethal round until I heard someone say the suspect had a GSW. Life saving measures was immediately started.

I know Ofc. Albrandt’s action saved me from an imminent attack that could have gravely injured or killed me.

I asked who shot less lethal rounds and discovered every less lethal operator shot, along with Ofc. Albrandt being the lethal cover that fired one round that struck the suspect. I separated the less lethal operators and had them not discuss the matter further and Sgt. Kleppe dealt with Ofc. Albrandt.

The scene was secured and I had all involved less lethal operators who fired return to the station and sequester themselves in the BPD parking lot.

Nothing further.
On 1/2/21 at approximately 2028 hrs I responded to Bancroft Way, east of Durant, regarding a robbery suspect with a chain. As I responded, units advised over the radio that the suspect was non-compliant and was refusing to drop the chain. I arrived on scene, activated my BWC and deployed my Less Lethal Launcher. As I approached the scene I saw numerous officers surrounding a courtyard and a single male standing in the middle.

The male, later identified as Bryant, was holding a long silver chain in one hand and shouting into the sky. He was saying things like, “No CIA! No silver bullets! Not a million men, not a million ladies, only one can stop me!” I contacted Ofc. Gibson on the west side of the courtyard. Ofc. Gibson advised that he had tried to communicate with Bryant but that Bryant asked for “three minutes of silence.” I am a former member of the Special Response Team Negotiator Element and decided to attempt to talk to Bryant and get him to comply.

I spoke to Bryant without any weapons in my hands. As I started to talk to Bryant he said things to no one in particular, “Your eyesight was taken... Describe that picture and I’ll drop the chain! God is looking down, you guys are one face... you guys are one body... The pictures are above your head, women are ok... you will be sent to a planet of your choice” and “Come on! I’m right here toy soldiers, I’m right here technology, come on toy soldiers! Over here!” I asked Bryant who he was talking to but he didn’t respond.

I repeatedly asked Bryant to put the chain down but he did not. “Go ahead and shoot me bitch, little toy soldiers, I’m gonna send you to hell, I’m going to come visit you and I’m gonna play doctor.” I continued to try to engage Bryant but he ignored me and said, “I’m protecting god’s property! Reverse light, reverse their sensors... thank you... AH! Ah! Oh, man, I’ve waited so long mom, you thought I was a coward... Reverse the vehicle’s lights, inward... outward, back inward out! Thank you. All the colors... the new element... half angel... no I’m not half man... no man of God. Going to hell for you guys.”

At this point, Sgt. Kleppe advised me that Sgt. Huynh was on the east side of the courtyard with a team of officers who were going to attempt to contact Bryant. I walked north from my position to get out of the way of any crossfire from Sgt. Huynh’s team. I stopped at a spot where I could still see Bryant through the chain link fence and then heard Sgt. Huynh yell “Drop the chain! I’m going to put you in handcuffs!”

I could see that Bryant did not drop the chain and instead began walking purposefully towards the officers. I then heard loud reports of Less Lethal Launchers and one much louder report from a gun. I saw that officers were handcuffing Bryant so I entered the courtyard, notified Dispatch that we were taking him in to custody and requested BFD come to the scene.

Bryant initially lay unmoving as officers attended to him so I requested his handcuffs be removed. However, he began trying to get up and that idea was abandoned for officer safety and so he could receive medical care. BFD arrived on scene and transported Bryant to Highland Hospital.

I requested the area be taped off with crime scene tape. I walked around the scene and noted where the spent Less Lethal rounds and cartridges were located, along with the spent shell casing. In addition, I located what appeared to be a spent bullet on the pavement near the front doors of 2222 Bancroft. I remained on scene with Ofc. Gibson and Ofc. Ceja to ensure the scene and evidence were secure.

CS1 Cardoza and CSO Bolla arrived on scene and I walked them through the scene, pointing out foam rounds, cartridges, etc. See their supplemental reports for further.

Later on, Sgt. Wilson and additional detectives arrived on scene. I walked them through the scene as well. See their
supplemental reports for further.

Once the scene was processed, I requested Crime Scene Cleaners to remove any blood from the courtyard. I left the scene with Ofc. Ceja who remained there waiting for Crime Scene Cleaners.

Nothing further.

### FIREARMS

### NARRATIVE

I arrived at Highland Hospital in the Emergency Department at approximately 1420hrs and I met with Officer K. Peters #148. Sergeant Bonaventure S-10 had requested that I meet with Officer's Peters in order to collect clothing items from a patient’s belonging bag. Bonaventure requested that only the clothing (excluding socks and underwear) be collected from the patient belonging bag.

Officer Peters was standing by with the subject, Vincent Bryant 12/15/1969, in room #9. Bryant was in a hospital gurney and appeared to be sedated at this time. I took overview photograph of Bryant for documentation purposes. I then photographed two Patient Belonging Bags under the hospital gurney and I photographed the labels (Vincent Lee Bryant 12/15/1969) on each bag.

Officer Peters and I advised the on duty nurse that I would be collecting the clothing items only from the Patient Belonging Bags. Officer Peters assisted by searching the pockets of the clothing for any personal or miscellaneous items. Officer Peters was wearing gloves as he searched the items. A cut blue key lanyard and a pair of black socks remained in one Patient Belonging Bag and a pair of black Hanes boxer briefs, a plastic zip bag containing apparent receipts and a crumpled apparent receipt remained in the other bag.

Most of the clothing items appeared to have been cut (likely by paramedics) and contained suspected blood. I collected the items with gloves and clean unused packaging materials (paper/plastic bags). **Note: some items were**

| Receiving Officer: Schwartz, Jess #426 | Date/Time Written: 01/04/2021 17:18 | Received by Signature: Cardoza, Andrea | 01/05/2021 08:19 | Page 2 of 4 |
NARRATIVE

collected with a plastic bag due to the possibility of the items being damp. The items were later packaged and booked in individual paper bags.

I cleared the hospital at approximately 1440hrs.

Upon return to the Berkeley Police Department I photographed the collected items with a scale in the Crime Scene Drying Room. An AC Transit card was located in the upper left pocket of a grey/white ST JOHNS BAY zip-up jacket.

Using a Nikon D5500 digital camera the following photographs were taken:

1.) Highland Hospital in Emergency Room #9:
   A.) Vincent Lee Bryant 12/15/1969, on a hospital gurney mostly covered in a white sheet
      - medical tubes in the mouth (apparatus strapped around the back of the head)

   B.) two Patient Belonging Bags to Vincent Lee Bryant 12/15/1969 under the gurney
      - cut blue key lanyard with two keys from the first bag (remained in the bag and with the patient)
      - one pair of black socks from the first bag (remained in the bag and with the patient)
      - black/blue Hanes boxer briefs from the second bag (remained in the bag and with the patient)
      - plastic zip bag with apparent receipts from the second bag (remained in the bag and with the patient)
      - crumpled apparent receipt from the second bag (remained in the bag and with the patient)

2.) Berkeley Police Department Drying Room:
   A.) clothing items from the Patient Belonging Bags to Vincent Lee Bryant 12/15/1969 (listed below under Evidence)
      - items photographed with a scale

Evidence- the following evidence was collected with gloves and clean unused plastic and paper bags- the items were collected from Bryant Vincent Lee’s two Patient Belonging Bags at Highland Hospital, Emergency Room #9:

   - Note: some items were collected with a plastic bag due to the possibility of the items being damp. The items were later packaged and booked in individual paper bags

   - grey SUNDAY AFTERNOONS bucket style hat, size Large (suspected blood on the back exterior/interior, suspected blood on the
     interior right side), small American Flag on a toothpick in the top of the hat
   - cut green carhartt pants, size 38 (unknown dark stains on the front and back pant legs, small concentrations of
     suspected blood on the
     top portion of the jeans on the front and back)
   - cut green Claiborne sweater in two pieces, size XL (suspected blood one of the sleeves, unknown which side due
     to the item being cut)
   - cut grey/white ST JOHNS BAY zip-up jacket, size Large; AC TRANSIT DAY PASS card in the upper left
     chest pocket
   - cut grey hooded Milwaukee sweatshirt, size Large, (suspected blood on the hood, sleeves, and on the lower back
     portion)
   - cut black sweatpants, unknown brand and size (suspected blood stains on the front and back sides- prominent
from the waist to the ankle cuffs)  
- cut grey JERZEES sweatshirt, size 2XL, (suspected large blood stains on the front, back and sleeves); unknown small slits on the front right side chest areas, unknown small slit on the lower right side  
- cut light grey FRUIT OF THE LOOM t-shirt in two pieces, size 2XL (suspected large blood stains on both shirt pieces)  
- cut black RZ face mask with light blue tags, size XL  
- pair of black short boots, unknown brand, size 11 ½, (suspected blood on the toe-box area of both boots, suspected blood on the outside of the left boot, suspected blood on the heel of the right boot, small concentrations of blood on soles of both boots), inserts appeared to be stained in a pinkish color, silver thumb tack/push pin in the sole of the right boot)  

Upon return to the Berkeley Police Department the photographs were uploaded into Evidence.com. The evidence was packaged, sealed and booked into Secured Property Room Lockers.

01-03-2020 2218hrs
On 01/02/2021 at approximately 2200 hours I met with Sergeant J. Wilson S-3 at the Berkeley Police Department (BPD) Homicide Unit. She briefed me on an officer involved shooting (OIS) that had occurred at 2222 Bancroft Way at approximately 2022 hours, involving a chain-wielding subject who was reportedly involved in a Shattuck Avenue Walgreens robbery. She informed me that during the incident, several rounds of less lethal munitions were deployed and the involved officer’s duty weapon was discharged. She advised that the involved male subject had been transported to Highland Hospital Emergency Room (ER) in Oakland after sustaining a gunshot wound to the face. She advised that Berkeley Fire Department (BFD) paramedics were staging nearby at the time of the incident and that the subject was quickly transported to the trauma center following the shooting. She requested that I proceed to Highland Hospital to photograph the subject and his injuries.

At approximately 2218 hours I arrived at Highland Hospital ER where I made contact with Officer Bally #73 who was standing outside Trauma Room #9. She informed me that hospital personnel were treating the injured subject (Bryant, Vincent) who was sedated but in stable condition.

At the time of my arrival, an ER physician and a nurse were actively attending to Bryant’s injuries. I observed that the physician was packing what he later described as an entry wound (located in the area of Bryant’s lower right jaw) with gauze. I stood by outside the trauma room until [redacted] (a registered nurse) invited me inside the room to photograph Bryant. I took general photos of Bryant as he lay supine on a gurney, breathing with the

Cardoza, Andrea

01/05/2021 03:36
NARRATIVE

I returned to Berkeley and at the request of Sgt. Speelman I proceeded to the scene located in the courtyard at 2222 Bancroft Way – Tang Center/University Health Service. She briefed me on the incident and advised that Sgt. Wilson was en route to our location. Upon the arrival of Crime Scene Supervisor CS-1 Cardoza, Sgt. Wilson and additional Detectives Division sergeants – we walked through the scene and were briefed on the incident. Sgt. Speelman directed our attention to an outdoor dining courtyard and advised that (to the east of the dining area) Bryant was observed swinging a long chain at officers. Sgt. Speelman directed our attention to five white plastic 40mm foam baton shell casings and four black foam baton rounds that were located in the area of the Tang Center/University Health Service courtyard. Per Sgt. Speelman, a total of five rounds of the 40mm less lethal projectiles were deployed at the scene. We searched the scene for additional evidence and the outstanding fifth foam baton round was not located.

Sgt. Speelman directed our attention to a wooden bench located on the north side of the courtyard to the east of the dining area, across from the University Health Service staff entrance. Located on the pavement to the immediate west of the wooden bench, there were what appeared to be two human teeth attached to pink suspected gums and flesh. Concentrations of suspected blood were observed on the pavement to the south of the bench, along with a brass-colored Master padlock. A long, silver-colored chain was located on the pavement, beneath a loop wave style bicycle rack. Per Sgt. Speelman, Bryant dropped the chain at that location during the incident.

Sgt. Speelman pointed out several additional pieces of evidence that were located at the scene. At the northwest corner of the courtyard, a reusable cloth bag filled with what appeared to be perishable food was resting on top of a chair. At the east end of a southern concrete bench, an unzipped black duffel bag containing what were later revealed to be Bryant’s personal belongings was located. Sgt. Grant S-27 searched the bag in my presence and it appeared to contain personal hygiene products, clothing and additional items.

Near the east end of the wooden bench, one apparent 9mm LUGER +P expended shell casing was located on the east breeze way pavement. To the southwest of the expended shell casing, officers directed my attention to an unknown silver and copper-colored suspected bullet jacket that was located on the pavement in front of the staff entrance to the Tang Center.

At the northwest corner of the courtyard, I stood by while Sgt. Bonaventure S-10 searched the cloth bag containing suspected stolen items. He agreed to take custody of the perishable items after they were collected as evidence and once we returned to the Berkeley Police Department.

Sgt. Wilson requested that I photograph the scene and collect evidence. First aid supplies and packaging left at the scene would, per Sgt. Wilson, be photographed only and not collected, along with the concentrations of suspected blood. CS-1 Cardoza took initial scene photos and upon completion I set numerical evidence placards
NARRATIVE

#1 through #19 in place next to the evidence. At that time, CS-1 Cardoza cleared the scene. Refer to her ID Tech report for additional information.

I set numerical evidence placards #1 through #19 in place and I photographed the scene. Upon completion, at approximately 0113 hours I began evidence collection.

Upon completion of collection all evidence was promptly secured inside ID Van #1803. I took additional scene photos, with and without placards in place and Sgt. Speelman confirmed that no additional services were needed. I cleared the scene on 01/03/2021 at approximately 0152 hours.

I returned to the BPD Crime Scene Unit (CSU) and secured the collected evidence inside the CSU Lab. The suspected human teeth were secured inside the CSU Lab refrigerator at approximately 0211 hours. At approximately 0230 hours Sgt. Bonaventure took custody of the perishable items inside the CSU Lab.

On 01/03/2021 at approximately 1045 hours I began photographing and processing the collected evidence. All evidence was photographed inside the CSU Lab and upon completion three damp or wet items recovered from the black duffel bag (Evidence #5) were relocated to the BPD Drying Room. At approximately 1335 hours a damp New Era brand zip-front "Ice Storm" hoodie, a wet suspected sharpening stone and a damp white rag with unknown stains were secured inside Cabinet B of the Air Science evidence drying cabinet. As a precautionary measure a clean, unused piece of butcher paper was placed under the items prior to drying. Once dry, at approximately 1415 hours, the evidence and used butcher paper was recovered from the Drying Room and packaged, labeled and sealed inside the CSU Lab.

Per BPD Property Room protocol, all liquid personal hygiene products recovered from the duffel bag were emptied of their contents prior to booking. I photographed the items prior to and following that process.

With the exception of Evidence #5 (black duffel bag and its contents) and Evidence #9 (suspected human teeth) all evidence was booked into Locker #17 of the BPD Property Room on 01/03/2021 at approximately 1825 hours. Evidence #9 (suspected human teeth) was booked into the BPD refrigerator at approximately 1825 hours and Evidence #5 (black duffel bag and its contents) was booked into the BPD Bulk Storage Room at approximately 1830 hours.

A total of 480 photos pertaining to the case were uploaded into Evidence.com – the digital photo management database.

On the morning of 01/04/2021 at approximately 0900 hours and at the direction of CS-1 Cardoza, I contacted BPD Property Room personnel and requested that Evidence #9 (suspected human teeth) be relocated to the BPD freezer.

Using a Nikon D5500 digital camera the following photos were taken:

Highland Hospital Emergency Room – 1411 E 31st Street – Oakland
NARRATIVE

- Exterior of Highland Hospital trauma room #9
- General overview and profile photos of involved injured subject: Bryant, Vincent Lee DOB: 12/15/1969 — laying supine on a gurney and with his body partially covered with a blue hospital gown and white sheets – with suspected blood observed on the gown, sheet and on white gauze (located on top of his chest) and beneath his head
- Observed physical injuries including: Suspected gunshot entry wound (packed with bloody gauze) located lower right jaw area, large apparent bloody gash located to the right of chin and suspected gunshot exit wound located on the left side of chin
- Bryant, breathing with the assistance of a ventilator and with suspected blood and/or suspected dried blood observed on his face, neck, chest and arms
- Numerous tattoos located on Bryant’s body including the following: Left side of chest, above left breast area – (suspected Ankh/ Key of Life symbol over a suspected pentagram tattoo), additional miscellaneous tattoos observed on left side of neck, both forearms and left side of torso

2222 Bancroft Way – Tang Center – University Health Service

- Exterior of Tang Center – University Health Service
- Exterior of Legends Aquatic Center – 2214 Bancroft Way
- 40mm S&W white plastic foam baton shell casing, located on pavement at west outer side of courtyard
- 40mm S&W white plastic foam baton shell casing, located on pavement at bottom of steps to the immediate west of southwest corner of courtyard
- Tan/orange-colored cloth “Zuke’s” bag, containing miscellaneous items and miscellaneous food and beverages – located on top of a chair at the northwest corner of courtyard
- Black foam baton round, located on the ground inside the enclosed courtyard dining area, to the immediate west of concrete bench at eastern border
- Unzipped black duffel bag containing miscellaneous items, located on top of (easternmost end) of concrete bench at southern border
- General photos of enclosed outdoor dining courtyard area, bordered to the south and east by long concrete benches
- Concentration of suspected blood located on the pavement to the east of the enclosed courtyard dining area
- Brass-colored combination Master lock padlock with silver-colored shackle (with suspected blood on the shackle) located on pavement to the east of concrete (east) bench bordering courtyard dining area
- Black Ray-Ban sunglasses with suspected dried blood, located on pavement to the west of northern wooden bench – across from University Health Service staff entrance
- Two suspected human teeth, with attached pink suspected gums and flesh – located on pavement to the immediate west of northern wooden bench – across from University Health Service staff entrance
- Concentration of suspected blood with organic matter located on pavement to the south of northern wooden bench – across from University Health Service staff entrance
- 40mm S&W white plastic foam baton shell casing with suspected blood, located on pavement to the south of northern wooden bench – across from University Health Service staff entrance
- Miscellaneous items including: Plastic packaging, black suspected safety scissors and suspected paramedics’ first aid supplies, blue cloth bag, candy and beverages – located on top of northern wooden bench – across from

Crime Scene Unit Lab – Photos of Collected Evidence
- Preliminary photos of Evidence #3: Tan/orange reusable cloth "Zuke's" bag containing miscellaneous items and emptied of the following perishable foods – (Front and back of following items): Bottle of Pepsi with blue/red/white label, bottle of salmon-colored/black/white/multi-colored Body Armor strawberry banana beverage, Fresh & Ready Foods Southwest Chicken Style Wrap, yellow/multi-colored peanut M&M's, open black/multi-colored bag of Lay's brand barbecue flavor potato chips
- All sides of Evidence #1: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #2: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- Front and back of Evidence #3: Tan/orange cloth reusable "Zuke's" bag with identifying "Bag Maker's" tag
- Remaining contents of Evidence #3/ "Zuke's" cloth bag, including: Both sides of a white towel with unknown stains, miscellaneous items including but not limited to: Camouflage and orange suspected ratcheting securedment straps, bungee cords, yellow Reese brand suspected trailer hitch lock, plastic package of Everbilt brand yellow rope, unknown suspected electronics parts and unknown plastic and copper parts, clear zip-top bag containing silver-colored unknown hardware, section of white plastic chain-link "chain" and additional miscellaneous items
- All sides of Evidence #4: Black foam baton round
- All sides of Evidence #5: Unzipped black duffel bag with black/white striped webbing-style straps, containing...
NARRATIVE

miscellaneous contents and clothing
- Contents of Evidence #5/ Black duffel bag - including but not limited to the following: Miscellaneous plastic bags, somewhat folded clear/blue suspected Patient Belongings bag, folded white anti-slip socks inside a clear plastic baggie, miscellaneous clothing, folded grey blanket, camouflage ratcheting securement strap, Testament cassette tape, soft-cover book titled The Education of a Graphic Designer, miscellaneous packaged personal hygiene products and toiletries, two blue-wrapped Rough Rider studded condoms, suspected Target gift card, miscellaneous papers, two red PPCS/Utilities Electrician UE-12-1 padlocks with silver-colored shackles. Plastic bottles/containers of total body cleanser spray, mouthwash, body lotion, roll-on antiperspirant and petroleum jelly (photographed prior to and following their contents being emptied), miscellaneous papers including: "Shelter/Housing Options for Vincent Bryant", yellow Sutter Health/ Alta Bates Summit Medical Center 5150 (72 hour) Involuntary Hold Assessment papers dated 12/28/2020 with an end time of 12/31/2020 and attached adhesive patient identification labels for Bryant, Vincent L. 12/15/1969 Sex M
- Front and back of white/blue Patient Belongings bag a white cloth/rag with unknown stains and a grey suspected sharpening stone – recovered from Evidence #5/ Black duffel bag
- Front and back of unzipped blue Columbia brand jacket, recovered from duffel bag
- Front and back of unzipped grey New Era size M “Ice Storm” hooded zip-front sweatshirt with unknown stain on front pocket (photographed prior to drying) – recovered from duffel bag
- Both sides of Evidence #7: Brass-colored combination Master padlock with silver-colored shackle
- All sides of Evidence #8: Black Ray-Ban sunglasses (marked RB4165) with suspected dried blood observed on both lenses
- Both sides of Evidence #9: Two suspected human teeth, with attached pink suspected gums and flesh (photographed inside a pill box)
- All sides of Evidence #10: 40mm white plastic foam baton shell casing with copper-colored 38 S&W head stamp – with suspected dried blood
- Photos of evidence #12: Approximately 14-FT section of silver-colored chain-link hardware “chain”, with yellow tape marked 12.25 observed on one of the links and white tape observed on another one of the links
- All sides of Evidence #13: black foam baton round
- All sides of Evidence #14: 4557 40mm S&W white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #15: 4557 40mm white plastic foam baton shell casing with copper-colored 38 S&W head stamp
- All sides of Evidence #16: Silver-colored 9mm LUGER +P expended shell casing
- All sides of Evidence #17: Black foam baton round
- All sides of Evidence #18: Silver and copper-colored suspected bullet jacket
- All sides of Evidence #19: Black foam baton round

Note: Photos were taken with and without a scale

Evidence: The following evidence was collected using unused collecting and packaging equipment – gloves, paper products, sterile tweezers and evidence seal tape (Note: An Air Science Safekeeper Forensic Drying Cabinet was utilized to dry damp evidence)

Evidence Collected from in front of Tang Center – University Health Service – 2222 Bancroft Way
- Evidence #1: 40mm S&W white plastic foam baton shell casing, collected from pavement at west outer side of courtyard.
- Evidence #2: 40mm S&W white plastic foam baton shell casing, collected from pavement at bottom of steps to the immediate west of southwest corner of courtyard.
- Evidence #3: Tan/orange-colored cloth "Zuke's" bag, containing miscellaneous items—collected from chair at northwest corner of courtyard.
- Evidence #4: Black foam baton round, collected from ground inside the enclosed courtyard dining area, to the immediate west of concrete bench at east side of courtyard dining area.
- Evidence #5: Unzipped black duffel bag containing miscellaneous items, collected from east end of concrete bench at south side of courtyard dining area.
- Evidence #6: Concentration of suspected blood, located on pavement to the east of enclosed courtyard dining area (Photographed only and not collected).
- Evidence #7: Brass-colored combination Master lock padlock with silver-colored shackle (with suspected blood observed on shackle)—collected from pavement to the east of concrete bench at east side of courtyard dining area.
- Evidence #8: Black Ray-Ban sunglasses with suspected dried blood, collected from pavement to the west of (northern) wooden bench—across from University Health Service staff entrance.
- Evidence #9: Two suspected human teeth, with attached pink suspected gums and flesh—collected from pavement to the immediate west of (northern) wooden bench—across from University Health Service staff entrance.
- Evidence #10: Concentration of suspected blood located on pavement to the south of (northern) wooden bench, with a 40mm S&W white plastic foam baton shell casing resting on the pavement—directly across from University Health Service staff entrance (Concentration of suspected blood was photographed only and not collected).
- Evidence #11: Miscellaneous items including: Plastic packaging and suspected paramedics' first aid supplies, blue cloth bag, miscellaneous candy and beverages—located on top of (northern) wooden bench—across from University Health Service staff entrance (Photographed only and not collected).
- Evidence #12: Section of silver-colored chain-link hardware "chain", collected from pavement at area of westernmost loop wave style bicycle rack, across from University Health Service staff entrance.
- Evidence #13: Black foam baton round, collected from ground located to the immediate southwest of a tree, across from University Health Service staff entrance.
- Evidence #14: 40mm S&W white plastic foam baton shell casing, collected from pavement beneath easternmost loop wave style bicycle rack, across from University Health Service staff entrance.
- Evidence #15: 40mm S&W white plastic foam baton shell casing, collected from ground near east end of (northern) wooden bench, across from University Health Service staff entrance.
- Evidence #16: Silver-colored SPEER LUGER 9mm expended shell casing, collected from breeze way pavement to the east of (northern) wooden bench, across from University Health Service staff entrance.
- Evidence #17: Black foam baton round, collected from pavement to the northeast of University Health Service staff entrance, in front of double doors and inside marked construction area.
- Evidence #18: Silver and copper-colored suspected bullet jacket, collected from pavement in front of University Health Service staff entrance.
- Evidence #19: Black foam baton round, collected from pavement in front of combination.
NARRATIVE

recycling/compost/landfill bins – to the immediate west of University Health Services staff entrance

Note: An Auma Com brand KN95 particulate respirator was utilized during the collection of processing of evidence

**Case Supp 2021-00000223 Page 1 OF 2**
On 1/5/2021 at approximately 1310, I was conducting a suspect over watch detail at the Highland Hospital in Oakland. The suspect (Vincent Bryant) was hospitalized on a police hold, as a result of injuries he sustained during an incident on 1/2/2021.

While at the hospital, I received a call from Sgt. Wilson (#S3), who was one of the investigators in this case. Sgt. Wilson inquired about the injuries Bryant sustained as a result of BPD's deployment of less lethal munitions. Shortly after the incident, Bryant's injury to the face was the focus of the officers on scene, and Sgt. Wilson wanted to verify whether or not Bryant sustained any additional trauma to his body caused by the projectiles.

I contacted one of Bryant's nurses (nurse Pamela), who had mentioned to me earlier that he had injuries to his hand. I entered Bryant's room with her, and she asked Bryant if it was okay for me to photograph his hand. Bryant nodded his head in approval.

I observed swelling and bruising on his right middle finger and right thumb, and both fingers were secured in splints. Nurse Pamela said that both fingers were fractured. I photographed Bryant's right hand and the injuries to his fingers.

Given that less lethal munitions were deployed toward Bryant, I asked if he had any bruising on his body. Bryant did not want me to be present as nurse Pamela lifted his gown. I left the room, and nurse Pamela visually assessed Bryant's legs, stomach and back for possible injuries. She stated that she did not see any bruising anywhere on his body.

I uploaded the photographs into Evidence.com
On Saturday, January 2, 2021 at approximately 2046hrs, I received a call at home from Berkeley Police Department (BPD) dispatch notifying me of an officer involved shooting and requesting I respond.

I arrived at the Berkeley Police Department at approximately 2200hrs and contacted Sergeant J. Wilson #83 and Community Services Officer (CSO) Bolla #457 in the Homicide Office. Sgt. Wilson advised CSO Bolla and I that the officer involved shooting occurred in a courtyard located at 2222 Bancroft Way (The Tang center). The incident involved one officer and a subject who reportedly sustained a gunshot wound and was transported to Highland Hospital Emergency Room. Sgt. Wilson requested photo documentation of the subject at Highland Hospital ER, the involved Officer, collection of the officer's duty belt/external vest carrier and processing of the scene. CSO Bolla was directed to respond to Highland Hospital to photograph the subject (later identified as Bryant, Vincent) and his injuries.

At approximately 2213hrs Sgt. Kleppe #5-4 met with me in the Homicide Office where I took custody of a black duty belt with holstered handgun and two magazines. I photographed the items prior to taking custody of them and proceeded directly to the Crime Scene Unit (CSU) lab. The black duty belt with holstered handgun and two magazines were secured in the lab pending comprehensive photographs, inspection and inventory with Sgt. Wilson.

I then met with Officer M. Albrandt #51 and Officer Muratovic #159 in the CSU office. I advised Officer Albrandt

**Description:**
- Lead Devi Duty Belt and Contents: Holster, Handcuffs, Streamlight & Collapsibl
- Tactical BPS Vest and Contents: Radio, Light, Pens, Misc Papers, Badge

**Reporting Officer:** Cardoza, Andrea #CS1

**Date / Time Written:** 01/07/2021 18:49

**Revised by Auditor:** Cardoza, Andrea 01/07/2021 06:50
of my directives and requested to take photographs of her for documentation purposes. She agreed and was cooperative throughout the process. Officer Muratovic stood by during the process. I observed that Officer Albrandt was wearing a Berkeley Police Department (BPD) Uniform with an external vest carrier, BPD baseball cap and 3M N95 respirator mask. Photos were taken with and without the 3M respirator. Per Albrandt, she was wearing the 3M respirator at the time of the incident. Subsequent to photos, at approximately 2228hrs I took custody of the external vest carrier. Officers Albrandt and Muratovic then cleared the CSU lab and I proceeded to the CSU lab where the external vest carrier was secured pending comprehensive photographs, inspection and inventory with Sgt. Wilson.

At approximately 2240hrs I spoke with Sgt. Kleppe in the BPD Property Crimes office where he requested photographs of five (5) less lethal 40mm single launchers. The less lethal launchers were laid out on the floor and I placed them on a clean piece of butcher paper to facilitate photography. All five (5) were PENN ARMS less lethal 40mm single launchers. Upon completion, Sgt. Kлеппе maintained custody of the aforementioned items.

I then proceeded to the scene located at 2222 Bancroft Way (The Tang Center) and arrived at approximately 2315hrs. I made contact Sgt. Speelman #S-12, Sgt. Wilson #S-3 and CSO Bolla #457. Shortly thereafter additional Detective Division Sergeants arrived and a walkthrough of the scene was conducted with Sgt. Speelman. The incident reportedly occurred within the courtyard of the Tang Center / University Health Service.

The scene appeared to span from the west walkway between the Tang Center (2222 Bancroft Way) and UC Berkeley Legends Aquatic Center (2214 Bancroft Way) to the east side of the Tang Center courtyard. Sgt. Speelman directed our attention to five white 40mm foam baton shell cases and four foam baton rounds located in several areas within the courtyard and west walkway between the Tang Center and UC Berkeley Legends Aquatic Center. Sgt. Speelman advised that five 40mm munitions were apparently deployed during the incident. In the northwest area of the courtyard is a picnic/dining section with several chairs and circular picnic tables. A tan cloth bag was located on a chair in the northwest corner of the dining area. We were also directed to an unzipped black bag located on a concrete bench on the south side of the dining area.

East of the aforementioned dining area within the courtyard is a small square building (University Health Service – Career Counseling Library), Per Sgt. Speelman the subject: Bryant was ultimately contacted in the courtyard just south of the Career Counseling Library. A long wooden bench runs parallel to the south side of the building and spans the length. There is a walkway to the east and the staff entrance of the Tang Center is south. Sgt. Speelman directed our attention to a long chain, padlock and a concentration of suspected blood. Apparent first aid supplies and additional items were located on the long wooden bench. Located on the ground west of the wooden bench I observed what appeared to be two human teeth attached to tissue/gum. Sgt. Speelman went on to point out an apparent expended shell casing on the ground east of the wooden bench and possible bullet fragment/jacket on the ground in front of the staff entrance of the Tang Center. Subsequent to the walk through a scene/perimeter check for additional evidence was conducted and the “outstanding” fifth foam baton round was not located.

Sgt. Wilson requested the scene be photographed and designated evidence be collected. I proceeded to take initial general overview photographs of the scene. CSO Bolla was tasked with evidence collection and scene documentation. Please refer to CSO Bolla’s report for additional information. At approximately 0036hrs after initial scene photographs were completed I cleared the scene.

At approximately 0053hrs on 01/03/2021, Sgt. Wilson #S-3 contacted me in the CSU lab to document the duty belt, handgun, magazines and external vest carrier as they were inspected and inventoried. I took additional
photographs of the black duty belt and holstered handgun. Sgt. Wilson then removed the GLOCK 17 Gen 5, 9mm handgun serial# BHGS151 with attached Streamlight. She rendered the handgun safe and I observed her remove a chambered bullet and magazine. Sgt. Wilson inventoried the number of bullets in the magazine (16) that were removed from the GLOCK 17. Two remaining magazines were then documented and visually inspected. Each GLOCK 9mm magazine appeared to be fully loaded. Sgt. Wilson requested that the magazines and contents remain intact and booked as such after photo documentation. The external vest carrier a TACTICAL BPS vest was documented depicting attached police radio, Pelican light, name patch, badge, pens, miscellaneous papers and MK-3 OC spray. At approximately 0105hrs, during the inspection of the external vest carrier Sgt. Wilson removed and took custody of two empty “replacement” magazines located in the front lower pockets of the carrier. Sgt. Wilson also took custody of the MK-3 OC per property room protocol at approximately 0138hrs. Photo documentation was completed throughout the inventory process. Upon completion, I maintained custody of the duty belt, handgun, magazines, ammunition and external vest carrier.

Using a Nikon D5500 digital camera I photographed the following:

Berkeley Police Department – 2100 Martin Luther King Jr way

Homicide Office:
- Black LEAD DEVIL duty belt with holstered GLOCK 17, handcuffs, Streamlight flashlight, collapsible baton and two magazines

Crime Scene Unit Office:
- Officer M. Albrandt #51
- Wearing Berkeley Police Department uniform with external vest carrier, Berkeley Police Department baseball cap, black boots and an 3M N95 respirator
- Front, back and side profiles
- Front and back of both hands

Property Crimes Office:
- Five (5) PENN ARMS Less Lethal 40mm Single Launchers
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GS1717
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40-C, serial #GSC1330
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC5148
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC1719
  - PENN ARMS Less Lethal 40mm Single Launcher GL1-40, serial #GSC1720

Crime Scene Unit Lab:
- Black LEAD DEVIL duty belt with attached accessories
- GLOCK 17 Gen 5, AUSTRIA 9x19, 9mm handgun serial #BHGS151 with attached TLR-1 HL Streamlight tactical light
- Removed chambered bullet SPEER 9mm LUGER+P
- Removed magazine GLOCK 9mm #1587-01
- (16) SPEER 9mm LUGER+P bullets removed from aforementioned magazine
- (2) GLOCK 9mm #1587-01 magazine appearing to be fully loaded
- Black TACTICAL BPS Vest external vest carrier and contents

REPORT NARRATIVE

NARRATIVE

2222 Bancroft Way (Tang Center):
- Intersection of Bancroft and Fulton and view looking east
- Northeast corner of Bancroft Way and Fulton
- Bancroft Way east of Fulton/view looking east
- UC Berkeley LEGENDS AQUATIC CENTER located at 2214 Bancroft Way
- General overview of the front of the Tang Center/University Health Center depicting the courtyard and University Health Service – Career Counseling Library building
- General overview of the west walkway between the Tang Center and UC Berkeley Legends Aquatic Center depicting apparent 40mm foam baton cases
- General overview of the picnic/dining area east of the walkway between the Tang Center and UC Berkeley Legends Aquatic Center depicting a cloth bag on a chair in the northwest corner and an unzipped black bag on the concrete bench located on the south side of the dining area
- General overview of the area south of the University Health Service – Career Counseling Library depicting various items including but not limited to 40mm foam baton rounds, 40mm baton cases, chain, padlock, first aid supplies, concentration of suspected blood and apparent human teeth attached to tissue/gum
- General overview of the east side of the courtyard and the staff entrance of the Tang Center depicting various items including a 40mm foam baton round, 40mm baton case, expended shell casing and possible bullet/jacket fragment
- General overview of the walkway east of the University Health Service – Career Counseling Library

Note: Refer to CSO Bolla’s #457 report for information regarding any evidence collected on scene

Evidence – the following evidence was collected using clean unused gloves, AUMA OM KN95 protective face mask, clean unused paper packaging, clean unused pill boxes and clean unused gun box:

- Black LEAD DEVIL duty belt with attached accessories:
  - Black holster
  - Collapsible baton and holder
  - Streamlight Flashlight S/N 012418 A0619 and holder
  - Handcuffs and holder
- GLOCK 17 Gen 5, AUSTRIA 9x19, 9mm handgun serial #BHGS151 with attached TLR-1 HL Streamlight Tactical light S/N 694036 0120
  - (1) SPEER 9mm LUGER +P bullet from chamber
  - GLOCK 9mm #1587-01 magazine removed from GLOCK 17 Gen 5, 9mm handgun
  - (16) SPEER 9mm LUGER +P bullets from GLOCK 9mm #1587-01 magazine
- (2) GLOCK 9mm #1587-01 magazines appearing to be fully loaded
- Black TACTICAL BPS Vest (MENTONE, CA MADE IN THE USA) external vest carrier and contents
  - Velcro name patch M. Albrandt and Berkeley Police Badge #51
  - Berkeley Police radio
  - Body Worn camera mount
  - Pelican light
  - Carabiner clip
  - Pens and miscellaneous papers
  - MK-3 .2% Defense Technology OC Spray

Note: at approximately 0138hrs Sgt. Wilson took custody of the MK-3 .2% spray
Subsequent to comprehensive photo documentation, I packaged and booked the GLOCK 17 Gen 5, 9mm handgun, bullets, magazine, duty belt (contents) and external vest carrier (contents) into the Berkeley Police Department property room locker #15 on 01/03/2021 at approximately 0309hrs. All 182 photographs were uploaded to the evidence.com digital management system under the above listed case number.

SGT Wing and I responded to the Tang Center to assist BPD with a Robbery suspect in the north courtyard. The Robbery occurred just prior at 2190 Shattuck Ave and is documented under BPD case 21-00221. SGT Wing deployed his Taser and I deployed my pistol to provide lethal cover for SGT Wing and a BPD officer using a Less Lethal weapon. SGT Wing and I did not use our weapons, nor did we directly contact the suspect, who was eventually detained by BPD.

Investigation:

On 1/2/21 I assisted Sgt. Wilson with the officer involved shooting investigation. Sgt Kleppe brought all of the involved 40mm less than lethal launchers than had been used during the incident. He then explained the following:

- Ofc. Melowitz fired one round from launcher GS1717.
- Ofc. Moore fired one round from launcher PA2.
- Ofc. Grover fired one round from GSS148.
- Sgt. Huynh fired one round from launcher GS1719.
- Ofc. Legall fired one round from launcher GS1720.

ID Tech Cardoza photographed all of the launchers prior to Sgt. Kleppe returning them to patrol use.

Investigator’s Narrative: Sergeant J. Wilson, Homicide Division

Berkeley Police Department Case 21-223

This report compiles evidence obtained in part from involved party statements, witness statements and video recordings to evaluate whether or not the involved officer's use of force was lawful.

Saturday, 01-02-21, Initial callout response

At 2045 hours, Lieutenant Tate called and informed me of an officer-involved shooting (OIS) at the Tang Center (2222 Bancroft Way) involving Officer Madison Albrandt. Lieutenant Tate provided a brief summary of the incident that occurred about five minutes earlier following a reported robbery at Walgreens (2190 Shattuck Avenue). Lieutenant Tate said that the involved party was injured by an apparent single gunshot wound. Officer Albrandt (hereafter referred to as Albrandt) was not injured. I told Lieutenant Tate that I would be responding to conduct an OIS investigation.

I notified Sergeant Bonaventure, Sergeant Grant and Detective Smith and requested they respond to assist with the OIS investigation. I also notified Crime Scene Supervisor Cardoza and requested she respond to process the scene and collect evidence.

At 2130 hours, Lieutenant Tate informed me that Albrandt had been transported from the scene and sequestered at the police department in the Community Services Bureau office. Lieutenant Tate updated me that the injured party had been transported to Highland Hospital. That subject was identified as Vincent Bryant (date of birth: 12-15-69).
At about 2200 hours, I met with the other detectives, CS-1 Cardoza and CSO Bolla at the police department and briefed them on the information I had been provided thus far.

Sergeant Bonaventure took lead as the primary investigator for the incident that preceded the shooting at Walgreens, which appeared to be an “Estes” robbery (BPD case 21-221).

I was informed that Officer Bally was standing by with Bryant at the hospital. I requested CSO Bolla respond to Highland Hospital for photo documentation of Bryant and his injuries.

At 2210 hours, I met with Sergeant Kleppe who told me he seized Albrandt’s gun, duty belt, gun magazines, body worn camera (BWC) and departmental-issued cell phone. Sergeant Kleppe turned the gun, duty belt and gun magazines over to CS-1 Cardoza to photograph and inventory. Sergeant Kleppe docked Albrandt’s BWC (for uploading) and I maintained possession of her departmental-issued cell phone. I requested CS-1 Cardoza photograph Albrandt in her uniform and then take custody of her external vest carrier.

Sergeant Kleppe related to me that he took the public safety statement from Albrandt at the scene. He told me that Albrandt reported she fired a single round at the subject.

Sergeant Kleppe also reported that the following officers fired less-lethal 40mm launchers during this incident: Sergeant Huynh, Officer Grover, Officer Melowitz, Officer Legall and Officer Moore. I requested Sergeant Kleppe obtain the BWCs from those five officers and dock them for uploading.
Additionally, Sergeant Kleppe informed me he was in possession of the five less-lethal 40mm launchers deployed in this incident. I tasked Detective Smith with handling the documentation, photography and inventory of the five launchers. [All of these launchers are Penn Arms 40mm single launchers that fire high-density foam projectiles. For purposes of clarity and consistency, these launchers are hereby referred to in this report by the term “less-lethal.”]

At 2220 hours, I notified the Alameda County District Attorney’s Officer-Involved Shooting team of the incident. I spoke with both Inspector Carlos Sanchez and Deputy District Attorney Eileen McAndrew and provided them a brief summary. Because the case did not involve a fatal shooting, they indicated they would not be responding to initiate an investigation.

At 2245 hours, I received an update from Officer Bally on Bryant’s condition. Bryant was in stable condition, with a gunshot wound to the jaw.

At 2250 hours, I did a preliminary review of Albrandt’s uploaded BWC footage.

At 2320 hours, Sergeant Bonaventure, Sergeant Grant and I responded to the scene of the shooting at the Tang Center. CS-1 Cardoza and CSO Bolla were at the scene upon our arrival. We met with Sergeant Speelman near the courtyard and she escorted us on a walk-through of the scene. Sergeant Speelman identified items of evidence to include a metal chain, a bullet casing, a possible bullet fragment, less-lethal foam projectiles, less-lethal projectile “casings” and possible merchandise from Walgreens.
At about 2340 hours, I contacted Darren Kacalek, president of the Berkeley Police Association (I was previously informed that he was at the police department and in contact with Albrandt's legal representative). I asked Kacalek to offer Albrandt and her legal representative an opportunity to do a walk-through of the scene prior to any evidence being collected. Kacalek told me that Doug Foley, Albrandt's legal representative/attorney, declined to do a walk-through on Albrandt's behalf.

I noted the presence of video cameras on the exterior of the Tang Center near the courtyard. Sergeant Speelman informed me that UCPD Corporal Burcham indicated the cameras were not operational because they were down for "IT scheduled maintenance." [I later confirmed with the Security Technical Unit of UCPD that the cameras were not recording during the incident.]
I learned the only known civilian witness [REDACTED] was contacted and interviewed by Officer Ceja. The witness had been sleeping across the street (on the north side of Bancroft Way) and that was where he was located and interviewed at 2200 hours.

We returned to the station to conduct further investigation. At 0105 hours, I met with CS-1 Cardoza in the crime lab. She documented and photographed the items seized from Albrandt which included her external vest carrier, duty belt, pistol and magazines.

I assisted by unloading the gun — a Glock 17 9mm pistol. The pistol’s standard capacity is 18 rounds of ammunition — 17 in the magazine plus one in the chamber. During the inspection, I removed the magazine from the pistol. The magazine had 16 rounds of ammunition in it. I ejected one round from the chamber of the pistol. This was consistent with both Albrandt’s public safety statement that she fired one round and the single casing recovered from the scene.

**Civilian Witness**

I reviewed the BWC recording of Officer Ceja’s interview with [REDACTED] had been sleeping on the north side of Bancroft Way across from the Tang Center when the incident occurred.

In summary, [REDACTED] reported:

He was awoken by a subject screaming and yelling and “swinging a chain around.” Two police cars were near the courtyard. The subject yelled about killing the officers and the officers’ kids. [REDACTED] saw more cars arrive. The subject said he had a ten-pound gold chain. [REDACTED] said, “I don’t know, I thought it was pretty stupid of him to try to take out 20 cops with a chain… but I was just kind of annoyed that he wouldn’t shut up.”
added that the subject “was pretty consistent about the ‘I’m gonna kill you all, I’m gonna kill your kids’ thing.” He said the yelling went on for about 10 minutes.

was annoyed and stopped paying attention and rolled a joint. He said he heard about three shots and then there was no more yelling.

**Officers on scene (not including contact team)**

I reviewed the supplemental police reports associated with this incident.

In summary, Officer Gibson reported:

He was doing an area check for a suspect of a robbery that occurred at Walgreens at 2190 Shattuck Avenue. The suspect was described as a black male, 50s, 195 pounds, with a six-foot chain, last seen walking eastbound on Kittredge Street. Gibson saw a subject (later identified as Bryant) that matched the suspect’s description. Bryant walked east into the UC parking lot west of Edwards Stadium [at Bancroft Way/Fulton Street]. Gibson pulled into the parking lot and Bryant walked by his car door. Bryant was carrying a shopping bag.

Gibson followed Bryant to Bancroft Way east of Fulton Street, just west of the courtyard of the Tang Center. Gibson activated his forward-facing light to conduct a pedestrian stop. Gibson exited his patrol car and demanded Bryant stop. Bryant jumped over a short concrete barrier into the Tang Center courtyard. Gibson told Bryant to sit down, but Bryant ignored him. Bryant reached into the shopping bag and pulled out a long silver chain. Bryant whipped the chain on to the ground, yelled that he “would take [their] heads off” and demanded they shoot him. [Officer Armistead was also on scene.] Bryant walked deeper into the courtyard, shouting and smashing the chain against concrete benches. Gibson requested cover officers respond with less-lethal. Gibson positioned himself on the
southwest corner of the courtyard and directed Armistead to take a position on the north side of the courtyard.

Bryant continued to smash the chain on the ground and benches. Gibson said he attempted to talk to Bryant, build rapport, and deescalate the situation. Bryant told Gibson, “If you talk to me one more time, I’m gonna make you watch me kill your family.”

Sergeant Speelman arrived and tried to engage verbally with Bryant. Bryant appeared delusional. Sergeant Kleppe assigned Gibson and Officer Ceja to be a contact/arrest team and that the plan was Sergeant Huynh’s team was going to approach Bryant from the east. Gibson and Ceja subsequently took positions of cover behind the Tang Center wall on the southwest corner of the courtyard. Moments later, Gibson heard Huynh repeatedly order Bryant to drop the chain followed by several shots, which Gibson thought were from the less-lethal launchers.

In summary, Officer Armistead reported:

A call for service was broadcast that a Walgreens employee was threatened with a six-foot chain during a theft. The suspect was described as a black male, 6’0” tall, 195 pounds, wearing a gray sweatshirt and black pants, last seen walking east on Kittredge Street.

During an area check for the suspect, Armistead saw Gibson drive by a subject (later identified as Bryant) at Bancroft Way and Fulton Street. Gibson followed Bryant across Bancroft and exited his vehicle at the Tang Center. Armistead parked his vehicle behind Gibson’s. Armistead saw that Bryant had a large thick chain in his hands and was yelling. Armistead removed his less-lethal from his vehicle.
Bryant continued to yell. Other officers arrived and blocked off the courtyard. Officers continued to ask Bryant to drop the chain. Bryant repeatedly asked for officers to shoot him in the back. Armistead heard Bryant threaten to kill Gibson’s family if Gibson kept talking. Sergeant Speciman also tried talking to Bryant.

Sergeant Kleppe instructed Armistead to move to the north side of the courtyard for containment. Kleppe told Armistead a contact team was going to move in from the east side of the courtyard to apprehend Bryant. Armistead heard an officer yell two times to drop the chain. Bryant looked towards the contact team and proceeded to run towards them. As Bryant ran towards the contact team, he raised the chain with his right arm as if he was going to swing it over his head. Armistead could not see the contact team from his position nor could he see Bryant after Bryant moved towards the contact team. Armistead heard three loud bangs, one of which was louder than the others.

In summary, Officer Legall reported:

He heard a radio broadcast of a robbery from Walgreens at 2190 Shattuck committed by a black male, about 6’00 tall and armed with a chain. Legall heard Gibson broadcast that he had someone who matched the description at Bancroft Way east of Fulton Street. Legall responded to that location as a cover officer. When Legall exited his vehicle, he saw a male suspect (later identified as Bryant) standing in the middle of the courtyard on a raised concrete ledge. Bryant yelled, “Shoot me in the back!” Legall saw that Bryant had a long silver chain in his right hand, which he continually slammed on the ground in an aggressive manner.
Legall moved around the perimeter of the courtyard and then positioned himself on the east side of the courtyard with Officer Navarro. Neither Legall nor Navarro had less-lethal. Legall radioed for a less-lethal operator to join them on the east side. At one point, Sergeant Kleppe asked for an additional officer for the contact team. Legall joined Kleppe on the west side of the courtyard. Kleppe confirmed Legall was “less-lethal certified” and handed him a less-lethal launcher and two 40mm munition rounds.

Legall climbed onto a ledge on the west side of the courtyard to have a better visual of Bryant, who was about 35’ away. At that time, Sergeant Speelman attempted voice to voice communication with Bryant and asked him to drop the chain. Bryant paced around in a highly agitated manner and did not drop the chain. Sergeant Huynh said he would take a contact team to the east side of the courtyard and start voice to voice commands with the suspect. Once the contact team was in place, they entered the courtyard and Huynh shouted “drop the chain” several times. Legall heard two popping sounds coming from the direction of the contact team. The suspect jumped off the ledge and started aggressively charging towards the contact team, with the chain in his hand. Legall feared for those officers’ safety, as he believed Bryant had been hit several times with less-lethal and continued to charge at the officers with the chain in his hand. Legall then aimed his less-lethal launcher at Bryant’s right rear thigh and fired one round of 40mm less-lethal munition. Bryant dropped to the ground and other officers moved in and detained him. Legall moved to the detention to assist and heard a broadcast of, “Shots fired, start Berkeley Fire Department for a possible head injury.” Prior to this, Legall was unaware that Bryant had been shot with a pistol.
In summary, Officer Moore reported:

He responded as a cover unit to a report of a robbery at Walgreens, 2190 Shattuck Avenue. Dispatch broadcast that the suspect was a black male in his 50's, about 6'00 tall, 195 pounds, wearing a gray sweatshirt and black pants. The robbery was committed via chain. Moore heard an officer broadcast that he located a subject on Bancroft Way east of Fulton. The officer advised the subject matched the description of the robbery suspect and was armed with a chain. Moore immediately responded to that area and deployed his less-lethal.

As Moore approached the scene on foot, he saw the suspect inside a partially gated courtyard of 2222 Bancroft Way. The suspect (later identified as Bryant) was holding a long metal chain in his right hand. The chain appeared to be about four feet long with thick chain links. Bryant was extremely agitated and yelling incoherently. Bryant made threats to kill the officers and their families. Bryant made a statement similar to “my weapon of choice is a gun.” Bryant swung the chain erratically and hit the ground with it.

Moore positioned himself on the west side of the courtyard. Sergeant Speelman was nearby, attempting to negotiate with Bryant. Speelman asked Bryant several times to put the chain down, but he did not comply. Speelman again asked Bryant to sit down and drop the chain. Bryant responded, “Come and get me, I’m right here.” Speelman said they did not want to do that and asked Bryant, “Would you do me a favor and put the chain down?” Bryant never dropped the chain.

An order was given for the contact team to move in. The contact team moved in from the east side of the courtyard. Sergeant Huynh commanded Bryant to “drop the chain” three times. Huynh also said, “Drop the chain or you are going to get hit with less-lethal.” Bryant
turned toward the contact team and began to walk towards them with the chain in his hand. The contact team fired less-lethal rounds at Bryant, which appeared to be ineffective. Bryant continued to advance toward the contact team with the chain in his hand. Moore feared Bryant was going to attack the officers on the contact team with the chain in his hand. Moore subsequently fired one less-lethal round at Bryant’s “center-line back area.” The suspect fell to the ground.

Moore reloaded the less-lethal and moved into the courtyard to assist the contact/arrest team. There, Moore observed Bryant was bleeding from the face/head area. Moore thought Bryant had been shot in the face/head area with less-lethal because at that time, he was unaware that an officer fired a gun until he heard a broadcast related to that on the radio moments later.

In summary, Officer Ceja reported:

He arrived on scene at the Tang Center courtyard where officers were attempting to detain the suspect. He positioned himself in an alleyway on the southwest corner of the courtyard [near Officer Gibson]. The suspect walked back and forth on a concrete island in the middle of the courtyard northeast of Ceja’s position. The suspect had a metal chain folded over that was three to four feet in length. The suspect waved the chain and hit the ground with it while yelling, acting irate and making threats to the officers. The suspect yelled out, “My weapon of choice is a gun” and “I’m going to shoot you in the brains with your face blows off.”

Ceja and Gibson were tasked as a hands-on contact team to take the suspect into custody. Ceja understood the plan was that officers with both less-lethal and lethal cover were
positioned to contact the suspect from the east side of the courtyard. Ceja and Gibson subsequently moved behind cover on the west side of the Tang Center. Ceja heard Sergeant Huynh yell at the suspect three times, “Drop the chain!” Ceja heard multiple shots fired, then looked around the building and saw the suspect down on the ground. Gibson and Ceja went over and handcuffed the suspect.

Later on, Ceja became aware of a witness who was in a sleeping bag on the north sidewalk of Bancroft Way across from the Tang Center. The witness, told Ceja he was sleeping and was awoken by a subject in the courtyard across the street yelling about “killing cops and killing cops’ kids.” saw police cars on Bancroft. He saw the subject swing the chain around and was annoyed by how loud the subject was. said it got quiet and he stopped paying attention. Then heard about three shots. said, “It was pretty stupid for him to try to take down 20 cops with a chain.”

In summary, Officer Bally reported:

Bally responded as cover to the courtyard of the Tang Center, where other officers broadcast that they located a subject who matched the description of a robbery suspect. Bally arrived on scene and observed the subject (later identified as Bryant) holding a large chain. Bryant hit tables and other objects with the chain with extreme force. He stood on an elevated ledge and paced around the courtyard, screaming and acting in an erratic and aggressive manner. Bryant yelled “shoot, shoot, shoot” when officers attempted to speak to him. Bryant threatened, “I’m gonna take every single one of you out. Soon as you see those bullets don’t affect me, I’m coming after your families, going to hell, and then I’m coming back.” Bally attempted to talk to Bryant and he responded, “Fuck you, bitch.”
Bally moved to the southwest corner of the courtyard near Gibson and Ceja. There, Gibson tried talking to Bryant who responded, “When you talk to me one more time, I’m gonna make you watch me kill your family.” Bryant continued, “My weapon of choice is a gun, but God made me use this on your ass” and “I want to shoot you in your brain so your face blows off.” Sergeant Speelman attempted verbal contact with Bryant, but Bryant was not responsive and seemed “altered” or possibly was having a “mental health emergency.” Bryant screamed unintelligible statements and described hallucinations of things that were not there.

Bally was assigned to be one of the officers that would physically detain Bryant. She maintained her position on the southwest corner of the courtyard and waited for instructions to physically detain Bryant when it was safe to do so. Bally heard Sergeant Huynh give verbal commands to put the chain down. After a few moments, Bryant jumped down from the elevated ledge he was standing on and “began to charge” at the officer while holding the chain. Huynh continued to yell “put the chain down” and Bryant continued to charge the officers. Bally heard several loud bangs and Bryant fell to the ground. Bally moved in with other officers to detain Bryant in handcuffs.

Bally escorted Bryant in BFD’s ambulance to Highland Hospital. Bryant was conscious but did not make any statements during the ambulance ride. Bally noted that Bryant had a hospital bracelet with his name, date of birth and “Adult Mental Health” printed on it. At the hospital, Bally learned from medical staff that Bryant had a gunshot wound to his jaw that caused a fracture.
In summary, Officer Maldonado reported:

He heard a radio broadcast for a robbery at Walgreens, 2190 Shattuck Avenue. The suspect was described as a black male in his 50s, 6'00 tall, 195 pounds, wearing a gray sweatshirt and black pants. The suspect was armed with a long chain that he brandished during the robbery. Maldonado responded to do an area check and heard Officer Gibson broadcast that he located the suspect on Bancroft Way east of Fulton Street. Soon after, it was broadcast that the suspect was still armed with a chain and walking around.

When Maldonado arrived at Gibson's location, several other officers were already there facing the courtyard on both the north and west side. The suspect (later identified as Bryant) was in the middle of the courtyard standing on a raised cement bench. He was holding a metal chain with his right hand and had his back to the officers standing on Bancroft Way. The suspect was yelling. Maldonado activated his patrol vehicle's spotlights to illuminate the area where Bryant was standing. Maldonado was then able to fully see Bryant and noted that he matched the robbery suspect description.

Maldonado contacted Officer Moore who was on the Bancroft sidewalk armed with a less-lethal launcher. Maldonado became Moore's cover officer. Bryant continued to display strange behavior and yell profanities about the police and the CIA. Bryant seemed to be having delusions. Moore and Maldonado positioned themselves on the west side of the courtyard. Sergeant Speelman attempted to speak to Bryant and asked him to sit down. Bryant held the chain and paced back and forth. Speelman asked Bryant to put the chain down and he responded, "Come and get me, I'm right here...c'mon, I'm right here, technology." The suspect went on, "C'mon toy soldiers, over here! Over here!" The chain in Bryant's hand appeared to be metal and could be used as a weapon to cause injury.
Sergeants Huynh and Kleppe developed a plan to contact the suspect from the east side. Maldonado stood at the northwest corner of the courtyard. Bryant paced back and forth with the chain around the back of his neck while yelling out things that did not make sense. Bryant took the chain from his neck into his right hand, faced west and yelled, “Shoot me or try to take me….” Maldonado then heard Huynh and another officer yell out, “Drop the chain! Drop the chain! Here’s your warning, drop the chain!” Bryant turned his body facing east towards the contact team. Bryant stepped off the cement bench with the chain in his right hand. Bryant headed in the direction of where the contact team was at a pace that was “a much faster pace than the walk that he displayed throughout the incident while standing on the cement bench.” The contact team was out of Maldonado’s view. The suspect went out of Maldonado’s view towards the contact team. Maldonado heard the sound of less-lethal being fired. A second later, Maldonado heard the distinct sound of a firearm being discharged one time. Maldonado moved in to assist officers with the suspect.

In summary, Officer Lomeli reported:

He responded to the area of Bancroft and Fulton after other officers located a subject matching the description of a robbery suspect who had been armed with a chain. Upon his arrival, Lomeli saw a subject (later identified as Bryant) pacing in the middle of the courtyard with a four-foot metal chain “doubled up” in his right hand. Officers attempted to negotiate with Bryant and Bryant made statements that did not make sense and made threats towards officers. Bryant also swung the chain and struck the ground with it. Lomeli positioned himself near the northwest corner of the courtyard. He acted as designated lethal cover for Officer Armistead who was at the same location with less-lethal.
Bryant got onto a ledge and paced back and forth while yelling. At one point, Bryant appeared to focus on his shadow on the wall. It was then that the contact team approached him from the east. Lomeli heard commands to “drop the chain.” Bryant suddenly shifted his focus from his shadow to the contact team and appeared “hyper focused” on them.

Bryant got off the ledge and began to charge towards the contact team with the chain in his right hand, cocked back in a position to swing it. As Bryant moved towards the contact team, Lomeli lost visual of him behind a wall. Lomeli then heard two less-lethal rounds being fired and a single round from a handgun being fired.

Sergeant Kleppe directed Lomeli to sequester Officer Albrandt at the Berkeley Police Department. Lomeli subsequently transported Albrandt to the station.

In summary, Sergeant Speelman reported:

Speelman responded to Bancroft Way regarding a robbery suspect with a chain. She heard on the radio that the suspect was non-compliant and refusing to drop the chain. On her arrival, Speelman deployed her less-lethal. Numerous officers were surrounding the courtyard and a single male (later identified as Bryant) was standing in the middle holding a long silver chain, shouting at the sky.

Bryant said things like, “No CIA! No silver bullets! Not a million men, not a million ladies, only one can stop me!” Speelman contacted Officer Gibson on the west side of the courtyard. Gibson said he tried to communicate with Bryant, but Bryant asked for “three minutes of silence.” Speelman is a former negotiator with the Special Response Team so she decided to talk to Bryant to attempt to get his compliance.
Speelman spoke with Bryant without any weapons in her hands. As she spoke to him, he said, “Your eyesight was taken. Describe that picture and I’ll drop the chain! God is looking down...” Bryant also said, “Come on, I’m right here, toy soldiers. I’m right here technology, come on toy soldiers! Over here!” Speelman asked Bryant who he was talking to and he did not respond. Speelman asked Bryant repeatedly to put the chain down but he did not. Bryant said, “Go ahead and shoot me bitch, little toy soldiers, I’m gonna send you to hell, I’m going to come visit you and I’m gonna play doctor.” Speelman continued to try to engage Bryant but he ignored her and said, “I’m protecting God’s property! Reverse light, reverse their sensors...thank you...Ah! Ah! Oh, man, I’ve waited so long mom, you thought I was a coward...reverse the vehicle’s lights, inward...outward, back inward out! Thank you. All the colors...the new element...half angel...no I’m not half man...no man of God. Going to hell for you guys.”

At this point, Sergeant Kleppe advised Speelman that Sergeant Huynh was on the east side of the courtyard with a team of officers who were going to attempt to contact Bryant. Speelman walked north to get out of the way of any crossfire from Huynh’s team.

Speelman watched Bryant through a chain link fence. She heard Huynh yell, “Drop the chain! Drop the chain!” Bryant did not drop the chain and instead began walking purposefully towards Huynh’s team. Speelman heard loud reports from less-lethal and one much louder report from a gun. Speelman entered the courtyard and saw officers handcuffing Bryant. She radioed a request for the fire department to come to the scene.

Speelman directed the crime scene be taped off. She walked around and noted where the spent less-lethal projectiles and cartridges were located, along with a single spent shell casing.
and bullet fragment. She remained on scene with Officers Gibson and Ceja to safeguard the evidence.

In summary, Sergeant Kleppe reported:

He heard a report of a robbery via chain from 2190 Shattuck Avenue followed by a radio broadcast that an officer was attempting to contact a suspect likely related to the robbery. That officer requested less-lethal to the scene. As Kleppe arrived, officers were attempting voice contact with the subject (later identified as Bryant). Kleppe deployed his less-lethal from his vehicle and approached the scene. He observed Bryant in the courtyard of 2222 Bancroft loudly screaming.

Officers gave repeated commands to Bryant to drop the chain. Kleppe saw Bryant holding a thick metal chain that appeared about six feet long. Officer Armistead attempted a dialogue with Bryant. Bryant responded by saying to “shoot” him and that he was going to “overhand everybody.” Bryant said, “Let’s roll, let’s fucking roll” and began slamming the chain down into the ground in a whipping motion. Bryant said, “Shut up” or “Shut up, bitch” in response to officers who attempted dialogue with him. At one point, Bryant said, “I’m gonna shoot you” to the officers. BFD was directed to stage west of the Tang Center on Bancroft Way.

Kleppe moved to the southwest corner of the courtyard while Officer Gibson attempted to engage Bryant in dialogue. Bryant responded, “If you talk to me one more time, I’m gonna make you watch while I kill your family.” Bryant continued, “My weapon of choice is a gun and God wants me to use this on your fucking ass.” Kleppe thought Bryant’s repeated statements about assaulting officers and his erratic behavior (to include the robbery) made it
“readily apparent” that Bryant was very violent and confrontational. Bryant continued to pace with the large chain while swinging it around.

Sergeant Speelman then attempted to speak with Bryant but was unable to begin any dialogue with him. At one point, Bryant asked for three minutes of no talking and officers stopped interacting with him.

Kleppe spoke with Sergeant Huynh and they “began moving [their] personnel to safely take Bryant into custody.” Kleppe stayed on the west side of the courtyard and gave his less-lethal to Officer Legall, along with two extra rounds of foam projectile ammunition. Kleppe moved the officers on the west side of the courtyard further north to “minimize crossfire.”

Huynh and others set up a contact team on the east side of the courtyard. They challenged Bryant and gave him repeated and concise commands to drop the chain. From Kleppe’s vantage point, he could only see the top of Bryant. Bryant turned and immediately moved quickly towards the contact team on the east side of the courtyard. Kleppe heard several less-lethal rounds and then a single loud report which sounded like a gunshot. The contact team continued to give commands and Kleppe moved up into the courtyard. He saw Bryant on the ground. Kleppe saw the contact team standing next to Bryant and asked if anyone had fired. Officer Albrandt raised her hand and said she had. Kleppe radioed “shots fired,” that the suspect was down and BFD was needed. Officers Moore and Legall advised Kleppe that they also fired less-lethal.

Kleppe took Albrandt to the side and he took custody of her BWC. Kleppe asked Albrandt to provide a public safety statement. Specifically, Kleppe asked how many rounds she fired
to which she answered “one round.” Kleppe asked Albrandt what direction she fired and she reported she fired in a western direction. Kleppe asked if there were any outstanding suspects and Albrandt said there were not, indicating that Bryant was the only suspect.

Kleppe escorted Albrandt to a patrol vehicle and directed Officer Lomeli to stay with her and transport her to the police department. Kleppe then returned to the station and took custody of Albrandt’s duty belt, firearm and her pistol magazines from her external vest carrier. Kleppe turned these items over to Homicide. Kleppe issued Albrandt a replacement firearm and duty belt form the OIS locker.

Kleppe then collected BWCs from Huynh, Grover, Melowitz, Legall and Moore and turned them over to Homicide. Kleppe took custody of the five less-lethal launchers and had them photographed and documented before returning them back to service.

**Contact Team**

In summary, Sergeant Huynh reported:

He heard a radio broadcast of an “armed robbery” that occurred at 2190 Shattuck. The suspect was a black male, late 50s, 6'0 tall, 195 pounds, and armed with a large six-foot-long chain. As Huynh responded from the west end of the city, he heard on the radio that officers were attempting to stop the suspect at Bancroft Way, east of Fulton Street. Less-lethal was requested on the radio.

Huynh arrived on scene and immediately contacted Sergeant Kleppe. Kleppe was on the western side of the courtyard next to Sergeant Speelman, who was negotiating with the suspect (later identified as Bryant). Bryant was in the courtyard holding a large chain - at
least six feet in length – over his shoulder. He was noncompliant, incoherent, extremely agitated and his physical posture was aggressive. Kleppe and Huynh devised a plan to make an arrest with a contact team on the eastern side of the courtyard. Huynh assumed the contact team supervisor role.

The contact team staged in the breezeway on the eastern side of the courtyard. The less-lethal operators were Huynh, Grover and Melowitz. The lethal cover officers were Navarro and Albrandt.

While staged, Huynh gave assignments and tactics and waited for Kleppe to verbally initiate the contact team’s movement to the suspect. Kleppe gave Huynh the command and the contact team moved “into position.” Huynh saw Bryant standing on a raised cement fixture in the middle of the courtyard. Bryant was holding the chain in his right hand. Huynh gave commands to Bryant to drop the chain. Bryant immediately turned to face Huynh and Huynh repeated the command. Bryant did not drop the chain and stepped off the cement fixture. Huynh told Bryant he would get shot with less-lethal. Bryant “quickly began rushing” at Huynh while holding the chain in his right hand. The suspect had the chain in a “swinging position.” Huynh shot Bryant once with less-lethal, targeting his stomach area. The impact had no effect on Bryant. Huynh heard two more less-lethal rounds fired to the left of him, which also appeared not to have any effect on Bryant. Huynh estimated Bryant was within 10’ of him and that he was in imminent danger of great bodily injury or death. Huynh heard a single gunshot fired from his left and Bryant fell to the ground. Huynh did not know Bryant had been hit by a bullet until he heard someone say he had a gunshot wound.
In summary, Officer Navarro reported:

She responded to the Tang Center to assist officers that located a robbery suspect. On her arrival, Navarro saw the suspect (later identified as Bryant) in the middle of the courtyard yelling obscenities and banging a large dense chain against a concrete barrier he was pacing back and forth on. Navarro was directed to the east side of the courtyard to contain Bryant in the courtyard. Officer Gibson tried to talk to Bryant, who responded, “I’m not lying man, your family will be the first if you don’t chill out.”

Officers Legall and Melowitz met with Navarro at her post – they both had less-lethal. Bryant continued to ramble and make “religious statements.” Sergeant Kleppe directed Navarro and company to move north behind a wall since there was a crossfire concern with a group of officers assembled at the southwest corner of the courtyard. An officer attempted to make verbal contact with Bryant. Bryant responded, “Hey! If you talk to me one more time, I’ll make you watch me kill your family.” Legall and Melowitz relocated to the west side of the courtyard and Navarro remained on the east side, behind the building and out of Bryant’s direct sight.

Bryant continued to yell and said, “I will make all of you guys watch me hurt all your families, do it bitch, do it! My weapon of choice is a fucking gun, but God wants me to use this on your ass!” Bryant raised up the chain that appeared be about three to five feet long. Bryant said, “I want to shoot you in the brain and your face blows off.” Sergeant Speelman attempted to talk with Bryant. Bryant told Speelman if she could describe the picture at his feet, he would drop the chain. Speelman continued to try to talk to Bryant, who yelled, “Come on, come on toy soldiers, over here!”
Sergeant Huynh contacted Navarro at her post and asked if she was the only one on the eastern side. Huynh left and soon after returned with Officers Grover, Melowitz and Albrandt. Huynh informed them all they were the contact team. Huynh designated Navarro and Albrandt as the “designated lethal force” officers while Huynh, Grover and Melowitz were designated as less-lethal officers. Navarro paired up with Melowitz as his lethal cover, Grover and Albrandt were assigned as a pair and Huynh indicated he would be giving the commands to Bryant.

Huynh initiated the contact and made several clear verbal commands to Bryant to drop the chain. Bryant was not compliant and began to move toward the contact team with the chain in his right hand. Melowitz and Navarro moved to the south corner of the courtyard and Navarro was aware there were officers in the background behind Bryant, which is why she moved south. Huynh continued to give commands to drop the chain or be hit with less-lethal. Bryant shuffled at a “faster pace” in a direct line towards Huynh, Grover and Albrandt. Bryant was hit multiple times with less-lethal, which was ineffective and did not slow him down. Bryant appeared to shield his body from the less-lethal rounds with his left arm and started to “wind up” his right arm to swing the chain overhead. Bryant moved three to five feet and was almost within striking distance of Huynh. Albrandt fired one round and Bryant spun around and fell to the ground on his stomach. Officers from the west side of the courtyard moved in and detained Bryant in handcuffs. Navarro saw that Bryant was bleeding from his jaw, so she retrieved a trauma kit from a patrol vehicle.

In summary, Officer Melowitz reported:

He responded to a report of a robbery via chain that occurred at 2190 Shattuck. The suspect was described as a black male, late 50s, 6’00 tall, 195 pounds, wearing a gray sweatshirt and
black pants. The suspect was reported to be wielding a six-foot-long chain. An officer
broadcasted that the suspect was on Bancroft Way, east of Fulton. Melowitz arrived at the
location and armed himself with less-lethal.

Melowitz saw the suspect (later identified as Bryant) inside the courtyard of the Tang Center.
Melowitz stood at the edge of the courtyard with other officers to establish a perimeter.
Bryant had a large chain in his hands and was acting erratically. He screamed nonsensically
and was mostly incoherent. He briskly paced back and forth inside the courtyard and swung
the chain like a whip multiple times.

Melowitz heard Bryant say, “I’m going to overhand everybody...this is a solid gold chain.”
When told to drop the chain, Bryant said, “Shoot me!” He also said, “I’m going to shoot
you!” and “Go ahead and shoot me, bitch.”

Attempts to build rapport and negotiate with the suspect were unsuccessful. Sergeant
Huynh tasked Melowitz to join him on the eastern alley entrance to the courtyard. Huynh
assigned Melowitz and Officer Grover as less-lethal operators for an arrest team. Officer
Albrandt was primary lethal cover for Grover and Huynh. Officer Navarro was primary
lethal cover for Melowitz. Huynh said they would get in position, then he would provide
commands and if the suspect did not comply, they would use less-lethal.

Huynh told them to move in. Huynh, Grover, and Albrandt hugged the wall, while
Melowitz fanned a few feet south of them to create distance and prevent crossfire. Huynh
ordered Bryant to drop the chain. Bryant continued to hold the large chain in his hand.
Bryant did not comply with commands and purposefully walked straight towards Huynh,
Grover and Albrandt. Bryant closed the distance to about 10 feet. At that moment, Melowitz felt Bryant represented an immediate and imminent threat to cause serious bodily harm to Huynh, Grover and Albrandt. Melowitz fired less-lethal at Bryant’s left thigh. Melowitz did not see the impact of the projectile. He repositioned to reload his less-lethal.

Bryant was on the ground detained by multiple officers. Sergeant Kleppe radioed that a shot was fired. Melowitz was unaware a shot was fired until then.

In summary, Officer Grover reported:

Grover responded to the area of 2190 Shattuck for a reported robbery that just occurred. The suspect had been armed with a large chain and was last seen on foot eastbound on Kittredge Street. The suspect was described as a black male in his late 50’s, 6’00 tall, 195 pounds and wearing a gray sweatshirt and black pants.

Grover heard Officer Gibson broadcast that he located a subject that matched the description on Bancroft Way east of Fulton. Gibson also asked for less-lethal. Grover responded from about a block away. Upon his arrival, Grover saw Gibson near the outdoor courtyard of 2222 Bancroft Way. Grover retrieved his less-lethal from the center gun rack in his police car. Grover positioned himself on the west side of the courtyard.

Grover observed the suspect (later identified as Bryant) standing in the courtyard. He had a large metal chain in his hand, which appeared to be “bundled up” partially, with about four feet hanging to the ground. Grover requested Berkeley Fire Department stage in the event less-lethal was used.
Bryant was erratic and agitated. He paced around and yelled, while standing on a bench in the courtyard. Several officers gave verbal commands to drop the chain. Bryant did not comply and in fact appeared to “become more agitated by officers giving commands.”

Sergeant Kleppe arrived on scene and “took over as scene commander.” Kleppe directed Grover to move to the north side of the courtyard with Officer Albrandt. Albrandt acted as Grover’s lethal cover. Officers continued to try to negotiate with Bryant, without compliance.

Sergeant Huynh directed Grover to be part of a contact team that would attempt contact with Bryant from a pathway on the east side of the courtyard. The contact team included: Sergeant Huynh, Officer Melowitz, Officer Navarro, Officer Albrandt and Officer Grover. They staged together on the east side of the courtyard behind a small shed. Huynh designated Grover as less-lethal cover. Huynh identified himself as the person who would give Bryant verbal commands.

The contact team moved around the corner of the shed and contacted Bryant, who was standing on top of a raised bench in the courtyard west of them. Huynh gave several clear verbal commands for Bryant to drop the chain. Bryant did not drop the chain and began to charge towards them. Huynh was in front of Grover, offset to the left. Bryant continued to charge at them, chain in hand. Grover feared that Bryant would hit Huynh or himself with the chain and seriously injure or kill one of them. Grover fired a single 40mm foam projectile at Bryant’s left side shoulder/upper arm area. The less-lethal did not seem to have an effect, as Bryant continued to advance at them, closing the distance with the chain in his hand.
Huynh began to move backwards into Grover. Grover turned his body to the left and tried to load another round in his launcher as Bryant charged him. Grover was “terrified” Bryant was still charging them and would hit him the chain. Grover then felt an impact on his left upper thigh, but did not know what hit him. Grover turned his body to shield himself from any potential blows from the chain and continued to try to reload his less-lethal. He heard a loud bang to his left that he thought was from another less-lethal being fired. When Grover looked at Bryant, he saw him face down on the ground. Grover finished loading his less-lethal while officers handcuffed Bryant. Then, Grover learned that Bryant had been shot with a lethal round.

Grover realized later upon observing the bruise on his thigh that he had been struck with a less-lethal round and reported this to Sergeant Kleppe.

**Outer Scene Perimeter**

In summary, Officers Coria, Shivas and Thome reported they took a traffic post outside the perimeter.

**Involved Officer**

On Tuesday, 01-05-21 at 1500 hours, I interviewed Albrandt in the presence of her legal representative/attorney, Doug Foley. Sergeant Bonaventure was also present. The interview was conducted in the Detective Division conference room and was audio recorded.

I told Albrandt that the purpose of the investigation was to determine the cause and circumstances which led to this incident, and whether or not anyone committed a crime. I told Albrandt this
interview was not an administrative investigation and that she was not being ordered to talk to me under the authority of Garrity or Lybarger. I told Albrandt that because she was not in custody, had not been in custody and was free to leave, she would not be given a Miranda admonition. Albrandt said she understood.

Albrandt was hired by the Berkeley Police Department in November 2019 and became a sworn officer in June 2020. She completed her field training program and became a solo officer in October 2020. She has no prior law enforcement experience. She was assigned to Team 7 in the Operations Division.

This incident occurred on a Saturday. Albrandt’s regular work week is Friday through Sunday, 1800-0630 hours. The week of this incident, Albrandt worked her regular shift on Friday from 1800-0630. She slept from about 0730 to about 1600 hours on Saturday before starting her shift again at 1800 hours.

On the day this occurred, Albrandt was wearing her police uniform which included an external vest carrier over a shirt with two visible Berkeley PD arm patches. Her vest had her name on the right chest and her police badge pinned on the left chest. Additionally, the vest carrier was holding her body worn camera, her police radio, two loaded gun magazines and OC spray. She was wearing a duty belt with her holster/firearm, handcuffs, flashlight and collapsible baton. Albrandt was also wearing a baseball cap with a Berkeley PD patch. She was wearing prescription contacts during this incident.

Albrandt's firearm is a department-issued Glock 17 9mm duty weapon. The firearm had a tactical light on it. Albrandt's gun had 17 rounds in the magazine plus one in the chamber,
for a total of 18 rounds. The ammunition was issued by the department. She was not
carrying any other firearms during the incident.

I asked Albrandt to provide a narrative and tell us what happened in her own words.

Albrandt was in her car at the police department when she heard the beeper on the radio
followed by a broadcast of a robbery at Walgreens. The robbery was via a long chain and
the suspect was last seen east of Shattuck on Kittredge. Albrandt followed another police
car to the Tang Center. She parked her car, got out and saw other officers at the courtyard.

A man was standing in the middle of the courtyard. Officer Moore was on the west of the
courtyard with less-lethal and Officer Lomeli was Moore's lethal cover. Albrandt saw
Officer Grover with his less-lethal, but he did not have a lethal cover. Grover asked
Albrandt to be his lethal cover.

They moved to the north side of the courtyard, where they had their eyes on the subject,
who was still in the center. He was aggressive, yelling and had a chain in his hands. The
chain was wrapped around his hand multiple times. As he stood there screaming, he
whipped the chain onto the ground. Albrandt could tell the chain was metal from the sound
it made when it hit the ground. She thought the chain could hurt someone. The subject
yelled and also targeted certain officers by pointing at them and threatening them. Albrandt
did not remember the threats verbatim, but did recall that when he focused on specific
officers, she positioned her gun at the “ready position.” When the subject turned and faced
the building, Albrandt lowered her gun to a “low ready” position. The second the subject
turned his attention back towards the officers, she would “get back at ready [position].”
A negotiator was talking to the subject. Albrandt heard the officer, but did not know who it was. The negotiator was trying to “talk him down” and get him to calm down. Albrandt said, “It wasn’t working at all... if anything, I think it made it worse at times.” The negotiator tried talking to the subject for a while. Albrandt noticed Officer Melowitz was on her left, along with a UCPD officer. Melowitz had less-lethal and the UCPD officer had a Taser.

Sergeant “Van” [Huynh] approached Albrandt, tapped her on the shoulder and assigned her to a “contact team” to contact the subject. In addition to Albrandt, Sergeant Huynh assigned Officers Grover, Melowitz and Navarro to the contact team. They went to the eastside walkway into the courtyard. A building provided cover, so the subject in the courtyard could not see them in the walkway. While in the walkway, they established a plan. The goal was to detain the subject “with no one getting hurt.” Huynh identified himself as less-lethal, along with Melowitz and Grover. He identified Albrandt and Navarro as lethal cover. Huynh said he would give commands for the subject to drop the chain.

Then, the contact team moved around the corner. Huynh stayed close to the building and Albrandt fanned out [away from the building] to get a better view of what was going on. Once Huynh came around the corner and started giving commands, the subject “just focused in” on Huynh and another officer standing next to him [she did not know which officer this was]. As Huynh gave commands, the subject yelled and screamed and approached the officers in the contact team “aggressively and pretty quickly.” As the subject approached, he had the chain in his hand still. The subject approached quickly and Albrandt heard rounds being fired from the less-lethal. She thought all the less-lethal operators in the
contact team fired yet the subject was still “coming fast” towards Huynh and the officer standing next to Huynh. Albrandt said, “He had the chain in his hand, and he was going to swing it. And I knew that if he finished swinging that chain, that Sergeant Van [Huynh] was going to be seriously hurt if not killed by that chain.” Albrandt discharged her firearm at the subject and he fell to the ground.

Officers rushed in to help the subject. Albrandt backed up and Sergeant Kleppe came up to her. She told Kleppe that she discharged her firearm at the subject. She holstered her firearm and gave Kleppe her body worn camera. She told Kleppe she fired one shot at the subject in a northwestern direction. She was then removed from the scene.

After Albrandt’s narrative, I showed her photos of the scene in the courtyard and asked follow-up questions.

Albrandt indicated she parked her car on Bancroft in front of the Aquatic Center (west of the Tang Center courtyard). Albrandt used photo #3 to mark the locations of Officers Moore, Lomeli and Grover when she arrived on scene – using “M,” “L” and “G.” Grover told her, “Hey, come with me” and “cover me.” Albrandt used X marks to show where she and Grover moved to the north side of the courtyard; she then amended the locations with circled X marks.
The subject – described as a black male, 6'00 tall – was in the courtyard standing on an elevated surface. I showed Albrandt photo #10 which depicted a raised concrete bench and a round picnic table. Albrandt thought the subject was standing on the raised concrete bench in the photo and not the table.
I showed Albrandt photo #11 of the chain collected at the scene. She said, “That’s the chain.”

Albrandt could not recall verbatim any of the threats the subject made, but she did recall that “he was making threats like he wanted us to harm him.” She said the subject hit the chain on the ground and “basically [told] us to like shoot him.” She thought he said something similar to, “You, I’m going to get you.”

I showed Albrandt photo #6, which depicted the eastern walkway to the courtyard. Albrandt identified this as the location where the contact team assembled and Sergeant Huynh came up with a plan.
I asked Albrandt what her understanding of the plan was. She said, "Since...negotiations weren't working, our goal was to contact the subject...detain the subject, obviously, without anyone getting harmed." I asked Albrandt what her understanding of designated lethal cover meant to her. She answered that if less-lethal did not work and someone was about to be "seriously harmed, if not threatened with death," that is when lethal cover is used. Albrandt added, "So, basically if all else fails."

Albrandt has been assigned as designated lethal cover before. I asked her what she was looking for as the designated lethal cover in this incident. Albrandt said she was evaluating the subject’s behavior, how far away the subject was, the positioning of other officers, the background and whether the subject had a weapon. She said, "And my job [was] once there's a threat of serious bodily injury or death, that's the only time I would ever use lethal."
She did not consider using another force option in this incident for the reason that three
other officers with her were designated to use less-lethal.

Albrandt said she fired one shot because, “He fell to the ground and wasn’t a threat
anymore.” Albrandt aimed at the subject’s upper chest. After the subject was on the
ground, she saw him bleeding around his head or face and realized that was where she hit
him. Albrandt did not give a warning before shooting because Huynh was already giving the
subject warnings. Huynh’s warnings were something similar to, “Drop the chain or you’re
going to be harmed.” I asked Albrandt what was in her backdrop at the time of the
shooting. She did not see any officers in the background [behind the subject].

I asked Albrandt what she thought would happen if she had not fired her gun. Albrandt
said, “I knew that if he finished swinging that chain that he was going to hit Sergeant Van
with that chain. And possibly the other officer close to him [Officer Grover]…and I knew
that…was going to severely hurt, if not kill them.”

Albrandt has not had contact with this subject before.

After the shooting, Sergeant Kleppe walked Albrandt over to a police vehicle and Officer
Lomeli gave Albrandt a ride to the police department. There, an officer or sergeant took her
firearm (she did not remember who).

At the end of the interview and in accordance with the BWC policy, I offered Albrandt an
opportunity to view her BWC footage. Albrandt and her attorney reviewed the footage on a laptop.
I then offered Albrandt an opportunity to add to her statement after watching the video and she declined.

**BODY WORN CAMERA FOOTAGE**

I reviewed the BWC footage associated with this incident.

Officer Gibson's BWC captured the initial attempt to detain Bryant.

At 20:26:54 hours, Gibson exited his police car, with the emergency lights on. Bryant faced Gibson and then immediately retrieved the chain.
At 20:26:57 hours, Bryant whipped the chain overhead towards Gibson, prompting Gibson to back away.
At 20:27:00 hours, Bryant looped the chain in his two hands and appeared to swing one end of it.

At 20:27:17 hours, Bryant walked further into the courtyard. Gibson yelled at him to "Stop!" Bryant replied, "I'll take off your head" while holding the chain in his hand (circled). Gibson requested less-lethal and directed another officer to get the courtyard surrounded.
Albrandt's BWC of the incident is 14 minutes, 27 seconds in length. The video time stamp indicates the recording was initiated at 2028 hours [it should be noted the timestamp shows 01-03-21 at 0428 because it is in UTC time, 8 hours ahead].

The BWC began at 2028 hours with Albrandt on the sidewalk on the north side of the courtyard on Bancroft Way. Albrandt had her pistol pointed in the direction of Bryant who yelled, paced back and forth and whipped a chain onto the ground. Bryant said, “Let’s rock and roll, like you guys did me last time, no, no, no, no!” An officer yelled at Bryant, “Just drop the chain!” Bryant responded, “Shoot me!” Officers on the west side of the courtyard attempted to talk to Bryant. Bryant said, “My weapon of choice is a fucking gun, but God
wants me to use this on your ass...I want to shoot you in the brain, where your face falls off.”

Albrandt continued to maintain this position alongside another officer (later determined to be Officer Grover) who had less-lethal. Albrandt did not have any communication or direct contact with Bryant.

At 2036 hours, Sergeant Huynh told Albrandt she was going to be “lethal” cover and directed her to follow him eastbound on the sidewalk. Albrandt replied, “Got it.”

At 2037 hours, Huynh, Albrandt, Grover and Melowitz met up with Navarro on the east side of the courtyard. Huynh tapped Navarro and Albrandt on the shoulder and identified them as “lethal.” Huynh said, “Once we’re set in place, we’re gonna switch to commands. I’ll give commands, I’ll give commands to comply. If he doesn’t, we’re gonna less-lethal him...we’re gonna push him, we’re gonna push him to try to get him to continue to go back that way...or go towards UCs right over there.... alright? So that’s the game plan. We’re done with this.” Huynh radioed Sergeant Kleppe that they were “in place on the east side of the building and ready.”

At 2039 hours, Huynh said to the contact team, “So we’re gonna be on front. Line up. Fuckin’ we will stagger, less-lethal, fuckin’ fan out, give us fuckin’ room to work, okay?”  Huynh added, “Watch, watch the crossfire going across to our team.” Albrandt said, “Got it.”
At 20:39:52, Huynh asked, "You guys ready?" and moved around the corner to the courtyard with his less-lethal aimed towards Bryant.

At 20:39:55, Grover and Albrandt were behind Huynh as he moved into the courtyard. Huynh yelled, "Drop the chain, drop the chain, here's your warning, drop the chain! You're gonna get hit with less-lethal!" Bryant was on the raised concrete bench and turned to face the contact team.
At 20:39:57, Albrandt lowered her pistol while maneuvering to the left of Huynh and Grove who were in front of her. Albrandt then raised her pistol in the direction of Bryant, who had stepped off the raised concrete median and advanced towards Huynh and Grover with the chain in his hand.

At 20:39:58, less-lethal rounds are fired. At least two less-lethal rounds are audible on Albrandt’s body worn camera recording. The chain is noted in the red circle.
At 20:39:59, Huynh and Grover began to move backwards away from Bryant as Bryant continued to advance in their direction.
Immediately following at 20:39:59, Albrandt fired a single shot in the direction of Bryant. Bryant then goes to the ground. Huynh yelled, "Get on the ground, get on the ground, show me your hands, spread 'em, spread your arms, do not move!"

At 20:40:04, other officers moved in to attend to Bryant. Albrandt stepped back.

At 20:41:17, Albrandt was approached by Sergeant Kleppe for a public safety statement.

Five seconds had elapsed from when Huynh gave Bryant the initial command to drop the chain to when Albrandt fired her gun.

The BWC footage for Huynh gave an unobstructed view of Bryant. The other officers in the contact team were behind Huynh and/or to his side.

At 20:39:53 hours, Huynh moved around the corner and yelled, "Drop the chain! Drop the chain!" Bryant was standing on the raised concrete bench facing north, with his right side towards the contact team. His hands appeared to be behind his back.
At 20:39:55 hours, Bryant turned to face towards the contact team with the chain in his right hand. Huynh yelled, "This is your warning!" Huynh moved towards Bryant.
At 20:39:57 hours, Bryant stepped off the raised concrete bench with the chain in his hand. Huynh yelled, “Drop the chain or you’ll get hit with less lethal!” Bryant stepped forward towards the contact team with the chain in his hand.
At 20:39:58 hours, two rounds of less-lethal are heard firing. Bryant continued to move forward toward the contact team. Huynh retreated backwards away from Bryant.

At 20:39:59 hours, Bryant continued advancing towards Huynh. Bryant’s forward movement and Huynh’s backward retreat are indicated on their shadows cast on the wall (marked below with a circle for Bryant and an arrow for Huynh).
Immediately following at 20:39:59, a gunshot is heard.
At 20:40:00, Bryant’s forward motion towards Huynh and the contact team stopped as he goes to the ground. This is also indicated with a shadow cast on the wall.

At 20:40:00, Huynh yelled, “Hit him!” as Bryant continued to the ground.
At 20:40:02, Huynh yelled, "Stay on the ground! Stay on the ground! Show me your hands! Spread 'em!" Huynh advanced towards Bryant who was on the ground. Other officers moved in to attend to Bryant.

Officer Navarro's BWC depicts Bryant's movements towards officers and the officers' retreat backwards.

At 20:39:55 hours, Bryant had already stepped off the raised concrete bench and continued to move toward the contact team [from left to right: Huynh, Grover, Albrandt].

At 20:39:56 hours, Bryant continued to advance towards Huynh and Grover as they began to retreat backwards.
The chain can be seen in Bryant’s hand (circled below) as he advanced on the officers.
At 20:39:57 hours, Bryant continued to advance on Huynh and Grover as Albrandt fired her gun (the muzzle flash from Albrandt’s gun is seen below).

Immediately after at 20:39:57 hours, Huynh, Grover and Albrandt moved backwards, away from Bryant who still had the chain in his hand.
At 20:39:58 hours, Bryant began to go to the ground. Grover and Albrandt continued to back away.

I reviewed the BWC footage for the two UCPD officers. [Note the timestamp on UCPD’s BWC system appears about two seconds ahead of the timestamp on BPD’s BWC system.]

The BWC footage for UCPD Corporal Burcham captured Bryant’s movements, most notably as he was contacted by Huynh and given commands.

UCPD Corporal Burcham and UCPD Sergeant Wing were standing on the north side of the courtyard (southern sidewalk of Bancroft Way). Speelman was talking to Bryant during this time. Bryant was standing on the raised concrete bench.

At 20:33:14 hours, Bryant faced west in Speelman’s direction and swung the chain out.
At 20:39:38 hours, Bryant removed the chain draped from around his neck and held it in his right hand as he yelled in the direction of Moore and Legall on the west side of the courtyard. Bryant said, “Prove it tonight...shoot me or try to take me down.”
At 20:39:53 hours, Huynh is heard giving commands to Bryant, “Drop the chain, drop the chain!” At that moment, Bryant was facing north (towards Burcham) on the raised concrete bench with the chain in his hand. Bryant's right side was facing the contact team, and his head was turned towards the contact team.
At 20:39:55 hours, Bryant stepped down off the ledge and moved towards the contact team with the chain in his hand.

At 20:39:56 hours, Bryant continued to advance towards the contact team and had moved out of Burcham's sight view.
At 20:39:56 hours, two rounds from less-lethal are heard firing.

At 20:39:58 hours, a gunshot is heard.

Sergeant Kleppe’s BWC documented Albrandt’s public safety statement.

At 20:40 hours, Kleppe entered the courtyard. Albrandt raised her hand and Kleppe asked her, “You did?” Albrandt answered, “Yeah.” At 20:41, Speelman, Kleppe and Tate approached Albrandt. Kleppe said he would get the public safety statement.

Kleppe: “Are you okay?”

Albrandt: “Yeah, I thought he was going to hit Sergeant with the chain.”

[Kleppe held up his hand to stop Albrandt.]

Albrandt: “Sorry.”

Kleppe: “How many rounds did you fire?

Albrandt: “One”

Kleppe: “One? What direction did you fire it?”

Albrandt: “Towards him, so...[pointed west]”

Kleppe: “Are there any suspects outstanding?”

Albrandt: “What was that?”

Kleppe: “Are there any suspects outstanding?”

Albrandt: “Him [pointed to Bryant].”

Kleppe: “So, there are no outstanding suspects.”

[Kleppe stepped away from Albrandt to give directions to other officers before returning to Albrandt.]
Kleppe: “So, I need you to stop recording and give me your body cam.

[Albrandt handed him her BWC.]

**Vincent Bryant**

Sergeant Bonaventure’s associated investigation of Bryant — to include the incident at Walgreen’s and Bryant’s subsequent actions in the courtyard of the Tang Center — was charged by the District Attorney’s office on 01-06-21 (BPD case 21-221). The DA filed charges against Bryant for 211 PC - robbery, 69 PC – obstructing an officer with a threat of violence, and 245(c) PC – felony assault on an officer.

I did a records checks of Bryant and noted the following:

- Berkeley PD records showed that on 12-28-20, Bryant was detained on Shattuck Square after it was reported he brandished a pole at someone. Bryant was subsequently placed on a 5150 WI hold (20-58727).
- Bryant is on CDC parole for PC 459 – Burglary, having been paroled from prison on 07-24-20. His parole discharge date is 07-24-22.
- CII showed that Bryant was arrested on 12-20-20 in San Francisco. The charges listed were PC 211 – Robbery, VC 10852 – Tampering with a vehicle, PC 496 – possession of stolen property and a parole violation warrant (SFPD 200-766-387).
- On 08-09-18, Bryant was arrested on a warrant for a 07-12-18 Berkeley burglary (20-39156). That case was charged as PC 496 - possession of stolen property, and PC 530.5, fraudulent possession of personal information. On 04-29-19, the case was dismissed, citing that Bryant was “serving a 6 year prison sentence” in Southern California.
The recent documented contact with Bryant was on 12-28-20, five days before the OIS. I reviewed the BWC footage associated with that incident (20-58727).

The detaining officer contacted Bryant as she was getting out of the car and said, “Stay right there for me.” Bryant responded, “Don’t even try it, okay? You can’t kill me, you can’t shoot me, so knock it off.” Other officers arrived and Bryant was detained in handcuffs.

Bryant denied having a weapon and objected to being searched. Bryant screamed at the officers that they were harassing him. Bryant said he was “Mr. Bryant” and would not identify himself further. Bryant said, “Take me to jail” and “I want a lawyer.” Bryant said someone stole his bike, pulled a gun and shot at him. When asked what happened, Bryant continued to yell, “I want a lawyer” multiple times and said, “Alaska Airlines seen it all” and demanded to be let go.

When Bryant was told he was going “for a mental health evaluation,” he said, “Because you’re bad cops, all eight of you. You’re bad cops. Cops don’t do this….real cops don’t do this. You guys are bad people. God’s gonna rain on you. He knows all your little hiding spots. But continue it…continue harassing me for nothing. Make your own bed. God’s hand, his giant hand, ain’t soft like your guys’. You’re bad cops. People are gonna wake up to you guys.”

The victim of the brandishing reported Bryant was unknown to him. The victim positively identified Bryant as the suspect who brandished a pole. He did not want Bryant arrested, but requested he get a mental health evaluation. The 5150 W&I application for emergency psychiatric detention was written with Bryant listed as “John Doe” as he was unknown to the officers and
would not provide identifying information at the time the document was written. After Bryant was transported to the hospital in an ambulance by Falck, Officer Tran located Bryant's name and information in his property that was booked for safekeeping. Bryant was subsequently listed as the suspect of brandishing on the crime report that accompanied the 5150 W&I psychiatric hold (20-58727).

I received and subsequently reviewed the police report related to Bryant's robbery arrest on 12-20-20 (SFPD 200-766-387). The report summarizes an incident in which a victim interrupted Bryant stealing from her car. The victim confronted Bryant in an attempt to recover her stolen property. Bryant then pushed the victim multiple times in her chest and yelled something similar to, "Bitch, get your hands off me. Bitch, I'll fuck you up." Bryant was detained by police and arrested. Property belonging to the victim was recovered from Bryant's pockets and bags. Bryant was booked for robbery, tampering with a vehicle, possession of stolen property and a parole hold. Records indicated prosecution was "deferred for revocation of parole."

On 02-23-21, KTVU aired a video interview with Bryant. I reviewed the open source news interview, in which Bryant said, "I feel I was shot point blank in the face...they prejudged me. If those guys knew me for who I am, they would say they made a mistake...but they can't take that back. What happened, nobody can take it back." I booked a recording of the KTVU interview into Evidence.com.

As of 06-01-21, Bryant is wanted on the following three warrants:

- $250,000 211 PC, 69 PC, 245(c) PC warrant, #21CR0001182, issued 01-06-21.
- "No Bail" probation violation warrant, #21CR0001211, issued 01-13-21.
- "No Bail" parole violation warrant, #2104257780, issued 04-23-21.
Conclusion

Pursuant to Penal Code Section 835a(a), the authority to use physical force conferred on peace officers is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. It is the intent of the Legislature that peace officers use deadly force only when necessary in defense of human life. In determining whether deadly force is necessary, officers shall evaluate each situation in light of the particular circumstances of each case, and shall use other available resources and techniques if reasonably safe and feasible to an objectively reasonable officer. The decision to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by peace officers. Further, the decision to use force shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances known to or perceived by the officer at the time, rather than with the benefit of hindsight, and that the totality of the circumstances shall account for occasions when officers may be forced to make quick judgements about using force.

A review of the facts of the incident support that Albrandt's actions were lawful. The facts support the following:

- Gibson attempted to detain Bryant for a reported robbery.
- Bryant resisted the detention.
- Bryant was armed with a 13-foot metal chain.
- Multiple officers attempted to negotiate with Bryant in an attempt to get him to drop the chain.
- Bryant repeatedly threatened to use the metal chain to assault officers over the course of approximately 13 minutes.
• Bryant refused to drop the chain despite being ordered multiple times to do so.
• Bryant advanced at Huynh and Grover with the chain in his hand.
• Albrandt believed Bryant intended to use the chain to assault Huynh and Grover.
• Albrandt believed Huynh and Grover were in imminent danger of suffering serious bodily injury or being killed by Bryant.
• Multiple less-lethal projectiles were fired at Bryant.
• Albrandt was designated lethal cover.
• Albrandt believed the less-lethal force was ineffective in stopping Bryant.
• Albrandt believed lethal force was necessary to defend Huynh and Grover from serious bodily injury or death.
• Albrandt fired one round at Bryant, preventing him from further advancing on Huynh and Grover.

This investigation is closed and has been forwarded to the Office of the Chief for review.
Supplemental Report: Sergeant J. Wilson, Homicide Division

Berkeley Police Department Case 21-223

On 06-19-21, the San Francisco County Central Records Unit notified the Berkeley Police Department Warrants Division that Vincent Bryant was in custody at the San Francisco County Jail. Per the teletype, Bryant was “clear of local [SF] charges” and was ready for pick-up on warrant #21CR0001182.

According to the booking information available, Bryant was arrested by SFPD on 06-09-21 for vandalism and possession of stolen property. Additionally, Bryant was booked on several warrants to include the warrant related to the Berkeley case on 01-02-21.

On 06-22-21, I learned that Bryant’s release from SF County Jail was delayed because he had been hospitalized while in their custody.

On 06-28-21, SF County Central Records Unit notified BPD that Bryant was again available for pick up on the warrant.

On 06-29-21, BPD’s Warrant Division picked up Bryant from the SF County Jail and transported him to BPD. At 0840 hours, Bryant arrived in the jail sallyport. Detective Smith and I escorted Bryant to an interview room. The interview room was video recorded. I read Bryant the Miranda admonition and asked him if he understood his rights. Bryant said, “Yes I do.”
**Bryant's arrest in SF**

Bryant got arrested in San Francisco for vandalism. He was meditating on Pier 35 when “an Asian cat” “came after [him] with a hammer.” During the altercation, Bryant threw a rock at a big window, breaking it. Bryant said the judge later released him on his own recognizance on the vandalism case.

Bryant was also arrested in SF on a parole violation warrant that he had because he failed to report to his parole officer. Bryant said he resolved his parole violation by serving ten days in jail in SF.

Bryant said that while he was in custody in SF, he had surgery and had a new metal plate put in his jaw. This is from the injury he got when he was shot on 01-02-21.

**Bryant's psychiatric detention on 12-28-20**

Bryant said he had a bike that was stolen from him at [Civic Center] park after Christmas. He confronted some homeless people in the park about stealing his bike. Bryant said, “I picked up a stick and I started banging it on a garbage can.” The other people called the police and reported that he was irate and accused them of stealing his bike. The police stopped Bryant and sent him to John George [the psychiatric hospital]. Bryant refused to identify himself, so he was sent to the hospital as a “John Doe.” The hospital held him for two days and released him.

After he was released from John George (possibly on 12-31-20), Bryant came to the Berkeley Police Department to pick up his belongings (a backpack and stroller) that were held for
safekeeping while he was in the hospital. Bryant said he was told that “they were closed” for
“two weeks” and that he had to come back. Bryant overheard another person say that were
able to get their property that day. Bryant said, “I thought they were messing with me.”

**OIS on 01-02-21**

Bryant described that he got the chain from Civic Center Park because there was a group of
eight “white guys” at the park that Bryant said he was “worried about.” Bryant thought they
might “creep up on [him].” He found the metal chain – that he estimated to be about six
feet long - on the ground at the park and took it.

Bryant said, “We’re going after Walgreen’s for making a false report. I did not rob
Walgreen’s.” Bryant said he was at the store trying to make a return at the register and also
buy some food items. He said that Walgreen’s locked the door when he was inside the store.
He continued, “That’s when I pulled out the chain and said, ‘I’m just gonna break the
window.’ I never said I was gonna hurt nobody. I’m non-violent. I don’t hurt nobody.”
The employee told Bryant he did not have to break the window because he would let him
out. Bryant said, “That’s the only comical part of January 2nd.” Bryant said that part makes
him “smile and snicker.”

Bryant said he walked to the Tang Center on Bancroft when the police officer “rolled up”
on him. He saw the officer and said, “No, you’re not gonna do what you did to me two
nights ago...two nights ago you sent me to John George and when I go get my property
right now, you’re telling me ‘No,’ that I got to wait two weeks. I said, ‘Something is
happening out here. You’re going to have to just shoot me in the back. Just shoot me in the
back. Shoot me in the back because I’m not leaving from this spot.’” Bryant said the
officers “tried to talk to [him].” Bryant was standing on a concrete slab. He saw a group of officers in a “SWAT team formation” out of the corner of his eye and he jumped down off the slab and “that’s when [he] got shot.”

Bryant said he shouted at the officers because he was upset because he was off his medication, was homeless, tired and hungry and did not have his property after getting out of John George. He was just “talking shit” and considers himself “non-violent.” He said, “It was me being delirious and not wanting them to take me back to John George.”

I asked Bryant what he intended to do with the chain. He said, “Nothing. It was all talk. You know, like they say, ‘Money talks, bullshit walks.’ That’s what I was doing that night. I was all talk. I wasn’t going to jump and do nothing to nobody. And I stood my ground...I did not one time aggressively act like a matador bull and go charge nobody...I just did it because I was fed up...with the property, being sent to John George, these guys are throwing rocks at me, but you guys want to take me to John George because I’m yelling because someone stole my bike.”

Detective Smith told Bryant that it appeared that he moved towards the officers in the “swat formation” after he jumped off the concrete slab. Detective Smith then asked Bryant, “Do you remember why?” Bryant answered, “I don’t even remember doing that. The only thing I remember is...when I looked, I jumped, and I got shot.” Bryant said, “They also said they shot me with non-lethal. Nobody shot me with non-lethal.” Bryant said, “So for them to say they deployed non-lethal, I think that’s wrong...unless they did.”
Bryant has been diagnosed with “bipolar and schizophrenia.” He only had two days’ worth of medication given to him while at John George. He was not given any medication when he was discharged. During the interview, he said he had been on his medication for three weeks and now was “back to normal.” Bryant said he was “ready to face the music…and ready to move forward with this case.”

I asked Bryant if he received any other injuries during the incident on 01-02-21. He said that his middle finger on his right hand was also injured. Bryant may have had something on his knee but that “cleared up.” [I photographed Bryant’s face and hand.]

I asked Bryant if he would authorize the release of his medical records related to any injuries he received the night of 01-02-21. Bryant said he was “fine with that” and then asked if he would be cited and released. I told Bryant that he would not be cited out for the warrant that was filed by the court. Bryant then declined to sign the authorization/release form. He said, “I’m ready to go to Santa Rita and from now on, respectfully, anytime – since you’re the in-charge detectives – you want to see me, I will be requesting a lawyer.”

Officer Jackson and Officer Macapagal took custody of Bryant. They transported him to Santa Rita Jail to be booked on the court-filed warrant. I was later informed that Santa Rita Jail would not accept Bryant into their facility for medical reasons. Bryant was ultimately released from custody per 849(b) PC and the warrant was reactivated.

I booked the recorded interview into the property room as evidence. I booked photos of Bryant taken during the interview into Evidence.com.

TRANSCRIPTS
ALBRANDT HOMICIDE STATEMENT
Q: Okay. Now we are recording. Let’s stick that right there if that’s okay? Today is Tuesday, January 5. It’s 2021. It’s 1507 hours. This is Sergeant Jennifer Wilson, Badge S3, and I’m here in the DD Conference Room with Officer Albrandt, her attorney, Doug Foley and, my partner, Sergeant Bonaventure. This is regarding Case Number 21-223. The City Incident that’s documented as an Officer Involved Shooting. So I’m going to read something just so that I have it on record, okay?

A: Okay.

Q: We have a list of questions we want to go over, and then you will have an opportunity to give your account of what happened, uninterrupted. You may have already discussed what to expect with your attorney, but we want to go through this to be sure everyone is on the same page. The investigation we are conducting is to determine the cause and circumstances which led to this incident. This investigation will be used to determine whether or not anyone during the course of events that led up to and including the incident committed a crime. It is being conducted under the rules and procedures and under the rights and authorities of a criminal investigation. Our investigation will eventually be available to others, including Internal Affairs Investigators, and will be available to others who may be involved in any civil litigation. This is not an administrative or Internal Affairs investigation. So, you will not be ordered to talk to us under the Authority of Garrity or Lybarger. You will be interviewed as an involved party of this incident and this is a free, voluntary, and consensual interview. Because you are here voluntarily and not in custody, you have not been in custody, and are free to leave, you will not be given a Miranda Admonishment.

A: But to add as much, she’s, you know, she’s here voluntarily.

Q: Okay, so if either of you have any questions about any of this?
Okay, and then if any questions arise or you want to take a break and talk to your attorney during this, we can step out, okay?

Okay.

All right, so why don’t you state for the record your full name?

Madison Claire Albrandt.

And your badge number?

Five - one.

And you’re an officer?

I am.

And what’s your assignment?

I am assigned to Operations with Team Seven.

Okay, and when were you hired by the Berkeley Police Department?

I was hired in November of 2019, but I wasn’t a sworn officer until June of 2020.

And that’s when you started your field training?

That is.

Okay.

Yeah.

And then when did you complete your field training?

I completed my field training around October of 2020.

Okay, and do you have any prior law enforcement experience with any other agencies?
I do not.

So this incident occurred on Saturday. What was the last shift that you worked prior to Saturday's shift?

Friday Shift.

Okay, and what shift was that?

That was from 6:00 pm, to 6:30 am.

So, that was the Team Seven Shift?

Yes.

Um, and then was that your Monday so to speak - your first day?

Yeah, that was my first day.

Okay, did you work any extended hours prior to this incident?

I did not, no.

Okay. And then prior to the incident on Saturday evening, when was the last time that you slept?

I slept as usual, so the day before - technically, the day before. So, I slept from around 7:30 to probably like 4:00 pm.

So, you worked Friday night, went home Saturday morning, and slept from 7:30 Saturday morning to about 4:00 pm?

Yes.

Okay - okay. And then were you injured during this incident?

I was not.

Okay, and you said you were on Team Seven. Who is your supervisor or supervisors on Team Seven?

Sergeant Kleppe.

Okay. And was that your supervisor at the time of this incident?
Okay. All right, and then for that shift, what was your assignment or beat?

For that shift, I was a Swing shift- so, Swing, Adam Twenty.

Seven Adam Twenty?

Yes.

And then were you working as a single unit or a Bravo with a partner?

I was a single unit.

Okay, and was Adam Twenty Swing, just City-wide?

Yeah.

Okay. And then in terms of ...we’re going to go over what you were wearing - your uniform?

Can you provide a description of the uniform you were wearing that night?

Yeah, it's a Berkeley PD uniform, so it has my name, M. Albrandt, my badge, my badge number. I was wearing a vest, but it does have my name and badge number on the vest.

So, if I can just clarify, you’re pointing to the right side of your chest as having your name?

Yeah.

Okay, and is that on your vest carrier?

It is.

Okay. And then you said you had your badge, and you were pointing to the other side of your chest?

Yes.

So, it - was it your metal badge, or was it...?
A: It's a metal badge.

Q: Okay. All right, I just want to make sure since....

A: Mm-hm. And then visible from my shirt was two Berkeley PD patches, one on each arm.

Q: Okay.

A: I was also wearing a hat with a Berkeley PD Police Department logo on there, so...

Q: Like a patch?

A: Yes.

Q: The same patch that's on the shirt?

A: Exactly.

Q: Okay, and is that a baseball cap?

A: It is.

Q: Okay, were you - you were wearing a duty belt?

A: I was.

Q: Okay, can you describe the equipment that you carry on your belt?

A: Yeah, of course. Starting from like right to left?

Q: Sure, however you want to do it.

A: Okay, the first thing is my weapon, which rests along my right hip.

Q: Okay.

A: Next is my handcuffs.

Q: Mm-hm.

A: Next is my, my, flashlight - there we go.

Q: Okay.
And then I have my baton as well.

Okay, is that a collapsible baton or?

It is, yes.

Okay. And then what kind of holster do you carry?

A Safariland.

And then do you know like the retention qualities?

It has - I know it has two locking mechanisms.

Okay. All right, and then do you call it a vest or a carrier that…?

I call it a vest.

Okay, yeah, so you’re wearing the vest and it had some equipment affixed to it?

It does, yes.

Okay, and what - can you describe the - the equipment or weapons or whatever you have on your vest?

Yeah, of course. I have... right below my badge, so on my left side of my chest, I have my BWC - Body Worn Camera.

Mm-hm.

I usually have a light right above that. It’s a little mini light. Below my Body Worn Camera is my radio. And to the left of my radio, I have two magazine holders, with two magazines fully loaded. Then I have just like a pocket where I - I keep stuff in it, like papers - whatever I need. FL cards.

Okay - all right...was there any damage to your uniform or to any of your equipment during this incident?

No.

And then you’re wearing glasses now.

Mm-hm.
Were you wearing glasses then?
I was wearing contacts.
Contacts, okay.
Also, sorry, on my vest I do have a pepper spray...
Okay.
...canister as well.
Oh, yeah - yeah - okay.
On my left side.
All right. And then to talk about the firearm... was that issued by our Police Department?
It was, yes.
Okay, and what’s the make of that firearm?
It is a Glock 17.
Okay, and the caliber?
9 mil.
Okay. Do you know the serial number?
I don’t know the serial number.
Have you made any specific modifications...?
No.
...you’re saying no? You did have a tactical light on it?
I did.
Okay, and did you add that yourself?
I did.
Okay, do you know how many rounds were in your gun?

Yeah, so I had a full magazine and then one in the chamber.

Do you know what the count is in the magazine?

I believe it's 17.

And in terms of the ammunition that was in the magazine and in the chamber, do you know the type?

I do not.

Okay, was it issued by the Police Department?

It was.

All right, and were you carrying any other firearms during this incident?

I was not.

Okay. Well, that's basically the lead-up that I have in terms of covering the basics.

Okay.

And so then this is the time that we're going to give you to in your own words...

Mm-hm.

...tell us what happened. If you need to take a break or whatever, just let us know.

Huh?

Just drinking some water. Okay. So, when the call came out originally, I was at the Police Department. I was in my car. I was just about to leave. I just got done handling, or helping with another incident. It came out over the radio. I heard the beeper and then I heard Dispatch, Berkeley PD, dispatch. There was a 211 located at Walgreens on Shattuck, that it was a 211 via like a chain. I believe they said like a - a - a pretty long length, so a long chain. And that the subject was like seen last east of Shattuck on Kittredge. So, from the Department, drove down to Kittredge so I was driving east on Kittredge. I saw
other police officers. I even followed one straight to the scene. So, I pull up, park my vehicle. There were already other Berkeley Police Department officers on scene. When I got out of my car, I was just trying to assess what was going on. Exactly right when I arrived on scene, I saw there was a courtyard. I saw a man in the center of the courtyard. I saw Officer Moore along the westside of the courtyard, with Officer...sorry, Officer Moore had his less-lethal...less lethal launcher, and then Officer Lomeli was next to him, with his firearm, covering him. And then I saw Officer Grover who was also on less-lethal, but he didn’t have a lethal cover. Officer Grover said, “Hey Albradt, be my lethal cover.” We’re going to move and we went to like the northern side of the enclosed area - the courtyard. Where we had our eyes on the subject. The subject was in the center of the courtyard, right off - he was aggressive. Yelling, he had chain in his hands. It was originally wrapped around his hand, multiple times. And as we stood there he was screaming, and he began whipping the chain. And it would fling out from his hand, and hit the ground. When it hit the ground, you could tell it was metal. I remember thinking in my head, like that could hurt someone. He wasn’t just yelling. He at point would tar- like look at specific officers and start yelling at them. He was very irate, very, yeah, very aggressive. He’d point at them, he’d threaten them. I couldn’t tell you the exact threats like verbatim, but there were other times - so, when he was doing that - when he would focus on officers, I had my gun in a ready position. But there were times that he would turn around and like face the building, and he would hit the chain on the ground. He was facing the building and I would go to a low ready position, but then the second that he would turn his attention back towards other officers, I’d get back at ready. There was a negotiator - I don’t know who it was, but there was someone talking to him and they were trying to just talk him down - get him to calm down. It wasn’t working at all. I - if anything, I think it made it worse at times. After a while the negotiator talking to him, I also noticed Officer Melowitz was to my left and a, I think it was UC Officer as well. They both had - Melowitz had a less-lethal launcher and then the UC Officer had a taser. Sergeant Van approached me, and he said - he liked tapped on my shoulder and he said, “Albradt, there’s - we’re going to make a contact team to contact the subject you’re going to be part of the team.” And he grabbed me, he grabbed Officer Grover, Officer Melowitz, and Officer Navarro. And we went along to the eastside of the courtyard, which was blocked off by a building. It was like a entry way into the courtyard. But it was covered by a building, so you couldn’t see the walkway from the courtyard, if that makes sense? So, we’re behind the building on the eastside of the courtyard and basically, just establishing a plan. The best way to contact the subject, the goal, which was detain the subject with no one getting hurt, of course. Sergeant - he stated exactly what everyone’s job was and what they would be. So, he had less-lethal, Officer Melowitz had less-lethal, and Officer Grover had less-lethal. I was lethal and Officer Navarro was - was lethal, obviously, if necessary. The goal was to give him commands, have him drop the chain. Sergeant Van was
giving the commands. We came around the corner, it was kind of narrow and 
Officer Van kind of stayed closer to the building. I fanned out to get a better
view of what was going on. Once Officer Van came around the corner and
started giving commands, the subject - he just focused in - like focused in on
Van and Van was next to another officer. I can’t tell you exactly who he was -
or she...and as he gave commands and, you know, we turned the corner
approaching, the subject, like I said, focuses in on Van, is yelling - screaming
and starts approaching us aggressively, and pretty quickly...I’m sorry...
415 Q: That’s okay, take your time.
416
417 A: As he’s approaching us, he has the chain in his hand still. And he - he’s
approaching us quickly and I just, I heard less-lethal going off. I saw - like I -
I know the guys on our contact team all deployed less-lethal, and mind you
this - like from this point it’s all happening fairly quickly. Less-lethal is being
deployed and he’s still just walking - like more than walking, like he was
coming fast towards Off- or Sergeant Van and the other officer. He had the
chain in his hand, and he was going to swing it. And I knew that if he finished
swinging that chain that Sergeant Van was going to be seriously hurt if not
killed by that chain. And I discharged my firearm towards the subject or at the
subject. Once I discharged my firearm, he fell to the ground and everyone
rushed in to help him. Just and yeah, as people were helping him, I backed up
a little bit as Sergeant - Sergeant Kleepe came up to me, I told him that I
discharged my firearm at the subject. I holstered my weapon, and I gave him
my Body Worn Camera. I told him I shired- fired one shot at the subject
which from my location, it was to the northwest, so one - one shot to the
northwest. And then he took my Body Worn Camera and, yeah, that’s it’s - I
was removed from the scene.

435 Q: Okay. I want to show these to you. I printed out a bunch of photos at the
scene.

438 A: Mm-hm.

440 Q: They may be helpful, they may not be. But if you want to use them, if it’s
helpful...

443 A: Yeah.

445 Q: ...in answering the questions. But just to start, when you said that you went to
the scene...

448 A: Yeah.

450 Q: ... were you referring to the Tang Center or to Walgreens?
A: I responded to the Tang Center.

Q: Okay.

A: So, yeah.

Q: You could feel free to shuffle through these. The first few are basically the same during the day.

A: Mm-hm.

Q: I have satellite if that's helpful, and then I also have nighttime scenes too.

A: Okay.

Q: So, let's see from the actual evening. So, you went straight to the Tang Center?

A: I did.

Q: Okay, and do you remember where you parked your car?

A: I do.

Q: Where is that?

A: It was just west of the Tang Center so, like...

Q: On Bancroft?

A: ...yeah, right here.

Q: In front of the pool - the aquatic center?

A: Yeah.

Q: Okay.

A: Like right - right here.

Q: So, did you - you came east from Oxford or Fulton, I think it comes - becomes both...

A: Yeah.
Okay. And you parked there and you drove there yourself?

A: I did.

Okay. And when you got out, do you remember when you activated your Body Worn Camera?

A: I do.

About?

A: I had parked my car and I had activated it once I was with Grover. It all kind of happened fairly quickly. Like as I walked up...

Right.

...we established our position. I turned it on.

And where did you first meet with Officer Grover at this location?

So.

Photo Three.

Oh, this is good.

Yeah, Photo Three might...be the most helpful.

Sorry, I'm - I didn't know...

That's okay.

...they were labeled all nicely.

No, I mean, that's just for me...

Yeah.

...so that I can reference it later.
So, I walked up and I was like right here behind this pillar.

So, you’re pointing to basically what is the western pillar of that?

Yeah, I saw - that’s where I saw Officer Moore, Officer Lomeli, and Officer Grover when I got there.

Did you want to circle that - that’s fine.

So, there’s Moore, Lomeli, and then Grover.

Okay.

I saw Grover was - and Grover was moving this way, like as I was coming up. And I noticed that he didn’t have a lethal cover.

So, that’s - do you know this to be a walkway?

Yeah.

Between the Tang Center and between the aquatic center?

Okay.

Okay, so was Grover moving away, like coming towards north...

Yeah, he was...

...towards the street?

...going north.

Okay.

He was going north towards the street.

Okay.

And he said, “Hey, come with,” like ‘cause I was trying to figure out, you know, where should I be.

Okay.

He said he was moving here and just to get, you know, multiple and- like...
Q: Okay.

A: ...just to surround the area, and he said, you know, "Stay with me." You know, "Cover me."

Q: Okay.

A: So, myself and Grover were here.

Q: And that's where you're marking an X on picture number three?

A: Yes.

Q: And which is basically the southern sidewalk of Bancroft, kind of east of the walkway that separates the aquatic center and Tang Center. And then from there where do you first see the...

A: Actually, I'm sorry, I don't mean...

Q: That's okay.

A: ...to interrupt you. We were actually here.

Q: Okay, so you're?

A: I only saw - I didn't see that this pillar was - we were in the middle pillar.

Q: Okay, so basically...

A: I don't know.

Q: ...your position was further east.

A: Mm-hm.

Q: Kind of near approximately that parking station...

A: Mm-hm.

Q: ...it looks like, where you can pay?

A: Yeah.

Q: All right, and where was the subject that?
Okay, so in the center of the courtyard. And then what - how would you describe the subject?

A: 6'0" approximately, Black male, it was kind of dark out...

Q: Okay, do you remember anything that he was wearing?

A: Not exactly.

Q: Okay. And do you know if he was standing on anything?

A: Yeah, he was...I don't know...

Q: Here's some pictures from that.

A: It's kind of like ledges or, let me just see. He was standing on an elevated surface.

Q: This is Photo Ten, that's of the courtyard, the courtyard.

A: Yeah.

Q: I don't know if that's helpful to you?

A: I w...

Q: And you can also take your time and look through all of these, and if they're not helpful.....

A: Yeah, okay.

Q: ...then they're not helpful.

A: I want to be able to give you a good answer. I want to say he was standing on this. I know he was standing on an elevated surface and it was not...
Okay.

...it was not a table.

Okay.

So.

So, I don't know, I would describe that as like a long cement bench like thing?

Yeah.

Okay, so you remember where he was at - he was standing on that. And you said that he had the chain in his hand at one point and you saw that it was wrapped around his hand a few times?

Yeah.

Okay. Just....

Like he had it wrapped - sorry, he had it wrapped around his hands. It may have even been double like - I don't know how exactly to describe it, but like doubled up and then wrapped.

Mm-hm.

Uh-huh.

Like he had folded like...

Uh-huh.

...it was long enough for him to fold...

Uh-huh.

...wrap, and when he would - he would like have it in his hand and he was able to fling it out and it would like extend out.

Right.

Mm-hm.

And this is a photo number eleven of the chain that we collected at the scene. I
At times.

...and when he faced the building, just to clarify the context, you said that you like, lowered your gun...

Yeah.

...to low ready. So, when he was facing the building, what part of his body was to you?

His back.

Okay, so when he was facing...

Or.

...the building...

Yeah.

...would it be fair to say that, just so that I understand that he was turning away from you?

Yeah.

Okay. So, when he - so he either was facing you guys, or he would turn around and face the building, which would then put his back to you guys?

Yes.

Okay. And that's while you were standing at the X's on the south side walk of Bancroft?

Yes.

Okay. All right, and I know that you said that you couldn't remember verbatim any threats, but do you remember or can you tell me what some of the things that he was saying?
Yeah, I know specifically he was making threats like he wanted us to harm him.

Tell me more about that?

He would hit the chain on the ground...

Mm-hm.

...and he would basically say like - I can't say this is what he said verbatim...

Right.

...but basically telling us to like shoot him or, you know, at one point he pointed out a specific officer. He pointed out - he pointed to Sergeant Van and he said, you know, he was making threats towards him. Like I can't - I couldn't tell you the exact threats, but he was being threatening towards him, specifically before we came - this was before we came around the corner, before the plan was even in place. And, yeah.

What kind of threats were they? Were they threats to do something particular, in general?

Yeah.

Were they threats of violence?

Yeah, like, “You, I'm going to get you.”

Okay.

Which I mean, I couldn't say that's what he said verbatim, but...

Right.

...that's, you know?

Right, and I benefitted from watching body camera footage, so I have a better idea, but I just want to know what your understanding is of what he was saying. Was he threatening to sue people, was he threatening to complain, was he threatening to harm anybody - these are the kinds of threats I'm trying to figure out what you remember?

Yeah.
811  Q: Like what the vibe of the threats were.
813  A: Yeah, the threats were definitely to harm people.
815  Q: Okay.
817  A: That was my understanding of it.
819  Q: Mm-hm.
820  A: He’s pointing out to officers, he has a chain in his hand, he’s hitting it...
823  Q: Mm-hm.
824  A: ...aggressively on the ground.
826  Q: Yeah.
828  A: “You - I’m going to get you.”
830  Q: Okay.
832  A: I’m not saying that’s exactly what was said, but...
834  Q: Right - okay.
836  A: ...yeah.
840  Q: Okay, so let’s get to the point where you guys are walking to photo number six. I don’t know if that’s helpful. That shows...
842  A: Yeah...
843  Q: ...basically the...
845  A: ...the scene that I remember.
847  Q: ...eastern pathway.
849  A: Mm-hm.
850  Q: Where you described basically walking up with a team of Sergeant Van, Melowitz, Grover, Navarro and yourself?
Okay. So, what was your understanding of the plan?

So, we are contact team.

Mm-hm.

Our goal is to - since, you know, negotiations weren't working, our goal was to contact the subject. With that in mind, it was to detain the subject, obviously, without anyone getting harmed.

And that plan was communicated to you by who?

Sergeant Van.

Okay, so that was not your plan?

No.

Okay, and was that plan communicated to you when he first contacted you, over here where you were standing with Grover?

He said, “You’re going to be part of the contact team with me and Grover,” - that’s all that was said at that point.

Okay, so.

So, that plan wasn’t established until we were here.

In the - you’re pointing to photo six, where you’re in that breezeway?

That’s correct.

On the eastern side, okay, and was the plan communicated to everybody at the same time?

Yes.

It was, okay. And what was your understanding of your assignment or your role in that plan?

Yeah, so Sergeant Van gave everyone basically their job - their position.

Sergeant Van was less-lethal.
Mm-hm.  

He had a less-lethal launcher. Officer Melowitz also had a less-lethal launcher, along with Officer Grover.

Mm-hm.  

I was designated as lethal cover.

Mm-hm.  

And so was Officer Navarro.

Okay, and what is designated lethal cover mean to you?

That means that if we’re unable to negotiate, if - well, if less-lethal does not work, if we have to get into less-lethal and less-lethal doesn’t work, if anyone is about to be harmed, seriously harmed, if not threatened with death, that’s when lethal cover is used. So, basically if all else fails.

Okay, and was there, um, an agreement on who was going to be giving commands?

Sergeant Van was going to be giving commands.

Okay.

Uh, that was understood.

That was established...

Yes.

...as - okay, that was your understanding?

That was my understanding, yes.

Okay. Have you been assigned in a situation where you’ve been designated lethal cover before?

I have.

Okay, do you know about how many times or?

I couldn’t give you an exact number.
INTERVIEW WITH OFC. MADISON ALBRANDT
Interviewer: Sgt. Wilson
01-05-21/3:07pm
Case #21-223
Page 22

Q: Okay - all right. So as designated lethal cover assignment, what were you looking for?
A: At what, like throughout that whole situation?
Q: Yeah, so when he tapped you and said you’re going to be lethal cover...
A: Mm-hm.
Q: ...is there something that you’re looking for when you guys are contacting him?
A: What - all I’m looking at is - I mean, there’s actually a whole bunch of things.
Q: Mm-hm.
A: His behavior.
Q: Mm-hm.
A: How far away he is. The positioning of other officers. What’s in his background. Does he have any weapons? Is he being aggressive with those weapons? Everything’s like forever changing. And my job is once there’s a threat of serious bodily injury or death, that’s the only time I would ever use lethal.
Q: Do you understand your role as designated - designated lethal cover to include an ability to use less-lethal force?
A: So, with that, we have three officers designated for less-lethal.
Q: Mm-hm.
A: That’s what’s in their hands at the time.
Q: Mm-hm.
A: That’s what they’re using.
Q: Mm-hm.
A: The time it takes to switch to any other form of anything it - it’s all based off of the situation.
Q1: Mm-hm.

A: At that time, my job was to be lethal cover for the other officers, whose jobs were to be less-lethal. So.

Q1: Yep.

Q: Why did you fire one shot?

A: Because he fell to the ground and he wasn’t a threat any more.

Q: Okay. Did you give a warning?

A: Did I give a warning?

Q: A verbal warning?

A: No.

Q: Okay.

A: Warnings were being given to him already.

Q: Mm-hm. And by who?

A: Officer Van.

Q: Okay.

A: Or, sorry, my apologies, Sergeant Van.

Q: I know who you’re talking about. And was, so do you recall what the warnings were?

A: Verbatim, no, but it was...

Q: Okay.

A: ...drop the chain or you’re going to be harmed.

Q: Okay. Something like that, right?

A: Something along those lines.

Q: Okay, have you had any prior contacts with this subject, in particular?
A: No.

Q: No, okay.

Q1: Back up.

A: Not that I'm aware of.

Q1: Do you want to back up to the incident?

Q: Oh, yeah, so what made you react, as you're contacting him, what made you react to fire that one shot?

A: Yeah. As I, as I said earlier, once Sergeant Van started giving those commands, he zoned in on Sergeant Van. And he started walking aggressively towards him with the chain in his hand. As he did that, people - the less lethal, designated officers began firing their less-lethal. That wasn't working when they fired it.

Q: So, when you say it wasn't working, was it not... what do you mean it wasn't working?

A: He was approaching fast enough to where, as they were shooting less-lethal, he was close enough - he was too close to Sergeant Van and another officer with that chain in his hand, that he was swinging.

Q: So, the less-lethal launchers were working?

A: Yes.

Q: They were functioning, they were firing the less-lethal launchers?

A: Yes.

Q: As far as you knew?

A: I could hear them firing.

Q: Okay, you could hear them?

A: And I...

Q: So, you knew that they were being used?
A: And he was still moving.

Q: Okay.

A: And he was still going towards them.

Q: So, when you say they weren’t working, they...

A: Sorry, yeah.

Q: ...were not being....

A: They were functional.

Q: Okay, so it...what are you seeing his reaction to...after you hear the less-lethal launchers being fired, what is his reaction to that?

A: It was all fairly quickly, but...

Q: Mm-hm.

A: ...he was still swinging that chain.

Q: Okay. Do you remember if he said anything?

A: Not that I can remember.

Q: I think I’m going to skip number nine.

Q: Okay.

Q: Yeah, a lot of these you’ve already answered. How far away do you think you were from the suspect when you fired - and I know this is an estimate.

A: My, I can’t give an exact number or like an exact amount of feet. I could try and like point it out. Like I...

Q: I mean I - whatever, I mean if you feel comfortable estimating and if you don’t, you don’t.

A: Yeah, I don’t.

Q: Okay, what - about how far away do you think that he was from Sergeant Van?
A: Enough to hit him with the chain.

Q: Okay and that was when you fired just to clarify?

A: Yes.

Q: Okay, and what were you aiming at?

A: I was aiming at his upper chest.

Q: Okay, and what do you think you hit?

A: I saw him bleeding - what it looked like around his head or face.

Q: Okay.

A: When he was on the ground, so...

Q: All right.

A: ...I - I...

Q: Do you know what was the - in the backdrop at the time of the shooting? Behind where you were aiming at?

A: No other officers. I mean the - so, they were set up to be - well, it's weird looking at that backwards. Here and here. I was this way, so towards like this pillar almost. Like toward - does that make sense?

Q: So, you're pointing at photo three in the courtyard on like the eastern side, kind of facing towards where you indicated, I guess...

A: Almost where I approached from.

Q: ...you were - yeah, where you approached from, your original spot. Kind of in a...I guess northwestern position.

A: Yeah, that's my understanding.

Q: Okay. And was there anything in your foreground?

A: Can you?

Q: So I just asked you like what was the background or the back drop of what...
What was in front of me?

...yeah, at - what - if there was anything...and I don’t know if there was.

There wasn’t.

Okay.

Beside.

And did your firearm perform appropriately or...?

Yes.

Okay, so no misfire or anything like that?

No.

And what did you do with your gun afterwards?

I went to - once he fell to the ground, I went to a low ready.

Okay.

And then people rushed in. Sergeant came up and I holstered my gun.

Okay. Did you locate any casing or anything like that?

I didn’t.

Okay, and then at one point, someone took your firearm?

Yes.

And who was that?

Uh, Sergeant - I can’t be positive.

Okay.

It was...

Do you know where that happened?

It was in the CSB, downstairs.
Q: Once you were back at the station?
A: Once I was back at the station.

Q: How'd you get back to the station?
A: Officer Lomeli drove me.

Q: Okay. So, after...so you went low ready, Sergeant Kleppe contacted you – you holstered your weapon. At one- he said - you said that he took your body camera?
A: He did.

Q: Was it there that he did that?
A: Yeah, on scene he took it, like right after everything happened. He said - I said, I’m the one, I, “I shot my weapon.” He said, “Okay, what do I need to know?”

Q: Uh-huh.
A: I told him I shot one round.

Q: Okay.
A: And I showed him the direction.

Q: Okay.
A: And then he said, “Okay, give me your BWC.”

Q: Okay, and did you turn it off at that point?
A: I believe so.

Q: Okay. So what did you think and this is a hypothetical, I understand, but it’s - I think it’s important to cover - what did you think would happen had you not fired your gun?
A: I knew that if he finished swinging that chain that he was going to hit Sergeant Van with that chain. And possibly the other officer close to him.

Q: Okay.
And I knew that - that was going to severely hurt that, if not kill them.

Okay. Do you have any questions that you want to ask right now?

In between when - after your camera was taken...

Mm-hm.

Who did you go with?

So, I was placed in a vehicle. I think it was...so Sergeant Kleppe - walked me, to a vehicle, and Officer Lomeli was in the vehicle with me.

Okay.

As my support person. And then, I think at one-point Officer Maldonado came up, but yeah, Officer Lomeli was - he was part of the BPA and they were just talking about that kind of stuff, but yeah, I was with Lomeli.

Okay, and he's the one that drove you...

Yeah.

...back?

Yeah.

Okay. All right.

I think I'm ready to do this.

Yeah.

Okay, so our body camera - our Body Worn Camera Policy has like a preamble or a disclaimer, I guess...of some standard language which may seem like a little much, but...

Mm-hm.

...it requires that you be given it. So, I'm going to read it to you verbatim and then I'm going to offer you an opportunity to look at your Body Worn Camera.

Okay.
Okay? So, this is from our policy language. In this case there is video evidence that you will have an opportunity to view. Video evidence has limitations and may depict the events differently than you recall, and may not depict all of the events as seen or heard by you. Video has a limited field of view and may not capture events normally seen by the human eye. The frame read of video may limit the camera's ability to capture movements normally seen by the human eye. Lighting as seen on the video may be different than what is seen by the human eye. Videos are a two-dimensional medium, and may not capture depth, distance, or positional orientation as well as the human eye. Remember, the video evidence is intended to assist your memory and to ensure that your statement explains your state of mind at the time of the incident.

I understand.

Okay. So, with that being said, I'd like to offer you an opportunity to review your - your Body Worn Camera footage.

Okay.

Which...

You still wanted to watch that?

Yes, please.

Okay. So, what I will do is we will queue it up for you and make sure that our equipment is working, and then we will step out and then you can watch it, and then you can grab us when you’re done.

Okay.

How ever many times you want to watch it, or whatever, okay?

Thank you.

Mm-hm.

You want to log in right - right here, or?

Oh, yeah.

It pops right up then.
Q: These - these are the new and improved laptops.
Q1: It's not on. That works - speaker's working.
Q: Maybe I'm deaf, but I just didn't feel like it was loud enough without those speakers.
Q1: Okay.
Q: It's up, can I...?
Q1: Yeah. Do-do. There we go.
Q: So, to take us off in here?
Q1: It's not reading the network, so.
Q: Sweet.
Q1: It says right here that it's good, so. You're connected, right?
Q: Mm-hm.
Q1: I apologize about this, guys.
Q: ...yeah, this wasn't on our screen when you walked in here.
A1: This is not surprising.
Q: No.
A1: It's always the way.
Q: It's weird. Low bid - low bid laptop. I don't think we have a better one. This is like the best one we have. Let me think of what else I could do. I mean, I guess we could just take it over to the office and watch it on the desktop. It's not ideal, but...
Q1: It's not, but.
Q: I'll let you - I'll let you try one more time.
Q1: I'll just do it one more time, yeah.
Q: Do you want to, like, use the bathroom or anything while we figure this out?
I’m good, do you need to use the bathroom?
I’m good, yeah.
Yeah, okay.
Thank you.
Nothing. Where’s it connected? Looks like we’re...
But we have speakers.
All right...
Is that? It’s, I think it’s like fourteen minutes long.
Okay.
Okay? I want to know how it works for you. [BWC on laptop queued up].
Wow, I am short.
I’m going to pause this
Okay. [recording paused, Sergeant Wilson and Sergeant Bonaventure leave the room].
It’s 4:00 o’clock exactly. Okay, we’re back on, recording. It’s Sergeant Wilson. It’s 1619. Okay, so you guys had an opportunity to review the Body Worn Camera footage for yourself.
Mm-hm.
And it worked okay for you?
It did work, yes.
Okay. And I guess this is the opportunity that you have if you’d like to make any additions to your statement after reviewing that?
No.
No, okay. And then I wanted to ask if you had any questions or if there was anything else that you’d like to add?
A1: No, nothing from me.
A: No.
Q: No, okay. Then we will conclude this interview.
TRAINING RECORDS
## Section 1: Agency Orientation/Department Policies

### 1.1 Agency Specific Training

During the orientation period, the trainee shall be given an opportunity to become familiar with the specific training requirements of his/her agency. The trainee shall have successfully completed the following training prior to starting the uniformed patrol field training program.

#### 1.1.01 Firearms/Weapons Qualification (including shotgun)

A. **BPD General Order F-02:** Training & Qualification - Firearms, Ammunition and Non-Lethal Weapons

   *Firearms:* "The Personnel and Training Bureau shall schedule regular training and qualification sessions for duty, off-duty, auxiliary and specialized firearms, which will be evaluated on a pass/remediate basis. Any officer who fails to attend firearms qualifications, or who fails to achieve the qualifying standard with their duty firearm in accordance with departmental testing procedures, shall be retested until he/she qualifies. As noted in MOU Section 45.3, ‘Employees who are not able to achieve the minimum standard within a reasonable period of time will be immediately assigned to work on an intensive basis with range masters who will evaluate the severity of the problem. Consistent inability to meet the standard may be cause for termination.’ An officer shall not be permitted to carry any off-duty or auxiliary firearm with which he/she has not qualified with at least annually.”

BPD POLICY
SUBJECT: USE OF FORCE

PURPOSE

1 - The purpose of this General Order is to provide Departmental standards on the reporting and use of force. This General Order supersedes all other Orders, Regulations, and training information to the extent that they are inconsistent with this Order.

POLICY

2 - Police officers may use reasonable force to (1) make an arrest, (2) prevent an escape of a suspect, (3) overcome resistance, or (4) maintain order.

(a) Under the Fourth Amendment of the United States Constitution, an officer can use reasonable force when doing so is reasonable under the totality of the circumstances as they appear through the eyes of the officer. Circumstances to be considered include the immediacy and severity of a threat to the safety of the officer or others, the severity of the crime involved, and whether a suspect is fleeing or resisting.

3 - In deciding what type of reasonable force to use, officers and employees must use sound judgment and their training to assess the degree of threat in a given situation, and to determine what Departmentally authorized force techniques or weapons will bring the situation under control in a reasonable manner.

(a) The Department uses a “use of force continuum” that refers to the concept that there are reasonable responses for every threat an officer faces in a hostile situation. The “spoked wheel” is one visual concept of the various options that an officer should consider in a threatening situation.

(b) The force utilized need not be sequential (e.g., gradual or preceded by attempts at lower levels of force) if those lower levels are not appropriate to the threat.

DEFINITIONS

4 - Lethal Force: Any use of force that creates a substantial risk of causing death or serious bodily injury.

5 - Less-Than-Lethal Force: Any use of force which, due to possible physiological effects of application, presents less potential for causing death or serious injury than conventional lethal force options.

(a) Less-than-lethal force options include, but are not limited to, a specialized launcher, or other authorized device that can discharge, fire, launch or otherwise propel single or multiple flexible or non-flexible projectiles.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: September 20, 2017

GENERAL ORDER U-2

designed to cause physiological effects consistent with blunt force impact.

6 - **Non-Lethal Force:** Any use of force other than lethal force or less-than-lethal force.

7 - **Officer (or) Police Officer:** Any sworn peace officer.

8 - **Authorized Employee:** Any non-sworn employee who has received defensive tactics training and has been authorized by the Chief of Police to use non-lethal force.

9 - **Employee:** Any non-sworn employee of the Berkeley Police Department, including those deemed “authorized employees.”

10 - **Deploy:**

(a) **With respect to less-than-lethal munitions, removal of a launcher, projectile or other device from its storage container for the purpose of operational use.**

(b) **With respect to chemical agents and smoke, removal of a canister or delivery device from its storage container for the purpose of operational use.**

11 - **Use:**

(a) **With respect to less-than-lethal munitions, to discharge a less-than-lethal munition.**

(b) **With respect to chemical agents and smoke, to discharge the contents of a canister or delivery device.**

**PROCEDURES**

**Use of Lethal Force**

12 - Officers shall not discharge firearms or use other lethal force in connection with police duty, except in the following circumstances:

(a) When the officer reasonably believes that doing so is necessary to protect the officer or others from death or serious bodily injury, and, where feasible, some warning has been given.

(b) To apprehend a suspected fleeing felon:

(1) When necessary to prevent escape, and

(2) When the officer has probable cause to believe that the suspected
fleeing felon poses a significant threat of death or serious bodily injury to the officer or others, and

(3) Where feasible, some warning has been given.

c) During other police duty:

(1) In supervised Department training sessions at an approved range, or other site.

(2) To destroy an animal that represents a threat to public safety, or as a humanitarian measure where the animal is seriously injured. If possible, supervisory approval should be obtained prior to using lethal force to destroy an animal.

Use of Vehicles

13 - Officers shall not use police vehicles to ram or block other vehicles, persons, or moving objects in a manner that reasonably appears to constitute the use of lethal force, except in the following circumstances:

(a) When the officer reasonably believes that doing so is necessary to protect the officer or others from death or serious bodily injury, and, where feasible, some warning has been given.

(b) To apprehend a suspected fleeing felon:

(1) When necessary to prevent escape, and

(2) When the officer has probable cause to believe that the suspected fleeing felon poses a significant threat of death or serious bodily injury to the officer or others, and

(3) Where feasible, some warning has been given.

Deployment and Use of Less-Than-Lethal Force

14 - Less-than-lethal munitions shall only be deployed and used by trained officers authorized by the Chief of Police.

15 - Except during authorized training programs, less-than-lethal force shall be deployed only at the direction of a sergeant or command officer, or the Incident Commander in a crowd situation.

16 - Less-than-lethal force shall only be used in the following situations, and, where feasible, after some warning has been given:

BOLD TEXT IS NEW
BERKELEY POLICE DEPARTMENT

DATE ISSUED: September 20, 2017

GENERAL ORDER U-2

(a) When an act of violence is occurring, or is about to occur;

(b) To overcome the resistance of a physically combative person, or to gain compliance from a non-compliant person reasonably believed to be armed;

(c) To deter a person who is reasonably believed to be armed and is threatening to harm him/herself; another person, or an officer; or,

(d) To resolve a potentially violent incident not otherwise described above, when deemed reasonable by the authorizing sergeant or commander.

17 - When practical, approval for the deployment and use of less-than-lethal force will be obtained from the Patrol Division Watch Commander. If there is no Watch Commander on duty, deployment authorization will be requested from the Duty Command Officer (DCO).

(a) Prior to deployment, efforts should be made to ensure an appropriate medical response is available.

(b) In the event exigent circumstances preclude prior command approval, the supervisor authorizing less-than-lethal force deployment shall notify the Watch Commander, or in his/her absence the DCO, as soon as practical.

18 - In crowd situations, less-than-lethal force and/or chemical agents shall not be used without the prior approval of the Chief of Police, or his/her designee, unless exigent circumstances prevent the request from being made and the delay would likely risk injury to citizens or police personnel (e.g., rocks, bottles, or other projectiles are being thrown and immediate crowd dispersal is necessary).

(a) In the event immediate use is necessary, notification to the Chief of Police, or his/her designee, should be made as soon as possible after the deployment.

(b) In the event a use of force as described in Section 23 of this Order occurs during an unusual occurrence as described in General Order U-4, the officer shall prepare a supplemental report as soon as practical following the incident.

(c) Each officer shall include in the report, to the extent possible, specific information regarding each use of force, e.g., the reason for the use of force, location, description of the individual(s) upon whom force was used, type of force used, etc.

(d) Officers deploying pepper spray in a crowd situation shall attempt to limit collateral exposure to non-involved parties. Where there is probable cause to arrest for a crime, officers shall prioritize where practical the arrest of individuals upon whom pepper spray has been deployed.
Use of Non-Lethal Force.

19 - When lethal force and less-than-lethal force are not authorized, officers and authorized employees may use reasonable approved non-lethal force techniques and weapons in the following circumstances:

(a) To protect themselves or another person from physical injury;

(b) To restrain or subdue a resistant individual; or

(c) To bring an unlawful situation safely and effectively under control.

Prohibited Uses of Force

20 - The following uses of force are prohibited:

(a) Carotid Restraint Hold: Council Resolution No. 52,605 - N.S., dated February 14, 1985, "Prohibiting use of 'chokehold' for law enforcement purposes in the City of Berkeley" states: "Be it resolved by the Council of the City of Berkeley as follows: That the chokehold, including but not limited to the carotid restraint and the bar-arm hold, is hereby banned from use for law enforcement purposes in the City of Berkeley."

(1) The term bar-arm refers to a variety of techniques. As defined in the City Council Resolution, "bar-arm hold" refers to any use of the forearm to exert pressure against the front of the neck. However, other types of arm hold techniques (e.g., those that involve control of the arm, wrist or elbow) remain authorized.

(b) On Sept. 12, 2017, the Berkeley City Council re-affirmed and further amended the Council's policy regarding the use of pepper spray as such use relates to crowd control, expression of First Amendment speech, and addressing acts of violence by specific individuals within a crowd.

(1) Officers shall not use pepper spray as a crowd control technique to disperse or move a crowd. Oleoresin Capsicum (pepper spray) shall not be directed against a person or persons who are engaged in legal speech or other expression that is protected by the First Amendment, nor upon those committing unlawful acts by non-violent or passive resistant means, (e.g. sitting or lying down to block a street or doorway).

(c) Deployment of less-than-lethal munitions from a shotgun is prohibited.
Provision of Medical Attention

21 - When an officer or employee uses force that results in injury, or when a subject complains that an injury has been inflicted, the officer or employee shall ensure that the subject receives appropriate medical care. (See also General Order A-17).

Unauthorized Use of Force / Intervention and Reporting

22 - When an officer or employee witnesses any other officer or employee of this Department, or of any other law enforcement agency, use force that he or she believes is unauthorized, he or she shall do the following:

(a) If the witness employee is a sworn officer, he or she shall immediately take reasonable action to attempt to mitigate such use of force. This may include verbal intervention or, if appropriate, physical intervention.

(1) A sworn officer's failure to act may potentially expose him/her to criminal charges and/or civil liability.

(b) Any officer or employee who observes a potentially unauthorized use of force shall make an oral report to an on-duty sergeant or a command officer at the first opportunity.

Use of Force / Reporting Requirements

23 - Any officer or employee who uses force shall, as soon as practical, make an oral report to an on-duty sergeant or command officer in the following four situations:

(a) When an officer discharges a firearm (intentional or unintentional) while on duty, except during a supervised training session.

(b) When an officer discharges a firearm while off-duty pursuant to his or her authority as a law enforcement officer.

(c) When an officer or employee uses force that results in death or injury, or when a subject complains that an injury has been inflicted. (See also General Order C-16)

(d) When an officer or employee uses a non-lethal weapon (e.g., Oleoresin Capsicum or baton) on a person, whether or not an injury is sustained

24 - The officer or employee must also complete a police or incident report in any of the above four situations.

25 - Whenever an officer or employee uses Oleoresin Capsicum (pepper spray), he or she must also complete a "Use of Pepper Spray Report" form. (See Training and
BERKELEY POLICE DEPARTMENT

DATE ISSUED: September 20, 2017

GENERAL ORDER U-2

Information Bulletin #216 for detailed instructions in completing this form).

Use of Force / Supervisor Responsibilities

26 - A sergeant shall immediately be assigned and shall respond to the scene in the following four situations:

(a) When an officer discharges a firearm (intentional or unintentional) while on duty, except during a supervised training session.

(b) When an officer discharges a firearm while off-duty pursuant to his or her authority as a law enforcement officer.

(c) When an officer or employee uses force (including, but not limited to, a non-lethal weapon) that results in death or injury, or when a subject complains that an injury has been inflicted. (See also General Order C-16)

(d) When an officer or employee reports a use of force by another officer or employee of the Department, or of any other law enforcement agency, that he or she believes is unauthorized.

27 - A supervisor shall complete a Use of Force Report in any of the above four situations.

(a) A supervisor shall complete a Use of Force Report whenever an officer or employee uses a non-lethal weapon on a person, even if no injury results.

(b) The supervisor shall attach copies of all police reports relating to the incident to the Use of Force Report. (See Use of Force Report form at the end of this General Order)

28 - The supervisor who completes the Use of Force Report shall route the Use of Force Report (with attached police reports) and/or Use of Pepper Spray Report forms to the Division Captain through the chain of command.

Use of Force / Administrative Review

29 - The Division Captain shall review the Use of Force Report (and when applicable, Use of Pepper Spray Report) and route the report to the Chief of Police with a recommendation of findings.

(a) The Chief of Police may convene a Review Board (as outlined in General Order R-3) instead of utilizing Division Captain Review.

30 - The Chief of Police will make a finding that the use of force was either within policy or initiate additional administrative review/investigation as may be appropriate.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: September 20, 2017  GENERAL ORDER U-2

31 - Any determination concerning the propriety of force used will be based on facts and the information available to the officer at the time the force was employed, and not upon information gained after the fact.

32 - All Use of Force Reports will be reviewed to determine whether Departmental use of force regulations, policies, or procedures were: 1) violated or followed; 2) clearly understood, effective, and relevant to the situation; and/or, 3) require revision or additional training.

33 - Use of Force Reports will be held in file for five (5) years and then purged, unless needed for additional administrative action.

SPECIAL PROCEDURES / DEATHS AND SERIOUS BODILY INJURY

34 - In addition to the above, the Departmental response to incidents in which an officer uses force that results in death or a serious bodily injury shall be as follows:

(a) The officer shall be placed on administrative leave as outlined in Police Regulation 325: "... If any person is seriously injured or killed as a result of an officer’s actions, including the discharging of a firearm, such officer shall be placed on administrative leave for a period of time, as determined by the Chief of Police, depending upon the circumstances of the situation. The officer(s) shall not return to regular duties until he/she meets with a mental health professional."

(b) The Department shall conduct both an administrative and criminal investigation of the incident as outlined in General Order P-12 (Police-Involved Shootings and Fatal or Serious Injury Incidents); and a Review Board shall be convened as described in General Order R-3.

City of Berkeley Council Resolution No. 52,605 – N.S. (2/14/85), “Prohibiting use of ‘chokehold’ for law enforcement purposes in the City of Berkeley”
SUBJECT:  FIREARMS, AMMUNITION, AND NON-LETHAL WEAPONS:
TRAINING, QUALIFICATION, AND SPECIFICATIONS

PURPOSE
1. The purpose of this General Order is to establish procedures for training, qualification, and specifications for firearms, ammunition and non-lethal weapons.

POLICY
2. All employees are expected to follow rules, regulations, and procedures regarding weapons specifications, qualification, and training.

PROCEDURES
3. Lethal and Non-lethal weapons training is mandatory for assigned employees.
   (a) Each Supervisor shall ensure that employees under his/her supervision attend training sessions as scheduled.

TRAINING AND QUALIFICATION
4. The guidelines for training and qualification are as follows:
   (a) Firearms and Ammunition:
       i. While on-duty, sworn officers shall carry only firearms authorized by the Berkeley Police Department.
       ii. Authorized firearms, including Optional Duty Pistols (ODP's) must be registered and on file with the Firearms Training Unit.
       iii. Authorized firearms are those with which the officer has qualified, received departmental training in safe usage, and comply with departmental specifications.
       iv. The Personnel and Training Bureau shall schedule regular training and qualification sessions for duty, off-duty, auxiliary and specialized firearms, which will be evaluated on a pass/remediate basis. Officers, at minimum, shall qualify with firearms as follows:
           • Special Response Team (SRT), firearms, quarterly. Qualification during SRT training sessions may suffice for departmental qualifications, providing that qualification takes place within the same quarter.
           • On-duty service pistol, shotgun, and patrol rifle if assigned, semi-annually.
           • Off-duty and auxiliary firearms, annually.
       v. Any officer who fails to attend firearms qualifications, or who fails to achieve the qualifying standard with their duty firearm in accordance with departmental testing procedures, shall be retested until he/she qualifies.

As noted in MOU Section 45.3, "Employees who are not able to achieve the minimum standard within a reasonable period of time will be

*Highlighted text is new.
immediately assigned to work on an intensive basis with range masters who will evaluate the severity of the problem. Consistent inability to meet the standard may be cause for termination."

- Per Departmental standards, the FTU will furnish remedial measures and an employee failing to demonstrate proficiency with his/her weapon will not return to duty until such time as proficiency is demonstrated and documented.

vi. An officer shall not be permitted to carry any off-duty or auxiliary firearm with which he/she has not qualified with at least annually.

vii. An officer who has taken an extended leave, (6 months or more) or suffered an illness or injury that could affect his/her firearms skills will be required to re-qualify before returning to enforcement duties.

(b) Non-lethal Weapons:

i. The following non-lethal weapons are authorized:
   - 29" baton
   - 36" long baton
   - 26" expandable baton
   - Aerosol Gas Dispenser (Oleoresin Capsicum)

**FIREARMS SPECIFICATIONS**

5. The following Departmental specifications regulate firearms for sworn personnel for uniform or plainclothes duty wear.

(a) The authorized service pistol shall be the Smith and Wesson self-loading double action pistol in .40 caliber with a minimum barrel length of 4", in blue or stainless steel finish or the Glock 17.

(b) The authorized Optional Duty Pistols (ODP) shall be Heckler & Koch, Glock Sigarms, or Smith and Wesson M&P (generation 2 or later) in 9 millimeter, .40 and .45 caliber only, with a minimum barrel length of 3 ½", and a maximum barrel length or 5". Double action pistols shall be holstered in the double action mode, with the hammer down.

i. The authorized magazine capacity for the ODP shall be not less than a total of seven rounds in a factory supplied magazine. Only Departmentally issued duty ammunition shall be carried.

ii. Trigger pulls shall be maintained according to manufacturer specifications.

iii. No laser sighting devices shall be used unless expressly authorized in writing, by the Chief of Police.

iv. No weapons with a ported slide, barrel or compensator shall be authorized.

*Highlighted text is new.*
v. All manufacturers approved and installed safety devices shall be maintained according to manufacturer recommendations and/or specifications.

(c) The modification of any pistol, other than changes in sights or stocks/grips, is expressly prohibited. Removable tactical lights are not considered modifications.

(d) The Firearms Training Unit will maintain, on the appropriate form, a record of each weapon approved for use.

(e) Firearms Training Unit Armorers shall inspect and approve all pistols intended for duty for mechanical functioning within specifications prior to deployment. Should a pistol be deemed “unsafe,” it will be barred from deployment, until the cause of the unsafe pistol has been remedied, and rechecked and deemed “safe” by the armorers.

6. Holsters, ammunition carriers and necessary auxiliary equipment for ODP’s must be supplied by the officer, be specifically made for the pistol in use, be of comparable quality to the Departmentally issued holsters, and be approved by the Department prior to deployment.

(a) Approved holsters shall be manufactured with at least a primary and a secondary retention device.

(b) Unless expressly authorized, holsters for uniform patrol shall be of a black basket weave design and shall match the remainder of an officer’s duty belt.

7. Officers shall supply magazine pouches for ODP’s. (Unless current leather gear accommodates the ODP magazines) Pouches must be of a black basket weave design, be of comparable quality to the Departmentally issued magazine pouches, and be approved by the Department prior to deployment.

8. In the event an ODP malfunctions or is otherwise unavailable for use, the following options for ODP Replacement are as follows:

(a) Use another officer’s departmentally registered ODP of the same make, model and caliber.

(b) Use a second pistol owned by the officer of the same make, model and caliber and registered with the Department.

(c) Obtain a “loaner” pistol from the Department, of the same make, model and caliber.

(d) If the same make, model and caliber of pistol is not available, the officer shall qualify with another ODP or Departmentally issued firearm.

*Highlighted text is new.
9. Patrol Rifle
   (a) The authorized Patrol Rifle is an AR-15 style semi-automatic rifle in 5.56mm or .223 caliber issued by the department to selected officers assigned to Patrol or SEU.

OFF-DUTY FIREARMS

10. An "off-duty firearm" is defined as any concealable primary handgun normally carried by the sworn officer when not officially in an "on-duty" status.

AUXILIARY FIREARMS

11. Approval to carry an auxiliary (secondary) weapon is governed by Police Regulation 319. Employees on duty shall not carry auxiliary weapons, either on their person or in vehicles, without written approval of the Administrative Division Captain.

Auxiliary weapons shall meet the following criteria and be inspected by a Firearms Training Unit instructor before being approved for use.

(a) Weapon and Ammunition:
   i. The firearm and ammunition must be of commercial manufacture. The FTU will record the manufacturer, caliber and serial number of the weapon on the back of the firearms training record card.
   ii. The caliber of the auxiliary weapon shall not be greater than .45 caliber.

(b) Reliability and Quality:
   i. An FTU instructor will operate the firearm to ascertain any observable defects.
   ii. An FTU instructor will conduct a routine service inspection of the firearm.
   iii. The officer will, when possible, field strip the firearm for a detailed inspection.

(c) Method of Carry:
   i. The weapon shall be held secure and completely hidden in a short-sleeved uniform.

(d) The officer shall complete a qualification exercise, as provided by the FTU, which will verify security of the weapon's method of carry.

(e) The auxiliary weapon application shall be routed to the Administrative Division Captain via the officer's Division Commander for final approval upon successful completion of the qualification exercise.

*Highlighted text is new.
AMMUNITION

12. The following Departmental specifications regulate service ammunition for sworn personnel:

(a) The authorized primary service handgun cartridge shall be of a controlled expansion bullet type (hollow point) that will release the greatest amount of kinetic energy within the target, and reduce the potential for over-penetration and ricochet.

i. The reference cartridge for the semi-automatic pistols shall be those issued by and approved for use by the FTU, and authorized by the Chief of Police.

ii. Ammunition for the auxiliary pistol shall conform to the bullet type of the service handgun cartridge.

iii. Ammunition authorized for service use in the 12-gauge shotgun is the 9 or 12 pellet Buckshot and Rifled Slug cartridges.

iv. Ammunition authorized for service use for the Patrol Rifle is the 5.56mm or .223 caliber cartridge, provided by the FTU and authorized by the Department prior to deployment.

v. The use of any other ammunition while on-duty is strictly prohibited.

BERKELEY POLICE DEPARTMENT

DATE ISSUED: April 7, 2010

GENERAL ORDER I-16

SUBJECT: MENTALLY DISORDERED PERSONS

PURPOSE

1 - The purpose of this Order is to establish policy and procedure for the custody and/or transportation of mentally disordered persons to designated treatment facilities, and other related processes.

POLICY

2 - Employees are expected to comply with applicable law and the procedures described in this Order.

3 - Employees shall reasonably ensure all medical or mental health records or information obtained while providing services to mentally disordered persons remain confidential.

(a) Employees shall not make public nor reveal to unauthorized persons any information received about mentally disordered persons.

(b) Release of confidential information documented in a police report shall be handled as set forth in General Order R-23.

DEFINITIONS

4 - Deadly Weapon: Any weapon, the possession or concealed carrying of which is prohibited by Penal Code §12020.

5 - Gravely Disabled: A person so impaired by a mental disorder that he/she cannot provide for his/her basic needs for food, clothing, or shelter.

6 - "In Extremis" Person: A person with a potential life-threatening illness or injury.

7 - Mentally Disordered Person: A person who is a danger to him-/herself, others, or is gravely disabled as a result of a mental disorder.

PROCEDURES

Emergency Detention

8 - A mentally disordered person may be taken into custody by a sworn peace officer and placed in a facility designated by the County and approved by the State Department of Mental Health for emergency evaluation and treatment (ref. Welfare and Institutions Code (WI) §5150).

9 - Officers who take a mentally disordered person into custody pursuant to WI §5150 shall complete an Application for Emergency Psychiatric Detention form documenting the following information:

*Highlighted text is revised.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: April 7, 2010

(a) The circumstances under which the person's condition was called to the attention of law enforcement;

(b) The officer's observations and belief that the person, as a result of mental disorder, is a danger to others, to himself/herself, or is gravely disabled; and,

(c) If the emergency commitment is associated with a criminal offense and arrest, the words "POLICE HOLD" and relevant code sections shall be written on the Application form.

(1) In the event the law enforcement hold is solely related to a parole violation, the words "PAROLE AGENT HOLD" shall be written on the Application form.

(d) The officer's issuance of the Detainment Admonition (WI §5157(a)).

10 - When an officer commits a mentally disordered person under the provisions of WI §5150, the Application For Emergency Psychiatric Detention form shall serve as the police report.

(a) Application forms prepared by officers shall be prepared and administered in accordance with established report writing procedures (ref. General Order R-31).

(b) If the emergency commitment is associated with a criminal offense and arrest, the Application form shall be incorporated into and bear the same report number as the criminal investigation report.

(c) Referral “green” copies of the completed Application for Emergency Psychiatric Detention form shall be given to ambulance personnel prior to transport.

(d) The officer shall ensure a copy of the Application form (i.e., the "white" cover page retained as the police report) is routed to the Berkeley Department of Health Services' Mental Health Division.

Voluntary Committal/Request for Psychiatric Care

11 - Employees shall facilitate the request of any person in Berkeley for emergency psychiatric care.

Transportation Procedures

12 - A mentally disordered person who voluntarily requests transportation, or is subject to WI §5150 detention, for emergency psychiatric evaluation shall be transported to an appropriate care facility via ambulance.

*Highlighted text is revised.
(a) When requesting an ambulance transport, officers shall advise the Communication Center if the mentally disordered person has a known or suspected injury or illness that might require pre-psychiatric commitment medical clearance.

(b) Communication Center personnel shall be responsible for requesting the appropriate ambulance service, based on information communicated by the requesting officer and requirements set forth in the service contract(s) maintained with Alameda County EMS governing non-medical WI §5150 transportation.

13 - A mentally disordered person who is "in extremis" or otherwise requires medical clearance prior to delivery to a psychiatric care facility shall be transported to the appropriate "Receiving Hospital", as determined by ambulance personnel.

(a) Officers shall communicate knowledge of and observations regarding a mentally disordered person’s physical status (i.e., known or suspected injury, illness or substance influence, history of same, etc.) to ambulance personnel to assist their assessment of whether or not a medical clearance is required.

14 - Officers shall evaluate the mentally disordered person’s potential for violence when considering transportation logistics.

(a) Non-Violent Person: Officers will not be required to participate in the transportation of a mentally disordered person to the appropriate medical or psychiatric treatment facility.

(b) Violent Person, Threat of Violence or Escape/Crime-related “HOLDS”: Officers shall participate in the transportation of a mentally disordered person who is violent, where there is a threat of violence or escape, or when the person is subject to a "POLICE HOLD" or "PAROLE AGENT HOLD".

(1) Participation in transportation may include following the ambulance in a separate vehicle, or, if requested by ambulance personnel or required for security, riding within the ambulance.

(i) The officer who participates in transportation by riding in the ambulance shall ensure his/her return to Berkeley is arranged prior to departure to the designated treatment facility.

(2) Patrol Division personnel shall be responsible for post-commitment transportation of a “POLICE HOLD” prisoner from the involved psychological services facility.

*Highlighted text is revised.*
15 - Prior to transportation, the officer taking a mentally disordered person into custody pursuant to WI §5150, or who facilitates the person’s request for voluntary psychiatric evaluation, shall insure the person is searched for weapons or items that could present a safety hazard or security concern to ambulance personnel.

(a) When police department personnel have physical custody of a prisoner who is/was subject to emergency psychological commitment and evaluation, custodial and prisoner transportation policies and protocols shall be followed (ref. General Orders J-1 and T-2).

16 - When a person is taken into custody for psychiatric evaluation, precautions shall be taken to preserve and safeguard the property in his/her possession or in his/her control on the premises occupied by the person.

(a) Property may be left in the custody of a responsible relative (i.e., spouse, parent, adult child, and adult brother/sister, but not petitioner), guardian or conservator.

17 - If a mentally disordered person is apprehended in either his/her home or vehicle, the responsible officer should make reasonable efforts to secure the home or vehicle, or convey its custody to a responsible relative, guardian, or conservator.

(a) If necessary, an officer may order the removal of a vehicle from the public right-of-way (ref. Vehicle Code §22651(g) and General Order V-2).

18 - If a mentally disordered person is apprehended away from his/her home or vehicle, and advises that either is in danger if not secured or protected, the officer should make reasonable efforts to secure the property and notify a responsible relative, guardian, or conservator.

19 - Custody of the personal property (not in person’s immediate possession/control), vehicle, or home of a mentally disordered person may be conveyed to any responsible adult upon express consent of its owner.

**Firearms/Deadly Weapons Procedure**

20 - When a mentally disordered person detained or apprehended for emergency psychiatric evaluation is found to have in his/her immediate possession or control, any firearm or deadly weapon, the officer shall confiscate and retain custody of said firearm or weapon (WI §8102(a)).

(a) Despite the directive of WI 8102(a), officers shall not enter a mentally disordered person’s residence, or if in the residence at the time of detention/apprehension, search areas beyond the person’s immediate control, solely to seize a firearm or deadly weapon without express consent or a search warrant.

*Highlighted text is revised.*
(b) The officer who confiscates a firearm or deadly weapon from a mentally disordered person shall inform the person of the procedures for the return of the seized item (WI §8102(b)).

(c) The officer who confiscates a firearm or deadly weapon pursuant to this Order shall forward a copy of the police report to the Detective Bureau unit responsible for weapons investigation.

21 - Within 30 days of the release of a mentally disordered person from a psychiatric care facility, Detective Bureau personnel may initiate a petition in the Superior Court for a hearing to determine whether the return of a firearm or other deadly weapon would be likely to endanger the person or others (WI §8102(c)).

(a) Should retention of the firearm or deadly weapon be deemed in the best interest of public safety, petitioning Detective Bureau personnel shall ensure notice has been sent to the mentally disordered person advising him/her that he/she has 30 days to request a court hearing on the seizure of the weapon and that the failure to request a hearing will result in forfeiture of the weapon (WI §8102(e)).

(b) If the mentally disordered person does not respond to the Court within 30 days of notice, Detective Bureau personnel shall file a petition for Order of Default to authorize forfeiture of the firearm or deadly weapon.

22 - Prior to the return of a firearm seized pursuant to this Order, pre-return requirements described in PC §12021.3 shall be accomplished.

23 - The final disposition of firearms or deadly weapons confiscated pursuant to this Order, whether abandoned by the owner or forfeited by Court Order, shall conform to the property management procedures set forth in General Order P-65.

Service of Court Orders

24 - The officer assigned to serve a Court Order directing a mentally disordered person to submit him-/herself to psychological evaluation on a particular date/time and location shall:

(a) Deliver a copy of the Petition and Order received from the Alameda County Sheriff’s Office to the person named in the Order.

(b) Complete the Affidavit of Service form.

(c) Deliver the original of the Petition, Court Order, and Affidavit of Service to the designated psychiatric facility for return to the Superior Court (ref. WI §5208).
The officer assigned to serve a Court Order to take into custody and deliver a mentally disordered person for psychiatric evaluation shall:

(a) Deliver a copy of the Court Order to the person named and take the person into custody.

(1) Whenever possible, officers charged with the apprehension of a mentally disordered person should dress in plainclothes and travel in unmarked vehicles (WI §5153).

(b) Complete the Affidavit of Service form.

(c) Facilitate the named person’s transportation to a designated psychiatric facility.

(d) Deliver the original of the Court Order and Affidavit of Service to the designated psychiatric facility for return to the Superior Court.

(e) Deliver a copy of the Court Order to the designated psychiatric facility for its records.

26 - Regarding officer responsibility for safeguarding a mentally disordered person’s personal property (ref. paragraph 16 of this Order), if the detention is made pursuant to Court Order, the responsible officer shall report the property’s disposition to the Court in the following format (ref. WI §5211):

(a) “I hereby report to the Superior Court for the County of Alameda that the personal property of [name of person apprehended], described generally as [description of property], was preserved and safeguarded by [name of officer, relative, guardian, or conservator]. The property is now located at [address].” [date/officer signature]

Psychiatric Facility “Walk Away”/Missing Person Protocol

27 - In the event a psychiatric treatment facility notifies this Department that a mentally disordered patient committed by a Berkeley police officer pursuant to WI §5150, or who is a resident of Berkeley, is a “missing person,” investigative assistance shall be provided in accordance with General Order M-1.

Mentally Ill Parolees

28 - When an officer contacts a parolee who is subject to State mental health supervised release conditions, that officer should notify the person’s parole agent as soon as practical following the contact.

(a) In the event the contact involves violence, criminal conduct, or results in emergency commitment for psychiatric evaluation, the person’s parole agent shall be notified.

*Highlighted text is revised.
(b) In the event the contact involves criminal conduct, established investigative and custodial procedures shall be followed.

29 - Non-violent parolees subject to State mental health supervised release conditions who are in need of psychiatric services, but who are not committable pursuant to WI §5150, should be referred to mental health services provided by the California Department of Corrections and Rehabilitation Parole Division’s Berkeley office.

(a) After normal business hours or as may be necessary, Mobile Crisis Team resources may be requested.

DATE ISSUED: January 24, 2013

SUBJECT: CRISIS INTERVENTION TEAM

PURPOSE

1 - The purpose of this General Order is to set forth departmental policy and procedures for the Crisis Intervention Team.

POLICY

2 - To maximize safety for officers, mental health consumers and the public, it is the policy of the Berkeley Police Department to utilize, whenever possible, Crisis Intervention Team Officers for specified mental health crises.

3 - The Department's Crisis Intervention Team (CIT) is composed of specially trained officers whose function is to respond to incidents which involve a mental health crisis, where the officer's specialized skills may be used to resolve such an incident and to provide further assistance, beyond the actual call, for the individual involved.

4 - The CIT Program has four primary objectives:

   a) To attempt to de-escalate crisis situations.
   b) To attempt to reduce the necessity for the use of force.
   c) To attempt to reduce recidivism among mentally ill criminal offenders.
   d) In collaboration with the community mental health system, consumer advocacy groups and the courts, to continuously work toward meeting these goals.

DEFINITIONS

5 - Crisis Intervention Team (CIT): A specialized team operating within the Operations Division designated to respond to calls involving persons experiencing a mental health crisis.

6 - Crisis Intervention Team Member: A member of the department who has completed 38 hours of POST certified CIT training (i.e., crisis de-escalation, signs and symptoms of mental illness, local resources for persons in a mental health crisis) and achieved CIT certification. Participation as a team member is voluntary, and team members have received specialized and specific training in order to be a resource to other officers.

7 - CIT Council: A community collaborative comprised of law enforcement personnel, court officials and mental health advocates, responsible for
continuously providing feedback on and improving/sustaining the Crisis Intervention Team. The Council also reviews individual cases and formulates recommendations.

8 - Mental Health Consumer: A description commonly used by the mental health community when referring to an individual diagnosed with a mental illness or who is involved in a mental health crisis and utilizes mental health services.

9 - Crisis Intervention Team Coordinator: A CIT trained Sergeant or Officer responsible for the development and maintenance of the CIT program.

PROCEDURES

General

10 - Whenever possible, CIT officers shall respond to specified calls for service involving individuals experiencing mental health crises. The use of CIT trained personnel is not limited to situations or calls involving the mentally ill, but extends to any circumstance wherein an individual is in need of crisis intervention due to a psychological/emotional crisis and/or when the individual is a danger to himself/herself, others or is gravely disabled.

CIT Officer Selection

11 - The position of CIT Officer is an ancillary duty assignment. Officers interested in becoming a member of the Berkeley Police Department CIT will complete a standard Special Assignment Application Form.

CIT Officer Identification

12 - CIT Officers may be identified by a “CIT” lapel pin on their uniforms, affixed in silver letters (gold for CIT trained commanders), affixed over the name plate on the right shirt pocket. The pin acts as an identifier to other officers, mental health consumers/family members and members of the general public that the officer has completed CIT training.
Automatic Dispatch of CIT Personnel

13 - The Communication Center shall automatically dispatch the closest available CIT Officer(s) to the following incidents:

- Calls involving actively suicidal subjects.
- Calls normally dispatched as "violent 5150."
- Incidents involving suspected mentally ill subjects with a weapon.
- Hostage situations or barricaded subjects, until relieved or otherwise directed by the Barricaded Subject/Hostage Negotiation Team (BSHNT).

14 - The Communication Center shall advise if there are no available CIT Officers to respond.

Dispatch/Patrol Officer Unit Requests

15 - In situations other than those specified under the guidelines established for automatic dispatch protocol, call takers, dispatchers and patrol officers can prompt, and/or request the response of CIT personnel. Situations may include:

a) Calls for service when it becomes known that a subject may benefit from CIT intervention.

b) A family disturbance call when it is determined that an individual suffers from a mental illness.

c) On-scene patrol officers who determine a need and requests CIT personnel to respond.

Berkeley Mental Health Mobile Crisis Team (MCT) Coordination

16 - The MCT is a mobile emergency mental health service staffed by licensed mental health professionals and interns. The MCT offers crisis intervention, counseling follow-up and consultation services work collaboratively with police personnel, including CIT officers, acting as professional adjuncts. MCT clinicians may be used by CIT officers as consultants by assisting with crisis intervention. The MCT may also assist by helping to generate appropriate referrals and disposition recommendations for CIT officers.
Barricaded Subject Hostage Negotiation (BSHNT) Coordination

17- If available, on duty CIT personnel shall respond to any incident involving a barricaded subject or hostage taker. If there are no BSHNT Tactical or Negotiator Element personnel on scene, the CIT officer may act as the primary negotiator until relieved by BSHNT personnel.

CIT Personnel: On-Scene Responsibilities

18- On-scene CIT personnel are responsible for the following:

a) Determining if the call for service warrants a CIT response.

b) W&I 5150 evaluations.

c) In the event an Emergency Psychiatric Detention is warranted, the CIT Officer shall prepare the required documentation and make any appropriate referrals.

d) If also functioning as the primary patrol unit, the CIT Officer shall complete the appropriate offense report and recover any of the property or evidence for safe keeping, if applicable.
SUBJECT: POLICE-INVOLVED SHOOTINGS AND FATAL OR SERIOUS INJURY INCIDENTS

PURPOSE

1 - The purpose of this Order is to delineate the policy for investigating officer involved shootings or other incidents involving officer/employees which result in serious injury or fatalities and to thoroughly investigate all serious incidents involving multiple jurisdictions or personnel from other law enforcement agencies.

POLICY

2 - Investigation of police-involved shootings or other incidents, which result in serious injury or death, are complex and demanding. The consequences of such an incident can be profound and affect many people in the Department and the community. For these reasons, it is the policy of the Berkeley Police Department to investigate all such incidents thoroughly, fairly and in compliance with the directions of this Order.

PROCEDURES

3 - The Berkeley Police Department will investigate all police-involved shootings or other incidents which result in serious injury or death that occur in the City of Berkeley, whether they involve Berkeley Police employees or employees of another law enforcement agency. If a serious incident takes place in two or more jurisdictions, each part of the incident will be investigated by the agency having primary jurisdiction over the geographical area in which that part occurs. The policy applies to sworn officers and non-sworn employees who are on duty, and it applies to sworn officers who are off duty but assume an on-duty status to accomplish a police objective.

An "Officer Involved Shooting and Fatal/Serious Injury Incidents Checklist for Sergeants/Watch Commanders is attached at the end of this directive. The Checklist should be used to facilitate the investigation, with appropriate copies routed to the Administrative Division Captain, Division Commander(s) of the involved employee(s) and the Homicide Detail.

(a) When a police-involved shooting or other incident results in serious injury or death, a member of the Berkeley Police Department Homicide Detail shall notify the Alameda County District Attorney's on-call "Officer-Involved Shooting Team" or "Homicide Unit." These notifications may be made via the Alameda County Sheriff Department's Dispatchers.

(1) The District Attorney's Office will determine if the incident is one that they will respond to. Where deemed appropriate by the District Attorney's Office, they will conduct an investigation independent
and apart from our investigations.

(b) If the District Attorney’s Office determines they will respond, the Homicide Detail shall ensure they are provided with a summary of all investigative information upon arrival at the incident scene. Members of the District Attorney’s Office shall be allowed to view and photograph the scene and all physical evidence. They shall also be provided with the opportunity to interview all witnesses and involved officer(s)/employee(s).

(1) The District Attorney’s Office will conduct a separate investigation of the incident without interfering and will receive full cooperation from members of the Berkeley Police Department, including being present at officer/employee interviews and submitting questions in writing to be asked of the involved personnel.

(c) Upon completion of their investigation, the District Attorney’s staff will provide the Berkeley Police Department with a written report of their investigation, generally within 30 days of the incident.

4 - Shootings or incidents which result in injury or death, involving an on-duty or off-duty Berkeley Police Department employee and which occur in another jurisdiction, will be investigated by that jurisdiction.

(a) In all cases involving Officer Involved Shootings or serious injury incidents by Berkeley Police Officers in another jurisdiction, a member of the Berkeley Homicide Detail will be contacted by the Communications Center to respond to the incident scene. He/she will coordinate and serve as a liaison for our Department.

5 - The purpose of any criminal investigation conducted under this Order is to determine if a crime occurred, and if so, to identify the person(s) responsible, the degree of the crime, any legal or factual defenses to the crime, and the existence of any factors which might mitigate or aggravate the punishment for the violation(s) committed. The criminal investigation will be conducted as soon as possible after the incident becomes known and will take precedence over any administrative investigation that may be required by another association policy statement or policy of another agency.

6 - An administrative investigation will be conducted concurrently with, but separate from, any criminal investigation of a police-involved shooting, serious injury incident or death conducted under this Order.

(a) The criminal investigation shall have priority.

7 - The purpose of the administrative investigation conducted under this Order is to identify training deficiencies and to determine if there are any violations of policy or procedures of the Berkeley Police Department, and if so, the identity of the
person(s) responsible for the violation(s).

DEFINITIONS

8- Serious Injury: A serious injury is an injury which if sustained could possibly result in death or permanent disability.

9- Types of incidents covered under this Order are defined as:

(a) Officer involved shootings, accidental or intentional, whether or not there is injury or death.

(b) Any intentional or negligent act on the part of an employee of the Berkeley Police Department while performing his/her official duties which causes the death of or serious injury to another person.

(1) Officer/Employee involved fatal/serious injury incidents in which a vehicle collision is the apparent cause shall be handled by the California Highway Patrol relative to the traffic/criminal investigation.

(2) Departmental personnel assigned to our Fatal Accident Investigation Team (FAIT) representing the Homicide Detail and Crime Scene Unit shall assist the California Highway Patrol in their investigation if requested. This includes but is not limited to duties such as assistance with evidence collection, coordinating interviews, etc.

(3) In situations where a vehicle collision or other vehicular movement is involved but it not the direct cause of death, or where the vehicle collision is one of a series of events resulting from a violation of law apart from the collision itself, Homicide Detail shall retain responsibility for the investigation but may obtain assistance from the California Highway Patrol for the traffic related portions of the incident.

(c) Any intentional or negligent act on the part of an employee of any outside law enforcement agency while performing his/her official duties in the City of Berkeley which causes the death of or serious injury to another person.

10- All Police Department employees are covered by this Order. Employee is defined as:

(a) Any full-time regular salaried sworn or non-sworn employee.

(b) Any part-time salaried employee or Police Reserve Officer.

*Highlighted text is new.*
BERKELEY POLICE DEPARTMENT

DATE ISSUED: January 18, 2005

GENERAL ORDER P-12

11 - Investigators, as included in this Order, are defined as:

(a) Sworn police officer(s) of the Berkeley Police Department assigned by the Chief of Police to conduct the criminal investigation of any incident covered by this Order.

(b) Sworn police officer(s) of the Berkeley Police Department assigned by the Chief of Police to conduct the administrative investigation of any incident covered by this Order.

(c) Members of the District Attorney's Office of Alameda County assigned by the Alameda County District Attorney to conduct the criminal investigation of any incident covered by this Order.

RESPONSIBILITIES

12 - Criminal investigations conducted under this Order shall be conducted by members of the Homicide Detail, or if unavailable, an investigator assigned by the Chief of Police.

13 - Administrative investigations conducted under this Order shall be conducted by the Internal Affairs Bureau, or if unavailable, an investigator assigned by the Chief of Police.

INVESTIGATIVE PROCEDURES

14 - The officers conducting the investigation are required to follow the rules of law which apply to all criminal proceedings including constitutional, statutory, and case law regarding rights which are covered by the United States Constitution's 4th, 5th, 6th, and 14th Amendments.

(a) The investigation is to be performed in a manner that both is and appears to be thorough, fair, complete, and professional and provides an investigation, which is free of conflicts of interest.

(b) For incidents involving outside agency personnel, a representative of the agency employing the involved law enforcement personnel will be afforded the opportunity to monitor the investigation, be present during questioning regarding the incident and within a reasonable period of time, to have access to all materials and documents pertinent to, or generated throughout the investigation.

(c) Notifications:

*Highlighted text is new.*
Upon identifying an occurrence as an officer involved shooting or other incident which results in serious injury or death, the Patrol Watch Commander or senior on-duty Sergeant shall insure the following notifications are made, except where noted:

(1) Homicide Supervisor, or On-call Detective
(2) Duty Command Officer
(3) Chief of Police
(4) Division Commander(s) of the involved personnel
(5) Public Information Officer
(6) Internal Affairs Investigator
(7) Alameda County District Attorney’s representative

(a) This contact will be made by the Homicide Detail.

**SCENE PROCEDURES**

15 - Emergency life saving measures have the first priority.

(a) If a person is transported to a hospital with possible “fatal injuries,” an officer should accompany that injured person in the same vehicle in order to:

(1) Locate, preserve, safeguard, and maintain the chain of physical evidence.
(2) Obtain a dying declaration (Evidence Code 1242); a spontaneous statement (Evidence Code 1240); a contemporaneous statement (Evidence Code 1241); a statement of then-existing or previous mental or physical state (Evidence Code 1250, 1251).

(3) Maintain custody of the person if he/she has been arrested.
(4) Provide information to medical personnel about the incident as relevant to treatment, and obtain information from medical personnel relevant to the investigation.

(5) Identify relevant people, including witnesses and medical personnel.
(6) Be available for contacts with the victim’s family, if appropriate.
16 - The scene(s) must be secured immediately with a perimeter established for each a sufficient distance away to safeguard evidence. In some circumstances an Inner and an outer perimeter are appropriate.

(a) Access to the scene(s) must be limited to only those officials who must enter for an investigative purpose.

(b) A written log will be established as quickly as possible to identify all persons entering the scene(s), the time of their entry and exit, and the reason for entry.

(c) When not needed for life saving efforts, entry by fire and ambulance personnel should be restricted to the absolute minimum necessary to perform the needed duties.

(d) No items shall be moved inside the scene(s) or removed from a scene without approval of the scene supervisor unless absolutely necessary for public or officer safety or for preservation of evidence.

If removal without approval is necessary, the removal must be witnessed and logged. The log shall state the identity of the person removing the described object, the reason for removal, a witness to the removal, and the time of removal. The item should be photographed prior to removal.

17 - If any type of weapon or instrument was involved in the fatal incident, the supervisor at the scene will promptly have the item secured or collected as follows:

(a) If the area is secure, loose weapons or instruments shall be left in place and undisturbed.

(b) If the area is not secure, the supervising officer at the scene shall decide whether the items can be safely left in place or whether prompt removal is necessary. If such items must be moved or removed for protection, they should be photographed in place prior to removal if possible.

(c) If an involved officer still has personal possession of a weapon he/she used in the incident, the supervising officers at the scene shall take steps to get the officer removed from the scene as soon as possible. The supervising officer shall promptly but discreetly obtain possession of the involved officer(s) weapons and gun belt assemblies.

(1) Preferably, this should be done at the Public Safety Building or at another location with consideration given towards being out of the view of the public and/or other officers if possible.

*Highlighted text is new.*
(2) Side arms shall not be removed from their holsters; obtain the entire gun belt if necessary to avoid moving the weapon from its holster.

(3) Unless there are mitigating circumstances, the supervising officers shall take steps to immediately give the involved officer(s) a replacement firearm and/or any other equipment, which was collected as evidence.

(d) In shooting cases, the supervising officer shall attempt to identify all firearms, which may have been discharged by other officers who were present at the time of the incident to ensure that all discharged firearms are identified and collected. Where a duty sidearm, which is collected, is in the personal possession of an officer it shall be immediately replaced.

(e) The supervising officer collecting any weapon or instrument will describe in his/her report its description, condition and the location of any trace evidence adhering to it. These observations should be made without removing a firearm from its holster or otherwise compromising physical evidence. The location where the weapon or instrument was first observed by the supervising officer, and the identity of the person or location from which the weapon or instrument was received shall also be recorded.

(1) In firearms cases, the supervising officer will also make note of whether the firearm is cocked, has its safety “engaged” has its hammer back, any apparent jamming of either fired or unfired ammunition; the location and position of the weapon’s magazine (e.g. fully or partially inserted, completely separate from the firearm, missing, etc.), to the extent possible without removal of the weapon from its holster.

   a. If the mechanism of a firearm is obviously jammed, no attempt shall be made to unload the weapon or clear the jam.

   b. If the firearm is found in a single action condition (hammer/firing mechanism cocked), the safety shall be engaged by the supervising officer, who must make note of that fact. If the firearm’s hammer is back, it shall be lowered, but note must be made of that fact.

(f) Any officer receiving a weapon or instrument from another person or obtaining it otherwise shall note its serial number if readily visible without removing the weapon from its holster or otherwise compromising physical evidence and to maintain the chain of evidence.

*Highlighted text is new.
(g) Otherwise, weapons and instruments will not be disturbed in any way. They shall not be handled by anyone other than the supervising officer and that officer shall handle them minimally to preserve the exact state of the weapon or instrument when received.

18 - The collected weapons or instruments shall be transferred to the Identification Expert for processing.

19 - Any other physical evidence at the scene, which is in danger of being contaminated, destroyed or removed, must be promptly and effectively observed, recorded, and then protected for subsequent collection. Evidence adhering to live participants (such as blood stains), footprints, and fingerprints, volatile substances, various types of trace evidence, and firearms discharge evidence, are examples.

20 - Transporting and Sequestering of Involved Officers:

(a) Officers who were present at the scene at the time of the incident, whether involved parties or witnesses, will be relieved of their duties at the scene as promptly as possible and transported to the Public Safety Building.

(1) As soon as practical, the involved officers(s)/employee(s) shall have photographs taken of any injuries they suffered, and/or any damage to or physical evidence present on their attire.

(b) An uninvolved officer shall remain with the involved officer(s) until they can be interviewed. The sequestering officers are present to ensure the officers have privacy and that their needs are accommodated, they should not be present during confidential (privileged) conversations.

(c) Involved officers are to refrain from discussing the incident among themselves, with sequestering officers, or with anyone other than their representative(s) prior to the investigative interview process.

21 - Custodial Death Scenes:

When an incident occurs in a jail facility or other location where inmates may have witnessed something, inmates should be identified and separated if possible, pending interviews by criminal investigators.

22 - Under the Public Safety Officers Procedural Bill of Rights ("The Act") (Government Code Section 3300 et seq):
(a) The Act is applicable only to "Public Safety Officers." It is not applicable to police employees who are not peace officers.

(b) The Act is not applicable to interviews with Public Safety Officers who are being interviewed by other than their Employing Agency.

(c) The Act is not applicable to interviews with Public Safety Officers when being interviewed by other than their Employing Agency when the investigation is concerned solely and directly with "alleged criminal activities."

If prior to or during the interrogation of a Public Safety Officer it is deemed that he or she may be charged with a criminal offense, he or she shall be immediately informed of his or her constitutional rights. {Per Government Code Section 3303, (h)}.

24 - Interviews will be conducted separately.

25 - Interviews will normally be fully tape-recorded.

26 - The interviewees will be considered as witnesses unless the circumstances dictate otherwise.

27 - Police employees have the same rights and privileges regarding interviews that any other citizen would have, including the right to consult with a representative prior to interview and the right to have legal counsel present during the interview.

(a) Legal counsel shall be allowed to consult with the employee about the facts of the incident privately.

(b) If the representative is not a doctor, lawyer, psychotherapist, or priest, or an agent of such professional, the contents of private conversations between the representative and his/her police employee "client" are not privileged.

CHEMICAL SUBSTANCE TESTING

28 - If, during the criminal investigation of an incident covered by this Order, the investigator determines that there is probable cause to believe that a Police employee, as defined in paragraphs 8(c) and 9 above, is or may be under the influence of a chemical substance, the investigator shall obtain a sample of the subject's blood and urine consistent with the requirements of the California Evidence Code, State and case law.

29 - During the administrative investigation of an incident covered by this Order, the investigator shall follow City policy:

*Highlighted text is new.*
BERKELEY POLICE DEPARTMENT

DATE ISSUED: January 18, 2005

On November 25, 1986, under Resolution Number 53,543A-N.S. the City Council passed the following resolution:

PROHIBITING VOLUNTARY OR MANDATORY DRUG TESTING OF CITY OF BERKELEY EMPLOYEES UNLESS SPECIFICALLY AUTHORIZED BY THE CITY COUNCIL.

BE IT RESOLVED by the Council of the City of Berkeley as follows:

That as a public policy, the City of Berkeley is not interested in voluntary or mandatory drug testing of City employees without the specific authorization of the City Council.

All members of the Berkeley Police Department shall follow this policy.

REVIEW PROCESS

30 - All incidents investigated under this Order, which involve Berkeley Police Department employees, shall be reviewed by the Chief of Police and a Review Board as outlined in General Order R-3.

Body Worn Cameras

425.1 PURPOSE AND SCOPE
This policy provides guidelines for the use of portable Body Worn Cameras (BWCs) by members of this department while in the performance of their duties.

This policy does not apply to non-BWC evidence, including other methods of audio or video recordings, interviews or interrogations conducted at any Berkeley Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

425.2 POLICY
The Berkeley Police Department recognizes that video recording of contacts between department personnel and the public provides an objective record of these events, and that the use of a recording system complements field personnel in the performance of their duties by providing a video record of enforcement and investigative field contacts, which can enhance criminal prosecutions, limit civil liability, increase transparency, and enhance professionalism in the delivery of police services to the community. A video recording of an event or contact also enables the delivery of timely, relevant, and appropriate training to maximize safety for both community members and BPD personnel.

While recordings obtained from BWCs provide an objective record of events, it is understood that video recordings do not necessarily capture all events, activities and information, or reflect the full experience of the individual member(s) in a given incident. Moreover, the recordings, especially video, have limitations and may depict events differently than the events as perceived and recalled by the involved member. Specifically, it is understood that the BWC will capture information that may not have been seen and/or heard by the involved member and that the involved member may see and hear information that may not have been captured by the BWC.

425.3 CONFIDENTIALITY AND PROPER USE OF RECORDINGS
BWC use is limited to enforcement and investigative activities involving members of the public. The BWC recordings will capture video and audio evidence for use in criminal investigations, administrative reviews, training, civil litigation, and other proceedings protected by confidentiality laws and department policy. Improper use or release of BWC recordings may compromise ongoing criminal and administrative investigations or violate the privacy rights of those recorded and is prohibited.

425.4 COORDINATOR
The Chief of Police, or his/her designee shall appoint a member of the Department to coordinate the use and maintenance of BWCs and the storage of recordings, including (Penal Code § 832.18):

(a) Establishing a system for uploading, storing and security of recordings.

(b) Designating persons responsible for uploading recorded data.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: December 20, 2010

(f) Coordinate with, and assist the monitoring supervisor as necessary.

(g) Review the monitoring supervisor’s daily log report of the vehicle pursuit as well as any relevant documentation attached thereto for compliance with this Order and route to the Chief of Police via the chain of command.

(1) Initiate additional administrative review, if appropriate, when the conduct of the pursuit does not conform to this Order.

58 - Dispatcher:

(a) Upon being advised of a pursuit by an officer, immediately activate the emergency tone and begin a Code-33.

(b) Wait for a patrol team sergeant to advise that he/she is monitoring the pursuit. If there is no response after a reasonable interval, advise a supervisor of the pursuit.

(c) Monitor the pursuit, maintain and observe the Code-33, repeating only pertinent information like location, direction, or any officer safety information, until the pursuit ends and Code-34 is declared.

(d) Run the license plate of the vehicle or name of the suspect if it is known.

(e) Broadcast any relevant want information regarding the suspect or officer safety information only. (If there are no hits, and only registered owner information is available, hold it until it is requested.)

(f) Anticipate when a pursuit may leave the City and notify the appropriate jurisdiction.

(g) Immediately dispatch an officer to any collision or other injury resulting from the pursuit.

Body Worn Cameras

(c) Establishing a maintenance system to ensure availability of BWCs.
(d) Establishing a system for tagging and categorizing data according to the type of incident captured.
(e) Establishing a system to prevent tampering, deleting and copying recordings and ensure chain of custody integrity.
(f) Working with the City Attorney's office to ensure an appropriate retention schedule is being applied to recordings and associated documentation.
(g) Maintaining an audit trail record for all access to evidence files, wherein access information for each evidence file is logged through use of a secure log-in system. The Department's storage system associates an audit trail record with each evidence file, thereby logging the date, time, user name, activity and client IP address occurring during each evidence file access.

All recordings made by members acting in their official capacity shall remain the property of the Department. Subject to the provisions of this Policy, members shall have no expectation of privacy or ownership interest in the content of these recordings.

425.5 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member who is assigned to wear a BWC will be responsible for making sure that he or she is equipped with a BWC issued by the Department, and that the BWC is in good working order. If the BWC is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor to permit the supervisor or other department employee to provide the member with a functioning BWC as soon as practicable. Uniformed members should wear the recorder in a conspicuous manner as prescribed by the Department, to provide a generally unobstructed camera view of contacts between members of the public and department members.

Members lawfully engaged in their duties as a police officer are not required to obtain consent from, or give notice to, members of the public, prior to recording with their BWC.

Upon the approval of the Chief of Police, or his/her designee, non-uniformed members lawfully engaged in their duties as a police officer may use an approved BWC.

Members are required to document the existence of a recording in any report or other official record of the contact, such as a CAD entry, including any instance where the member is aware that the BWC malfunctioned or the member deactivated the recording. In the event activity outlined in section 425.7 is not captured in whole or in part the member shall document this and explain in their report their understanding, if any, of why the footage was not captured in the recording.

425.6 SUPERVISOR RESPONSIBILITIES

At such time as the scene is considered secure and safe, the on-scene supervisor shall take immediate physical custody of involved officer's/officers' BWC when the device may have captured an incident involving an officer-involved shooting or use of force resulting in death or great bodily injury, and shall ensure the data is uploaded in a timely manner as prescribed by BPD policy.
(Penal Code § 832.18). Supervisors may review relevant BWC video and audio files in the field in furtherance of their duties and responsibilities.

Supervisors shall also review relevant BWC recordings prior to submitting any administrative reports.

425.7 ACTIVATION OF THE BODY WORN CAMERA
This policy is not intended to describe every possible situation in which the BWC should be used. Members shall activate the BWC as required by this policy in (a)-(f) below, and may activate the BWC at any time the member believes it would be appropriate or valuable to record an incident within the limits of privacy described herein.

The BWC shall be activated in any of the following situations:

(a) All in-person enforcement and investigative contacts including pedestrian stops and field interview (FI) situations.
(b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops.
(c) Self-initiated field contacts in which a member would normally notify the Communications Center.
(d) Any search activity, including the service of search or arrest warrants; probation, parole, or consent searches where the member is seeking evidence of an offense, or conducting a safety sweep or community caretaking sweep of the premises. Once a location has been secured and the member is not interacting with detainees or arrestees, the member may mute their BWC when conducting a search for evidence.
(e) Any other contact that the member determines has become adversarial after the initial contact in a situation where the member would not otherwise activate BWC recording.
(f) Transporting any detained or arrested person and where a member facilitates entry into or out of a vehicle, or any time the member expects to have physical contact with that person.

At no time is a member expected to jeopardize his or her safety in order to activate a BWC. The BWC should be activated by members in anticipation of situations described above, and in any unanticipated, rapidly unfolding situation where activation becomes required, as soon as the member can do so safely.

Members should activate their BWC when conducting custodial interviews unless there are other recording devices being used. Members shall document and explain in their report the reason for not recording custodial interviews, should a BWC be de-activated while conducting a custodial interview or interrogation.
425.8 VICTIMS AND WITNESSES OF CRIMES; INFORMANTS

In the event that an officer has the opportunity to record interviews of victims and witnesses of crimes, they shall consider the following:

(a) **Witnesses:** In the event a crime witness or a member of the community wishes to report or discuss criminal activity anonymously, officers have the discretion to not record. Members may offer to avert their camera to capture only audio during the interview, when doing so would facilitate obtaining the witness’s recorded statement. In cases where a witness requests they not be recorded, and the member agrees not to record, members should record their request prior to turning the camera off. When a member is already recording, the member shall record their explanation for turning the camera off prior to doing so.

(b) **Victims:** Upon request by the victim, officers have the discretion to not record the interview. Members may offer to avert their camera to capture only audio during the interview, when doing so would facilitate obtaining the victim’s recorded statement. In cases where a victim requests they not be recorded, and the member agrees not to record, members should record their request prior to turning the camera off. When a member is already recording, the member shall record their explanation for turning the camera off prior to doing so.

1. **Domestic Violence Victims:** Members should attempt to record interviews of domestic violence victims to facilitate future prosecution efforts and discourage later recanting of statements. Members should also record interviews with children who witness domestic violence, when the child is willing.

2. **Child Abuse and Sexual Assault Victims:** Members shall have the discretion to record, absent any request to not record the interview by victims, witnesses, or non-suspect parents of victims, during child abuse and/or sexual assault investigations.

(c) **Informants:** Members shall not activate their recorders when conducting an interview or engaging in a conversation with a confidential informant, unless needed as evidence.

Members have no obligation to advise a victim or witness that he or she is being recorded, but may do so at their discretion. When a victim or witness requests they not be recorded, members may consider their request (See Penal Code 632).

Members shall remain sensitive to the dignity of all individuals being recorded and exercise discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy concerns may outweigh any legitimate law enforcement interest in recording. Recording should resume when privacy concerns are no longer at issue unless the member determines that the circumstances no longer fit the criteria for recording.

Informal community interactions differ from “consensual encounters” in which members make an effort to develop reasonable suspicion to detain or probable cause to arrest. To strengthen relationships between police and citizens, members may use discretion regarding the recording of informal, non-enforcement related interactions with members of the community.
425.9 ACTIVATION IN CROWD CONTROL SITUATIONS
During crowd control, protest or mass arrest incidents, members shall use their BWCs consistent with this policy, or when directed by the Incident Commander. The Incident Commander shall document his or her orders to activate in an appropriate report (e.g. Operations Plan or After Action Report).

The limitations outlined in the Intelligence Procedures for First Amendment Activities Policy governing intelligence-gathering procedures for First Amendment activities, apply to the use of BWCs and other recording devices.

Video recording of individuals who are picketing or engaged in peaceful protest will be avoided unless the officer believes a violation of criminal law is occurring, may occur, or if the officer interacts with a participant or third party to the event, or a participant or third party initiates contact with the member.

425.10 SURREPTITIOUS USE OF THE BWC
Members of the Department may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police, or his/her designee.

Members are prohibited from using department-issued BWCs for non-work related personal activity. BWCs will not be activated in places where members have a reasonable expectation of privacy, such as workplace locker rooms, dressing rooms, members’ private vehicles or restrooms.

425.11 CESSION OF RECORDING
Once activated, the member may mute or deactivate their BWC at any time based on their discretion, in the following circumstances:

(a) Discussion of tactical or confidential information with other law enforcement personnel.
(b) Where members are on a perimeter or assigned to a static post where the member’s direct participation in the incident is complete and they are not actively part of an investigation.
(c) If it is necessary to discuss issues or concerns with an employee, supervisor, doctor, nurse, or paramedic in private.
(d) In the member’s judgment, a recording would interfere with his or her ability to conduct an investigation.

Decisions regarding the reason for muting or BWC deactivation shall be noted on the recording, or otherwise documented.
Body Worn Cameras

Members shall cease audio/video recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation. This does not apply to conversations with paramedics or EMTs during their response at a scene, and during transport.

425.12 EXPLOSIVE DEVICE
Many portable recorders, including BWCs and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

Members believing that the use of a BWC may detonate an explosive device may deactivate their BWC in such cases.

425.13 PROHIBITED USE OF BODY WORN CAMERAS
Members are prohibited from using a department-issued BWC for personal use and are prohibited from making personal copies of recordings created while on duty or while acting in their official capacity.

Members are prohibited from retaining BWC recordings. Members shall not duplicate or distribute such recordings, except for department business purposes. All such recordings shall be retained at the Department.

Members may not use personally owned recorders (e.g. personal cell phone) to document contacts unless exigent circumstances exist to warrant the use of personally owned recording devices. Regardless, if a member is using a department-issued BWC, and/or another recording device, members shall comply with the provisions of this policy, including retention and release requirements. In every event where members use any recording device aside from or in addition to their department-issued BWC, members shall document and explain the use and the exigent circumstance in their police report (e.g. the BWC failed and evidence needed to be captured at that moment in time).

Recordings shall not be used by any member for the purpose of embarrassment, intimidation or ridicule.

425.14 PROCESSING AND HANDLING OF RECORDINGS
To assist with identifying and preserving data and recordings, members shall tag and download recordings in accordance with procedure, and document the existence of the recording in the related case report. Transfers must occur at the end of the member's shift, and any time the member is aware that the storage capacity of the BWC is nearing its limit. In circumstances when the officer cannot complete this task, the officer's supervisor shall immediately take custody of the BWC and be responsible for uploading the data. Officers shall tag each file with the appropriate case/incident number, provide a descriptive title, and select an appropriate category for each recording, using the Axon View app or via the Evidence.com site.
Members are prohibited from intentionally erasing, altering, reusing, modifying or tampering with original audio video recordings. Members may request restriction and subsequent deletion of an accidental recording as described under section 425.16 below.

425.15 RETENTION REQUIREMENTS
The Department shall retain all recordings for a minimum of 60 days. Incidents involving consensual contacts, and aid to citizens will be retained for six months, and cold reports will be retained for one year. Recordings of incidents involving use of force by a police officer, detentions, arrests, or recordings relevant to a formal or informal complaint shall be retained for a minimum of two years and one month. Recordings relating to court cases and personnel complaints that are being adjudicated will be manually deleted at the same time other evidence associated with the case is purged in line with the Department’s evidence retention policy. Any recordings related to administrative or civil proceedings shall be maintained until such matter is fully adjudicated, at which time it shall be deleted in line with the Department’s evidence retention policy, and any applicable orders from the court.

Recordings created by equipment testing or accidental activation may be deleted after 60 days.

425.16 ACCIDENTAL RECORDING - REQUEST FOR RESTRICTION
In the event of an accidental or sensitive personal recording of non-departmental business activity, where the resulting recording is of no investigative or evidentiary value, the recording employee may request that the file be restricted pending 60-day deletion by submitting an email request, via their chain of command to the Professional Standards Division Captain. The Professional Standards Division Captain will approve or deny the restriction request. In cases where the request is denied, an appeal may be submitted to the Chief of Police, or his/her designee, for restriction authorization. In all cases of restriction requests, a determination should be made within seven calendar days.

425.17 REVIEW OF RECORDINGS BY A MEMBER
Members are authorized to review their own BWC video files at any time in furtherance of official business. Such official business includes, but is not limited to, preparing written reports, prior to or while providing testimony in a case or being deposed. Members may review recordings as an evidentiary resource, except as stated in subsection 425.17.1 below. Members shall not retain personal copies of recordings. Members shall not use the fact that a recording was made as a reason to write a less detailed report.

425.17.1 OFFICER INVOLVED INCIDENTS RESULTING IN GRAVE BODILY INJURY OR DEATH
(a) In the event of a critical incident that results in grave bodily injury or death, including an officer-involved shooting or an in-custody death, the BWC of the involved member(s) shall be taken from him or her and secured by a supervisor, commander, or appropriate investigator, as necessary. The involved member(s) shall not access or obtain their footage of the incident until such time as the criminal investigator(s) have reviewed
Body Worn Cameras

the video files. It will be the responsibility of the investigation team's supervisor to coordinate with the involved member's supervisor to obtain footage of the incident on behalf of the member.

(b) Personnel uploading secured BWC video files shall not view the files unless authorized.

(c) No member involved in a critical incident may view any video recordings prior to an interview by the appropriate criminal investigative unit, and receiving command approval.

(d) Prior to the conclusion of the criminal interview process, the involved member and/or the member's representative will have an opportunity to review the member's recording(s). The involved member may choose to provide additional information to supplement his or her statement by providing a supplemental statement or separate supplemental document. In no case shall a member alter a report made prior to reviewing the recording.

(e) The Department acknowledges that recordings taken during critical incidents obtained from BWCs do not necessarily reflect the full extent of the nature of the event or the experience, analysis, training, threat assessment or state of mind of the individual officers(s) in a given incident. Moreover, the recordings, especially video, have limitations and may depict events differently than the events recalled by the involved officer. Specifically, it is understood that the recording device will capture information that may not have been heard and/or observed by the involved officer and that officers may see and hear events that are not captured by the camera.

Officers who are involved in any critical incident where video recordings exist depicting the involved officer, either as a subject officer or witness, shall be provided the following admonishment to the initial interview or submission of the initial written report:

"In this case, there is video evidence that you will have an opportunity to view. Video evidence has limitations and may depict the events differently than you recall, and may not depict all of the events as seen or heard by you. Video has a limited field of view and may not capture events normally seen by the human eye. The 'frame rate' of video may limit the camera's ability to capture movements normally seen by the human eye. Lighting as seen on the video may be different than what is seen by the human eye. Videos are a two-dimensional medium and may not capture depth, distance or positional orientation as well as the human eye. Remember, the video evidence is intended to assist your memory and ensure that your statement explains your state of mind at the time of the incident."

425.17.2 SUPERVISORY REVIEW

With the exception of section 425.17.1 above, supervisors are authorized to review relevant recordings any time they are reviewing and approving case reports from their subordinates.
Berkeley Police Department
Law Enforcement Services Manual

Body Worn Cameras

425.17.3 INVESTIGATORY REVIEW
Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct, or whenever such recordings support review of the member’s performance.

Recorded files may also be reviewed:

(a) Upon approval by a supervisor, by any member of the Department who is participating in conduct of an official investigation, such as a personnel complaint, an administrative investigation or a criminal investigation.

(b) Pursuant to lawful process or by court or District Attorney personnel who are otherwise authorized to review evidence in a related case.

(c) By personnel assigned to investigatory units who are authorized to view any BWC video file associated to their active investigations, unless otherwise prohibited by policy.

(d) Upon approval by the Chief of Police, Internal Affairs investigators may review BWC video with a complainant.

Investigators conducting criminal or internal investigations shall:

1. Advise the coordinator to restrict access to the BWC file in criminal or internal investigations, as necessary.

2. Review the file to determine whether the BWC file is of evidentiary value and process it in accordance with established protocols.

3. Notify the coordinator to remove the access restriction when the criminal/internal investigation is closed.

425.17.4 TEACHING OR LEARNING TOOL
BWC files may also be reviewed by training staff regarding specific incidents where such files may serve as an internal learning or teaching tool. In the event that videos are intended to be used for training purposes, the involved officer(s) will first be consulted. If he/she objects to the use of the video, such objection shall be submitted to the person in charge of training who shall weigh the value of the video for training against the officer(s) objections and basis for the objection. Should the person in charge of training refuse to grant the request of the involved officer(s), the matter shall be heard by the Chief of Police, or his/her designee, prior to utilizing the video.

425.17.5 COB CIVIL CLAIMS AND LAWSUITS
BWC recordings may be reviewed and used by City of Berkeley defense counsel for the purposes of defending the city in civil claims and lawsuits, with the authorization of the Chief of Police, or his/her designee.

425.18 RELEASE OF RECORDINGS
All recordings should be reviewed by the Custodian of Records and the City Attorney’s Office prior to public release, see General Order R-23 (Release of Public Records and Information).
Body Worn Cameras

In the event that the Police Department or City Department intends to release or publish for any purpose video recordings where officers are captured on video or the video depicts actions taken by them in the course of the performance of their official duties, those officers shall be given written notice of the intention to release or publish said video at least 48 hours prior to such release.

BPD may, without prior notice to involved officers, share video footage with law enforcement, national security, military, or other government agencies outside of Berkeley, when there is reasonable suspicion that criminal activity has occurred or is about to occur.

425.18.1 POLICE REVIEW COMMISSION (PRC)
Access to recorded files will be granted for the purposes of review to the Police Review Commission Officer and/or Investigator investigating a specific complaint where BWC evidence files are available, and are not part of any ongoing criminal investigation.

(a) The PRC Officer and PRC Investigator will be provided user account access to evidence files through the evidence management system for their use during a complaint investigation and to facilitate viewing by Board of Inquiry members during a Board of Inquiry.

(b) The PRC Officer and PRC Investigator shall not make or create a copy of any evidence file, nor make or allow to be made any audio or video recording of any evidence file while it is being streamed and viewed from the evidence management system.

(c) The PRC Officer and PRC Investigator shall not allow any unauthorized individuals to view or access evidence files.

(d) The evidence management system associates an audit trail record with each evidence file, thereby logging the date, time, user, activity, and client IP address occurring during each evidence file access.

(e) The evidence management system shall only be accessed on City premises.

(f) The Department retains custody and control of the recordings, and content of the video will be subject to applicable legal standards including, but not limited to the confidentiality requirements of the Public Safety Officers' Procedural Bill of Rights, (Government Code § 3300, et seq., Penal Code § 832.7, and the California Public Records Act; Government Code § 6250, et seq.)

425.18.2 PUBLIC RECORDS ACT (PRA) REQUEST
Access to recorded files will be granted for the purposes of review in response to a public records request, as permitted under Government Code § 6254(f) and BPD General Order R-23 (Release of Public Records and Information). General Order R-23 does not authorize release of investigative files or documents that would constitute an unwarranted invasion of privacy. Circumstances where this might arise in video include footage taken inside a home, a medical facility, the scene of a medical emergency, or where an individual recorded has a "reasonable expectation of privacy."
425.18.3 MEDIA
Access to recorded files will be granted for the purposes of review to media personnel or the general public with permission of the Chief of Police, or his/her designee, subject to General Order R-23 and privacy protections indicated in this policy.

425.19 COMPLIANCE WITH BMC 2.99 ACQUISITION AND USE OF SURVEILLANCE TECHNOLOGY
This policy shall comply at all times with the requirement of BMC 2.99 Acquisition and Use of Surveillance Technology.

425.20 TRAINING REQUIRED
Officers who are assigned BWCs must complete department-approved training in the proper use and maintenance of the devices before deploying to the field.

As part of a continual improvement process, regular review should be conducted by BPD staff of the training on this policy and the related use of BWCs under this policy. Information resulting from the outcomes of this review shall be incorporated into the City Manager’s annual “Surveillance Technology Report” as required under BMC 2.99 Acquisition and Use of Surveillance Technology.

The Department, Police Review Commission and other City Departments shall maintain the confidentiality of Department sworn employee personnel records as required by state and local law. Failure to maintain the confidentiality of Department sworn employee personnel records, whether or not intentional, may subject individuals to civil penalties and discipline, up to and including termination of employment.
LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession... law enforcement.
MISSION - VISION - VALUES

MISSION
United in service, our mission is to safeguard our diverse community through proactive law enforcement and problem solving, treating all people with dignity and respect.

VISION
The Berkeley Police Department will be a team of leaders at every level. We will foster strong relationships with our community, inspiring trust through our service, building on our historic tradition of progressive policing, and dedicated to the safety of all.

VALUES
Service is our calling. As members of this community, the Berkeley Police Department team is committed to proactive law enforcement and problem solving, holding these as our core values:

Integrity: We are ethical, fair, and trustworthy in all we do.
Safety: We strive to keep our community and each other safe.
Respect: We fulfill our duties with dignity, compassion, and empathy.
Diversity: We value the strength of a diverse workplace and community. We endeavor to reflect the community we serve, promoting inclusion and fairness.
Professionalism: We commit to organizational excellence through progressive training, positive attitude, and superior performance.
Oath of Office

102.1 PURPOSE AND SCOPE
The purpose of this policy is to ensure that oaths, when appropriate, are administered to department members.

102.2 POLICY
It is the policy of the Berkeley Police Department that, when appropriate, department members affirm the oath of their office as an expression of commitment to the constitutional rights of those served by the Department and the dedication of its members to their duties.

102.3 OATH OF OFFICE
All department members, when appropriate, shall take and subscribe to the oaths or affirmations applicable to their positions. All sworn members shall be required to affirm the oath of office expressing commitment and intent to respect constitutional rights in discharging the duties of a law enforcement officer (Cal. Const. Art. 20, § 3; Government Code § 3102). The oath shall be as follows:

"I, (employee name), do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter."

102.4 MAINTENANCE OF RECORDS
The oath of office shall be filed as prescribed by law (Government Code § 3105).
PERSONAL CONDUCT AND DUTY REQUIREMENTS

Reporting Misconduct

PR 200 Misconduct – Duty to Report. When an employee, who is not a supervisor, becomes aware of or observes what he/she believes to be misconduct by another Department employee, he/she shall, by the end of the employee’s current shift, or if off duty within 24 hours, notify a supervisor, or in the absence of a supervisor a Command Officer or the Internal Affairs Bureau. A written report documenting the alleged misconduct shall be made by the reporting employee initiating the complaint if required by the Supervisor, Command Officer or Internal Affairs.

(a) Serious allegations, including but not limited to those listed below, shall be reported immediately.

   (1) Dishonesty.

   (2) Any act which may constitute the commission of a misdemeanor or felony crime.

   (3) Improper use of force.

   (4) Employee(s) under the influence of intoxicants.

   (5) Any discrimination or harassment on the basis of race, color, religion, ancestry, national origin, sexual orientation, gender, marital status, age, political affiliation, family care leave status, physical or mental disability or medical condition.

PR 201 Misconduct – Supervisory and Command Officer Responsibilities. A Supervisory or Command Officer with knowledge of, or who is made aware of, alleged acts of misconduct shall take appropriate corrective action. Such supervisors shall also notify their Commanding Officer or the Duty Command Officer, who shall give direction as to the proper procedure for documenting the complaint. Generally, the procedures will follow the guidelines listed in General Order P-26 relating to either external or internal complaints.

(a) Serious allegations, including but not limited to those listed below, shall be reported immediately.

   (1) Dishonesty.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: March 17, 2008       POLICE REGULATIONS – CHAPTER 2

(2) Any act which may constitute the commission of a misdemeanor or felony crime.

(3) Improper use of force.

(4) Employee(s) under the influence of intoxicants.

(5) Any discrimination or harassment on the basis of race, color, religion, ancestry, national origin, sexual orientation, gender, marital status, age, political affiliation, family care leave status, physical or mental disability or medical condition.

Arrests, Prisoners/Suspects, Criminal Cases

PR 202 Arrest – Use of Force. Employees shall not use inappropriate force or more force than necessary in making an arrest or in the carrying out of assigned duties.

PR 203 Prisoners – Property – Receipts For. Prisoners and other persons shall be given receipts for money and other property taken from them in accordance with the provisions of the California Penal Code.

PR 204 Prisoners – Treatment During Detention. Prisoners shall be treated in a fair and humane manner at all times as provided by law. They shall not be subjected to physical force other than as may be required in subduing violence, assuring detention, or as necessary in overcoming physical resistance offered in disobedience to a lawful order. No employee shall strike a prisoner or suspect except when necessary in the prevention of an escape, in self defense, or in the prevention of violence to another person. Any determination concerning the propriety of force used will be based on facts and the information available to the employee at the time force was employed, and not upon information gained after the fact.

PR 205 Prisoners – Suspects – Safeguarding. Employees shall be cautious in the arrest and detention of prisoners or suspects and shall take all necessary precautions to prevent prisoners from escaping, carrying weapons on their persons after arrest, injuring themselves or any other persons, or damaging property.

PR 206 Prisoners – Suspects – Availability of Weapons. Employees shall not place weapons or other objects capable of inflicting serious bodily injury, or permit such weapons or objects to remain unattended in any location in the Public Safety Building accessible to a prisoner or suspect. This regulation shall not apply to fixtures or furnishings which are part of the physical plant.

BERKELEY POLICE DEPARTMENT

DATE ISSUED: March 17, 2008

POLICE REGULATIONS – CHAPTER 2

PR 207 Prisoners – Suspects – Females – Handling. Female prisoners or suspects shall be touched only as necessary in taking them into custody and determining that weapons are not being concealed. This Regulation shall not apply to a female employee conducting the search of the person of a female prisoner or suspect.

PR 208 Prisoners – Suspects – Transporting. When an employee transports a prisoner or suspect of the opposite sex, the employee shall either be accompanied by a second person or shall provide the Communications Center via radio the number of the police vehicle being used for transportation and the odometer reading thereon, both before and after the transportation. The Communications Center shall acknowledge each radio transmission, including the time thereof.

PR 209 Prisoners – Suspects – Females. Women employees should be utilized to assist in processing female prisoners or suspects whenever possible or practical, consistent with officer safety considerations. Employees should not talk to a prisoner or suspect of the opposite sex alone in an interview room unless there is visibility into the room through glass or an open door.

PR 210 Compromising Criminal Cases – Taking Part In. Employees shall not interfere with the courts, nor for personal gain or benefit use their official position to make any arrangement for any person to evade prosecution.

PR 211 Criminal Information – Revealing – Prohibited. Employees shall not reveal any information in their possession, however obtained, which may enable anyone to evade detection, arrest or prosecution; or enable anyone to destroy evidence, or to destroy or secrete stolen property. Nor shall any employee divulge official or confidential information or arrest record to any unauthorized person or agency.

PR 212 Withholding Criminal Information. Employees receiving or possessing facts or information relative to a criminal offense or case shall not retain such facts or information through ulterior motives, desire for personal credit, or aggrandizement, but shall report the facts or information in accordance with Departmental procedures.

PR 213 Prisoners – Suspects – Transacting With. No employee shall buy or accept any article for personal disposition from any suspect or prisoner nor from any associate of any suspect or prisoner.

PR 214 Prisoners – Bail – Employee Posting. Employees shall not arrange bail for persons under arrest, except for members of their immediate family, as defined in City of Berkeley Personnel Rules and Regulations, without the consent of a commanding officer.

* Highlighted text is revised;

Regulations renumbered, where indicated.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: March 17, 2008

POLICE REGULATIONS – CHAPTER 2

PR 215  Bail Bond Companies – Arranging For. Employees shall not suggest the name of nor recommend any person or firm engaged in the business of furnishing bail, except for members of their immediate family, as defined in City of Berkeley Personnel Rules and Regulations. Employees shall be governed in their relations with bail bond brokers by Departmental Orders.

PR 216  Attorneys – Arranging For. Employees shall not suggest the name of nor recommend any attorney to any prisoner or person involved in a criminal or civil case of interest to this Department, except to members of their immediate family, as defined in City of Berkeley Personnel Rules and Regulations.

Rewards – Gratuities

PR 217  Solicitation – Acceptance. Employees shall not solicit nor accept rewards, presents, gratuities nor compensation other than that paid by the City or as provided for by City Ordinance or Departmental Order, for services performed in the line of duty. Should any reward; gratuity, present or unauthorized compensation come into an employee's possession, it shall be immediately forwarded to the Office of the Chief, accompanied by a written report outlining all circumstances.

PR 218  Solicitation – Special Privileges. Employees shall not use their badge, uniform, identification card nor official position to solicit for themselves or others any special privileges, such as free admission to places of amusement, discounts on purchases, or other favors, except as expressly permitted in the Departmental Orders. Employees may use their badges or other official credentials to obtain admission to any public gathering when such use is in furtherance of official duty. Should admission under these circumstances be refused, employees shall pay the required fee and file a report with their Commanding Officer, outlining the circumstances and requesting reimbursement. Nothing in this regulation shall prohibit uniformed officers of this Department from accepting free transportation on the Bay Area Rapid Transit System as authorized by the BART Board of Directors on January 24, 1974.

PR 219  Witness Fees – Remuneration For. Employees shall not accept anything for appearing in civil court in any matter arising out of their official employment except overtime and expenses from the City of Berkeley.

PR 220  Outside Employment. Employees seeking to engage in employment outside the Department are bound by the provisions of California Government Code Section 1128, City of Berkeley Administrative Regulation Section 2.8, and General Order P-20.

* Highlighted text is revised;
Regulations renumbered, where indicated.
PR 221  Civil Cases – Misuse of Position. Employees shall not use their positions with the Department as a means of forcing or intimidating persons with whom they are engaged in civil matters to settle the case in favor of the employee.

PR 222  Civil Matters – Serving Papers. Employees shall not serve civil papers except as directed by a Commanding Officer or as provided in General Orders dealing with Domestic Violence, Temporary Restraining Orders and Subpoenas.

Court Appearances

PR 223  Court — Employee's Personal Appearances. Employees subpoenaed to Municipal or Superior Court for matters being heard before a jury shall wear conservative civilian clothes. Male personnel shall wear coat and tie, and female personnel shall appear in correspondingly appropriate attire. For matters being heard without a jury or before the Police Review Commission, employees may wear either a uniform or conservative clothing as described above.

PR 224  Court — Punctuality. Employees required to be in court by Departmental Order or subpoena shall be prompt in attendance and shall remain until excused by competent authority.

Cooperation with Press/Media and Other Agencies

PR 225  Cooperation — Other Public Agencies. Employees shall cooperate with all law enforcement agencies, other City Departments, and public service organizations and shall give aid and information as such organizations may be entitled to receive, consistent with Departmental Orders.

PR 226  Cooperation — Press/Media. Employees shall extend full cooperation to members of the media consistent with Departmental Orders, provided that successful investigation or prosecution of a police case is not thereby jeopardized. Any situation which involves a question of relationship with the media which cannot be satisfactorily resolved by the employee shall be referred to a superior officer.

Department

PR 227  Use of Intoxicants. Except as necessary in the performance of an official assignment, having the odor of an alcoholic beverage on the person, clothing, or breath, being under the influence of alcohol or other intoxicants, or the consumption of alcohol or other intoxicants while on duty is strictly prohibited.

* Highlighted text is revised;
Regulations renumbered, where indicated.
A Command Officer must give prior approval for any use of alcohol in the performance of an official assignment.

Employees may use prescription medications, except medical marijuana, while on duty pursuant to the specific instructions of a physician who has advised the employee that the prescribed medication in the amount actually ingested does not adversely affect the employee’s ability to safely perform their duties, including tasks that require physical coordination, mental alertness and sound judgment, such as, operating office equipment and driving a vehicle, or, in the case of sworn officers, making detentions/arrests and handling weapons.

Intoxicants – In Uniform. No employee off-duty and in uniform, or in any part of uniform dress, shall:

(a) Consume any alcoholic beverage or other intoxicant in public view or in any place accessible to the public;

(b) Be in public with the odor of an alcoholic beverage on the person, clothing, or breath; or

(c) Be under the influence of alcohol or other intoxicants.

Intoxicants – Off Duty. No employee off duty shall consume any alcoholic beverage or other intoxicant to an extent which renders one unfit to report for one’s next regular tour of duty (including having the odor of an alcoholic beverage on the person), which results in the violation of any law, or which results in the commission an obnoxious or offensive act which might tend to discredit the Department.

Smoking – While on Duty. Employees, while on duty, whether in uniform or working in plain clothes, are governed by the Anti-Smoking Ordinance of the City of Berkeley and the dictates of common courtesy.

Smoking – City Vehicles. Employees shall not smoke in City vehicles, nor smoke close enough to a City vehicle such that smoke enters the City vehicle.

Controversial Discussion. Employees on duty shall not speak slightingly of any race, color, religion, ancestry, gender, national origin, age, sex, sexual orientation, marital status, political affiliation, physical disability or medical condition (including cancer and HIV status). No posters, cartoons, or written material of any kind which reflect on a particular race, color, religion, ancestry, national origin, age, sex, sexual orientation, marital status, political affiliation, physical disability or medical condition may be retained or displayed within the Police Department building(s) or vehicles.

* Highlighted text is revised;
Regulations renumbered, where indicated.
PR 233  Respect Among Employees. Employees shall treat other members of the Department with respect and response due them as fellow employees.

PR 234  Courtesy. Employees shall at all times be courteous and civil to the public and to one another. They shall be quiet, orderly, attentive and respectful and shall exercise patience and discretion in the performance of their duties.

PR 235  Acts — Statements - By Employees. Employees shall not perform any acts or say or write anything for publication or otherwise which tend to bring the Department or its administrative officers into disrepute or ridicule; or which destructively criticize the Department or its administrative officers in the performance of their official duties; or which tend to disrupt or impair the performance of official duties and obligations of employees of the Department; or which tend to interfere with or subvert the reasonable supervision or proper discipline of employees of the Department.

PR 236  Amusement – Places of – Restriction. Employees on duty shall not enter any place of amusement except when necessary in the performance of duty or periodic inspection.

PR 237  Political Activity. Employees shall not engage in improper political activity; nor shall they engage in political activities or services of any nature during those hours in which they are employed by the Police Department; nor shall they use any City funds, supplies, property, or equipment in performing any services of a political nature.

PR 238  Organizational Membership. Employees shall not belong to nor participate in the activities of any organization, association, society or other group whose activities or purposes are subversive in nature; or which in any way may adversely influence or control the work or service of such employees in their official capacity.

PR 239  Labor Unions – Officers – Membership. Officers shall not join or participate in any employee organization except an employee organization which is composed solely of peace officers which concerns itself solely and exclusively with the wages, hours, working conditions, welfare and advancement of academic and vocational training in furtherance of the police profession and which is not subordinate to any other organization.

PR 240  Public Talks – Conventions. Employees shall secure approval from his/her Division commander, or on short notice from his/her supervisor, before attending a conventions or filling speaking engagements as official representatives of the Department.

* Highlighted text is revised;
Regulations renumbered, where indicated.
BERKELEY POLICE DEPARTMENT

DATE ISSUED: March 17, 2008

POLICE REGULATIONS – CHAPTER 2

PR 241 Business or Personal Cards. Business or personal cards which refer to
the Department shall be used by employees in connection with official
business and shall conform to approved forms.

PR 242 Departmental Keys. Employees shall obtain permission from the Captain
of the Support Services Division before duplicating any Departmental key
or before lending or furnishing Departmental keys to any person not
employed by the Department.

PR 243 Badge – Police Credentials – Lending Of. Employees shall not use
another employee's badge or official police credential without permission
of a superior officer; nor shall they knowingly permit any person not
appointed in this Department to use a Berkeley Police Department badge
or official credential at any time.

PR 244 Personal Aggrandizement – Advertisement. Employees shall not permit
the use of their photographs or names for advertisement purposes; or by
testimonial, recommendation, or other means participate in any
advertising scheme or enterprise related to or based upon their
employment with the Department without the approval of the Chief of
Police.

PR 245 Shopping in Uniform. Employees in uniform shall not shop extensively or
carry large quantities of merchandise unless directly connected with their
normal police activity or required in the line of duty.

Departmental Records and Files – Restricted Use

PR 246 Records and Information – Restricted Use Of. Employees shall not
divulge to any person not connected with the Department information
acquired by their employment, if the information might discredit or imperil
the efficiency of the Department unless required by law, Departmental
Order, or order of a Commanding Officer. Departmental records and
reports and other information officially acquired shall be exhibited only in
conformity with Departmental Orders, State and Federal administrative
regulations, and statutory law. The only police record immediately
available to the public is the arrest register at the Jail public counter.

PR 247 Use of Criminal Justice Information. Employees authorized by law to
receive confidential criminal information shall not furnish such information
to any individual(s) not authorized by law to receive the record or
information.

Misuse of such information may adversely affect an individual’s civil rights
and is in violation of the law. Any employee who is responsible for such
misuse will be subject to immediate disciplinary action. Violations of this
regulation may result in both termination from employment with the City of

* Highlighted text is revised;
Regulations renumbered, where indicated.
BERKELEY POLICE DEPARTMENT

DATE ISSUED:  March 17, 2008  POLICE REGULATIONS – CHAPTER 2

Berkeley and criminal/civil actions.

Duty Requirements – Miscellaneous

PR 248  Obedience – Laws and Orders. Employees whether on or off duty shall obey the laws of the United States and the State of California; ordinances of the City of Berkeley; Departmental Orders; and lawful orders of courts.

PR 249  Obedience – Orders of Superior Officers/Supervisors. Employees shall obey the lawful orders of a superior officer or supervisor at all times; this shall include any order relayed from a superior by an employee of the same or lesser rank. Should an order conflict with any order given previously or with any Departmental Order, the employee to whom such order is given shall respectfully call attention to the conflict. If the person giving such order does not change it to eliminate the conflict, the order shall stand and the superior officer or supervisor shall bear the responsibility.

PR 250  Enforcement of Laws – Impartiality. Employees shall enforce laws in a fair and impartial manner.

PR 251  Truth – False Reports. Employees shall not make a false report, either oral or written.

PR 253  Address – Telephone – Change Of. Employees shall report any change in their telephone or address on official forms which shall be forwarded to the Administrative Bureau as soon as possible and in no event later than three days after the change becomes effective.

PR 254  Duty – Presence. Employees shall be present for duty as scheduled unless absence is authorized by competent authority.

PR 255  Duty – Reporting For. Unless expressly authorized by a Commanding Officer, employees shall report for duty at the time, place, in the attire and with the equipment specified by Departmental Orders or a superior officer. Inability to do so shall be reported prior to reporting time in accordance with applicable Orders.

PR 256  Duty – Signing Off. Employees shall sign themselves off duty on the time sheet in person and at the station at the expiration of their tours of duty unless exceptional procedure is authorized by a superior officer or supervisor.

* Highlighted text is revised;
Regulations renumbered, where indicated.
Duty – Required. Employees on duty shall devote their entire time and
energies to the duties and responsibilities of the rank, grade or position to
which they are assigned, either permanently; or temporarily, as specified
by laws, ordinances, Departmental Orders, and instructions from a
superior officer.

Duty – Sleeping On. Employees shall remain awake during the time they
are on duty. If unable to do so they shall so report to their superior officer
or supervisor who shall determine the proper course of action.

Duty – Refreshments On. Employees shall not leave their place of
assignment for coffee or refreshments except with permission of their
superior officer or supervisor.

Duty – Communications – Maintenance Of. Employees on duty or when
officially on call, shall be directly available by normal communication or
shall keep their office, headquarters, supervisor or superior officer
informed of the means by which they may be reached when not
immediately available.

Off-Duty – Service Requirements. Officers off-duty should perform
necessary police services in the City of Berkeley and may perform
necessary police services in other jurisdictions whenever they are aware
of a serious criminal offense or a present threat to life and when such
service can be performed without violating any existing Departmental
Order.

The term "police service" means any official police action taken by a
Berkeley Police Officer.

When off-duty officers do perform a police service in connection with this
Regulation, they shall, as soon as practicable, and in any event prior to
the conclusion of the shift during which the service was performed, advise
an on-duty supervisor so that their names may be entered on the time
sheet as working overtime for the period of their involvement in the
specific incident which warranted police action. An overtime slip shall also
be completed by officers as required.

When performing a police service as described in this Regulation, officers
shall be bound by all existing Departmental Orders and shall be entitled to
all employee benefits as though they were regularly assigned to duty.
Members of the Berkeley Police Reserve are exempted from this
Regulation.

Off-Duty – Response to Emergencies. Employees off duty shall report for
duty immediately upon receipt of and in compliance with the directions
given them at the time of notification.
PR 263 Expense – Departmental – Incurring. Employees shall not knowingly and intentionally incur any unauthorized Departmental expense or liability without approval of a superior officer or supervisor when necessary under emergency conditions.

PR 264 Citizens – Directing. Employees shall comply whenever possible with requests by citizens for public information. If necessary, they shall direct such persons to the nearest location where information may be obtained.

PR 265 Citizens – Complaints Of. Employees shall provide appropriate information and service to persons seeking assistance, based upon information communicated to the employee by the person seeking assistance.

PR 266 Identification to Public. Employees on official business shall identify themselves as Berkeley Police employees or officers. When requested, employees shall promptly state their name, rank and badge number, except when disclosure of identity could compromise safety and/or an investigation (i.e., riot situations, undercover operations, etc.).

PR 267 Reports – Submission Of. Employees shall submit written reports as required by and in conformity with Departmental Orders or instructions of a superior officer or supervisor. Employees shall complete all reports that are due during each tour of duty unless exceptional procedure has been approved by a supervisor or superior officer. "Reports" include, but are not limited to: the documented accounts of the events to which the employee was assigned the investigation or reporting of; the supplemental reporting of events where the employee assisted during the investigation; those investigations previously assigned to the employee, the progress of which is to be reported on or before a specific date; and those periodic activity logs as may be required.

PR 268 Property – Personal Use. Employees shall not purchase, convert to their own use, or have any claim in any found, abandoned or recovered property, or property held as evidence.

PR 269 Monies – Acceptance Of. Employees shall not accept money as bail nor in payment of a fine except as provided in Departmental Orders.

PR 270 Correspondence – Official Stationery – Use Of. Employees shall not enter into correspondence with any person concerning their official activities except as provided by Departmental Orders; nor shall they use Departmental stationery or forms for any purpose other than the transaction of official business.

PR 271 Recovery Time Transfer. Recovery time transfer is that system whereby an officer grants earned time off from compensatory time to another officer. Such transfer shall be limited to situations where the recipient of

the transfer is, by reason of illness or injury, threatened with the loss of earnings due to his or her exhaustion of employment benefits. In no instance will there be a transfer from an officer of one rank to an officer of a higher rank or between sworn and non-sworn employees. All such transfers shall require the approval of the Chief of Police or the Chief's designate.

PR 272 Community Relations and Crime Prevention. It is the policy of the Berkeley Police Department that all employees share the responsibility of maintaining the Department's community relations and crime prevention objectives. To develop and enhance a good working relationship with the community, it shall be every employee's responsibility to achieve community support and understanding by promoting and maintaining crime prevention and community relations programs.

PR 273 Nondiscrimination/Equal Employment Opportunity/Harassment. As set forth by City of Berkeley policy, employees shall be fair and equitable in all their relations with other employees and citizens. Harassment on the basis of race, color, religion, ancestry, national origin, age, sex, sexual orientation, marital status, political affiliation, physical disability or medical condition (including cancer and HIV status) shall not be condoned or tolerated; and all employees shall have the responsibility to establish and maintain employment conditions which ensure that no person shall be subject to such harassment.

PR 274 Contact With IAB/PRC Complainants/Witnesses: Employees involved in an Internal Affairs investigation or Police Review Commission investigation shall not contact complainants or witnesses regarding the complaint. Employees may make contact with complainants or witnesses when necessary in the course of normal police business, conducting investigations or responding to calls for service.
